AFTER 65 YEARS

WE WILL NOT COMPROMISE

THE JEWISH ONSLAUGHT RAGES ON

by Ben Klassen, P.M.

On the day when I was born 65 years ago in a remote little Mennonite settlement in the southern Ukraine, a chaotic battle was raging between the Bolshevik revolutionaries and fragments of the White Army of Russia. The battle was raging not on some distant front, but right in our own back yard. My mother told me that one of the cannon balls took off the end gables of our roof, another tore through the stables (our barn and house adjoined) and another shell exploded outside in the hogpen.

The village in which I was born was called Rudnerweide. It was one of 50 such villages in our particular settlement called the Molotschna colony. The German speaking Mennonites had first settled in this part of Russia just north of the Black Sea when they had first come there in 1804. Like the pioneers of Western America they started to develop and till the land.

The land was exceedingly fertile and the Mennonites prospered. They were an industrious, hard working group of people, practicing racial loyalty and always close to the soil. They took good care of the land and their farms, and the land was good to them. Not only was the land productive, but the Mennonites too were fertile. Not only did they prosper, but they multiplied. They did exceedingly well what Nature told them to do — reproduce their own kind. My dad, who was born in 1878, was second in a family of fourteen, twelve of which lived to adulthood.

Not only were the Mennonites prosperous but they were also extremely religious, following a Protestant creed professed by Menno Siemens in Holland, a Catholic priest turned reformer and protester in the style of Martin Luther. In the neat prosperous villages in which my people lived in Russia, the churches and the schools were the centers of their social activities, which were many and colorful, since the Mennonites were a very gregarious people.

There are a few tenets of the Mennonite religion that stand out. One of them that had caused them considerable problems throughout their history was their avowal of pacifism. The business of 'turn the other cheek,' 'love your enemies,' 'thou shalt not kill' had made them shun military service and this in turn had caused many other countries to drive them out. One such country was Prussia where my ancestors had settled and were expelled in the 18th century because they refused to bear arms.

It was therefore no wonder that when the vicious communist revolution hit them toward the end of World War I they were faced with a situation with which they were completely unprepared to cope, an assault on their way of life that not only shattered their idyllic settlement, but also most families and individual lives.

More often than I can recall well meaning friends have cautioned me with "I agree with everything you say, but you come on too strong. You turn people off. Why don't you use a more soft approach and use the art of gentle persuasion? Water it down somewhat. Compromise here and there. It is too much of a shock for the average White Man." And more of the same.

There is a lot of merit in the above advice. The idea is to get people to see the light without really disturbing them too much. If possible persuade them without any shock and without making them feel uncomfortable. Let them keep their age-old superstitions about their favorite spooks. Don't upset their life-style. Don't disturb

RACIAL SOCIALISM IN PRACTICE

by Rev. Tim Gaffney

Recently, a living example of Racial Socialism (White Racial Teamwork), as advocated by the Church of the Creator, came to our attention. The case in point is the small town of Mandragon, located in the Basque region of Spain.

About 25 years ago, the (White) people of Mandragon started a producers' cooperative movement which now employs thousands of White Racial Comrades. The workers own the companies, each contributing capital to them, and they elect the boards of directors from their own ranks.

This movement started in 1956 when 5 graduates from a local college started ULGOR, a firm of 23 workers making parafin cookers. Today, the ULGOR co-op, with 3,400 owner-employees (almost a 15,000 per cent increase over 1956!), is Spain's largest manufacturer of household appliances. Many more similar co-ops have since been set up.

Applicants for membership to the co-ops have to pass an entrance exam, and put in approximately \$4,500 of their own capital, which can be borrowed at low interest from the co-op bank (not from some jew userer). The workers decide the wages they can afford to pay themselves (the wages are expenses of the business firm). The profits of the co-ops are allocated as follows: 10 per cent to the community; 20 per cent to the firm's

reserves; and 70 per cent to the workers' capital in their private accounts, which cannot be withdrawn until they leave the firm.

If a firm makes a loss, some of it is met from its reserves, but some comes from the workers' own accounts. This gives each worker the incentive to make the company a success.

Productivity in the Mandragon co-ops is very high: double the output per man of comparable Spanish capitalist firms!

Each co-op is governed by the general assembly of all its workers/owners. Every four years, they elect management from their own ranks. The managers do the work of running the firm in addition to their usual job. Although extra responsibility is rewarded, no one is allowed to receive more than three times the minimum wage.

This method of operation (Racial Socialism) has healed the division between capital and labor, management and workers. There has been only one short internal strike in 27 years!

The Mandragon co-ops have flourished. There are now 90 manufacturing co-ops, employing 18,000 White Racial Comrades. These firms manufacture everything from machine tools to ovens, auto parts to furniture. Four or five new co-ops have opened every year, yet none have failed.

There are also a number of "service co-ops," including schools, housing developments, and a social security organization. There is also a co-op bank, which uses the workers' savings to finance new co-ops with low-interest loans.

AFTER 65 YEARS (Continued from page 1)

By the time I was nine months old, the civil war was still raging in our village. My mother tells me that I had come down with scarlet fever or diphtheria, I don't remember which, and was on the verge of dying while the shells exploded outside and the family was seeking shelter in the middle hallways of our brick house.

But our family survived and I survived. We not only survived the civil war, the chaos, the looting and the murderous gangs, but we also survived two stark years of dire famine (1921-22), a famine deliberately imposed on the Ukranian population by the communist gangsters themselves. By 1924 relative peace returned and we managed to leave Russia and journeyed on to an uncertain future in Mexico. From there on it is a long story, and I do not have the time or space to bore you with all the details.

We now come to the year 1983, sixty five years later. I have not only survived the ensuing chaos and upheavals, but I am finally in a position to fight back, something my ancestors shunned from even trying, not because they lacked courage, but because of stupid self-imposed religious inhibitions to which they had been programmed.

Now, 65 years later the Jewish war on humanity still rages on at a tempo and on a scale more deadly and virulent than at the time I was born. During that intervening 65 years the world has changed drastically, and thanks to the Jewish pestilence, much for the worse.

In the intervening 65 years the world has been in constant turmoil. Besides World War I (which was still raging when I was born) we have seen the culmination of the (Jewish) Communist Revolution in Russia, we have seen the Spanish Civil War, the betrayal at Pearl Harbor, World War II, the Korean War, the Vietnam War, the Chinese people taken over by communism and in fact hundreds of wars all over the world. We have seen nothing but turmoil, chaos, depression, revolution and the communist takeover of one country after another, including all of eastern Europe.

Behind this turmoil and chaos of world destruction lies the hidden hand of international Jewry. There is hardly a revolution, a civil war, a depression, or a bank failure, but what a Jew connived, planned, manipulated and or instigated it. It is said that wars are Jewish harvests. This is true. So are depressions and civil warfare and the world today is escalated in a rising crescendo in all these destructive and nefarious Jewish onslaughts.

The world as a whole is floundering in a confused and drunken orgy before the ever escalating onslaught of the Jewish powerhouse, an onslaught that during my lifetime is rapidly becoming the most horrible catastrophe the world has ever been subjected to.

For 50 years of my lifetime, I along with the rest of a confused and befuddled humanity, either would not believe, or understand, or know what to do about the cataclysm that was enveloping us. Like all the naive and gullible yokels, I could not focus the picture — a picture that was clear and obvious for all to see.

Finally, by 1969 or 1970, slowly, imperceptably, the picture began to focus. As I took an agonizing reappraisal of my own life, of world history and especially the history of the Jewish parasite, I realized that this war did not begin during my lifetime, nor with the Russian revolution, nor even with Karl Marx. I began to see that the Jews had been carrying on a sinister and relentless war of destruction and enslavement not only for 50 years, nor 100 years, but for thousands of years. (Read again Ch. 6, "Masters of Deceit — A Short History of the Jews" in *NER* and *Creative Credo* No. 35 "Unrelenting Warfare between the Parasitic Jews and their Unfortunate Victims" in *WMB*) I also began to realize that the main victim of the

Jewish onslaught was the White Race, Nature's Elite, of which I myself was a proud member.

They say once you have a problem properly analyzed, you are also half way along to the solution itself. Along with the realization of the Jewish menace also emerged the answer as to how we could get this dreaded plague off our backs.

When you ask the question — how did the Jews manage to get such a powerful grip on the lives of all the peoples of the world — their finances, their government, their propaganda, their religion, and in fact their total minds, the answer begins to emerge. And the answer is this — they did it by means of their racial religion, Judaism. They did it by fanatically clinging to their religious program — nefarious and sinister though it is — and by practicing **racial loyalty** and **racial teamwork**.

When this realization came home to me about 13 years ago, this discovery intrigued me immensely. If the Jews could accomplish such miracles with their racial religion, I reasoned, why couldn't the White Race, which has so much more to work with, so many more natural advantages and attributes, do the same! In fact, with all our advantages, why couldn't we do a thousand times better? Why couldn't we, too, practice **Racial Loyalty** and **Racial Teamwork** and build a Whiter and Brighter world for ourselves? I came to the conclusion there was no reason in the world why we couldn't. All we needed was a racial religion for the White Race, a religion that took the same self-interest in our own race as the Jews have so successfully demonstrated with theirs — a White racial religion that said: What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.

We now have such a White Racial Religion. It is called **CREATIVITY**. In it we have the **total program, the Final Solution, the Ultimate Creed**. We now also have our White Man's Bibles that spell out for all time that program, solution and creed. We now also have a monthly paper, *Racial Loyalty*, which you now hold in your hands. We also have a geographic headquarters, a World Center, in the beautiful Blue Ridge Mountains of western N.C.

