We need Both for Survival

DISPERSION and POLARIZATION

By Ben Klassen, P.M.

In June 1984 Issue of RACIAL LOYALTY I mentioned briefly the need for the CREATIVITY movement to step up its efforts for both dispersion and polarization. As I explained briefly, these two terms may seem contradictory, but they are not as far as strengthening and insuring the survival of our White Racial movement is concerned. In fact, both are highly essential if we are to build a solid worldwide structure, if we are to survive and expand.

It is our determined goal to do exactly that. We are not only determined to survive, but we intend to build our movement and expand it onward to worldwide proportions. We are categorically committed to expand the CREATIVITY creed and philosophy until it becomes the universal property of all the White peoples of this Planet Earth. Not the meek, not the niggers, not the Jews, not the mud peoples, but our goal is that the White Race shall inherit the earth — all of it. In order to do so we must build and grow, build and grow, until Creativity embraces the support and leadership of all the White peoples on all the continents. To do so we must, first of all polarize around the creed of Creativity — the survival, expansion and advancement of the White Race. Secondly, we must have dispersion of organizational units — nuclei of organizational activity scattered all over the world — tens of thousands of them.

In order to understand this seeming contradiction best, all we need to do is study the long and turbulent history of the Jewish race. Since this miserable but tenacious race has survived in an unbroken continuity for a longer time span than any other race, religion or nation, we would do well to study their history for the underlying characteristics that have enabled them to do so.

We Creators have done just that, and more. We have not only studied their history but we have dissected their inherent structure to examine the nature of the beast. We have gone further. We have taken out those basic characteristics that

contributed to their astounding success and incorporated them into our own religion — CREATIVITY. In short, we have taken several pages out of their book and applied them to our own movement. We make this statement without any reservation or apology. If the enemy has superior weapons that have proven vastly more effective, our policy is not to shun the obvious, but instead to face reality and learn from it.

One of the basic ingredients of Judaism is RACIAL LOYALTY. We realize what a key factor this is to any race, movement or organization. Where does your loyalty lie? That is the bottom line. To the average Jew there is never a doubt. It belongs to his race, to Judaism, to Israel, all of which are polarized into one central faith — Judaism. We Creators realize what a **powerful motivating force is racial loyalty**, and not only have we named our organizational periodical RACIAL LOYALTY, but we preach it repeatedly. Why? Because loyalty to the cause is the first ingredient of success to any movement.

The Murder of Dresden

The Dresden Holocaust is the prototype of the kind of universal fate the Jews have in mind for all the goyim, especially the White Race.

Before World War II the city of Dresden was one of the most beautiful in the world. In fact the word Dresden was synonymous with culture, beauty and art. Like so many other cities in Germany, this city in particular was rich in German culture and the heritage of its people. The Castle, the Opera, the Hofkirche, the Frauen Kirche, to name a few amongst thousands of other buildings, were beautiful and outstanding examples of German (and White) culture. Many of these beautiful buildings dated back a thousand years or more.

The normal population of Dresden was about 600,000. In

February of 1945, as the refugees from the Eastern countries were fleeing before the Red Army, and seeking safety in the west, a large number of them fled to the apparent safety of Dresden and swelled the population of that city to over 1,200,000 people. These were people who had fought the Communists and were strongly anti-Communists. We must remember that at this period of history World War II was practically over and Dresden was by no stretch of the imagination a military objective. In judging what follows we must also keep

DISPERSION

(Continued from Page 1)

The bottom line is: **HOW MUCH DO YOU CARE?**

Strangely, whereas his race and historical cohesion is the prime motivating force in the life of the average Jew, the average White Man or Woman is hardly aware that they are the fortunate members of Nature's Elite — the White Race. It is the overwhelming goal of the Church Of The Creator to make each and every member of our race intensely aware of this most significant reality and to polarize this awareness into the one and only basic religion of our race. And there is no better way to polarize this awareness than incorporating it into a religious movement. This has worked wonders for the Jews, it has worked wonders for the backward Arabs when polarized under the Moslem religion. It has even worked miracles for the mongrel niggers of America that have embraced their Black Muslim religion. History also has many other lesser examples, but the above will suffice to drive home a point we of the Church Of The Creator have been expounding repeatedly, and that is this: The White Race has been fumbling and floundering miserably because it never had a racial religion of its own to rally around, to polarize its tremendous potential, and to inherit the world. Christianity certainly has not done so. On the contrary, it has confused and fragmented the White Race as nothing else in its history.

Now in CREATIVITY we have such a religion to polarize around — full blown, comprehensive and complete. We now must organize and polarize all our scattered, confused and polyglot legions around the world. Once we do the Jews and the muds will be a problem of only minor proportions.

So much for polarization. Since I have expounded on this issue repeatedly before, I will not pursue it further in this dissertation. But what about the need for dispersion of organizational units? Isn't this a contradiction of polarization?

No, it is not. Again let us look at the survival of the Jews over the many centuries and learn our lesson.

If you will read again Creative Credo No. 35 in the **WHITE MAN'S BIBLE** entitled "Unrelenting Warfare Between The Parasitic Jews And Their Unfortunate Victims" you will see that the Jews owe their survival to the fact that they were

dispersed all over the world. **But here is the key: Wherever they settled they immediately organized Jewish centers of one kind or another — synagogues, political organizations, defense leagues, or whatever.** They all served the cause of their race, helped to inspire racial loyalty and racial cohesion, and made organizational plans for their defense and for the take-over of their enemies. (We must remember that whoever their unsuspecting hosts were, the Jews regarded them as their enemies.)

Now despite the fact that the Jews took all these measures for their own protection, advancement and survival, due to their inherent obnoxiousness, their hosts did discover the dangerous threat posed by these parasites, and repeatedly through out history turned on them, killed them and/or drove them out.

But — and here again is the key — when driven out of one city, dukedom or country, their racial/religious cohorts were ready to receive them and help them recoup, and **in a few years they were not only back, but also in control again of the very country that had expelled them a generation (or less) earlier.**

A glaring example in modern history is how Germany drove out the Jews, how they shifted to the United States, utilized the resources of their host country to destroy Germany and in short order were not only back in Germany, but again in full control. When I say full control, there is hardly a country in the world that the Jewish tyranny is more unrestrained than the Jews in wreaking vengeance on their former nemesis.

But we don't need to look at Germany as the only example. If you will read again Creative Credo No. 35 you will find it happening over and over and over.

Their persistent tenacity and survival is basically due to two major tactics: Religious polarization around their race, and secondly — dispersion.

We of the Church Of The Creator must also learn this lesson thoroughly, and we have. That is why I have been urging repeatedly and persistently that our members wherever possible **become ordained ministers and form church groups of their own in their area.** This is a must, and it is tremendously important.

I ask you this question (and I am sure it must have crossed your

mind): What would happen if our Headquarters here in North Carolina got wiped out? It could happen. Would that be the end of our movement?

NO. It need not, it cannot, it must not and it WILL not. **CREATIVITY now represents a powerful idea, a supreme loyalty, a vehicle that is urgently needed for the survival of a great race. Having been spelled out and detailed in our basic books, the idea is now in the hands of tens of thousands of our racial comrades, any one of which, if he or she set their mind to it could (and must) organize their own center and spread it to the rest of the world.**

Whereas Adolf Hitler united the German people, it is the sacred goal of the Church of the Creator to unite all the White peoples of the world into one mighty religious movement.

As Voltaire has said — "There is nothing as powerful as an idea whose time has come" — and for the White Race, the CREATIVITY FORCE is the instrument for its own survival, redemption and resurrection. It is now in the hands of the great White Race, and its own powerful possession.

But to insure its spread and survival, this idea must rapidly be dispersed, mobilized, organized and polarized. The more we do so and the quicker we do so, the more secure will be its survival and the more rapid its expansion.

Just as any Christian preacher can take the Jewish-Christian bible and start his own church and build his following and congregation to whatever size he has the energy and ability to accomplish, **so, too, can any CREATOR build a church and congregation to any size he aspires,** with or without the help of our headquarters. And I strongly urge that every Creator aspire to do just that. The more such local units or groups we have spread out all over the United States, Canada, Europe and all over the world, the stronger, the more secure we will be and the faster the growth of our movement will be. We here at headquarters will do all we can, but this is a

massive worldwide movement, and the greater the effort, the more widespread the participants, the better the results. Remember, we will build this only with massive White Racial teamwork and for this we need you in your area to do your part.

