

NO OFFER TO HALE

Chicago Tribune - July 13, 1999

Author: Alan M. Dershowitz, Harvard Law School.

I have never represented Matthew Hale , nor did I ever agree to ("White supremacist loses bid to join bar," Metro, July 4). Hale asked me to represent him, but I imposed several conditions, which he did not accede to. Those conditions included contributing my fee to the Anti-Defamation League, the Southern Poverty Law Center and other organizations that oppose racism. They also included a promise by him that he would not engage in, condone or incite violence.

I certainly never "offered" to represent him, as your article implied.