We now come to the present, specifically June 15, 1983, when a dastardly sneak attack was made on our church headquarters in the middle of the night, 1:45 AM, to be exact. A Molotov cocktail was hurled at the corner of the church, and at the same time a shot gun blast was unleashed at our 7½ foot logo sign on the front of the church. We don't know who did it, but we will find out, and when we do I believe the sinister hand of the Jew was behind it. It is a pretty safe bet that either the ADL, or the JDL or the Mossad itself was involved. We will find out.

In the meantime, the official authorities are pursuing the investigation of this dastardly crime with less than great enthusiasm. Nor are the (Jewish) controlled news media overly disturbed about it. Both would just as soon sweep it under the rug and forget about it. Imagine the uproar, the headlines, the army of investigators that would have swarmed all over the place had such an assault been made on a Jewish synagogue. The FBI, the Army, the Navy and the Marines would have been called out, to say the least.

Be that as it may, nevertheless, again we have survived, as we have over the last 65 years. Actually, very little damage was done, but this does not lessen the crime and we will not forget, nor will we be intimidated. We will not be frightened off, we will not be slowed down one damn bit. In fact, we consider the shotgun holes in our logo as scars of honor and intend to leave them there for all the world to see. I repeat, it will not slow us down, but on the contrary, it will steel our resolve to fight even harder, to rally the White Race to the banner of their true racial identity, and build a racial movement so powerful it will sweep the Jews and other enemies before us like a huge tidal wave. We now have the weapons with which to fight this monster and come hell or high water,

Salubrious Living Section

The Best Sources of Minerals and Vitamins Obtaining the Needed Elements In Their Organic Form

Modern science has proven conclusively that the body requires a wide variety of minerals and vitamins in order to be healthy. It has shown that all types of animals, including man, succumb to disease if even one of these elements is lacking in the diet. It has shown that throughout the animal kingdom health is dependent upon the chemistry of the living tissues, and that this chemistry is determined by the amounts of minerals and vitamins in the foods which are eaten. Those races which get the greatest amounts of these elements in their diet possess the greatest resistance to disease.

Commercial interests were quick to grasp the significance of these discoveries. They recognized the fact that, if minerals and vitamins were of such great value, the public would sooner or later start using the foods which contained them in the greatest quantities. From this development the drug and chemical enterprises could not profit. Hence the minerals were isolated and concentrated into small tablets, and the vitamins were created synthetically and also put into tablet form. The tablets were in turn sold to the public as substitutes for natural foods. Under this plan the basic food industries¹ those which manufacture white flour, white flour products, white sugar, refined cereals and denatured foods of all kinds¹ were not harmed in the slightest, and the chemical industries gained the opportunities to reap the greatest profits. The manufacture of mineral and vitamin concentrates became the very basis of some of these industries.

The facts regarding these concentrates are not in accordance with the popular opinions and advertising claims. The manufacture and sale of mineral and vitamin concentrates is, for all practical purposes a financial racket. The daily requirements of minerals and vitamins cannot be met by using special tablets, capsules, and concentrates. No special concentrated preparations can remove the need for natural foods. From a hygienic viewpoint these products are not only unnecessary but definitely harmful. There is no room in a healthful diet for isolated vitamins and minerals of any kind.

You need minerals and vitamins. That is a proven fact. But all minerals and vitamins are not the same. A mineral can be necessary for human health in one form and harmful in another. And the same is true for vitamins. The evidence as it stands today indicates that these elements can be both life savers and poisons. One single mineral can be absolutely essential for health, whereas that same mineral, in a different form, can produce instant death.

ORGANIC AND INORGANIC MINERALS

Minerals are divided into two distinct types. There are the organic minerals which are found in living matter, and the inorganic minerals which are found in the soil, rocks, ashes and other earthly elements which do not possess life. For instance, the iron, calcium, phosphorous and other minerals which are found in lettuce, oranges, grapes, apples, walnuts, almonds and other plant foods are organic. Likewise, all of the minerals which are found in animal flesh or animal products such as milk and eggs are organic. The word *organic* really pertains to that which is living. The word *inorganic* pertains to the crude elements of the earth which are found in the dead, inert mass. Inorganic minerals are also those which are produced in the laboratory by reducing foods to an ash and then separating the various mineral and mineral compounds which are released as the food is broken down. The minerals contained in the plant and animal material are organic only so long as this material retains a certain resemblance of its living cell structure. After its death, as it decays, it is broken into its component parts, the minerals are released and all again become part of the soil in an inorganic form.

Now the question comes up as to just how the organic minerals differ in the structure from the inorganic minerals. This is something no chemist has ever been able to answer. It is impossible to isolate the organic mineral and thus make it available for analysis. All life exists in a complex mixture. The organic minerals of the plant are inseparably combined with each other and also with the vitamins of the plant. As long as the plant is not broken down to an ash these minerals remain combined. No one can separate them. The isolation of minerals takes place only after the plant structure is completely broken down, and by this time the mineral can no longer remain organic. It is possible that the only difference between the organic and inorganic minerals lies in the combination in which they are found. The organic combination may be all that distinguishes the life of the plant from the condition of the soil. Life

itself may be just a matter of chemical combinations. And these combinations may be the deciding factor in giving the organic minerals the power to support animal life (but not plant life) and in giving the inorganic minerals the power to support plant life (but not animal life). However, what the difference between organic and inorganic minerals may be is not what chiefly concerns us here. The important thing is to discover the difference between the effects of these inorganic and organic elements. Just why the effects of the respective elements differ is a secret which we will have to leave to Nature, for the present at least.

THE EFFECTS OF INORGANIC MINERALS

The human body is composed of 16 principal mineral elements. In addition, there are numerous others which exist in the body in just small traces. These are called the trace elements. All of these elements exist in the body in their organic form and they were obtained from plant and animal foods in their organic form. This transference of minerals from the plant and animal foods to man is itself indicative of the indispensability of minerals in their organic form. If inorganic minerals were capable of supporting animal life, man could live on ordinary soil instead of on plants. But man cannot live upon soil; nor can he live upon finely crushed rocks or ashes, even though these contain all of the minerals found in the human body. These lifeless sources of inorganic materials, when used as animal food, not only will not support life but they tend to destroy it. As sources of food, inorganic minerals are for plants only.

The majority of pure, uncombined, inorganic minerals will produce several symptoms of disease or instant death if taken even in small amounts. Just a few grains of inorganic phosphorus is a fatal dose, and only one milligram of uncombined inorganic potassium is required to produce death. Inorganic iodine and inorganic arsenic are also good medicines for those who want a quick way out. Inorganic arsenic has been used as a means of suicide and premeditated murder for decades. Most of the other organic minerals are less poisonous. Large doses of them are required before death ensues. However, the only difference here is one of degree; the inorganic minerals are all harmful to animal life, though some are more so than others.

Medical science was the first to use inorganic minerals. Doctors employed them as medicines for specific diseases. The patients suffered greatly under this plan; true, symptoms were sometimes temporarily suppressed but the mineral thus added to the cause of disease. The patients were not instantly killed by the minerals only because the doctors prescribed very small doses. The more poisonous the mineral, the less they prescribe, always being careful to keep below the fatal dosage. Perhaps a few patients died after even the small doses but the majority managed to survive.

The nutritional scientists in the university laboratories were the next to use inorganic minerals. However, they used them for experimental rather than medicinal purposes. In thousands of experiments with white rats inorganic minerals were used to a very great extent. Such experiments are, in fact, still being carried on. In order to learn more of the effects of mineral deficiencies the scientists place the rats on very restricted diets which are completely lacking in certain essential minerals. Almost invariably the rats become sick, their type of illness depending upon which of the minerals are lacking. The scientists then give the rats very small amounts of the lacking mineral. As organic minerals cannot be isolated they supply the mineral in its inorganic form. Occasionally the rats recover. The scientist proclaims his discovery to the world, and new disease-remedial powers are ascribed to the inorganic mineral used. The assumption is then made that inorganic minerals are equally as valuable as organic minerals as preventive of disease or remedies for disease.

On the surface it may appear that the nutritional scientist is correct inorganic minerals may be equally as valuable as organic minerals. But closer observation provides a different picture. The rats appear to be helped by the inorganic minerals only because their bodies are stimulated to resist the introduction of a poisonous substance. This temporary stimulation is the same kind of "help" that a person with a headache gets when he drinks a cup of coffee. The introduction of any poison into the body calls forth its energies to resist. This bodily defense activity is mistaken for improvement, whereas it is merely enervation. The inorganic mineral is always a poison and must be eliminated. The effort required by the body to do this will deplete its energies and result in more weakness and sickness later on.

It must be remembered that in the rat experiments in which some apparent benefit was observed, only very minute quantities of inorganic minerals were used. Large quantities of the inorganic minerals, such as are normally present in their organic form in natural foods, often produce very toxic reactions among the rats. The toleration point of the inorganic minerals is very low. Whereas ten grains of certain minerals are

(Continued on Page 4)

MINERALS AND VITAMINS (Continued from Page 3)

tolerated in their organic state, often just a few grains of the same mineral, when used in its inorganic form, will produce serious disease and occasionally even death.

No one has ever proven that the addition of the inorganic minerals to a diet produces any improvement in health. Indeed, the evidence indicates the opposite.

The mineral tablets which are sold in drug stores and health food stores must necessarily contain inorganic rather than organic minerals. Care is always taken in their manufacture to use only as much mineral as can be taken without causing the development of symptoms which let the user know that he is being poisoned. This calls for only minute quantities of minerals in each tablet. However, even these small amounts can do serious harm. Only a very small amount of inorganic calcium with synthetic vitamin D is required in the pregnant mother's diet to cause a marked calcification of her kidneys as well as partial closure of the fontanelle opening in the head of the infant. The latter abnormality fails to permit the infant's head to shape itself according to the shape and size of the birth canal and as a result childbirth is made very difficult and painful. In spite of this fact, it is considered the soundest nutritional advice to recommend a combination of inorganic calcium with vitamin D for pregnant mothers. These people need calcium and plenty of it but they need it in its organic form. The diets of many primitives contain ten times the minimum requirement of organic calcium, but with them childbirth is very easy and there is no calcification of the kidneys. It is only the inorganic mineral, even when taken in very small amounts, which produces these symptoms.