Not only must we build a multiplicity of Church Of The Creator centers, but **we must also develop a multiplicity of effective, competent leaders.** This will of course, go hand in hand with the springing up of the thousands of church groups. These must all be coordinated, mobilized and effectively brought into play to bring about WHITE RACIAL TEAMWORK and also in Chapter No. 7, Part II of NATURE'S ETERNAL RELIGION, "The Leadership Principle". We must adopt the "**wolf pack**" system whereby we have a backup of an unlimited supply of leaders ready to serve. If one gets shot down, another is there to take his place. If he too falls, there is another and another ready to take over.

Such leaders can only come from experience and testing in the field. Only by proving their merits in actually building their own organizations can such leaders be recognized. **These must then further be mobilized into a "chain of command", and organized by areas, districts and divisions.** In building the SCHOOL FOR GIFTED BOYS we are building the base from which the qualities of future leaders can be identified, oriented and trained. Just as Rome was not built in a day, so our organization, too, will not be built overnight. But time is of the essence and we must push the program into becoming a reality with all deliberate speed.

There is one other move that we must make with all deliberate speed and that is the dispersion of huge quantities of our **THREE BASIC BOOKS** in a multitude of warehouses or storage places all over the country. We must disperse our inventories in every major city in the country, from Los Angeles to Boston, from Miami to Seattle, and all areas in between.

This, too, is in good keeping with the policy of dispersion, so that no matter where a catastrophe may strike, we have reserves to draw from, not just a handful of storage areas, but hundreds.

We must think big. We may start small but we must think in terms of totality — the whole country, the whole world. We must also

DRESDEN

(Continued from Page 1)

in mind that Dresden represented the finest examples of German art and culture, that it was not a military objective, and that it was swollen at this time with refugees fleeing before the Red Army, the barbarians of the East.

On the night of February 13, 1945 at 10:13 p.m. British bombers started dropping hundreds of thousands of fire bombs on the poor, helpless refugees and citizens of Dresden who were only trying to escape the butchery of the Red Army. These raids were carefully planned by these heinous and diabolical Jews to reap the maximum in death and destruction. The timing was such that it would hit the citizens of Dresden at a time when they were out on the streets celebrating a Christian religious holiday. Thousands were burned alive.

When the first raid was over and the survivors came out of their shelters to begin rescue operations and when thousands of fire fighters arrived from other cities to help in the rescue, the treacherous Jews struck again. At 1:30 a.m. February 14th only 3 hours after the first attack, a second and larger force of British bombers rained down more death and destruction on the helpless White men, women and children below. So many fire bombs had been concentrated on this once beautiful old city of Dresden that a fire storm of hurricane proportions engulfed the whole city. The heat was so intense that once live people were shriveled into corpses reduced to half their size. Thousands of people hiding in air raid shelters were melted into one pool of liquid. A mother with her baby in her arms was found melted into the pavement forming a small tar statue. In a furious, fiendish effort to incinerate this beautiful city of Dresden, the city of art and culture, more than 650,000 fire bombs were dropped on it during the raids.

As if this were not enough, the next day, which was Ash Wednesday, while Dresden was

still burning furiously from the two attacks of the night before, a huge force of American B-17's started pounding on what was left of the magnificent city.

The great shame and tragedy of it all was that the pilots who were dropping these bombs were White Gentiles killing their own brothers in a battle that the Germans had been fighting for the preservation of the White Race. What these White pilots, with their mentality deranged by Jewish brain pollution, did not know, but their Jewish bosses did, was the fact that 26,260 Allied prisoners of war were in this same area! Just another example of Jewish evilness and treachery. Even though the American and British soldiers were fighting to save these Jewish-parasites from their just dues, the Jews themselves didn't mind at all having the White prisoners killed as well!

But this was still not the end of Jewish fiendishness and barbarity. A final touch of Jewish treachery was added when after the B-17's had left, 37 B-51 American fighters were ordered to fly low over the city and kill anything that moved! This they did by shooting and machine-gunning people trying to escape along the roads out of Dresden or people who were trying to save themselves along the banks of the river Elbe. These B-51 fighters flew low along the banks of the river and killed everything in sight.

Does this sound familiar? Remember the vicious ideology of the Jews as laid out in Deuteronomy 20, 16 "thou shalt save alive nothing that breatheth"!

Let us remember that this is the vicious Jewish religion, a religion that they have been practicing for thousands of years; a religion that they have swindled the White Man into as making it part of his own, in order to worship, idolize, and protect the Jew.

After the war, the world was lied to and told that only 35,000 people were killed during the raids, but as the years passed they finally admitted to 135,000 deaths. This was a big lie. The actual number of people killed between February 13th

and 14th was 350,000 to 400,000!

To add a further insult to treachery, when the war was over the Jews invented a huge hoax accusing the Germans of killing and incinerating six millions Jews in order to heap hatred on the Germans and create sympathy for the treacherous Jews who had started the war in the first place. In order to try to "substantiate" this colossal hoax, the Jews showed photograph after photograph of heaps of burned corpses. But the corpses they were showing were not Jews at all, but Germans that had been burned in the once beautiful city of Dresden.

A fate similar to Dresden is what the Jews have in mind for all the goyim, especially the White Race. Don't let it happen. Organize, polarize and mobilize.

We White Brothers and Sisters have a tremendously powerful lesson to learn from this horrible event. The overwhelming lesson is that the Jews regard all White people as their enemies and that it is only a matter of time when they will try to incinerate the cities and people of America just as they did Dresden, provided we will let them do it. The second lesson that we can learn is that it took the willing cooperation of White pilots, the British Air Force and the American Air Force to do this treacherous deed — the killing of their own White Brothers. This illustrates again and again how powerful is propaganda!

The third lesson that we must learn is that there is no compromising, no negotiating, no co-existence with the treacherous and diabolical Jew. Their religion and their inbred parasitic nature drives them on

plan to have the basic books translated into the major present White languages of the world, German, French, Spanish, Italian, and at least half a dozen others.

The best way to start implementing this dispersion of reserves is for those of our members that have the finances to buy and warehouse several hundred copies, to do so as soon as possible. Write us for special prices on quantities.

Dispersion and Polarization — that is the answer. Let us learn from history, let us **above all learn from the history of the Jews.** We can do a lot better than they ever could. They are merely a minority of parasites. We are CREATORS who need none of the mud races for our welfare or survival. On the contrary, the sooner we get all the parasites and free-loaders off our backs, the sooner we will be in a position to build that Whiter and Brighter World that is the cherished goal of every Creator.

Also, remember the bottom line. If we don't get our act together, if we don't get the White Race organized, mobilized and polarized — the consequences of our criminal negligence will be catastrophic. For a glimpse of our coming fate, read what happened to the defenseless **men, women and children that were incinerated at Dresden.** Read the accompanying article on "Dresden" on page 1 of this issue. That was not a holyhoax, but a real holocaust, perpetrated mostly on White women and children. A similar fate awaits all of the White Race, either piecemeal, or in a sudden thunderclap. Read again "Let's Make Hay While The Sun Shines" in last month's issue. **Remember — there is no evading or avoiding the issue.** We either mobilize our resources and save ourselves from a universal "Dresden" or reap the consequences of our cowardice and negligence.

to destroy all that is good in this world. There is no peace, no co-existence with this vicious evil. It is either them, or it is us. Being a member of the great White Race, I would rather we survive than this evil parasite.

BRICKBATS & BOUQUETS

Dear Mr. Klassen:

As I recollect it, the first time I wrote to you, I disagreed with your attacking the Christian religion. We needed their help.

I have almost finished reading "Nature's Eternal Religion," which changed my mind. Furthermore, the infiltration of the Jews into the churches belonging to the N.C.C., is disheartening. Their work inside the Vatican makes it worse.

So the big problem is to increase the readership of your book. I have even offered it to a few to be paid for by what it is worth to them: 25 cents, 25 dollars, or somewhere in between. A few books are out that way.

Senator Jesse Helms is in a desperate fight for re-election to the Senate. This is essential to our cause. The Presidency belongs to the Rockefellers. The enactment of the Panama Canal giveaway by the Senate, showed that two-thirds of that body were traitors to the country.

