Church of the Creator PRIMARY GROUPS

THE BASIS OF OUR ORGANIZATION

by Rev. Victor Wolf

FIRST STAGE: IDEOLOGY

Thanks to the tremendous intellectual efforts of Pontifex Maximus, the first stage in establishing our religious movement has been successfully completed: **the IDEOLOGY of our religion has been formulated and recorded** in the three basic books, five supplementary books (good news: three more supplementary books by Pontifex Maximus are to be published shortly!) and numerous issues of Racial Loyalty. In order to fully appreciate the significance and magnitude of this achievement, we must remember that no other religion or ideology during the entire 6000 years of civilization came even close to Creativity as far as the survival, expansion and advancement of the White Race is concerned.

SECOND STAGE: ORGANIZATION

However, even the best religion or ideology will remain ineffective without proper organization of its supporters and activists. Therefore, now upon completion of our Religious Creed and Ideology, we must enter the second stage in establishing our religious movement: **we must create an effective ORGANIZATION to achieve the goals of our Ideology.**

NEW TYPE OF LEADERSHIP

While leadership in the first stage of our development by its very nature belonged to philosophers/ideologues, **the second stage in establishing our religious movement calls for a new type of leadership -- ACTIVISTS/ORGANIZERS.** Also, while during the first stage of our development the main burden was carried at the headquarters almost single-handedly by Pontifex Maximus, the second stage shifts the burden and focus of our activities to legions of grassroot activists/organizers not only all over the U.S., but also in every White country of this Planet Earth.

GRASSROOT EXPANSION AND SELF-RENEWAL

At this point in history, the most important task and challenge facing our movement is the overwhelming need for **rapid, aggressive, massive expansion of our activities and organization at the grassroot level among the**

*The Establishment is Trying to Use "Legal"
Strong Arm Tactics to Destroy Our Church*

by Ben Klassen, P.M.

The Church of the Creator is a well-founded, well-established, non-profit religious organization. Its North Carolina corporate charter clearly defines it as such, and when we built our headquarters here in North Carolina in 1983, the Macon County Tax Assessor recognized it as such, and in line with our First Amendment rights granted us tax exemption, the same as they had granted to all the one hundred or so other churches in the county. The Tax Assessor that then succeeded the former assessor also concurred and left our tax-exempt status undisturbed.

Along now comes the third tax assessor,

one Richard Lightner, who either hates our defense of the White Race, or perhaps the White Race itself. Arbitrarily and capriciously, on his own volition he decided to revoke our tax exemption. Whether he has been paid by the ADL or is a Jew himself, we have not yet determined, but it could be either, or both. We mean to find out. Evidently the Jewish establishment is beginning to run scared, feeling that our increasing growth could soon mushroom into a major awakening of the White people and a dire threat to their all-embracing tyranny. Earlier in the game they tried to scare us out of existence by using a number of sneaky physical assaults during the middle of the night, such as a shotgun blast at our 8 foot logo on the face of the church (the holes are still there for anybody to see), throwing phosphorous fire bombs at our building and various other malicious attacks. When we refused to be frightened or intimidated, they evidently decided to change tactics and are now trying "legal" harassment and assault. We have the news for you goddamned Jewish stooges: It won't work either. We are staying!

Last February we received our initial letter from Jewish-stooge Richard Lightner, said tax assessor, that they were revoking our tax exemption. The reason (or pretext) they said was that they had been snooping around the fringes of our property (without so much as coming in and talking to us) and that they had determined we were "not active enough", whatever that means. We replied to the County Commission in writing that we had never been more active in our existence, and also restated such at a formal meeting with the Commissioners. We told them that we were performing marriages, had published eight major books, eleven policy booklets, published 54 issues of Racial Loyalty, had ordained dozens of Ministers in half a dozen countries of the world, started a Leadership School for Gifted Boys, and actually held a two week session at the school. In the face of all this evidence, they still turned us down, but they now changed their tactics. Their new pretext was that our by-laws were not complete, whatever in the hell that meant. We pointed out that the by-laws were written by the same attorney, Richard Jones, who was now, and had been for years, the legal counsel for their own

ANOTHER VICTIM OF THE BLACK/MUD/JEW CRIMINAL TERROR AGAINST WHITES

Angela Elaine Richards, 24, a beautiful blue-eyed White woman from Boyes Hot Springs, Calif., has been beaten, tortured and brutally killed by an illegal Mexican brute, Ramon Bojorquez Salcido. The same mud brute attacked, tortured, raped, killed and decapitated Angela Elaine Richards' mother, sisters and children.

frustrated masses of White people. The time has passed when our subscribers, supporters and members in the field could be passive beneficiaries of activities centered at the headquarters; in fact, the time has come to reverse the trend and make sure that the main activities of our movement are coming from the field to the headquarters, not the other way around. Also, we have to make sure that **our movement becomes a self-sustaining, self-supporting, self-renewing mass movement, able to withstand any and all attacks by our racial enemies,** including the possibility of destruction of our headquarters by the enemy forces.