The damaging effects of inorganic fluorine upon the human body have been noticed in those localities where drinking water contains more than two parts per million of this mineral. The teeth of the people who drink this water regularly become stained and mottled. In addition, the teeth often become translucent (that is, they lose their white normal color). In some cases they become pitted. But the teeth are not all that suffer from fluorine poisoning. The whole body is affected, with particular emphasis upon the bones. The symptoms are quite often serious and include, in addition to tooth troubles, retarded ossification of the connective tissues, depressed appetite, diuresis, estrual disturbances, loss of weight, anorexia, a great transparency of the bones, as well as softening and thickening of certain bones. And remember, this is the result of a comparatively small amount of inorganic fluorine. You get fluorine every day in your foods but do not suffer as a result. Rather, you are benefitted, for the body needs organic fluorine. It is only inorganic fluorine which produces symptoms of disease.

The inorganic mineral chlorine is added to the water of most cities. The chlorine supposedly purifies the water, killing many kinds of bacteria; it also kills humans. Only the humans are killed more slowly. They are slowly poisoned year after year of their life. Inorganic chlorine, when taken in large amounts, is fatal. In World War I it was used in manufacturing poisonous gasses. The amount of chlorine in city water is not enough to produce symptoms of immediate poisoning but it is no doubt a contributory cause of much disease. However, the organic chlorine which is found in foods is essential for the best health.

Perhaps one of the most deadly of all inorganic minerals is iodine. This element has been used for many years as a preventive of goiter. Most of the salt sold today is iodized; that is, minute quantities of inorganic iodine are added to it. The water supplies of most large cities are still free from inorganic iodine but many are attempting to make the addition of this mineral to all drinking water a standard procedure. A few years ago it was the common practice to add iodine to drinking water. Doctors recommended the procedure very highly. However, the results of the practice were not so good. Even as little as a drop of inorganic iodine often produces the most toxic symptoms, chief of which are gastric distress and severe skin rashes. Exzema often results from iodine poisoning. As for actual deaths occurring from the use of inorganic iodine, these are more frequent than is commonly supposed. A drop of inorganic iodine per day over a long period of time has been, in itself, the sole cause of some deaths. The real source of the only harmless iodine is natural food. Organic iodine as found in food is more effective than inorganic iodine as a preventive of goiter and it produces no toxic symptoms, even when used in great excess of the body's requirements.

The story of iodine, chlorine, fluorine and calcium is similar to that of the other inorganic minerals. Almost invariably these minerals act as irritants to living tissues. When they are added to the normal menu, inorganic minerals are just so many extra toxins which the body must dispose of. For every one disease they may appear to prevent, they actually produce several more, and these are often more serious than the original disease. So for your health's sake avoid inorganic minerals of all kinds. Don't take mineral tablets, pills or concentrates under any cir-

cumstances. Use distilled water in preference to chlorinated city water or water which contains much fluorine. If you can't buy distilled water, buy a water distiller and you will be able to remove the inorganic minerals from the water yourself. In addition, never use aluminum cooking utensils as these corrode very easily and some of the aluminum finds its way into the food. Use plants which have not been sprayed with inorganic arsenic, or if this is impossible be sure you remove all of the arsenic from the plants before using them. Avoid the inorganic sodium chloride which is generally known as table salt and be particularly careful not to use the iodized product. Simply keep away as much as it is possible from the use of all inorganic minerals. Get your minerals from the plant kingdom, or at second best, from the animal kingdom. These minerals your body can use most effectively. They are fully adequate for the prevention of all deficiency diseases and they will not poison you.

SYNTHETIC VITAMINS

Many of the facts which apply to minerals also apply to vitamins. You need vitamins plenty of them. Vitamins are fully as important to health as are the minerals. However, you need them only in their natural form. Vitamins, like minerals, must be found in organic combinations with other elements. The value of each vitamin depends upon the way in which it is combined. In their organic combination, vitamins give no toxic reactions; they supply your needs in an ideal manner.

Most vitamins can be isolated in the same manner that minerals can be isolated. The food must be broken down to an ash so that the chemist can recover the vitamins in their pure uncontaminated state. Some of the vitamins can also be created synthetically in the laboratory. These are similar to the isolated vitamins taken from the food and they produce similar effects. The isolated vitamins and the synthetic vitamins (which are also isolated) might be compared to inorganic minerals, and the natural vitamins to the organic minerals.

As for the toxic reactions which follow the employment of the isolated vitamins, whether created synthetically or taken from food, these are not as severe as those which follow the use of inorganic minerals. But nevertheless, they do act as toxins and are a cause of disease. Vitamins B and D are the most harmful when taken in very large doses in their isolated states. Synthetic vitamin D was formerly employed to a great extent in treating arthritis patients, but it was soon discovered that more harm than good was accomplished. If it is taken in small amounts, the arthritis is not helped at all but when massive doses are used, which appear to result in a little improvement, the patient is harmed in so many other ways that the treatment is no longer considered practical. The chief ill effects involved in these cases are heart lesions and calcium deposits in the body. Pyridoxine and thiamin, two members of the B complex vitamin group are known to impair health when taken in large amounts of their isolated form. The pyridoxine tends to cause premature graying of the hair; the thiamin causes multiple evidences of toxicity including hyperthyroidism and high blood pressure. When large amounts of isolated vitamin A are injected into rabbits, the animals develop roughening of the skin, rarefication of the bones, internal hemorrhages and alopecia. Humans may react somewhat differently but it is improbable that they remain unharmed.

It is often held that the natural vitamin A, as it is found in food, produces toxic symptoms when foods very rich in this element are used extensively. But there is really no proof of this. Fish liver oils are the richest known source of vitamin A. When they are taken in large amounts the heart tissue is often irreparably harmed, and other symptoms of disease also develop. But this is not due to the presence of vitamin A. The oils of fish liver are harmful in themselves, regardless of the amount of vitamin A they contain. It is notable that the use of fish liver oils containing as little as 5,000 units of vitamin A have been known to produce symptoms of heart impairment whereas green and yellow vegetables containing as much or far more of this vitamin (in the form of carotene) provide nothing but beneficial effects.

The use of synthetic vitamins in numerous experimental tests with humans shows that these elements provide no improvement whatsoever in the state of health. In one set of these experiments, three groups of patients were used. The first group was given synthetic vitamins; the second group was not given any synthetic vitamins; and the third group was given pills which they were told contained synthetic vitamins but which in reality contained none. The members of the first group said they felt better with the additional synthetic vitamins. But so did the third group. The only value of the vitamins in these cases was psychological. Just the belief that they are taking extra vitamins give some people the false sense of physical well-being. But as for real physical improvement under the synthetic vitamin regime, there is none. In fact, when the synthetic vitamins are taken in sufficient amounts over long periods of time there is a definite deterioration of health.

If you desire the finest physical condition you should forget synthetic vitamins and inorganic minerals. There is no substitute for the products nature offers us. The value of her foods have yet to be equalled or sur-

GOAL AND SOUL

Basic Essentials for the Survival of a Race

Basic Requirements. In order to survive, whether it be an individual or race, there are two prerequisites they must have: (a) they must have a purpose and program; and, (b) they must have the energy, zeal, and motivation to pursue that purpose. The two go together in order to sustain and perpetuate a viable organism.

In translating this into terms meaningful to the White Race, we can summarize these forces as **goal and soul**. Without them, our race cannot and will not survive.

Today's White Race floundering. Today, the White Race has neither. It has no purpose or racial goals, nor does it have a racial soul. It is floundering aimlessly toward self-destruction and oblivion. Not only does the White Race not realize its unique and outstanding worth, **it doesn't even recognize that it exists as an entity.** That Nature's finest, its most intelligent and creative creation should be so devoid in these most basic of essentials, is a crime against Nature itself. No creature survives for long in defiance of Nature's laws. Those who temporarily do so are punished by her inexorable laws. Extinction and oblivion is the fate of those so foolish as to try.

Unlimited Potential. What we of the CHURCH OF THE CREATOR are much more interested in than anything the White Race has performed in the past is **the tremendous potential of the White Race of the future**, once it becomes consciously aware of this explosive potential.

The future potential of the White Race is, or can be so tremendous, so glorious that it defies the imagination. Yet today, tragically, the White Race is on its dismal path to extinction and oblivion. It is the purpose of this book to change that tragic but avoidable course. It is the goal of the CHURCH OF THE CREATOR, through its dynamic new religion, CREATIVITY, to **Awaken this great Slumbering Giant, to revitalize its Inner soul and to give the White Race Goal and Purpose.** In fact, that goal and purpose are of such dizzying heights that it will take future generations to fully appreciate the true purpose of our religion.

Soul of the White Race. But first of all, let us make clear what we mean by soul. We do not mean some ephemeral ghost that flits in and out of human bodies. In fact, we of the CHURCH OF THE CREATOR, do not believe in ghosts at all, or in any other form of the supernatural, whether they be spirits, gremlins, demons, hobgoblins, or whatever. When we talk of the soul of the White Race,

we are talking about the innate, in-born inner feelings, desires, aspirations, qualities, preferences and characteristics that belong to the White Race and the White Race alone. For example, it is characteristic of the White Race to be creative, to explore, to build, to organize, to pursue knowledge and learning, to create civilization, to establish empires, to desire and institute law and order, to have a sense of fair play, to enjoy and appreciate beauty, to create beauty in the form of art, music, architecture, and many other manifestations. Niggers, on the other hand, are innately devoid of any of these, and have more the brute soul of a dumb animal.