Our last defense lies in State Legislatures. But, Judging by Delaware, almost all of them are unworthy. Their principal interest is re-election to the offices which they are not fit to hold.

This is due to the ignorance of their constituents. I am working to alert them, but due to the control of the mass news media (TV, etc.) by the Jews, it is uphill work.

I recommend your studying the Jesse Helms political situation and forget his Christianity. Some day he will learn to disregard it. I was over 90 when I began to see its flaws.

Enclosed is a copy of AIM REPORT for June. My health is such that I don't have time to read it. I don't suggest your subscribing, but I do recommend your reading it carefully. It is a different approach.

Yours truly
L. Lee Layton

Dear Racial Comrade,

After reading your last paper (June edition) I was very impressed. Not only have I learned alot from your newspaper, but from previous issues and from your interesting book "The White Man's Bible". I am very happy when I see and hear people who think like I do. I, too, believe in the White Race and will do anything possible to save and

advance it! Even though I am 16 and a high school student, I help any way possible and pass on the word to my friends — young and old.

I am a member of W.A.R. (White American Resistance) and I feel all of the White groups that fight for the best interest of the White man, should communicate and make alliances because we need all the support and help we can get! The present will effect the future, so we must act now.

Dear Pontifex:

I'm a 22 year old White man, who for most of my life has been looking for something that I can believe in, something I could stand for, or even die for. Then I heard about your book and I hope to get myself a copy.

I don't like niggers, never did and never will. In fact, I despise them. I was brought up not to trust them or be friendly with them, but I was taught to respect them (which now I can't) because of the Jew laws we have that protect them.

Myself, I grew up in Fresno, California where there are too many niggers. When I was in Jr. high school they started to bus them to our good White school. Well, the kids of this school chased them away but the laws (and Jews) brought them back. Well, we moved to the country outside of town where I graduated from high school.

I would like to join your church and become a member. I would come out there but at this time I can't as I'm locked up in San Quentin Prison, doing 16 to life for second degree murder, which wouldn't have been a crime at all 20 years ago. I killed a nigger that sexually molested a three year old White girl. So here I sit. I've never been in trouble before this. At the time I was put in jail I was 18 years old and fresh out of high school. I had a job and a girl friend and we planned on getting married. Now, I have nothing. I heard about your book and your church. I now feel there is hope and I would really like to get a copy of your book. I want to read and study it, so I can help change this state and our country to allow my children or my brother's children the freedom to

CUPID'S CORNER

Although we have had several responses from our female readers, we are happy to print the first letter to this column in which the Fair Sex takes the initiative. We need more! It takes two to tango!

Dear Mr. Klassen:

I would like to become acquainted with a mature White Man who is between the ages of 32 to a young, healthy 45, who is interested in the building of a future family.

He must be a Racist, anti-religious, especially anti-Christian, as I feel that Christianity is one of the most destructive Jewish inventions in the world.

He must be a fruitarian and understand the importance of the diet and the effect that food has upon people both mentally and physically.

He should be at least 6ft. tall or more, pleasant features, muscular, slim but not skinny, husky but not fat and come from a good genetic background with no history of mental retardation or physical handicaps. Must also have no history of genetic diseases.

I prefer green eyes but other colors are ok. Fair complexion with blond hair is first choice but other types are ok, as both types are in my family.

Must know about the parasitic Jews and the trouble they have brought upon the White Race through their dreamed up Gods and their filthy religions. Must understand that a good intelligent White person doesn't need a multitude of Gods and ghosts and threats of hell fires to have good morals.

Must be capable of deep emotional feelings and be a deep thinker and have an intelligent, inquisitive, open, understanding mind. Must have artistic, musical, or writing ability. Should like to live in the country and be capable of caring for himself and not used to being waited upon hand and foot by a woman. Must know that men and women are of equal intelligence and choose their own destiny, free from the race-mixing horror this country is rapidly heading for.

I would very much like one of your books, but at this time I have no money. So if you can help me out at this time I would appreciate it.

Respectfully,
A White Brother,
Norman Wayne Willhoite
California

should treat one another with respect and not put one above the other.

I am 24 years old, 5' 3" tall with brown hair and brown eyes. I weigh 105 lbs. There aren't any mentally retarded or physically handicapped people in my family. Some of my family are tall some are short. Most of them have musical or artistic ability or are mechanically inclined. We are a quiet deep thinking type of people.

I don't want to start a family until I am 30 years old or more because I believe that a solid foundation needs to be established between the parents first. Also they would be taught at home or in Ben Klassen's schools. The raising of children requires much study, patience, and maturity. They would be raised as Racists, non-religious, fruitarians. They would be taught survival, the importance of genetic and racial purity, purity in all things, and how to use their minds to the fullest and to develop mentally and physically as much as possible.

I am a Racist, non-religious and a fruitarian. I would like to see a pure White Race on the earth. Living in purity without the parasitic Jews and all of the other races hanging around our necks sucking away our lives and filling us with a bunch of false religions, poisoned foods, and destroying our genetics and health with poison vaccines and drugs that supposedly heal our mysteriously caused diseases and make us well.

I think the only chance of stopping our complete destruction other than wiping out all other races and all filthy mind and body polluting things is through good breeding and teaching our children purity in all things. I think the White Race has lost so much that some of it may never be regained, but perhaps we can recapture enough so that one day we can once again stand tall and proud and be a beautiful sight to behold.

Dear Mr. Klassen:

I appreciated very much hearing from you on June 2. My family affairs have taken a turn for the better since my move to Ohio.

Enclosed is a money order for \$100- in federal reserve notes, to renew my subscription to RACIAL LOYALTY and to keep my membership in good standing.

In a few weeks, I will acquire an office in Ohio; and there I will be able to run my scientific, political and religious activities. My wife's father-Lou Capelle-is being very helpful in setting up my office. I have several ideas for which I would like your approval: To sell your books through advertising in THE SPOTLIGHT, a national

newspaper with a subscription base of 200,000. If you are interested, I can send you some back issues to peruse. As I have previously indicated, my interests and hopes concern "new age" technology. In this regard, the sale of your books will constitute a part of a larger package.

CATHOLIC CHURCH PROLIFERATES ILLEGALS

by Rex Tiro

Those who believe in the Church's role in assisting refugees, will be surprised to know that the Italian (the Roman Empire disappeared in the 5th century) Catholic Church is not that sincere. In fact, the Church is doing Americans and refugees a major disservice in rescuing and resettling boat people. Let us consider the Haitian crouched into a 10 foot boat, setting sail for Florida, a 700 mile exodus which lasted approximately 22 days. This group was but one of the 80,000 boat people who fled in dismay from Haiti.

Haiti's 6 million inhabitants' yearly earning averages about \$200. The Haitians have the world's highest infant mortality rates, and are highly illiterate. Little known is the fact that Haitians have been coming to the U.S. since the 1920's, having come to public attention only when they joined with the Cuban refugees in 1980. Bleeding heart Catholic nuns, called HOLY NAME OF JESUS AND MARY have taken these Haitians under their care. They are now begging for money, food shelter and jobs. They assist "the migrant streams" from Florida to Georgia to pick peaches, watermelons in the Carolinas and apples in Virginia. Migrants live in "overcrowded farm houses", conditions being as bad, if not worse, than their native villages.

Haitian refugees come here with what? Only attributes — disease, poverty, and crime. They have no skill, are mostly migrant

workers, cannot speak English, most are illiterate even of their own language which is Creole, a Bastardized corruption of French. Many can't write their own names. In addition to language deficiencies, they suffer from cultural clash. They bring with them ignorance, large families, SUPERSTITIOUS RITUALS, diseases and their deep-rooted voodoo culture. They are labeled as "high risk to the mysterious A.I.D.S. disease"

The Catholic Church, eager to increase its voting power to bring pressure on legislation, helps them find jobs in "restaurants" and start "small businesses". This is a slap in the face to the unemployed WHITE AMERICANS. Nuns say that Haitians "are happy, intelligent, self-reliant and gentle people" Extension Magazine, Nov. 1983, pg. 9). The exact opposite is true. They are miserable, penniless, lonely, and are causing our social welfare system to "hemorrhage".