WHAT IS TO BE DONE?

In the following questions and answers we will outline the **ORGANIZATIONAL FRAMEWORK** for achieving our vital, overwhelming goals of **GRASSROOT EXPANSION** and **SELF-RENEWAL**:

1. Where do we start?

-- Each Creator should start by becoming thoroughly familiar with the White Man's Bibles, subscribing to the Racial Loyalty newspaper and supporting the COTC Headquarters with regular financial donations.

2. What is the second step?

-- Each Creator should introduce our ideas, leaflets, newspapers and books to as many of his relatives, friends and acquaintances as possible.

3. What is the third step?

-- Each Creator should find at least one other sympathetic White person and organize a COTC PRIMARY GROUP.

4. What is a COTC PRIMARY GROUP?

-- COTC PRIMARY GROUP is the basic organizational cell of the Church of the Creator. It consists of minimum two persons, *optimum five persons*, maximum ten persons.

5. Why is five the suggested best (optimum) number of people within a COTC PRIMARY GROUP?

-- The whole purpose of a Primary Group is to be a closely-knit team, based upon **familiarity, trust and frequent interaction.** Studies show that groups with more than five members tend to have less familiarity, trust and interaction. Also, **a smaller group is much harder to penetrate for the enemy agents,** which is a circumstance of great importance in case the Jewish Occupational Government tries to suppress our First Amendment rights and forces us to go underground.

6. Who can organize a COTC PG?

-- Every Creator has a right and a duty to organize a COTC PRIMARY GROUP (or increase an existing COTC PG) by converting at least one White person to the White Racial Religion -- Creativity.

7. Who selects a COTC PG leader?

-- Members of each COTC PRIMARY GROUP select a leader among themselves.

8. What is the suggested way to resolve conflicts within a PRIMARY GROUP?

-- Each member of a PG can leave it and form a new PG. Like all living cells, COTC PRIMARY GROUPS have to grow, divide and

multiply, yet remain within the same body -- the Church of the Creator.

9. How do we organize different COTC PRIMARY GROUPS?

-- Minimum two, *optimum five*, maximum ten COTC PRIMARY GROUPS (PG) form a COTC SECONDARY GROUP (SG), which is directed by a COMMITTEE OF PG LEADERS.

10. How do we organize different COTC SECONDARY GROUPS?

-- Minimum two, *optimum five*, maximum ten COTC SECONDARY GROUPS (SG) form a COTC UNIT, which is directed by a COMMITTEE OF SG LEADERS.

11. How do we organize different COTC UNITS?

-- Minimum two, *optimum five*, maximum ten COTC UNITS form a COTC SECTION, which is directed by a COMMITTEE OF UNIT LEADERS.

12. How do we organize different COTC SECTIONS?

-- Minimum two, *optimum five*, maximum ten COTC SECTIONS form a COTC LEGION, which is directed by a LEGION LEADER, appointed by Pontifex Maximus and reporting directly to the COTC Headquarters.

* * * * *

**Ideology without action is sterile:
Propagandize! Proselytize!
Organize!**

* * * * *

13. Are we planning to create special-purpose PRIMARY GROUPS?

-- Yes, we can foresee a need for special defense COTC Primary Groups, whose members could be called WHITE GUARD / WHITE TIGERS / WHITE BERETS.

**SEVEN OPERATIONS:
A PROGRAM OF ACTION**

In summary, I would like to restate the main goals and challenges facing our Movement.

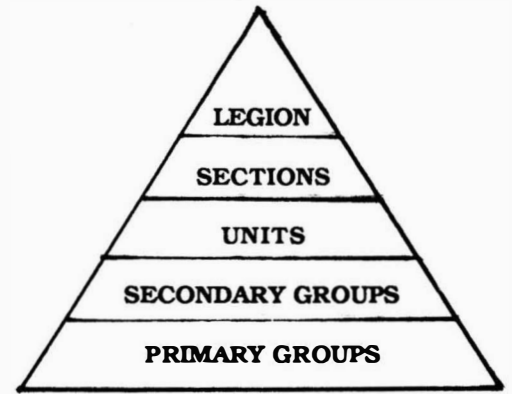

Now that the first (IDEOLOGICAL) stage of our Movement has been successfully completed, our main goal must be RAPID, AGGRESSIVE, MASSIVE EXPANSION of the Creativity Movement through the concerted programs of THE SEVEN OPERATIONS:

1. OPERATION "BIWEEKLY" -- to increase the frequency (and volume!) of our message by turning RACIAL LOYALTY into a biweekly publication. This I consider to be the matter of Top Priority No. 1: its success is a prerequisite for our success in all the other projects, we might even say that *our expansion and our press will rise or fall together.* To achieve this very important goal, we need **more generous financial support** from the activists in the field, because our present financial resources at the Headquarters do not permit us to increase our staff. Each Creator must feel a sacred duty to support the Headquarters of the Church of the Creator with regular and generous contributions.