Inner Urge imbedded in Genes. There are many other innate attributes that are inherently characteristic of the White Race. **These characteristics are imbedded in its very genes and passed on from generation to generation as long as the race remains uncontaminated.**

It is this **Inner Urge** that we, of the CHURCH OF THE CREATOR, define as our **soul**.

Expressed in Religion. Usually, the soul of a race is manifestly **expressed in its religion.** Unfortunately, this is not true of the White Man's past religion, Christianity, which was foisted on him by a hostile alien race, an Asiatic Semitic race. We will have a great deal more to say about this later.

Billy had just started Sunday School and had been introduced to the fictitious concepts of heaven, hell, God and the devil, etc.

Next Sunday at the start of the class the Sunday School teacher asked him point blank: "Billy, where is God?"

Billy: "I don't know."

Sunday School Teacher: "Billy, you know where God is." Billy ran out of the room crying to his older brother Jimmy who was on the playground.

Jimmy: "What's the matter?"

Billy: "God's missing, and they think we've got him."

BRICKBATS & BOUQUETS

Dear Mr. Klassen:

It was a very pleasant surprise to receive your first issue of "Racial Loyalty" and to know that you are in a position to publish and perpetrate your own ideas and viewpoints.

We enjoyed your publication very much and share a mutual philosophy. If you could forward a few additional copies, we would be glad to help circulate them for you; however, our standard of living is at the subsistence level and it would be impossible to contribute financially.

As you may know, we have been twice tried for the same offense of "conspiracy", and after the appellate court reversed our convictions — we will now be re-tried — the third time! Trial date was initial-

Goal and Energy. In this chapter, we want to lay down the ground rules: without a goal and program nothing is accomplished. Without the energy, the urge, the motivation, nothing is accomplished, even though we have our goals established. The two must go together: a worthwhile goal; and the energy, drive and motivation to accomplish that goal.

Parasitic Jews survived because of their religion. The most outstanding example of a race where the goals, purpose, soul and

ly scheduled for 6 July, but during a pre-trial conference yesterday in Asheville, the court continued the case until 12 September. The trial is again anticipated to last a week or longer. If you subscribe to the "Spotlight", that publication has given us very accurate detailed coverage and their reporters have covered both trials.

Attached herewith you will find several enclosures, including an article regarding our prosecution. Perhaps the information will help to give you an insight of the relation of the Greensboro/Asheville cases.

We would like to meet with you sometime when you are in this area or otherwise at a most convenient time.

Keep up the good work and let us hear from you when time permits.

religion have been functioning in almost total blend is that of the arch-enemy of the White Race. The Jewish race, over the last several thousand years, has been frantically striving in unison to accrue unto itself all the wealth and riches of this world; to destroy, to down-breed and enslave all the other peoples of this planet and convert them into subservient slaves to do their bidding. They have been fanatically loyal to their race, they have been extremely aggressive in

ment, and, in fact, every aspect of our society that affects the survival and welfare of the White Race. We not only base our creed and program on logic, common sense and the experience of history, but also on the Eternal Laws of Nature. We encompass the whole ball of wax.

Furthermore, we have learned from success. From the Jews themselves, who have been the most successful survivalists of all time, we have taken note of what made them the powerful battering ram and controllers and manipulators of mankind. The fact is that they have a RACIAL RELIGION and fanatically practiced RACIAL TEAMWORK and RACIAL LOYALTY for all these years.

Now we the White Race have a powerful, meaningful, all encompassing Racial Religion of our own. With all the advantages we have over the Jews we can now not only beat them at their own game, we can do a thousand times better.

This we can do and mean to do. We see the whole elephant. We have the total picture. We take in the whole ball of wax. We were never more serious. We can do a thousand times better than our Jew and mud race enemies. Not only can we overcome our enemies wholesale, completely and devastatingly, but we can then proceed from there and build a beautiful Whiter and Brighter world for ourselves.

So lets get busy! 

THE JEWISH PROGRAM FOR THE

A Program of Accelerating Genocide

The mongrelization of America. We have shown in the previous chapter the awesome power of Jewish money and how it has enabled this perfidious race to capture the government, the news media and every other nerve center of power. (See *Creative Credo No. 40, "The Federal Reserve Board — The Most Gigantic Counterfeiting Ring in the World" in The White Man's Bible*) Now let us examine the treacherous deceptions the Jew is using here in America in order to mongrelize us, the White Race, in order to force feed and pump the black blood of Africa into the veins of White America.

Slave Traders Mainly Jews. Over three hundred years ago, when the Jewish slave trade began dragging the black African into America for pecuniary gain, the Jew already knew how he was going to use the nigger to mongrelize the new White civilization burgeoning in this new land of promise. While he was making a huge profit dealing in black flesh, he knew even then that later generations of his race could and would use this black poison to destroy the White Race. He knew this because he had been doing this very same thing throughout history, especially in **Ancient Rome!**

Reconstruction Period — Niggerization of the South. During the aftermath of the Civil War the Jew launched a tremendous power drive to mongrelize the White blood of the South. This cruel, pointless war between the White people of the North and South, instigated by the Jews, wreaked havoc on the South. Backed by the military arms of the (White) North, all White Southerners were declared rebels and disenfranchised. The stupid niggers who had no experience in government, had never voted before, were ignorant and illiterate, they alone were given the vote. Soon the courts, the legislatures and other trappings of government were staffed with dumb, ignorant niggers, most of whom could neither read or write, but whose actions were completely manipulated by Jewish carpetbaggers.

Jews stole White Man's property. The Jews now proceeded to not only take over the governments of the White South, but steal their property as well. Overriding all this thievery and chicanery was a ferocious program of race-mixing in which White women on the streets were assaulted by the niggers with no protection whatsoever from the

law. The mongrelization program failed mainly due to the rallying battle of the Ku Klux Klan. By the 1880's the southern states had driven the nigger from power and the White Man reclaimed his courts, legislatures and government. The Jew still remained in the background in the nerve centers of power, unbeknownst to most of the "emancipated" Whites.

New Drive. In the early 1900's the Jew launched a new program for the mongrelization of the White Race, under the guise of the communist party. This time it was aimed at the entire United States with the spearhead being aimed at the deep South.

Mongrelization Blueprint. Here is the blueprint as laid down by Jew Israel Cohen in his book entitled "A Racial Programme for the Twentieth Century."

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to the program of the Communist party. In America, we will aim for subtle victory. **While inflaming the negro minority against the Whites, we will endeavour to instill in the Whites a guilt complex for their exploitation of the negroes, we will aid the negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige the negro will be able to intermarry with the Whites and begin a process which will deliver America to our cause.**"

Three pronged program. Basically the program is to **instill hatred among the niggers for the Whites — the "Kill Whitey" obsession; at the same time promote "love" and "brotherhood" for niggers among the Whites; instill a paralyzing guilt complex in the Whites to the point they would stupidly do anything to placate the nigger.**

With government, money and the weapons of propaganda in the hands of the Jews, the battle is on.

All Out Drive. A ferocious onslaught is being made by the Jews to mongrelize the races in America in this generation. Everything possible has already been done to mix and integrate housing, but even this is not fast enough. The Jews know that in order to get interracial marriages accepted and get them in progress, they have to start with the school children at an early age.

Relentless Drive. The virulence of the Jewish onslaught varies with the times and opportunities. Like a deadly virus, it lies in wait for the right conditions to again flare into full epidemic. When after the Civil War the drive to mongrelize the White South failed, the Jewish network recouped and laid plans to create those proper conditions. Therefore, during the period roughly between 1880 and 1950 the drive to mongrelize the White Race seemingly abated, but secretly preparations went on at a fever pitch. Then at the beginning of the second half of the twentieth century it blazed into full virulence again, with some Jewish leaders predicting that within another generation or two, no more White babies would be born.

* * * * *

The Weapons Used. Let us look at some of the means and methods with which the Jews are pushing integration, race mixing and mongrelization, all of which spell the death of the White Race.

1. Legal Maneuvering — using the Congress, the Supreme Court and the Executive. If we examine the tens of thousands of laws congress passes each year, the decisions of the Supreme Court, and the actions of the U. S. president, we will find that the overwhelming majority of them are such as to (a) **benefit the niggers and the mud races, (b) increase the tax load on the White productive citizenry and work towards the White's detriment, (c) promote race mixing and inter-racial marriages, (d) work towards the numerical increase of the niggers and mud races and (e) towards the numerical decline of the White people.**

2. Busing our Children. This program is a tyrannical power drive to mix black and White children at an early age to promote inter-racial marriages. It is effectively taking hold in the minds of our young, and it is becoming more and more common-place (especially in the bigger cities) to see a black buck nigger walk hand in hand with a White girl.

That the White parents tolerate their most precious possession, their children, to be bused against their will, is a sign of how far the White Race has fallen into the clutches of the Jews. Half a century ago they would have revolted and hanged the culprits for such an outrage. They should do so today.

3. So-called Open-housing Laws. The Jewish police state has cowed and coerced realtors, builders and landlords to opening wide the door to niggers although they are not wanted and although they realize that niggers will ruin

their property values.

When it comes to choosing, selecting or **appraising real-estate** of most any kind, but especially residential properties, the one silent but **over-riding factor is: niggers.** The questions spoken or unspoken, are: Are there niggers in the neighborhood? How far is it from nigger town? Are the niggers moving in this direction? How long before the niggers might get to this area?