The Catholic Church cares not one whit about the more than 30 million Americans living in dire poverty. These nuns would do better to work among our own poor instead of wasting their energy on refugees who are today a financial problem, and tomorrow's creeping cancerous political power for the Church. The cost of Haitian refugees' child care, education, transportation, medication, etc., runs into the billions and is increasing everyday.

Refugees' "deep faith in God," and "courage and hope for a bet-

Three boy babies were born in a hospital in Germany on the same day. One was of German parentage, another Jewish and the third Turkish. Somehow, their identities got scrambled, and the authorities were dismayed in being unable to tell the parents which was which.

The German father thought about it and then volunteered to the authorities that he was fairly certain he could unravel the problem. All he asked was to have a few minutes alone with the three babies.

Reluctantly the authorities consented. After a few minutes with the babies the German father pointed to each with certainty as to who was whose.

The hospital superintendant asked him how he did it. The German at first declined to explain. However, the super insisted. So the German said: "I walked in, gave the stiff-arm salute and shouted 'Heil Hitler!' My son instantly returned the salute. The Jewish kid immediately craped in his pants and the Turkish kid cleaned up after him."

A black preacher and his female subject were standing in a river where he was about to perform the rites of baptism in front of his congregation.

He started off by addressing his congregation with, "My good peoples, we is gathered here to witness how the Lord has rescued another worthless sinner from the hands of that old serpent Satan. He cleanses the soul and makes pure this sinful black heathen you see before you heah."

He then asks her, "My good woman, does you believe?"

She replies, "Yessum, I'se believes."

The preacher then dunks her under the water and holds her there for about 2 minutes, all the while talking to the crowd. He brought her up again and asked once more, "Does you believe?" "Yessum! I'se believes!"

He dunks her under again and holds her for 3 minutes. "Does you believe?" "I'se does believe!" The preacher keeps on talking.

He dunks her a third time, losing track of time and holds her under for 4 minutes, all the while talking to his audience.

When he finally brings her up for the last time he again asks "Does you believe?" "Yes! Yessum, Ah believes!"

"My good woman, would you tell these good peoples just what it is you believes?"

ter future in this country" is nothing but a delusion of the worst kind, and the Catholic Church knows it. A Haitian with nine children and with a "faith in God" and no skill, is not about to build a future for himself or his family. His real "God" is the taxpayer's hard-earned money. Haitian's word for "God" is 'papa'. Indeed — 'papa' of large families.

In maneuvers such as the above the Catholic Church displays an unprecedented disregard for Americans who support it. The irony is further exemplified when these nuns establish a "Hope House" for themselves and a place where refugees of all nationalities could turn for help. Such are the workings of the Church.

Let's not blame the refugees. Lets blame Christianity for rendering a real DISSERVICE to Americans by assisting waves of refugees. All the Church wants is the refugees' votes and when the Church has obtained enough voting power, she will take over the control of America. After all, I am perfectly aware of the fact that The Catholic Church has never removed from her canon laws the right to kill heretics.

Let the reader beware that Christianity has always been, still is, and always will be the real subversive enemy within our borders.

It is time to say farewell to the Galilean spawned by the Jews!

Germany, Adolf Hitler and National Socialism

In the study of the whole historical movement of the White Race struggling to free itself from under the heel of Jewish tyranny, the name of Adolf Hitler shines forth as the brightest meteor to flash through the heavens since the beginning of history. No doubt the White Race will produce even greater men in the future, but it is my considered opinion that Adolf Hitler stands head and shoulders above any other man as the greatest leader the White Race has ever produced, and as the greatest White Man that ever lived. This may sound as an overly extravagant evaluation, but if so, no man deserved it more, nor did any man come by it more honestly.

The contribution that this great White Man made towards striking a resounding blow for the cause of the White Race and accomplishing a near break-through in smashing the Jewish conspiracy will go down in history as one of the most heroic battles in the history of mankind. When we consider what little he had to start with, what little he had to work with, how tremendous were the obstacles that he had to overcome, the herculean efforts that were expended, and the heroic fight that was waged, we can safely say without contradiction that in the words of William Shakespeare, "the elements so mixed in him that Nature might stand up and say to all the world, this was a man!" Indeed, Adolf Hitler was not only the epitome of a man, but he best represented those qualities that shine forth in the White Race — honor, heroism, genius, creativity, leadership, and artistic spirit, and above all, the readiness to sacrifice himself for the good of his race.

But for this one man, undoubtedly Germany would have been overwhelmingly communized in the early 30's. Since Germany is the key and the anchor nation in the heart of Europe, undoubtedly in short order the entire continent would have fallen victim to Jewish-Marxist communism.

Certainly if Hitler and the new National Socialist movement that he founded had not saved Germany, Spain also would have fallen victim to this treacherous cancer.

Undoubtedly, the vicious and destructive Spanish Civil War would never have turned out to be a victory for the fighters against Jewish communism. With Spain and Germany gone, in short order a sick and dissipated France, already heavily infected with the Marxist virus, would have succumbed. With Spain, France and Germany on the one side and Communist Russia on the other side, it is unthinkable that the Balkan countries of Romania, Czechoslovakia and the others would have put up any worthwhile resistance in the Jewish onslaught to enslave Europe. With the continent gone, the small island kingdom of Great Britain, itself long a citadel of Jewish money power, would shortly have fallen like an overripe tomato. Certainly Fascist Italy would have shortly crumbled, under military invasion, if necessary, and the few other small and relatively weak countries, such as the Scandinavian countries and Greece, would have offered no obstacle whatsoever. So it can be readily seen that if it had not been for the advent of Adolf Hitler, Europe by the 1930's would have been totally crushed in the giant maws of Jewish Marxism.

Undoubtedly by the middle 30's all of Europe would have been in the grip of this fiendish pestilence that we today call communism but is really the Jewish program for the destruction of the White Race and its civilization. Without a doubt, America, who has within its environs more Jews than any other country in the world, and who supplied the money, the material, the production of the armaments of war, certainly, America would not have resisted the final onslaught of this cancer. It is, therefore, fairly safe to say but for the grace of a kindly Providence and the appearance of Adolf Hitler on the scene of world history, today, you and I would be living under a complete nightmare such as has darkened the lights throughout Russia and Eastern Europe today.

But, you might say, Adolf Hitler was destroyed, Germany was utterly defeated, and National Socialism was completely crushed without a vestige remaining.

It is true Adolf Hitler is dead. It is true Germany was utterly vanquished and left a mass of rubble. It is true that National Socialism was eradicated as a political party in Germany. So what has Adolf Hitler done for us — for the White Race?

Well, he has done a great deal. For one thing he has bought us time. As we stated previously, undoubtedly by the end of the 1930's all of Europe and most likely the whole world would be lying crushed and gutted, cowering at the feet of the diabolical Jewish monster — communist Marxism. Adolf Hitler did not die in vain. He died for his beloved White Race, including you and me. He bought us at least 50 years of time in which we could rally ourselves and make a great final effort to victoriously crush the monster that is now still clutching at our throat.

*We Creators
consider Adolf Hitler
as the greatest leader

ever produced and
the greatest White
Man that ever lived.*

Yes, he bought us time and he did more than that, he gave us a sense of direction and he gave us a great cause and an inspiring example to strive for. He challenged this vile evil and he showed us all that this monstrous world plague could be challenged and could be overcome. In fact, he came marvelously close to winning the battle in his own time. He gave us hope, he gave us an example, and he gave us an ideology to fight for. In clear lines, he delineated the enemy, and he set forth the goal. He established the first White government that was based on a racial foundation.

Adolf Hitler did not die in vain. From his ashes shall rise a Phoenix right in the heart of America that will spring to life again and take up

the battle to save not only America, but to save the White Race for the entire world.

The life story of Adolf Hitler undoubtedly constitutes the most fantastic true romance of any story that has ever been written in the history of mankind. It is a true story, not a fantasy conjured in the minds of story-tellers. It is a great epic that has occurred within this present century and we can be proud that it has happened in our own time.

To understand the story of Adolf Hitler we must first of all reach back into the history of Germany itself, and even before that, the story of the German people.