2. OPERATION "PRIMARY GROUP" -- During this new (ORGANIZATIONAL) stage of our development, **all Creators must become self-starting Activists / Organizers of COTC PRIMARY GROUPS at the grassroots level** all over the U.S. and in all White countries on this Planet Earth. Each Creator must feel a duty to organize/expand a 'COTC' Primary Group,

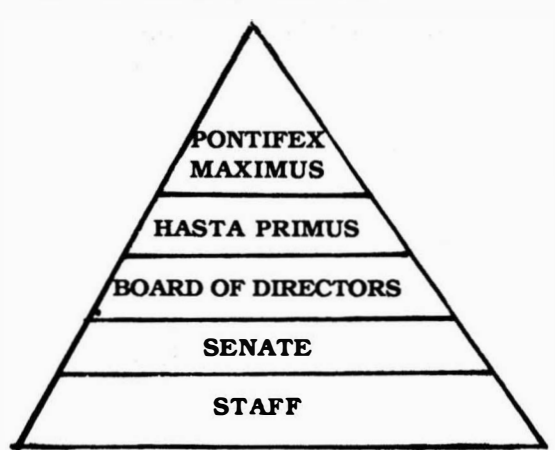

which then will be organized in accordance with the FIVE-STEP PYRAMID PRINCIPLE into a COTC Secondary Group, then into a COTC Unit, then into a COTC Section and eventually into a COTC Legion.

**COTC LEGION:
The Five-Level Pyramid Organization**

3. OPERATION "STRONG CENTER" -- to assure organizational continuity of a strong central leadership of the Church of the Creator by organizing the Church Headquarters in accordance with the FIVE-STEP PYRAMID PRINCIPLE as follows: PONTIFEX MAXIMUS, HASTA PRIMUS, BOARD OF DIRECTORS, SENATE, STAFF. Also, we should institute annual Membership Congresses and Activist Leadership Conferences, as well as expand our Youth Camp and School for Gifted Boys programs at the World Center.

**COTC HEADQUARTERS:
The Five-Level Pyramid Organization:**

4. OPERATION "STREET ACTION" -- organized into the Primary Groups or individually, we must start our STREET ACTION -- **to frequently and systematically confront the broad masses of White people with our Presence and our Message** through various STREET ACTION methods and techniques, such as: leaflets, posters, banners, signs, bumper stickers, T-shirts, business cards, templates for spray-paint jobs on walls and sidewalks, displays on freeway overpasses, as well as marching, demonstrating and, let's not forget, driving around with displays on rented U-haul trucks. Of course, paid ads in various publications, such as "Spotlight", should also be an integral part of our intensive expansion campaign. All of these expansion methods and techniques should consistently expound our Central Message:

(Continued from Page 1)

County Commission, and just what was it that was deficient? Furthermore, completeness or incompleteness of by-laws, or no by-laws at all, had absolutely nothing to do with our credentials as a church or our tax-exemption as a religious organization.

My wife, our loyal and hardworking Rev. A.W. Reynolds and myself were served subpoenas to appear in Raleigh, N.C., the state capital, at 9:00 a.m. September 21, 1989. With it came a *Duces Tecum*, an order to bring with us all our records, lists of members, lists of ministers, our corporate books, our by-laws, minutes of our meetings, records of expenditures, everything but the kitchen sink, in fact, 13 separate items. To make sure we would be ambushed and unable to comply with the *Subpoena* and *Duces Tecum*, we were served only on September 19th, two days prior to the 21st, although it was deceitfully dated September 8th.

Nothing convinced us more that this was a Jewish set-up for harassment than the fact that in the face of all this evidence and common sense the local officials still decided to rule against us and force us to go to the North Carolina Tax Commission hundreds of miles away and go through a formal hearing in order to retain our rights that had already been acknowledged earlier, several times and several years. This now also meant we had to hire a lawyer licensed by the state, since a corporation must have a licensed lawyer to represent it before a state board.

This is where the squeeze comes in. Practically every lawyer in the state is pro-Jewish, pro-nigger, anti-White and gung-ho for race-mixing, everything we are against. Furthermore, they are extremely reluctant to even take on our case, since they are scared spitless it will tarnish their pro-Jewish image before the powerful, all-dominant Jewish control of the courts and the Bar Association (and everything else, we might add).