Yet the real estate commissioners of each state, the Housing and Urban Development Administration in Washington, and the Justice Department, are extremely harsh and tough in demanding that the question never be discussed in public, and demand that any filthy nigger be allowed to move into any neighborhood he wants to, although they know it will depreciate and doom the neighborhood as soon as the first nigger moves in. Although our justice system is lenient and permissive to the point of idiocy in dealing with criminals, murderers and rapists, they are tough and unforgiving towards any White who bucks the integration process.

When recently the question of "Open Housing" was put on the ballot in a referendum in California, the people voted against it 2 to 1. This despite massive Jewish propaganda attempts to put it across. Did the people get their "democratic" wish to ban "Open Housing?" Hell, no! The Jew-controlled State Supreme court simply declared the referendum unconstitutional. The White population should have risen to a man and hanged these despicable traitors.

4. Welfare Programs. Today's welfare programs are becoming a freeloader's paradise and a taxpayer's nightmare. They are so designed that the niggers can now loaf and ride on the backs of the working White People with full support and encouragement of government agencies. Hence the niggers who are dumb, shiftless and lazy by nature gladly take full advantage of our generosity. This "generosity" gives them ample time to breed, to indulge in crime and alcoholism. Furthermore, with the **aid to Dependent Children** and other programs, breeding and welfare has now become a way of life with an ever growing segment of the nigger communities. As a result, black females 14 or 15 years of age start having children without the benefit of marriage. By the time they are 35 they may have produced anywhere from six to fifteen little black bastards all being subsidized by working White taxpayers. The mothers see every additional baby as an increased bonus in the

MONGRELIZATION OF THE WHITE RACE

welfare check, so all restraints are thrown overboard. Meanwhile, the working White couples, whose taxes are approaching out-right confiscation, have few or no children at all.

It does not take a mathematical genius to predict the future of such a situation. It is just as the Jews planned it — flooding the country with black parasites and shrinking of the White Race into oblivion.

5. Taxation. As anyone knows, you can't collect taxes from people on welfare, but these taxes have to come from those people who still have the decency and the ambition to work and produce. Since the government is encouraging the niggers to go on welfare rather than work; since an ever larger percentage of the niggers are convinced they are better off on welfare than even trying to work; and since the total nigger population is growing by leaps and bounds, it is only logical to expect that our welfare rolls are growing by leaps and bounds. This, in fact, is what is happening. Not only are most of the niggers on welfare, but an ever larger number of Whites are throwing in the towel, and they too are getting on welfare.

White Couples Squeezed to Breaking Point. Somebody has to pay for it, and as we mentioned, it is a shrinking group of working White couples, whose taxes on food, gasoline, housing and a thousand other categories has gone up alarmingly in the past few decades. Add to this inflation, the Federal income tax, often State income tax, and in some cases, city income tax, it is getting to the point where it is almost impossible for the average White couple to make ends meet. On top of this load is the ever increasing factor of inflation. As a result in many households both husband and wife work, having few or no children of their own, unwittingly subsidizing the increase and proliferation of the blacks, the latter having government money and plenty of time to breed.

We are now the slaves. So history has made a complete turn-about. Whereas the niggers were originally brought in as slaves (by Jews) to work for their White masters, the Whites are now the slaves working and subsidizing the black scum under the tutelage of the Jewish slavemasters.

6. White Guilt Complex over Population Explosion. The population of the world is now increasing at an explosive rate. This is a fact and it is being hammered into our brains incessantly by the Jewish newsmedia. Since the White people are usually more conscientious to the point of being guilt

ridden, they respond by having one or two child families, or none at all. The niggers, Mexicans, Puerto Ricans and other mud races on the other hand, being shiftless and irresponsible, just let nature take its course, breed to the limits of their indulgence, and what with easy welfare checks, couldn't care less about the population explosion.

Mud Races exploding, White Race shrinking. What the Jew is cleverly concealing in his population explosion propaganda and Zero Population Growth drives is that it is exclusively the mud races all over the world that are exploding at an unprecedented rate and that the White Race is actually shrinking into extinction. By concealing the racial facts of the case the Jews are accomplishing exactly what they set out to do — expand the mud races and shrink the Whites into oblivion.

7. Churches and religion. Centuries before our "Founding Fathers" inserted that ill-fated idiocy of "all men are created equal," into the Declaration of Independence, Christianity was already preaching the same nonsense, and laying the groundwork for the Jewish program of race-mixing. By preaching we are "all God's children," we are "all equal in the eyes of the Lord" the White Man's thinking was softened up to accept the mud races as his "brothers." Today the Christian churches have radically stepped up their race-mixing drive and have made it the most aggressive plank in their whole program. Not only do they always and invariably lend their moral support to all Jewish race-mixing drives, but allocate a large portion of their budgets for all kinds of charity drives and programs aimed at helping niggers in Africa, Indians in New Mexico, Koreans and Vietnamese on the opposite side of the world and a hundred other programs to subsidize the proliferation and increase of the mud races. Worse still, they also promote a number of programs to bring Vietnamese, Koreans and other mud children into the United States to increase the mongrelization of our land. Many such orphans are adopted into affluent White homes through the misdirection of the churches, only to grow up and marry into White society.

Preach "Kill Whitey." While the White Christian churches are preaching brotherly love and aiding and abetting mongrelization and the guilt complex upon their White supporters, the black churches are doing just the opposite. The nigger churches, aided and directed by the

unseen Jewish hand, are preaching **kill Whitey** and organizing the niggers in programs of how to increase and take over the political power structure.

8. Vicious, Direct Program by the Federal Government of Importing Alien Mud Races. In the chapter on the **War with Mexico**, I have already detailed at some length how the Mexicans are swarming over our southern borders by the millions with little or no opposition from the Federal government. The fact is the Federal government is encouraging this massive invasion, and is taking an active hand in deliberately importing the riff-raff not only from Mexico, but from all over the world.

Even using our Navy and Coast Guard. It has the Navy scouring the Indian Ocean picking up Vietnamese (boat people) and bringing them to the United States. Several hundred thousand of these vicious creatures have been brought in by boat and airplane and dispersed and "re-located" all over the United States. In 1980 Carter proclaimed an "open arms" policy to Cubans and the Coast Guard, instead of stopping it, helped the massive invasion by rescuing hundreds of small boat flotilla ferrying them across the straits of Florida.

Similarly, Chinese, Jamaicans, Haitians and other scum of the world have been deliberately, actually aided and imported into the United States by the strong arm of the Federal government itself and at the expense of, and to the detriment of the White American taxpayer.

9. Organizing the nigger vote. The churches are by no means the only institutions promoting Black Power and organizing the niggers in the political arena. The Jews either directly through governmental sponsored and financed civil rights programs, such as Community Action Programs and hundreds of others, are directly pushing the nigger to register and leading him to the polls. Then by means of splitting the White vote on the one hand and Jewish and black collaboration and solidarity on the other hand, the Jews have managed to "elect" one black mayor after another in cities like Chicago, Los Angeles, Atlanta, Detroit, Cleveland, Washington, D.C. and countless other cities, small and large. With it usually goes the police force and a host of other civil service jobs that are then staffed by a host of stupid incompetent niggers.

The Whites on the other hand, instead of standing their ground and organizing racial solidarity of their own, foolishly flee to the

suburbs, often abandoning their homes and investments they have built up over a lifetime.

10. Racial Discrimination against Whites in jobs, loans, immigration, and other categories by official government coercion.

(a) According to all the "civil rights" arguments, the government claims all it is trying to do is give the "minorities" (meaning mud races) equal opportunities and equal rights. The government claims it is color blind, and there shall be no discrimination in any activity because of race, color, religion or creed.

Deceptive Lie. The Jewish controlled government is putting forth a blatant lie. Every law, every decision, every activity by our so-called color-blind government is loaded against the White Race and favors the mud races. In Washington, that pest-hole of Jews and niggers, a qualified White applicant is passed over for an unqualified nigger in the majority of cases. They call this "filling the quotas" system. Another tricky catchword the Jews have invented is called "affirmative action." It blatantly means favoring niggers and other mud races over Whites, regardless of qualifications.

Need Whites to get work done. The only reason the White secretaries and other staff are hired at all is because somebody has to get the work done. No matter how many niggers they hire, it still would not get done. The net result is where one White secretary could have competently taken care of a job, three more incompetent niggers are hired, and then another White secretary is needed to untangle and undo the mess these jungle bunnies create by being in the office in the first place. As a result, it now takes five salaried people, three niggers and two Whites, to do a job that was more competently handled by one White — all in the name of "equal opportunity."

(b) Not only is this prevalent in government jobs, but government is laying heavy-handed coercion on private industry to **hire blacks, fire Whites**. This, too, is all done under the guise of the minority quotas and "guide lines."

(c) Similar oppressive discrimination is applied against White applicants to medical schools, law schools and universities in general. A black gorilla that can hardly read or write is admitted, while a brilliant White student with high grades is rejected. The black gorilla is then pushed through and given a degree, although he is no more educated or qualified than his gorilla cousins in the jungle. (Continued on Page 8)

MONGRELIZATION

(Continued from Page 7)

(d) In starting up a new business the government Small Business Administration will generously lend money to Cubans, niggers or Puerto Ricans, although they know the risk is tantamount to throwing the money down a rat-hole. However, if you are White it is next to impossible to get any such loan.

11. Discrimination against Whites in Immigration. The same discrimination prevails in allowing immigrants into the United States. Whereas in the previous hundred years the Immigration Department favored White immigrants from Europe (because America was deemed to be a White country), in the last few decades it has swung heavily the other way. Now Whites are kept out, but Cubans, Mexicans, Phillipinos, Haitians, Chinese, Hindus and all the rest of the scum of the world is flocking into the United States with the full sanction of the Jew controlled Immigration Department. Not only are the mud races and the scum flooding into our country by the millions legally, but even more are flocking in illegally. Mexicans, who have one of the highest birthrates in the world, but can't feed themselves in their own country, are flooding across the border by the millions, and our Jewish government is making only a sham, half-hearted attempt to keep them out. Nobody knows how many illegal aliens there are now in the United States, but it is reliably estimated there are over ten million illegal alien Mexicans alone.