* * * * *

Anyone who studies the outcroppings of genius in the progress of the White Race cannot help but be impressed by the number of German names that predominate in any such list. Whether it be in the field of music, or in the field of literature, or in the field of chemistry, or in the field of physics, the contributions of genius in all these fields from the German people have been rich indeed. Not only that, but the German people embody all those qualities that are the pride of the White Race — they are hard working, productive, energetic, brave fighters, and above all, tremendously creative. On the other hand, they also possess that fatal flaw that is so characteristic of the White Race — they are so prone to squabbling and fighting amongst themselves, and, furthermore, have a fatal susceptibility to Jewish propaganda.

For centuries not only did the Germans possess the best qualities of the Nordic blood within the White Race, but they were located in the heart of geographic Europe, and therefore, in any European development, were the key element.

Why then, it might well be asked, did Germany lag behind France, Spain and England in the race for colonies, and in fact, in the establishment of a world empire? And the answer lies in its Achilles heel, namely a house divided against itself cannot endure. In no major nation has there been so much divisiveness and so much internal and fraternal bickering as among the German people. Thus it was, until that great leader, Adolf Hitler, came along.

Since the days of the Romans, through the reign of Charlemagne, and for centuries thereafter, Germany has been split into small prin-

cialities, dukedoms and kingdoms. Probably not since the days of the fall of Babylon has a people been so infested with Jewish parasites as were the little fiefs, dukedoms and principalities of Germany. Upon these, the Jews continually fastened themselves, and upon their rulers — loaning them money, corrupting their morals and stirring up wars.

Nevertheless, by the 16th century it became evident that the Germans were becoming a major power in the heart of Europe and would by their numbers, their industry and their energy soon master the continent of Europe, if left unchecked. If there is one thing that the Jews cannot and will not tolerate (if they can help it) it is that a great White people like the Germans unite and predominate in world politics. It was therefore at this time that the Jews promoted what has been known in history as the "Great Schism." The Jew hurled the Protestant Reformation into the face of White Europe, and with it a fratricidal convulsion on an unprecedented scale.

The Jews, who created Christianity in the first place, and dominated and controlled it for the first 1500 years through the hierarchy of the Roman Catholic church, had thoroughly corrupted the church to the point where the average "believer" was so completely sickened and nauseated by the excesses of the church leadership that he was ready to revolt. The Jews then brought forth a puppet to lead the revolt against the church that was to split wide open the White world all the way from Germany to Sweden to France and England.

Amongst no people were the ensuing convulsions greater than amongst the German people. After smoldering for approximately a century this convulsion burst forth into a flaming struggle among the German people. It was called the Thirty Years War.

Between 1618 and 1648, a devastating 30 years, the German people hacked each other to pieces and tore themselves apart. This tragic convulsion, when it was finally over, left the German people torn and bleeding, with 5/6 of all their property and buildings destroyed, and 2/3 of the population decimated. When the Treaty of Westphalia finally ended this tragic and bitter fratricide, it was not the German people who wrote the terms of that treaty, but the surrounding outside powers who dictated the terms to the victims.

Needless to say, the perfidious Jew had his hand in it again, and

the last thing in the world that he wanted was to see a strong united Germany. What he structured was a resumption of the divided dukedoms and principalities that it had before the suicidal war began, but it was now further saddled with the added problem of being half Catholic and half Protestant. Not only that, but the war had engendered a rich harvest of hatreds amongst the Germans themselves that were not too much unlike that which the Jew fostered between the North and South of the United States when they plunged our unfortunate country into the Civil War.

This bloody and grueling exercise in self-destruction set the German people back perhaps 300 years in the development of their nationhood, and it cost them world leadership.

This was pretty well the situation of the German people until the advent of Bismark, who united the petty German states but successfully waged war against the Germans of Austria and soundly defeated them at the battle of Koniggratz in 1866. This battle and the victorious war against the French of 1870 — united the German states under the leadership of Prussia. Bismark had King William I crowned as head of the German Empire.

Germany was now on its way to unification and world power, nevertheless, minus the Germans of Austria.

Despite all the time that Germany had lost while the other great nations of Europe were acquiring colonies, Germany was now a world power to be reckoned with and was unquestionably becoming Europe's strongest nation and its leader.

Despite the paramount credit given to Bismark for uniting Germany, he never came to grips with the Jewish problem as such, and the Jewish power and influence in Germany remained unchecked and unmitigated. Nevertheless, the power and productivity of the German people became manifest, and if there is anything that the Jews did not want was that the fine qualities inherent in the German blood should come to the fore and assume leadership of the White Race. With the propaganda control in their hands in Germany, in France, in England and the other countries of Europe, as well as the United States, and with the national hatreds being continually kept alive and fanned with propaganda at will, the Jews were successful in plunging Europe into what is known as the first great World War.

Other things being equal and had both sides been devoid of Jewish power and influence, Germany might have won that war, and in fact, was on her way to doing so. This was not to be, however, since the Jews did not want Germany to win. They did not want a strong White leadership such as the Germans offered. The Jewish con-

trol of Germany even during World War I was almost complete. The Minister of War Production was a Jew, in fact, the whole German government was thoroughly riddled with Jewish bureaucrats, and in the spring of 1918, as Germany was pushing forward a victorious campaign to end the war, the Jewish conspiracy brought about a munitions strike at home and sabotaged the whole German war effort.

With the propaganda reins firmly in their control, the Jews then organized a communist revolution in the heart of Germany while the brave German boys were dying in the trenches. The end was not too far in coming. By November a betrayed and Jew-ridden Germany sued for peace while her brave soldiers at the front were still far within enemy territory.

One of those brave soldiers who had been disabled by a poison gas attack, was blind, and in a hospital at the time the armistice was announced, was an unknown corporal by the name of Adolf Hitler.

He tells his reaction when he heard the shattering news of Germany's defeat. "Since the day when I stood at my mother's grave, I had not wept. When in my youth fate seized me with merciless hardness, my defiance mounted. When in the long war years death snatched so many a dear comrade and friend from our ranks, it would have seemed to me almost a sin to complain — after all, were they not dying for Germany? And when at length the creeping gas — in the last days of the dreadful struggle — attacked, me, too, and began to gnaw at my eyes, and beneath the fear of going blind forever, I nearly lost heart for a moment, the voice of my conscience thundered at me:

Miserable wretch! Are you going to cry when thousands are a hundred times worse off than you? And so I bore my lot in dull silence. But now I could not help it. Only now did I see how all personal suffering vanishes in comparison with the misfortune of the Fatherland."

He broke down and cried.

"There followed terrible days and even worse nights — I knew that all was lost. Only fools, liars, and criminals could hope in the mercy of the enemy. In these nights hatred grew in me, hatred for those responsible for this deed."

"There is no making pacts with Jews; there is only to be the hard: either — or."

"I, for my part, decided to go into politics."

Who was this man — Adolf Hitler?

This outstanding genius of the White Race, probably the greatest leader the White people have ever had, came from a very inauspicious beginning. He was born of parents in the lower middle class, in a small town on the border of Germany and Austria, but on the Austrian side. It was called Braunau-am-Inn. The date was April 20, 1889.

During his school years young Adolf showed a penchant for being a leader among his schoolmates. He also displayed an avid interest in history and a strong leaning toward nationalism, and loyalty to his own race. He was also blessed with a strong inclination in the artistic fields. By the time he was 12, young Adolf had decided he wanted to be an artist and plainly told his father of his desire.

His father strongly objected to this choice. The conflict that ensued between the two was resolved by his father's death when young Adolf was 13 years old. The family was now in rather dire financial straits, but his mother managed to send him to technical school in Linz. Here his talents for drawing and architecture became obvious.

It was also during this period that Hitler developed a strong feeling for German Nationalism and a strong feel for historical thinking. He says, "The habit of historical thinking which I thus learned in school has never left me in the intervening years. To an ever increasing extent world history became for me an inexhaustible source of understanding for the historical events of the 'present' in other words, for politics. I do not want to "learn" it, I want it to instruct me."

Adolf Hitler

(Continued from Page 7)

When Hitler was 18 years old he went to Vienna to try to begin his professional training towards becoming a painter and artist. He took the required examination at the Vienna Academy of Fine Arts.

To his great surprise he found that he had failed these examinations. The professor who had examined his drawings informed him that his talent lay not in the field of painting, but in the field of architecture. His interest in architecture had been growing steadily in the last few years, but he now realized that in order to take up professional studies in this field, he lacked the necessary educational background.