After several attorneys turned us down and some backed out and left us in the lurch at the last moment, we finally found a paralegal from Oklahoma, who with a legal attorney from Wyoming were willing to go to battle for our case, both of whom were well versed in the First Amendment rights of churches and Constitutional law. However, we still had to also hire a licensed North Carolina lawyer as well, a man from Raleigh, N.C., who had been selected by our paralegal. The total bill for all this came to \$6000 (so far), a sum we can ill afford. On top of that we had travel expenses, motel bills, etc., to cover.

We finally had a meeting and confrontation with the North Carolina Tax Commission in Raleigh, N.C., on September 21st. It lasted all day. No decision was arrived at, and we still have to submit briefs and await their deliberations. At the hearing we have successfully asserted the privacy of our subscriber/membership/minister lists and other sensitive documents, but our religious beliefs were bandied about without any First Amendment considerations, whereas when the tax assessor on cross-examination was so much as asked what was his religious faith, immediately had his attorney shout "Objection!" which was quickly "sustained!" by the chairman. That is what is called DOUBLE STANDARDS.

In conclusion, I want to make three cogent points:

THE FIRST POINT is that our credentials as a church and as a religion are impeccable.

They are as good as, if not in fact much better than, any religion on the face of the earth past or present. Our religious beliefs are not based on silly and untenable myths or fairy tales that have no basis in fact, nor are such myths even logical. **Our beliefs are well-founded and well-grounded in the Eternal Laws of Nature.** Does anybody care to argue about the truth and validity of the Laws of Nature? Only a fool would. **Furthermore, our beliefs are based on the experience of History.** What history? All history -- Egyptian history, Greek history, Roman history, and especially more recent history, such as World War I and II, and what has happened here in crime and nigger infested America and what is happening in Palestine, to quote a few examples. We have set our views and beliefs down in writing in eight comprehensive books that anyone is free to read and study. Our creed and program takes in history, religion, politics, bodily health (Salubrious Living), eugenics and the uplifting of our race, as well as the preservation of a viable environment; in other words, we aim to achieve a SOUND MIND in a SOUND BODY in a SOUND SOCIETY in a SOUND ENVIRONMENT. Our creed and program also considers many other facets of our life, such as anthropology, archeology, astronomy and every other scientific study. Compare this with the concepts of the Old and New Testaments written by primitive, ignorant and superstitious Middle Eastern desert tribesmen.

THE SECOND POINT I want to make is that our goals are real and compelling: the survival of the White Race -- the Nature's Finest. I ask any responsible White Man or Woman, what is more important? Saving the gorillas? or niggers? or some species of endangered clams? Can you and your family survive in a drug and crime infested America, with wall-to-wall niggers?

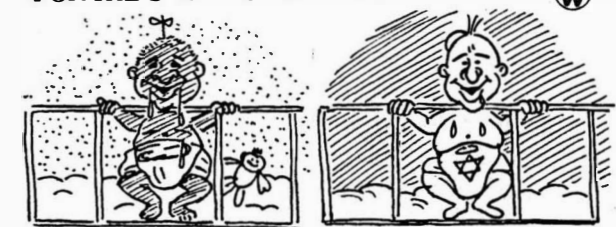

THE THIRD POINT is: we need financial help -- much help! Saving the White Race is taking an increasing amount of our dwindling resources, the largest portion of which to date I have been supplying personally. But these resources are now coming to an end and will have to be borne by the living members of the White Race, too few of whom seem to realize the tremendous issues that are at stake. So confused is the average White Man now by

Jewish propaganda that only a small percentage can see through the blather of Jewish garbage slopped on them daily to understand that their very life, their property, their culture and their civilization are at stake. Moreover, and what is more important, the future of their children and grandchildren is non-existent if we don't win this fight NOW -- IN THE NEXT DECADE.

Despite all the challenges, difficulties and enemy attacks, our commitment to the sacred cause of Creativity and our belief in its final victory is undiminished. But we need better grassroot organization through the COTC Primary Groups and **increased support from the field activists to the Church Headquarters in the form of renewed subscriptions, membership fees, donations and volunteer services at the Church Headquarters.** We would especially appreciate volunteer services of Creators with secretarial, typing and editing skills. Also, please send us office supplies, books, and **don't forget to remember us in your will.**

Let each one of us Creators examine our skills and resources and contribute regularly and generously to the Sacred Cause of the One and Only White Racial Religion -- Creativity. Remember, if Creativity does not win, the White Race will be exterminated by the rising tide of the mud races, and then all your resources and all your skills will be worth nothing. Please use them for the best interests of the White Race while it is still not too late. LET US MAKE HAY WHILE THE SUN SHINES!