Jews have Special Status. Jews can come in here legally or illegally at will from all parts of the world. They even have the special privilege of having dual citizenship with Israel, a privilege granted to no other country and no other people.

Above are a few examples of how "our" government favors blacks and muds, and discriminates against Whites, all the while hypocritical-preaching equal rights for all.

12. Niggers promoted in Sports and the Entertainment Industry. In the private sector, especially in sports and entertainment, the niggers are heavily favored over Whites. This, too, is not too surprising, since the control of sports, television, radio, movies, the record industry, the theatre and other aspects of the entertainment industry are almost totally dominated by Jews.

Israel Cohen spelled it out. Let us go back to the beginning of this chapter and recall what the Jew Israel Cohen said in his blueprint of the early 1900's: "— we will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to

intermarry with the Whites and begin a process which will deliver America to our cause."

Instant Celebrities with the Jew-tube. There you have it. Promote the niggers, have them mongrelize the Whites, deliver America (and the rest of the world) into the hands of the Jews. As a result of this insane program, a dumb nigger without talent, thanks to the Jew-tube, can become an instant celebrity. All the Jews need to do is turn on their tremendous publicity machines, and presto! instant nigger super-star. Usually the Jews call these niggers not just plain stars but super-stars! Their own, the Jews, are treated the same way, but with even greater fanfare.

Disgusting Degeneration. As a result we have a number of untalented black gorillas, male and female, and a passel of Jewish clowns filling our entertainment media. We should hardly be surprised that the movies, T.V., theatres, sports and other entertainment has degenerated to the low level of pornography and trash we find today.

13. Appointing niggers in Law Enforcement and Armed Services. Just as the White population in the South for two decades after the Civil War was without civil protection from niggers, Jewish carpet-baggers and other criminals, so the power establishment today is pursuing a course of staffing the law enforcement agencies, police departments and the armed forces with **more and more black niggers.** They are planning for the day when **race rioting will finally break loose, and all the arms of physical force will be in the hands of our mortal enemies,** the niggers directed by their Jewish masters.

Also use Appointive Powers. Just as the Jews use their money and propaganda machines to help elect black mayors, congressmen, senators and other elected officials, so also do the Jews use their **appointive powers** to appoint and select nigger policemen, nigger judges, and staff the army, navy and airforce with niggers. Not only are these agencies getting blacker and blacker, but promotions up the line come faster and easier for blacks, and ability is no criteria.

Preparing for Racial War. The Jews are fortifying those arms of force that are critical in case of civil insurrection with niggers. They know the day of reckoning will come, and when it does they want to make sure the Whites will be in no position to wrest control by force but hopefully will be shot down like dogs by the black animals.

14. Black crime and warfare against the Whites. While the White Christian churches are mentally and spiritually disarming the

Whites by preaching brotherly love, the Jews join in this deceptive practice with all the propaganda means at their disposal. At the same time, the Jews organize the niggers via civil rights groups, the Muslims, and even Christian churches, and pour on the hate for Whitey. The government even funds and sponsors programs (such as C. A. P.) that do the same thing — preach black hatred for the White Race.

Breeds Killers. All this has had its desired effect and almost every nigger in the world is filled with intense hatred for the White Race. As a result some of the more unbalanced and demented niggers get so rabid they go out and shoot, stab or otherwise kill Whites, with no provocation, and usually picking their victims at random. These are not isolated cases now and then, but happen daily, and most often the victim is a young White woman or mother.

Crimes seldom solved. These

crimes usually go unsolved, partially because there was no motive or connection between the assailant and the victim, and partially because the police departments are getting more and more indifferent about solving such crimes.

Ultimate Goal. This is a deliberate act of racial warfare designed by the Jews to decimate and/or mongrelize the White Race. It is being accelerated at a slow rate until it will gradually be stepped up into full fledged warfare when the Jews are ready. While Whitey stupidly goes on preaching "brotherly love" and doesn't know that he is a target for genocide, the Jews and the niggers are under no such illusion. They mean to kill Whitey, and feverishly pray and prepare for the day when they can slaughter every White man, woman and child, just as they did in San Domingo 180 years ago, or in the Congo 20 years ago, or in Rhodesia today. THE MUD RACE PERIL

by Rev. Richard F. Becker

In the 1980's we are facing an overwhelming peril which is more destructive to the future of the White Race than any other factor. Unless we take action to deal with the problem now, the White Race is doomed to extinction. This peril occurs in the form of a massive invasion by swarms of inferior and dangerous mud races. These mud races originate from numerous localities, mainly in the tropical latitudes which have been the natural habitat of the Negroid and mud peoples. Once they are here in America, the "land of plenty", they multiply like rats and swarm like roaches and locusts, devouring the remains of White civilization in their path and taking over the land like a cancer.

The unbridled multiplication of the mud races is the result of the stupidity and gullibility of the White Race to continue to feed and subsidize them. This unnatural and destructive activity on the part of the White Race must stop if we are to survive at all.

The mud race invasion of America comes from the scum elements of Haiti, Cuba, Mexico, Vietnam and India as well as from other locations. They add to our ever increasing and overwhelming burden created by the niggers already here. Not only do they rob the White Race of their hard earned employment, social security benefits and decent standard of living, but they also get as many of their people as they can on welfare, food stamps and other free government aid, thereby sapping the vitality out of this nation. These deadly parasites destroy the future of our children, who will have to face a much greater influx of mud

races as America becomes totally overrun by mud races. Eventually the White Race will become a very small minority as a result of the continuing and accelerating mud race invasion. Finally, the mud races will starve and kill off the remaining White People as they did in Haiti and Rhodesia, and that will be the end of America, the home of the White Race — unless we do something about it, NOW!

First, we need to examine why the mud races have multiplied and invaded America so successfully. There are several reasons for this aberrant phenomenon:

1. **Racial Teamwork.** The most important reason is that they practice Racial Teamwork in their efforts to invade and conquer. The Hindus, Vietnamese, Haitians, Cubans, and particularly the Japanese all practice Racial Teamwork in close knit groups, helping, supporting and subsidizing their racial comrades only, and working together to achieve common goals.

2. **Definite goals.** Each mud race has definite goals and plans to take over a particular line of work or business. The Hindus take over the cheap motel industry. The Vietnamese take over shrimping and fishing. Mexicans take over farm work while some seek for higher paying jobs. Haitians and Cubans get into crime and drugs. The "native American" niggers see these invaders as heroes and do their best to emulate them.

3. **Close knit family groups.** The mud races who are already here strive to bring in their children, parents, aunts, uncles, and cousins, Etc., and they usually succeed in doing so.

(Continued on Page 9)

4. Reproductive fecundity.

As is usually the case throughout history, the scum elements multiply rapidly, producing double their current numbers within a few years. For a long time now the Jews have promoted the mud races to have as many children as they can, subsidized by the White Race, of course.

The most recent arrivals on the scene are the Hindus from India. These tenacious parasites have adopted Jewish methods in their drive to dominate the cheap motel industry. Using the principles of Racial Teamwork they manage to have all their relatives sent here. A Hindu entrepreneur will loan up to \$40,000 to a fellow Hindu to get him started in his own motel business.

The Vietnamese have taken over the shrimping industry along the Gulf Coast, driving White competitors out who had been there for generations. The Vietnamese have done this by family operations, low wages and Racial Teamwork. A White man worked ten to twelve hours a day shrimping. He paid his college age son less than minimum wage to work for him. Still he could not compete with the Vietnamese. A Vietnamese shrimper works 24 hours a day. With four or more underage children and a wife on board he can keep his work going all day and night. He pays his family members nothing to work for him other than food in their stomachs and clothes on their backs. He spends a portion of the income on ganjo or elephant grass (in other words, marijuana) instead. White People cannot expect to compete with scum elements who accept such a low standard of living. Not only that, but the shrimp are rapidly being depleted by overfishing by the Vietnamese.

The poverty ridden overpopulated island of Haiti was having trouble with its criminal and homosexual elements so the Haitian government packed their worst, most diseased niggers on boats and shipped them to Miami to become a scourge on this nation. The worst drug dealers and homosexuals from Cuba were also welcomed here. Castro was glad to be rid of them, and to make America the victim of more crime, more filth, and the hideous AIDS disease, not to mention more horrible scum elements.

Mexicans by the millions illegally swarm over our poorly protected borders each year, usurping our dwindling resources and devouring our economy and crowding out the White Race, forcing us to leave our homes and our jobs. Now they are demanding to have their inferior kids taught in Spanish in American public schools. The Jews have been promoting Spanish in all public schools of America in order to create a dominant bastardized

In China, American studies and English language are now being promoted in preparation for a massive human wave invasion of the United States when their food supply expires. Their population has surpassed the billion mark, so it would be a great relief to them to be rid of a quarter of a billion people or about the same amount as the current population of the United States. We cannot overemphasize that the yellow peril is the greatest peril of all.

In the last two decades the Japanese have made tremendous advances. They are again imbued with the ideology that they are the master race which will eventually overtake western civilization. The Japs are again preparing for their day in the sun. We should never trust any of these cunning slant eyed yellow devils.

As a member of the White Race you may intelligently ask, "What can we do about such a huge problem that is so widespread? Isn't it too late? Shouldn't we just give up? What can I do to combat the mud race peril?"