It was not long thereafter that his mother died and he was now an orphan faced with the problem of making his own living. Somehow he had to make a living. He had no trade or training in any particular vocation. His future looked bleak.

Nevertheless, bidding his relatives farewell, he declared that he would go to Vienna and never return until he had made good.

"With a suitcase full of clothes and underwear in my hand, and an indomitable will in my heart, I set out for Vienna. I, too, hoped to wrest from fate what my father had accomplished 50 years before; I, too, hoped to become 'something', but in no case a civil servant."

The next four years between 1909 and 1913 turned out to be a time of utter misery and destitution for the strong-willed young man from Linz. These were his most formative years and the years in which he learned the bitter lessons of life from the school of hard knocks.

It was in the metropolitan city of Vienna, 10 per cent of whose population at that time was Jewish, that Hitler also began to learn the facts of life about the powerful stranglehold the Jews had on that city in particular, and world influence in general.

He became a voracious reader and read the daily press intensively. It was during this time also that he gained a keen insight into politics and began to detect what the slimy hand of the Jew behind the facade of Marxism was doing to the German people.

He said, "Vienna was and remained for me the hardest, through most thorough, school of my life. I had set foot in this town while still half a boy, and left it a man, grown quiet and grave."

"In this period there took shape within me a world picture and a philosophy which became

the granite foundation of all my acts. In addition to what I then created, I have had to learn little; and I have had to alter nothing."

It was also during this time that he thoroughly studied and learned the poisonous effects of the "Social Democracy" movement in Austria which was a disguised name for Communist Marxism.

He says, "I understood the infamous spiritual terror which this movement exerts, particularly on the bourgeoisie, which is neither morally nor mentally equal to such attacks; at a given sign it unleashes a veritable barrage of lies and slanders against whatever adversary seems most dangerous, until the nerves of the attacked person break down...this is a tactic based on precise calculation of all human weaknesses, and its results will lead to success with almost mathematical certainty..."

Help build a mighty White Racial Movement. Help build CREATIVITY.

After 4 years in Vienna, the most dismal years of his life, Hitler left that city for good and moved to Munich in the spring of 1913. He was glad to get out of Vienna, which he called a cosmopolitan "racial Babylon". He felt much more at home, both spiritually and politically, in Munich, since his strong pro-German nationalistic feelings were much more in harmony here than in the Austrian empire of polyglot races. Hitler was at this time 24 years old, and to everyone except himself he must have seemed a total failure. He had no friends, no family, no job, no home. He had, however, one thing: an unquenchable confidence in himself, and a deep, burning sense of mission. He also had an intense and abiding love for Germany and the German people. Nobody at that time could have foreseen the tremendous mission that Adolf Hitler was destined to fulfill in his newly adopted land of Germany.

When war broke out in August, 1914, he immediately, on the third day of August, petitioned King Ludwig III of Bavaria for permission to volunteer in a Bavarian regiment, and it was granted.

Of this historic turning point in his life, Hitler says: "To me those hours seemed like a release from the painful feelings of my youth.

Even today I am not ashamed to say that overpowered by a stormy enthusiasm, I fell down on my knees and thanked heaven from an overflowing heart for granting me the good fortune of being permitted to live at this time."

"A fight for freedom had begun...this time not the fate of Serbia or Austria was involved, but whether the German nation was to be or not to be."

During the 4½ years that Hitler served in the infantry he was wounded twice and received the Iron Cross, second class, at one time and the Iron Cross, first class, the second time. We have already related how at the end of the war he had been gassed and blinded and received the bitter news of the treachery and defeat perpetrated on his beloved fatherland.

It is tremendously important to here recount the tragedy, humiliation, and destruction that was now heaped upon post-war Germany. After the infamous stab in the back that she received on the home front from a munitions strike, a strike that was organized by the Jewish clique in the very heart of the German home front, she was further humiliated, crushed and destroyed.

With Germany crushed to the ground, the Jews then saddled her with a bitter and vengeful Treaty of Versailles, a treaty written and dictated by the Jews so as to enchain Germany for the next 100 years. The fruits of her labors would be plundered by the victors, and particularly by the Jewish international clique.

Upon Germany the Versailles Treaty imposed harsh, dictatorial and draconian peace terms. All of Germany's holdings, her colonies and her territories were taken away from her and divided up among other nations, with Great Britain becoming the prime benefactor. The German traitors, who now were the "representatives" for Germany at the peace table, were made to sign the statement claiming full responsibility for starting the war, and that the war guilt rested upon Germany and the German people. A fantastic "reparations" sum was imposed upon Germany...a sum so huge that it was equivalent to about three times the net worth of all of Germany put together. In order to pay this, and the interest on it, the Germans would be enslaved and in bondage forever and a day.

But the shame and humiliation heaped upon Germany, the reparations, the lost colonies and the war guilt, were only a part of the dire tragedy that now engulfed Germany. At home the Germans were

leaderless and helpless, with Jews, revolutionaries and traitors heading up their make-shift government. The rapacious Jew then swarmed in from all parts of the world to loot, plunder and dismember the German Reich, and to perpetrate revolution and destruction upon the helpless people.

In the period immediately following World War I, Germany and its heroic people reached an all time low. Misery and wretchedness, hunger and privation, distress and confusion were rampant throughout the land. Millions upon millions of German people were without work and starving. Thousands died daily of hunger. At the same time the Jews were supplying funds to communist revolutionaries to destroy Germany from within and take it over completely. Jews came in with money from all parts of the world — money they had plundered and stolen from other countries, and rushed into Germany and bought up all of the starving German people's property. Hotels, restaurants, manufacturing plants, and even their homes were bought up by the Jews for a few cents on the dollar. In order to survive, the starving German people had no alternative but to sell their properties, worth a fortune, for a fraction of their real value to these Jews, just in order to obtain enough money to eat. In order to realize just how terribly desperate the conditions in Germany were at this time, it is necessary to go into further study of this deplorable post-war era. These, our White Brethren, were literally living out of garbage pails in order to survive.

Jews owned all the businesses. They had stolen these from the Germans for mere pennies. They had all the good food, all the medical facilities, and the German people were allowed nothing. Many Germans, walking the streets, would stand in front of restaurants, the same restaurants that they themselves formerly owned, and would look inside, hunger eating at their insides. The Jews would sit in the windows of these restaurants, eating food and delicacies, while the Germans were eating garbage. With their usual arrogance, the Jews would hold up the food in front of the Germans looking through the windows, laughing at them, making fun of them, anything to disgrace them further.

There seemed nothing that the German people could do to rectify this at that time. The control of the police and all the courts in Germany were firmly in the hands of the Jews themselves. The Germans

(Continued on Page 9)

Adolf Hitler

could obtain no justice in the courts whatsoever. Jobs were available only to those Germans that did not speak out, but bowed down to the communist Jewish overlords.

Filthy literature was rampant on the news stands, and young children even were subjected to this type of degradation, something that is now happening right here in America. Newspapers, magazines, lewd movies, obscene literature of all types, were prevalent everywhere.

However, no one was allowed to speak out against the Jews. German women were manhandled in the streets, and if they complained, they were arrested by the authorities. Schools and colleges were infested with communist Jewish professors.

All these tragic manifestations and many more that we are facing in the United States today, Germany was totally engulfed with in the period from 1918 until 1933. Unless you worked with the Jews for the destruction of the White German Race, you were boycotted, prevented from obtaining employment, and even from obtaining enough food to sustain life for yourself and your family.

The courts were completely corrupted and in the hands of the Jews. No decision was ever handed down unless the Jews approved of it, or they themselves made it in the first place.

Even the one time wealthy businessmen that had worked all their lives to build their businesses honestly, were deprived of them by the Jews. Many of them were made to work as common laborers, if they were lucky, in the same plants that they had once owned. Conditions were so pitiful and so deplorable that despair clutched at the heart of the German people. White German men and women went to bed at night hungry and starving, praying for a true loyal leader from their ranks that would be able to deliver them from this Jewish nightmare.

Their prayers were answered. A great man did arise from out of their ranks to lead them out of their misery. His name was Adolf Hitler, the same lowly, blind and unknown soldier who had cried in his bunk in the army hospital when the treacherous betrayal and armistice was announced on November 11, 1918.