So ante up! It is now or never! We need all the help we can get. You need all the help we can give you. Act now! Send us all you can spare and a little extra. **THE TIME HAS COME FOR THE SHOWDOWN! ACT NOW!** (W)

Street Action by Rev. Perry

ED. NOTE: Rev. Ralph Perry is a dedicated activist of the Church of the Creator in California. He is a fine example of what could be done at the local level even by one person. His distribution of Racial Loyalties produced an angry reaction in a local newspaper, which devoted almost half a page to an article by a brain-polluted race traitor, Mike Maher, who claims that his "blood ran cold" when he found himself looking at the pro-White newspaper Racial Loyalty. Rev. Ralph Perry sent a letter to the editor of the local newspaper, in which he, among other things, states with a bit of sarcasm:

"To the Editor of the Anti-White Newspaper: Your employee, Mike Maher, wrote a wonderful article in your August 30, 1989 issue on the Church of the Creator and myself, a member, also a minister of the Church.

We know Mr. Maher knew who was distributing that "trash". Why did he not use my name? If he wishes to do another article on the same subject, I would be more than happy to pose for a picture. The only thing, most of your pictures come out looking like niggers. This would have to be rectified. I am White and intend to stay that way!"

ED. NOTE: More White Power to Rev. Ralph Perry! RAHOWA!

Street Action by Rev. Hazel

Dear Pontifex Maximus:

I've been moving for the past few weeks, hence the delay in writing. Thank you for the kind letter and encouraging comments included with my ordination certificate. Friends in the Northern California region who have seen my certificate have expressed an interest in becoming ordained. Hopefully, we will find that they are not just running off at the mouth, and will move quickly on their interest.

Issue #53 of RACIAL LOYALTY was a superb effort. I hope you printed a lot of extra copies. It should become a standard text for implementing propaganda. I'm certainly going to run with The White American's suggestions! (You could not have chosen a better individual to closely associate with COTC!)

Please send me 200 copies of Issue #53. I am enclosing \$30 cash. I am enclosing a copy of my letter of Sept. 5th to a friend, "Unkie", that will inform you of a "sticker" I will soon have printed based on The White American's suggestions. I intend to plaster these all over the Portland area within the next few weeks. Hopefully, it will help increase activity in this area. Evidently, there is considerable Skinhead activity here. I would be pleased if you could put me in touch with them or vice versa.

Appreciate all of your excellent effort, Ben. Don't slow down!

Street Action in Ohio

Dear Creators at the HQ:

Racial greetings from Ohio! I greatly enjoyed the White American issue of Racial Loyalty. Please send me as many copies as the enclosed amount will buy. NHS in Columbus is putting the W.A.'s ideas for literature distribution into play. We are going door-to-door with R.L.'s a White neighborhood at a

time. We will continue to saturate these neighborhoods for as long as it takes.

Our fair city has gone from a nice conservative town to a haven for nigger gangs: "bloods", "crips" and "Jamaican posse". There are now police helicopters over town every weekend and cops on every corner. They say Columbus is where L.A., D.C. and Detroit were two years ago.

It is illegal for us Skins to walk around Columbus. We have been getting picked up for minor garbage and getting the tar beat out of us by pigs. These actions only help to make us stronger and more determined to do everything we can for our Race and Racial Holy War that we are involved in. Ever Forward to Victory! RAHOWA!

Oklahoma Skins for Racial Loyalty

Dear P.M., H.P. & All at COTC:

Thanks a lot for the latest Racial Loyalty -- it's great, hard-hitting newspaper. Though we work closely with Tom & John Metzger & W.A.R. & the O.W.M.A. here in NE Okla., we welcome C.O.T.C.'s literature and ideas. We are Third Positionists, therefore many ID Christians condemn us, Joe Grego and Skins in general, also, due to their conservative outlook, pacifistic stance and "God-fearing Christians" B.S. We really can't stand people like H.C., Ed. M. & all the many others that go on these idiotic "anti-Christ" witch-hunts. We also don't like the likes of "men" (?) like Gary "Shallow" who water-down Third Positionist /N.S. ideas into wimpy, half-assed ideas. I mean they (NDF) want to just give away sections of America to niggers, muds and Jews! No way! I know that W.A.R. a few years ago thought about that idea, but, of course, soon realized that such an idea is detrimental to our noble White Race. We want White Power Worldwide! To hell with the "NW Imperative", the system-lovers, the conservatives and the wimps! Oh, yeah, and 99% of all the KKK groups.

I am a believer in the Laws of Nature, and always have been, as are most Skins. I know there are some ID Christian Skins here and there, and the ones I know, I like, but, personally, I can't see a Skinhead being an ID Christian. To me it just doesn't mix! I guess you could say that I am "PRO-CREATIVITY", because I feel that our race does need a religion that benefits us, and I have no problem in mixing Nature's Laws with my Third Positionist views. I never believed in Christianity, and I do feel that it has been a lot more harmful to our folk than good, if any. Most Skins I have met don't even really think about religions, just their race. So, in a sense, they are supporting a kind of "Racial Religion". And a racial religion that doesn't compromise, is radical and hits hard on Jewry, like Creativity, is definitely needed and worthwhile.