My answer is, Hell no, we can't give up. There are many things we can do, and the most important one is to PRACTICE WHITE RACIAL TEAMWORK. We must work together to promote our own Racial interests and to totally exclude the interests of the Jews and the mud races. This is the eleventh hour, the last chance before it is too late. Time is running out for the White Race. Our only hope is to be found in White Racial Teamwork. (See article on page 1, RACIAL LOYALTY, June 1983)

A few suggestions and ideas for practicing White Racial Teamwork are as follows:

1. Work together in a close knit unit to achieve all goals.
2. Work with, instead of against

your White Racial Comrades. Do not waste valuable time bickering among ourselves.

3. Recognize your Racial enemies, especially the Jews, and do not become a victim of their plans for us.

4. Subscribe to RACIAL LOYALTY and read THE WHITE MAN'S BIBLE, NATURE'S ETERNAL RELIGION, and SALUBRIOUS LIVING to discover how the White Race can win.

5. Do not patronize businesses run by the Jews, niggers and the "johnny-come-lately" mud races. You can always patronize businesses run by White Racial Comrades instead. Boycott all Jew businesses!

6. Ask everyone you know to subscribe to RACIAL LOYALTY. Distribute RACIAL LOYALTY every chance you get.

7. Make sure your children do not have to learn Spanish, Swahili, Chinese and other mud race languages. See that they are taught proper English and Latin or German instead. Concentrate on Latin, the White Racial language of the future.

8. Support a campaign to seal off American borders completely and send all illegal aliens home, and deport all criminal elements. Insist that immigration laws be enforced.

The mud race peril must be stopped. The survival of the White Race demands that we deal with the problem effectively and immediately. The answer to the problem lies in White Racial Teamwork.

What is the most effective thing you can do?

1. Start by ordering and distributing 100 copies of Racial Loyalty
2. Become a minister of the CHURCH OF THE CREATOR. Form a small church and grow and expand.
3. Promote Racial Loyalty. 

There is nothing secret about the program of the Church of the Creator. We mean for the White Race to survive at any and all costs. Anyone who is against the survival of the White Race is our avowed enemy without any further equivocation.

MINERALS AND VITAMINS (Continued from Page 4)

passed by anything the chemist can produce. Remember, the organic minerals and natural vitamins of natural foods are always good. The other are never so, and more often than not they are distinctly harmful. The chemist may be able to isolate all of the elements of the apple but he cannot re-combine these elements in a manner which will support life. We have to rely upon Old Mother Nature for our production of foodstuffs. And this is all well and good, for she seems to have mastered quite well the art of synthesizing and combining the elements of the earth into plants which provide the human body with all of the nourishment it requires. 

Our minimum goal is to get the Jews off our backs and wrest control of the White Man's destiny back into our own capable hands. From there on out, the sky is the limit.

GOAL AND SOUL

(continued from page 5)

pursuit of their goal, and zealously persistent in adhering to their religion. Their soul is that of a parasite, living on the backs of other people, and their religion, Judaism, was tailor-made for the successful aggression of a parasitic race.

Unswerving Goal of the Jews. As a result, the Jews, although never building a country or a civilization of their own, have, over the last five thousand years, neared the pinnacle of their ultimate goal: the control and enslavement of all the people on this planet earth. How they did so makes a gruesome, but fascinating story. We will have much more to say about this story in later chapters.

We need no others. We want to point out here that the White Man, in contrast to the Jew, is the most creative, productive and intelligent creature that Nature has ever produced. Unlike the Jew, the White Race does not need any other race to help it flourish.

In short, the White Man has all the wonderful attributes in order to flourish, to achieve unimaginable new heights in all fields of civilization and to forever improve his own genetic excellence. He has them all — except what this chapter is all about — **goal and soul**. This is an unnatural situation, and only a temporary one, **a situation we are determined to remedy.**

Finding our Racial Soul. By helping the White Man find his own racial soul, by giving the White Race a religion in harmony with its inherent Natural urge, to spell out the natural goals and programs as set forth by Nature herself — this is the great purpose of this book.

In summary of this chapter, we explicitly spell out in one short phrase what Nature's goal for the White Race basically is and must be for all time: **the Survival, Expansion and Advancement of its Own Kind — the White Race.**

That is what CREATIVITY is all about.

NATURE'S ETERNAL RELIGION

508 Pages
49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in the history of the White Race sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the Eternal Laws of Nature, the Experience of History, and on Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the Five Jewish books that have had devastating influence on the thinking and the course of the White Man's history. Among these books is the Old Testament of the Jewish-Christian Bible.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present calamitous predicament. It goes further. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

THE WHITE MAN'S BIBLE

451 Pages
73 Chapters

by Ben Klassen, P.M.
Published in 1981

This book expands and extends the Creed and Program of CREATIVITY and includes the following:

- *Nine Chapters on Salubrious Living — how to regain super-health and keep it.
- *Natural food and proper diet.
- *Organic Farming.
- *Restoring a clean environment.
- *Restoring the White Man's control over his own destiny — in religion, government, education, culture and much more.
- *Genetics — how to cleanse and protect the Gene Pool of the White Race
- *How to stop the racial pollution of America, and, in fact, reverse the process.
- *This book, in fact, establishes a Powerful Religious Creed and Program for the Survival, Expansion and Advancement of the White Race.
- *It proclaims our FOUR DIMENSIONAL PROGRAM: A Sound Mind in a Sound Body in a Sound Society in a Sound Environment.
- *It sums up the Total Program, the Final Solution, the Ultimate Creed based on the Eternal Laws of Nature.

SALUBRIOUS LIVING

244 Pages
22 Chapters

Written by Arnold DeVries with the Introduction and last Chapter on "Eugenics and Survival of the White Race" by Ben Klassen, P. M.
Published in 1982

The phrase and the idea "Salubrious Living" was introduced in The White Man's Bible. Whereas nine chapters were devoted to this vital subject, it did not pretend to cover this vast subject even partially, and a promise was made to cover the ground more thoroughly in another book. Salubrious Living is that book. Whereas it by no means exhausts the subject, it covers enough of the ground rules and points the direction to a much more healthy, vibrant, energetic and fulfilling life here on Planet Earth, and ties it into the rest of our religious creed.

Basically it presents a NATURAL LIFE STYLE for achieving the ultimate in super health and well-being as taught and practiced by The Church of the Creator. At the heart of it are the 14 points enumerated as the basic creed of Salubrious Living.

This third "Bible" of our Trilogy rounds off the basic creed of A Sound Mind in a Sound Body in a Sound Society in a Sound Environment, that is the heart of CREATIVITY.

The key to our future operations will be: PROPAGANDIZE! PROSELYTIZE! ORGANIZE!
 We need your support!

their favorite hang-ups. Don't point the finger at the Jews. Don't bring up that nasty race issue. Live and let live. People will like you a lot better that way. Business as usual.

By the time these friends get through showering you with kind advice you are back in the good old rut, where you gripe about what is going on, you deplore and lament, but the total effectiveness of any opposition to the Jewish juggernaut has been neutralized to exactly zero. There we are, right back into the ranks of the good old Kosher Conservatives.

At this point I am reminded of a ploy we used in the Florida Legislature when some Representative would drone on in a long-winded meaningless speech. When it was over someone would get up and say sweetly, "Your point is so subtle it completely escapes me."

In contrast to the above I am reminded of another story about the tourist visiting the Ozarks. He was appalled when he witnessed a hillbilly hitting a mule between the eyes with a 2x4. When the tourist asked the hillbilly "Why did you hit the mule on the head with a 2x4?" the hillbilly replied "When you're dealing with a mule, the first thing you have to learn is that you first of all have to attract their attention."

So we have two divergent approaches. The subtle approach or hit them between the eyes with a 2x4. Which serves our purpose better? Before we come to a conclusion on this question there is another little story that I would like to relate that might help us to clarify the situation.

A young insurance salesman was called into his boss's office and presented with a rather unpleasant task. "You know that nice young couple, John and Mary you sold that life insurance policy to last week? Well, we have just received word that John was killed in an automobile crash this afternoon. I want you to go to Mary and break the news gently to her so that it won't upset her too much."

The young salesman was stunned. He thought about it for a while and then he asked his boss, "Just how do I go about doing that?"

This is a good question and it is one that confronts us Creators in our program of waking up our deluded and misguided White Racial Comrades who have been deceived, lied to, programmed and led down the road to slaughter for all these centuries. How do you go about breaking gently to them that their preacher wittingly or unwittingly, is part of this Jewish fraud? How do you reveal to them that even their own parents were caught in this vast Jewish lie and helped brainwash them into becoming traitors to their own race? That their "own" government is part and

parcel of this conspiracy and is betraying the United States and selling us out to the Jews and mud races of the world? How do you "break this gently" to the well meaning but hopelessly naive deluded White Racial Comrades?

The answer is **YOU CANT!** There is no way in the world you can expose this whole treacherous mess without shocking them, without causing pain, without many times even making bitter enemies of people who should be on our side.

Yet, the job has to be done, and evidently no one other than the Church Of The Creator is willing to tackle it. Oh yes, there are ten thousand other organizations (mostly Kosher Conservatives) that are doling out bits and pieces of the conspiracy, but somehow they never seem to get the whole picture together. Usually they **CANNOT** and they **WILL NOT** let go of some of their own pet hang-ups that they are saddled with, whether it be the spooks-in-the-sky swindle, or they have some Jewish friends (therefore all Jews can't be bad!) or whether it be some other idiocy. Usually these Kosher Conservatives end up steering you down a no-win blind alley. They invariably end up with a no solution program — just deplore and lament — and they will assuage your apathy further by frankly admitting they don't have a solution.

The Church of the Creator has been assiduously trying to avoid getting caught in this kind of a no-win, pointless self-flagellation. We say this: either we go all out and make the total effort to win, or we might as well throw in the towel and go fishing. Why waste a lot of useless effort if you don't have the **PROGRAM** to win, don't have the **WILL** to win, and don't know **HOW** to win?