Shortly after the armistice, a very small group had formed a

political party in Munich. They called themselves the German Workers Party. They only had 6 members. Their problems seemed overwhelming and their future seemed hopeless. It so happened that in 1919 this unknown soldier attended one of their pitiful meetings. His imagination told him that somehow something meaningful could be done with this small beginning. He joined the party and became party member number 7.

With his great speaking eloquence, undiscovered until now, Hitler began to whip this group into shape. In 1920 the party was named the National Socialist German Workers Party, called Nazi for short.

During the next three years, from 1920 to 1923, Hitler and his loyal followers managed with great success to awaken the German people to their racial heritage and their great historic past. We must remember that at this time Germany was rent from one side to the other with communist revolutionaries, bolsheviks and other Jewish stooges that incited confusion, treason and dissension throughout the land, tearing the German nation apart.

In order for Hitler and his loyal followers to even so much as hold a meeting, they had to battle the communist goon squads to keep their meetings from being broken up. A goodly part of his party organization had to be devoted to fighting with their fists, if necessary, in order to defend their right to speak and their right to hold meetings. This division, called the Storm Troopers, was completely weaponless and had to rely on their fists in order to defend their party's existence. Despite all the precautions they took, hundreds and thousands of them were killed and assassinated in their struggle to save the German race from destruction.

By 1923 the Jews had perpetrated the most treacherous inflation in history upon the German people and it took billions of marks just to buy a loaf of bread. The Jews raped Germany financially and morally. Their Jewish cousins from America swarmed in, and for next to nothing, bought up gold watches, apartment buildings, houses, real estate and completely plundered the German people.

It was at this time that the Nazi party felt that something more desperate had to be done to save the German nation from complete ruin. In November of 1923 they staged a putsch in Munich to take over the Bavarian government, but

it was doomed to failure. The Jews still had control of the German army and the militia and they crushed this attempted takeover in short order. Sixteen loyal party members and White heroes were killed in this attempt to save the German Reich.

Hitler escaped death and was saved for a greater destiny by a merciful Providence.

ING RAM we must

Jewish menace.*

He was brought to trial. In some of his speeches in defense of his party he gave some of the most eloquent oratory that had ever stirred the German people. Nevertheless, with the Jews being in complete control of the courts, he was sentenced to 5 years in the penitentiary at Landsberg.

Due to the tremendous pressure from the German people themselves, he was finally released on December 20, 1924 after serving 9 months. In many respects, this was a blessing in disguise. Because of it, for the first time in his life, Hitler had time to devote himself to setting down the creed and objectives of the Nazi party. This was compiled in his two-volume book known as MEIN KAMPF. The principles embodied in that classic are to this day a shining beacon pointing the way towards the liberation of the White Race.

When Hitler was released from the penitentiary in 1924, he found his party had fallen apart, was disorganized, and in chaos. The party assets had been confiscated by the courts and these same courts furthermore had forbidden him to so much as speak in a number of the German states. A most difficult task faced him.

Imbued with an indomitable will and a burning zeal to resurrect his broken country, Hitler carried on. Slowly the ban forbidding him to speak was lifted from the different states and Hitler renewed his efforts to reorganize and build the party with an energy that was almost super-human.

Finally by January 30, 1933, his party's efforts were crowned with success and Hitler became the Chancellor of the German Reich.

The multitude of problems that now faced him were colossal and almost insurmountable. He had inherited a country that was completely bankrupt, a country that was saddled with the tyrannical Treaty of Versailles to an interminable future of slavery and bondage. The German people themselves were divided between the followers of Hitler and the Nazi party versus the communists, bolsheviks, and the Jews, who still had unlimited control over all the property and finances of the country. Germany was without colonies, without credit throughout the world. She was completely disarmed in the face of a hostile world that surrounded her small country, which after all, was no bigger in area than the state of Texas. The country was rent with poverty and disillusionment. Over 6 million unemployed had hopelessly been staring towards a bleak future. After 13 years of desperate struggle, the lonely unknown soldier of World War I not only became the head of the German government, but he became the symbol and the leader of all White people throughout the world in their struggle against the Jewish monster.

From the time that Hitler came to power in January 1933, a miracle seemed to spread across the land of Germany. In short order the German people again began to have hope and pride and purpose. With his genius for inspiration, organization and leadership, within two years, while the rest of the world was still wallowing in depression and unemployment, Hitler had completely solved the unemployment problem for the German people. Now everybody was working. Great new super-highways were being built. The average worker began to look forward to owning a home of his own. Working people who before could hardly afford to own a bicycle now could afford to own a Volkswagen. Whereas Germany had been completely disarmed and helpless, Hitler again instituted military service, built up Germany's armaments and made her a nation that was feared and respected by her enemies.

The Jews were kicked out of office, out of the courts and out of government. Racial laws were passed prohibiting Jews from being

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,
2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas, not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime.

Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

We don't want to set the world on fire — we just want to light the flame of RACIAL LOYALTY in your heart.

citizens of Germany. It was no longer tolerated that the Jews take up positions in universities and colleges where they could mislead and pollute the minds of the German Youth. Jews were barred from the legal profession. They were barred from positions of leadership in theaters, drama and culture; they were barred from positions of leadership in banking, in the news media and in the field of national propaganda. Contrary to the many Jewish lies that have been put out about this period in Germany, the Jews were not physically mistreated. Nor were any of them killed, or jailed, or harmed in any way, other than outright criminals. These were treated the same way as any other criminal, including any one of German nationality. However, with their power shorn, many Jews decided to leave Germany, much to the relief of the German people themselves.

Once freed of Jewish domination and Jewish subjugation, the resurgence in Germany was a miracle to behold. In attributing the reasons for Germany's miraculous recovery under Hitler, most of the credit must be given to Hitler's inspirational leadership. Also his genius for organization and the German people's ability to produce and create were major factors in their recovery.

However, not the least of the actions Hitler took that immediately changed the economic distress in Germany, was the fact that he freed the German monetary system from the interest bondage of the Jewish bankers. Hitler's government issued their own German money — money that was not issued by Jewish bankers or backed by Jewish gold. It was backed by Germany's ability to produce. It was not subject to the manipulations of the Jews. This is something no other country in the world enjoyed then, or enjoys now. This very factor was of tremendous importance in the unprecedented recovery that spread over Germany during the 1930's.

It is not possible to list the multitude of achievements accomplished during the Hitler era of peace-time Germany between 1933 and 1939. To do so would require many volumes of history. We neither have the space to do so, nor is this our objective in this treatise. I will therefore make a very brief summary listing some of the highlights during this tremendously productive period in the history of the White Race.

Upon achieving the reins of power in Germany, Hitler commenced on a political, economic and social reorganization of Germany by establishing the Nazi party as the only political party, July, 1933; attempting the religious coordination of the Germans, July, 1933 and April, 1935; regulating the national labor and industry, January, 1934; appointing Dr. Joseph Goebbels coordinator of propaganda and cultural life; and by executing recalcitrant party members and dangerous political opponents in the June, 1934, purge. "Mutinies are suppressed," Hitler warned, "In accordance with laws of iron, which are eternally the same." Following the death of von Hindenburg in August, 1934, Hitler united the offices of president and Reich chancellor in himself and assumed the title of Der Fuehrer (The Leader).

From 1933 to 1938 Hitler drove the German Jews from most professions, deprived them of positions of leadership in business, and sanctioned the Nuremberg Laws prohibiting or regulating domestic relations "between Jews and citizens of German or kindred blood."

During the course of the revolution, 1933-1939, Hitler was able to organize, propagandize, and arouse the youth of Germany; to change the national psychology from one of despair to one of confidence in his Third Reich; and to reduce German unemployment by measures which culminated in the 4 year domestic plan of September, 1936 and a collateral plan for total rearmament.

Since he knew that the Jews would make every attempt to arouse the surrounding nations to crush his new Jew-free, thriving, German Reich, from the very moment of his rise to power, Hitler commenced an orderly, planned preparation for war, if war should be necessary to defend his homeland and his people. Nevertheless, he held out the hand of friendship in the hope of peace to his surrounding neighbors, who were now being goaded by their

Jewish masters to foment war and hatred upon Germany. Hitler re-established military service in March of 1935 and otherwise scrapped the tyrannical Treaty of Versailles. He proposed peace to the Western powers in May, 1935. He re-occupied and fortified the Rhineland, and repudiated the Locarno Pact in March of 1936. One of his greatest triumphs was the reunion of his homeland, Austria, with his fatherland, Germany, on March 14, 1938.