Some of my friends are Reverends in your Church and are gung-ho, good racialists. I'm speaking of Rev. Arno Michaelis, Rev. Matt Hayhow and Rev. Mark Wilson. I have had the pleasure of being active with these guys, and I know that the C.O.T.C. has definitely got themselves three more good, kick-ass warriors! Also, it was good meeting Will Williams and other Creators at the "Aryan Fest" this year.

Take care and keep J.O.G. on the run! White Power -- World Wide!

About Filthy Harold

To Racial Loyalty:

EXTRA! EXTRA! READ ALL ABOUT IT! 33 NORTHERN STATES ADDED TO CONFEDERACY! (Confederate News Service)

In an official communique, Harold Covington, mini-fuehrer of the Confederacy, announced that 33 Northern states are eligible for membership in his newly independent "country".

As the self-appointed representative of 16 Confederate states that never existed, Harold Hare-brain has come under criticism: what is to happen to us-all up Nawth, y'all?

No problem! No provision of the Confederate Constitution prohibits admission of additional states; thus, northern states are free to vote to join. All 50 states will be admitted, says Harold President-for-Life, except Hawaii, which will remain a simple military garrison (why Hawaii? what makes Hawaii worse than Texas?).

Thus, changing the name of the country is the solution to everything; when we triumph completely, we will be right back where we started! (which is typical of Harold; but no matter.)

In any case, the basic legal document for us is the Constitution of the Confederate States; haven't we forgotten something?

According to the Confederate Constitution, slavery is legal; the Confederate Government has no power to interfere with slavery. This constitution has never been rescinded, since Jefferson Davis never formally surrendered; this Constitution is still in force. Is Harold going to bring back slavery?

Is this Harold's solution to the race problem? Are the citizens of 33 Northern States going to vote for this? How will it be enforced?

What are the blacks worth to you? I wouldn't give a nickle for 10 of them (although I would accept their record royalties if you twist my arm.)

(Associates of Horrid Harold, the Wretched Wabbi of the Confederacy, say that this brain storm was cooked up by Harold no. 1; Harold no. 2 is wearing his Napoleon hat, since Napoleon never surrendered either and refused to claim prisoner of war status; vive l'Empereur!)

It's like I said before, Harold should retire to a quiet rest home where he can play with blocks.

I am still waiting to see if I can get a full set of your papers going back to the beginning. Please put me on your list of subscribers.

Faithfully, Carlos M. Porter
Belgium

ED. NOTE: This isn't all Filthy Harold has been yakking about. Evidently, either the ADL, the FBI or the CIA, or all three, are paying Filthy Harold to do a full-time smear job on me personally. Although he has not the slightest evidence or grounds for doing this hatchet job, he is now engaged in a full-time campaign writing personal letters to anybody and everybody, using the filthiest of all possible language, accusing me of the vilest of a whole laundry list of abhorrent sex aberrations, the kind of slme that could only ooze from out of a sorely diseased and demented brain. If you have received one of these letters, send it on to us to add to our collection, so we can nail the hide of this filthy scoundrel to the wall.

JOG's "Factsheet Five"

Dear Sirs:

I have a triple reason for writing you. I am writing a dissertation in American Literature at Stanford University, and the last third of it is devoted to the special interest groups and publications, with special attention to out-of-the-mainstream religious publications. Mike Gunderloy of FACTSHEET FIVE recommended that I take a good look at yours for views very rarely even introduced into public discussion.

I would be immensely gratified if you could send me two or three representative issues of your literature and answer a few questions for me.

I am planning on publishing various articles (excerpted in advance from my dissertation) in various media publications. You will receive copies of what I publish.

To Racial Loyalty:

I read about your paper RACIAL LOYALTY in FACTSHEET FIVE # 31. Even though they seemed to give you a bad rating, I liked what I read you stood for. I am definitely in agreement that the White Race must rule and protect itself, especially from niggers and Jews. I am sending \$15 for a year's subscription.

Out of JOG's Hellhole

Dear Pontifex Maximus:

I received the August 89 issue No. 53 of Racial Loyalty a few days ago and after reading it a few times, I think this is a great issue. I really enjoyed the "Report from California" by A White American. It was a very excellent written proposal. It is great to know that we have such people in our Creativity Movement. It is a joy to the White Race.

Also, I found out a few days ago that I will be released on Sept. 26, 89, which is only a few days away. I am finally getting out of this J.O.G hellhole! And again thanks for No.53 of Racial Loyalty. RAHOWA!