In **CREATIVITY** we are convinced the White Race now has the answer. In **CREATIVITY** we are convinced we have the **TOTAL PROGRAM**, the **FINAL SOLUTION**, the **ULTIMATE CREED**. We are convinced that the design and the blueprint are now completed and finished. We need tamper with that no longer. We can now concentrate completely and devote our total efforts on selling it to our White Racial Comrades, on propagandizing, on proselytizing and organizing.

There no longer is a question of **WHAT** to do. We now **KNOW** what to do. The only question is **HOW** do we do it best — how do we best use means and ways available to us to spread the word, to organize our supporters? How do we best utilize our resources? We **MUST** and we **WILL** use the organized muscle and the awesome power of a polarized White Race to get the Jews off our back and wrest our destiny back into the hands of the White Race.

In this category, there is plenty of precedent and the answer is we will use all and every means available to us. We will use the technique of gentle persuasion where it is most effective, but we will not shrink from using the 2x4 between the eyes technique either wherever it is most effective. The point is we will also use a thousand different techniques in between and do whatever it takes.

The point is we will use whatever means is most effective. The goal is so overwhelmingly important that it transcends all other values. That goal is the survival of the White Race itself. In a matter as overwhelming as this we do not quibble about niceties. As we have already gone on record in both our Bibles — we state categorically in the matter of life and death of our race — the end justifies the means — any means. We will therefore use

any means that will accrue to the survival and benefit of the White Race. We will not be intimidated, we will not be swerved from our goal, we will not "water down" our creed, we will never compromise. We have burned our bridges behind us and there is no turning back. With us it is do or die — and with this attitude we will win — **WE ARE BOUND TO WIN.**

In conclusion, I repeat what I have already said in the lead editorial: we will not compromise; we will not be intimidated; we will not be frightened off. We now have the weapons with which to win the war, and we mean to fight on to total victory come hell or high water. All we need is your unstinting help, support and effort. So do your duty, White Racial Comrades! 

In our eyes, there is nothing more despicable and repugnant than a traitor to his or her own people.

AFTER 65 YEARS (Continued from page 2)

we will subdue it. We will build and expand and build and expand. We will propagandize, proselytize, and organize. We will fight on until we have gotten the Jews off our backs and have achieved in building what we set out to accomplish in the first place — **a Whiter and Brighter World.**

In order to do so we need millions of members, supporters and workers. We need people like you. We need you to get busy, to distribute copies of this paper, to place our Bibles in the hands of our White Racial Comrades. We need people like you to promote, to speak, to organize. Why not get with it right now?

Meanwhile the Jewish battle rages on, as it has for thousands of years, but now we have the means to crush those foul destroyers once and for all. Remember, until and unless we do, and in fact solve the racial problem in its entirety, no other problems, be they inflation, unemployment, communism, crime, insurrection or whatever, none of these problems will be solved. I repeat, until the White Race solves the racial problem, the White Race itself is doomed to mongrelization, genocide and oblivion.

So don't just sit there and pontificate. Get busy and do what must be done. Save the White Race and build a Whiter and Brighter world for yourself, your family and all those wonderful progeny whose precious future is now in your hands. 

Our Golden Rule:
What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.

SIX BLIND MEN AND THE ELEPHANT

It was six men of Indostan,
To learning much inclined,
Who went to see the elephant,
(Though all of them were blind,)
That each by observation
Might satisfy his mind.

The first approached the elephant,
And, happening to fall
Against his broad and sturdy side,
at once began to bawl:
"God bless me! but the elephant
Is very like a wall!"

The second, feeling of the tusk,
Cried: "Ho! what have we here,
So very round, and smooth, and sharp?
To me 'tis very clear,
This wonder of an elephant
Is very like a spear!"

The third approached the animal,
And, happening to take
The squirming trunk within his hands,
Thus boldly up he spake:
"I see," quoth he, "the elephant
Is very like a snake!"

The fourth reached out his eager hand,
And fell about the knee:
"What most this wondrous beast is like,
Is very plain," quoth he;
"'Tis clear enough the elephant
Is very like a tree!"

The fifth, who chanced to touch the ear,
Said: "E'en the blindest man
Can tell what this resembles most:
Deny the fact who can,
This marvel of an elephant
Is very like a fan!"

The sixth no sooner had begun
About the beast to grope,
Than, seizing on the swinging tail
That fell within his scope,
"I see," quoth he, "the elephant
Is very like a rope!"

And so these men of Indostan
Disputed loud and long,
Each in his own opinion
Exceeding stiff and strong,
Though each was partly in the right,
And all were in the wrong!

John Godfrey Saxe

Editor's Comment:

We Creators believe there is a moral in the above poem, and for the White Race, an important lesson to be learned.

To me the six blind men of Indostan tragically represent the ten (or twenty) thousand White, mostly Kosher Konservative, organizations that

are seemingly trying to "save the country." Each one has a favorite or pet approach, an approach that is by and large fragmentary, half hearted and totally ineffective. Most of them not only do not have the slightest solution to the problem, they don't even know what the question is.

Let me categorize some of these thousands of groups.

1. Those that are fighting "Communism." This is the most popular pastime and millions of man-hours and tens of millions of dollars have been spent in this seemingly noble but probably pointless pursuit. The foremost in this category is the John Birch Society, of which I was once a gullible member. I recall Robert Welch proclaiming after their 100th monthly bulletin, that before another 100 had been issued the war would be over, either "communism" would be totally crushed or we would be hopelessly lost. Well, since then not only another 100 but another 200 issues have been published and neither event has culminated. Communism certainly is not "crushed," but is now more virulent than ever. Nor do we Creators for a moment believe that now all is lost. On the contrary, our conclusion is that the Birchers and their kind were deliberately misled, fighting communism but protecting and running interference for the real culprit, the international Jewish network. But the Birch Society is not the only Jew promoted outfit misleading and deceiving its members and the White Race. There are thousands of others, some sincere, but merely naive, some not so sincere, but using the same format to prevent the White Race from ever coming to grips with the real issues, the real culprit, or ever finding the real solution, until it is too late.

2. Another group that is even more widespread, more powerful and more pervasive, is the "Christ is the answer!" (to what?) outfits as exemplified by the Jerry Falwells, Oral Roberts, Carl McIntyres, and the whole unsavory crew of electronic spook peddlers. Not only do they swindle our White Racial Comrades out of billions of hard-earned dollars by peddling Jewish Christianity, but their influence is a thousand times more powerful. And with very few exceptions, they are pro-Israel, pro-Jew and anti-White. I have heard it said that before Menachim Begin launched his murderous campaign in Lebanon that he checked with "Jerry" as to whether the Christian groups would back him up and "Jerry" reportedly gave him a loud, enthusiastic affirmative, all the way. Undoubtedly the Christians are the best "friends" the Jews have ever had in their vicious program for the destruction of the White Race.

3. Then there are the constitutionalists, who noisily bleat that all we have to do is "enforce the constitution," and insist that it be done. Insist? To whom? Our Jewish government? They are the force in charge and have utilized and manipulated the constitution to enforce race-mixing, school busing, foreign aid and giveaways, and every other criminal outrage and activity that has been perpetrated on a hapless and confused White Race.

Enforce the Constitution? That approach is about as remote and effective as telling the fox to watch the henhouse.

4. Another group that sees only part of the picture but is probably more effective than the rest is the tax resisters. They are doing some real damage to the criminal group known as "our government", but as such, this tactic will not win the war. The Jews and their Federal Reserve can and do print all the counterfeit money they want (which is colossal) and would still be in control of our government, our news media, our schools and every other facet of our life even if they did not collect a penny in taxes. So this is not the answer. It is only a fragmentary irritation.

How much does the Jewish-Communist government in Russia depend on taxes for total control of its victims? Not much.

5. Another category of good but fragmentary groups are those that fight for the Second Amendment — to make sure that the Jews don't take our guns away from us. We Creators support such groups 100 per cent and it is terribly important that we never, never let these miserable Jewish miscreants disarm us. I repeat, we support the gun groups all the way, but it in itself is not the answer. Like the six part picture of the elephant, it is only part of the picture, not the solution. After all, we have had our guns for three hundred years, but the Jews are relentlessly driving on, enslaving, mongrelizing and destroying the White Race, nevertheless.

6. There are the Survivalists. They seek survival mostly only for themselves in a crumbling and crashing world. This, too, does not solve our long term problem of getting the Jew off our backs. Rome crumbled and the Jew survived. Russia crumbled and the Jew was its master. Individual survival is not the answer. White Racial Teamwork is.

So there, in essence, we have the Six Blind Men of the White Race, everlastingly pontificating about the problem, but never really getting the whole picture in focus, very similar to the six surveyors of the elephant. As a consequence, the White Race remains confused, divided and ineffective.

There are a number of other groups I should list such as the various Klan groups, the splintered and fragmented Nazi factions, the White Supremacists, and various combinations of the first six categories I have already mentioned, and some that are even outside those categories. But by and large, every one of them, like the Six Blind Men of Indostan, they see only part of the picture, and furthermore, for the most part, they are either only fighting the symptoms or a fragmentary segment of the problem. None of them address the main issue that has stood there as an impervious road block to the problem for almost 20 centuries. And that issue is Jewish Christianity. It has stood there, hostile and defiant and has prevented the White Race from ever coming to grips with the real problem, the real solution of building a dynamic Racial Religion of its own.

CREATIVITY IS THE ANSWER. The CHURCH OF THE CREATOR, on the other hand, takes in the whole picture: Race, religion, government, superstition and gullibility, money and finance, culture, health, nutrition, environ-