The uniting of the German people of Austria and those of Germany had been strived for and yearned for by millions of Germans for many generations. The "Anschluss" or political union of Germany and Austria accomplished, Hitler made a triumphal entry into Vienna, the city that had given him nothing but hardship and heartbreak in his early youth. Undoubtedly when he addressed the German people in Vienna, who went wild with enthusiasm and jubilation, it was probably the greatest hour of Hitler's life.

There were still more than 3 million Germans just across the border in Czechoslovakia in an area called Sudetenland, an area that had been torn from the heart of Germany in the treacherous Versailles Treaty. The Jews now set about persecuting, murdering and tormenting these 3 million Germans within their clutches. It was a situation that no honorable Germany could long tolerate. In September 29, 1938, the premiers of Great Britain and France and the Duce of Italy met at Munich to hear Hitler's demands for the cession of the Sudetenland by Czechoslovakia. By the middle of October German troops occupied this area and another 3 million Germans were united to their fatherland. On March 15, 1939 German troops occupied and absorbed the rest of Czechoslovakia, a polyglot of mixed nationalities formerly a part of the Austrian Empire, but artificially carved into a separate country by the treacherous Versailles Treaty makers.

The Versailles Treaty had also far-sightedly laid the seeds for dissension between Germany and Poland by wantonly carving out a huge chunk of land through the middle of East Prussia and ceding it to Poland, thereby cutting Germany in two. We can imagine what this would be like if in our own country here in America a huge corridor were cut out through the

middle of Texas severing the lower half and ceding this area, for instance, to Mexico. This is what the treacherous Jews had done to Germany in the Versailles Treaty of 1919. Furthermore, since the Jews in control of the surrounding countries now were going all out to foment hatred and war against Germany, they again applied the same tactics of murder, torture, harassment to the Germans living in the Polish corridor, an area that had for centuries belonged to Germany. Again, the Germans came to the aid of their fellow blood brothers. In keeping with their national honor, they could not sit idly by and see their German brethren murdered, tormented and tortured just across the border, especially on land that rightfully belonged to Germany.

Hitler did his utmost to try to solve this problem peacefully. When he saw that the Jewish controlled democratic governments wanted to be neither reasonable nor wished any settlement, Hitler gave the Poles an ultimatum. This ultimatum was arrogantly rejected by Poland and on September 1, 1939, Germany's Wehrmacht marched into Poland and utterly crushed the Polish forces and their government in a short period of 3 weeks.

France and England then completely controlled by the Jews, as they are in fact to this day, used this excuse to declare war on Germany, the excuse being that they were duty bound to come to the defense of Poland. The fact that they had no intention of rescuing Poland, and never did, but were solely intent on crushing a Germany which had freed herself from the Jews, was lost upon the rest of the world.

We all know what followed. With the means of propaganda and money, the control of government in the hands of the Jews in the rest of the world, including the United States, one country after another was goaded and tricked into declaring war upon the German people.

Instead of following the example of the German people and letting them help the rest of the White people free themselves from the Jews, the poor deluded White people of the United States, England and France allowed themselves to be used like a bunch of cattle to not only help the Jews destroy Germany and the Germans, but in the end to bring about their own self-destruction.

HITLER

Again, it is not our purpose here to review the history of World War II. It has been reviewed and written (and distorted) by the Jewish press in a thousand books and tens of thousands of articles. We all know that Jewish stooges, such as that insane super-egotist, Franklin D. Roosevelt, and that drunken Zionist agent, Winston Churchill, succeeded in lying to their people, tricking their people and goading them into a war on the side that would be to their own worst interests.

The German people, with one of the Greatest leaders the White Race has ever produced, fought bravely and valiantly. Their glorious exploits will forever be engraved in the pages of history where heroism is recorded. Nevertheless, Germany, who had only a short period of six years to recuperate from financial, industrial and spiritual bankruptcy and a country which in area was only the size of Texas, was able to hold out for 4½ years before it was crushed by the greater part of the rest of the world, including the vast resources of the United States of America and Soviet Russia.

Again we repeat, it is not our objective here to review the history of the tragic Armageddon, this tragic fratricidal war in which White brother killed White brother, one half struggling for their survival and freedom from under the Jewish heel, the other side under the demented influence of their mortal enemy, the treacherous international Jew. It is rather our purpose here to sketch these events in rough framework and to draw our lessons and conclusions from this review.

What lessons can we learn from this powerful episode in history that spanned a period of less than 25 years?

For one thing, we can be tremendously proud that the White Race can produce such a great and magnificent leader as was embodied in Adolf Hitler. On the other hand, we cannot help but be unabashedly ashamed that so many good White people were too stupid to recognize this great genius in their midst. Secondly we must bow our heads in shame that the White people were gullible enough to allow themselves to be deluded by the treacherous Jew into destroying their greatest opportuni-

ty at salvation and freedom from the miserable world pestilence of Judaism.

We can, however, be tremendously encouraged and take heart in the fact that the Jewish power was actually broken within a large area of Europe. In fact, Hitler and the German people came within a hairsbreadth of freeing the rest of humanity from the tyranny of the international Jew. Had the hand of fate intervened just a little differently in a number of circumstances, permanent victory could have resulted on the side of the White Man.

For instance, had the timing been just a little later, it is not only possible, but very probable, that the German scientists, in a revitalized and energetic Germany, would have perfected the atom bomb before it would have been possible in a decadent and depression-ridden United States. It was only under the inspiration and pressure of war that the United States could rally itself to undertake such a huge project. Had the war been delayed, say for a matter of only 3 or 4 years, it is very possible that Germany would have had the atom bomb first, and if they had had it first, history would have turned out differently and more favorably for the White Race, and catastrophically for the Jewish race.

Or, had a White leader of similar stature to Hitler arisen during the 30's in the depression-ridden United States, things would have certainly turned out differently for the Jews and for the destiny of the White Race. We did have a few leaders that did show some promise, such as Huey Long in Louisiana — who, by the way, was assassinated by a Jewish doctor — or a Charles Lindberg, who might have led the American people. Unfortunately, Lindberg did not quite have the spiritual fiber.

(In next month's issue we will conclude this article on Hitler, what he achieved, and also what he left unfinished. In another article we will also clearly delineate how we differ in our goals not only from National Socialism, but also from any other existing movement.)

A Two Way Benefit

A Haven for your assets and a help for the movement at the same time.

A reader and supporter has suggested a way in which you might be able to safeguard and place some of your assets out of the reach of some of the pirates of the entrenched establishment, (the IRS, process servers, etc.) and at the same time contribute benefits to the Church of the Creator. We believe it has a lot of merit, and here is how it works.

1. The Church of the Creator is establishing a Trust Fund to accomplish a given constructive purpose. We invite our supporters to LOAN to this Trust Fund whatever monies they can set aside, say \$100.00 —, \$500.00 —, 1000.00 —, 5000.00 —, etc. Such loan is established for one year or as long as you may see fit.

2. The Church in turn gives you a Demand Note due after 1 year. The Note specifies that it is interest free (the Church pays no interest).

3. The Church in turn invests the Trust Funds in a Bank account that pays the highest current rate of interest, and it leaves the principle of all sums in the account at all times, ready to repay the face of the note upon demand at any time after the 1 year of deposit.

4. The contributor may leave the principle in Trust as long as he or she wishes (after 1 year) earning interest for the church. Whereas the contributor does lose the interest on the principle, this now goes to the church, but on the other hand, no income tax is paid on this amount by either the church or the contributor.

5. The note would have an added provision, that in case no demand is made for the return of the principle prior to the time of death, then it is the express wish of the holder of the note that the principle be bequeathed to the church as an endowment to help promote the movement in the pursuit of its goal — the survival, expansion and advancement of the White Race.

We are ready, willing and able to receive any and all such funds that you may wish to put aside for your own protection and at the same time help build the movement. If there are any questions, please write us for further details.

Do Something Meaningful for the White Race. Become an Ordained Minister of the Church of the Creator and start a C.O.T.C. group in your area.