Support from Denmark

Dear Sirs:

I have read six books out of the Eight Book package I received from you some time ago, and I hereby enclose \$15 in cash to cover subscription for Racial Loyalty. Although I find your organization a little too extreme for my taste, I agree with the basic view on the situation of the White Race and on what must be done. Under any circumstances it is refreshing to read books and newspapers like yours, if for no other reasons, than as an antidote to all the garbage I have been brainwashed with my whole life.

Racial Greetings from Milwaukee

Dear Pontifex Maximus:

Racial greetings from Milwaukee! I've been hearing all about the School for Gifted Boys from Rev. Wilson and Rev. Michaelis. I now regret very much the fact that I did not attend the school when offered the chance to do so. I plan on definitely attending the Creativity School next Spring after seeing the motivating

effect it had on my comrades. Things are starting to really get organized here and we have high hopes for the future.

In Creativity Credo #56, you address the question of what will happen to all the niggers, spics, and all of the other mud that have never heard of the mythical "Jesus Christ, King of the Jews". Are they too (as are all of the White goyim) going to hell? Well Pontifex, obviously the mentally unbalanced Christians have discovered the fact that you have brought up this very valid point because they have provided the answer for you. As you can see from the enclosed advertisement I found in a Christian magazine, here is just another attempt to fleece the sleeping White man of his hard earned money. The great thing about this entire scam is that, like all the other scams they've pulled, by giving away your money not only are you able to "save" some slimeball non-White savage, but also you "save" yourself from "going to hell"! Kind of sounds like more of the mythical Sermon of the Mount nonsense.

I must say that I was impressed with the August edition of Racial Loyalty. However, I am not sure if the cowboy hat and boots uniform would be practical in all regions.

Well, until next time, keep up the excellent work down there in North Carolina. For Racial Victory!

Skinhead Music

Dear Ben Klassen:

Thanks for sending me the #52, 53 issues of R.L. I am a 25 year old Skinhead here in Rochester. I have recently lost my job and can't afford to subscribe to R.L. But as soon as I do get a job, I will. And also I would like to buy a copy of The White Man's Bible.

Well, why I am writing is to thank you for the fight for our race, and also to tell you I have a lot of Skinhead friends here and also in Buffalo, N.Y., and they loved your paper. So if you will send me some more Racial Loyalties, I will be glad to distribute them for you. I feel it will help out the movement a lot.

Also, I noticed in issue 53 on page 4 in "Appeal to All Creators" it said you appeal to all Creators to become familiar with our music and you had the lyrics written to one of Skrewdriver's songs. Well, if anyone is interested in Skrewdriver, I will send them a cassette tape of Skrewdriver or even two tapes. Just print my address for anyone to write me. Thank you. White Power!

Concern for the White Race

Dear Sirs:

I stand with your expressions of concern for the future of the White Race as it encounters its most severe challenge from the mongrel peoples of the world.

I should know because I lost my job due to niggers moving into the neighborhood. They look at my wife with lustful eyes, contemplating unnatural fornication between the two species. Please send me the plain truth as I search for a way to deal with the nigger problem.

THE SURVIVAL OF THE WHITE RACE.
LAYS IN THE HANDS OF OUR YOUTH.

FROM THE PEN OF REV. HAZEL

*An Open Letter
to Christians*

Dear Deluded Christian:

I have silently suffered your pious persecution for too long. To continue in my silence would be unfair to both of us. I therefore register the following complaint with you:

You have generously expressed your opinions of my "reprobate human nature". You call me dirty names. You say that I have an awful "carnal nature". You say I am a dirty, rotten, low-down, no-account sinner. Seems the only good quality you see in me is my potential as grist for your religiosity mill. You insist: if I would only believe in the saving grace of the blood of Jesus Christ -- as you profess to -- I would be transformed into an acceptable person.

BEWARE OF ALL GOD PEDDLERS! THEY AIM TO LOOT YOUR PURSE, AND ENSLAVE YOUR FEEBLE BRAIN, WHICH IS INFINITELY WORSE.

You've got a lot of nerve, slandering and libeling me like that! I could remain silent. After all, "sticks and stones may break my bones, but names will never hurt me". But what would be the effect of my continued silence? At the very least, it would be perceived as my condoning of your rudeness. And if you get away with persecuting me without my objecting -- you will no doubt persecute and abuse others with increased fervor. If unchallenged, you will have no motivation for future self-restraint. Worse -- if your incredible slanders are left uncontested, you will become increasingly convinced that your delusions are valid and respected realities, which can only encourage increasingly irrational behavior.

Your ill-formed religious concepts -- which you would so willingly shove down my throat -- are denials of reality. You allege that the world and virtually everything in it is "bad", and is deserving of the destroying wrath of God. How ludicrous! How pathetic! To pursue your denials to the nth degree would necessitate also your denial of the indisputable building blocks of reality; i.e. of time, space, matter -- even your own consciousness! You must claim that they, too, are unworthy of existence; while the fact of their existence is enough to prove they are "good" and "acceptable". Such an extreme conviction would be tantamount to insanity: the inability to distinguish reality from fantasy.

The Wildest Stories Ever Told

Part XVIII of a Continuing Series

The Story of David, Absalom and Solomon

In the annals of concocted Jewish history as set forth in the Old Testament, two of the most prominent and revered heroes in the eyes of the Jews are David and his son Solomon. In fact, the six pointed "Star of David" unto this day is the most prominent symbol of Judaism. As to his bastard son Solomon, not only the Jews but also the foolish goyim Christians point to Solomon as being the epitome of wisdom throughout the ages. In this treatise we want to examine what kind of people these scoundrels really were and whether they deserve the respect and accolades Jewish Christianity has so lavishly conferred upon them.

The story of David really starts with Saul, who was king of Israel preceding David. When one randomly reads the Old Testament there is nothing but violence, killing, murder, warfare and treachery, and the Jewish Jahweh is always in there egging them on to commit more of the same mayhem. As I turn to the chapter 1. Samuel to find out about Saul, a verse pops up (and this is the Lord speaking) *"Now go and smite Amalek and utterly destroy all they have, and spare them not, and slay both man and woman, infant and suckling, ox and sheep, camel and ass."* (1. Sam. 15:3) How often this same directive is splattered throughout the pages of the Old Testament! Slay, kill, exterminate. In fact, some of the same enemy tribes have been killed and exterminated seven times over, as we read the different chapters.

This is pretty well the setting as David enters the scene. We find Saul warring against the Philistines, who according to concocted Jewish history have already been slain and totally exterminated innumerable times before, and will be done in again and again any number of times in later episodes. Anyway, there they are, the Israelite army under Saul, facing the Philistines in the valley of Elah, and there at the head of the latter was this giant Philistine by the name of Goliath "whose height was six cubits and a span." According to the dictionary, a cubit is somewhere between 18 and 22 inches. Taking the average of 20 inches, that would make him 10 feet plus a span, which is another nine inches, give or take a tiddle. Goliath challenged the

Israeli army to put up a champion against whom he would then do battle. Evidently this scared the hell out of the Israelites, because it says "they were dismayed and greatly afraid." But wait a minute! Up pops little David with his toy slingshot and volunteers to take on this giant who is almost eleven feet tall, if you can believe. And what do you know? David pops him right between the eyes on his first shot. What do you expect, since his bloodthirsty Jahweh was on his side? And then, of course, what is of even greater help, the Yids wrote the script. Having done so, David ran over to the Philistine, and having no sword of his own, took Goliath's sword in hand and cut off the Philistine's head. How do you like that for a job well done?

King Saul liked it, and had not only offered great riches to anyone who would slay the giant, but also offered them his own daughter.

There is a string of hocus-pocus and treachery before David gets to collect his reward, with Saul being jealous of David and twice tried to kill him. What else is new between two Jews? Finally, Saul sends word to David he can have his second daughter Michal, but instead of the usual dowry, he wants David to bring him the foreskins of one hundred dead Philistines. No problem. David *"arose and went, and he and his men, and slew of the Philistines two hundred men and David brought their foreskins"* (1. Sam. 18:27) and gave them to King Saul. And thereby this nasty and repugnant little transaction was

completed and David was now son-in-law to King Saul, and thereby enters into the history of the perfidious Yids.

* * * * *

There is much more treachery and double-cross as Saul pursues David and again tries to kill him, but in the end old Saul dies and David becomes king and rules over Judah. This only after a series of further murders had been committed to clear the way for David. Now as king, the wars and the killings proceed as per usual.

One day David was walking on the roof of his palace and he "saw a woman washing herself", in the nude apparently, and that got his adrenaline flowing. He had her checked out, found that her name was Beth-sheba, the wife of Uriah, the Hittite. In no time at all he was in bed with her. Soon thereafter she informed him that she was pregnant. This presented a bit of a problem, but David, being the treacherous Yid that he was, soon thought up a solution. He sent for Uriah, her husband, who was one of the most loyal warriors in David's army and invited him to eat and drink with him and to lie with his wife Beth-sheba. But try as he may, Uriah slept at the door of the king's house with the servants and would not sleep with his wife. So David took drastic steps to a final solution. He had Uriah sent to the front of battle to make sure he was killed, which was exactly what happened. Thereby ends another episode of Jewish treachery. But the Lord was with David, no matter what, and regardless. Out of this murky affair was born his bastard son, the renowned Solomon, the future king of Israel.

* * * * *

In Chapter 13 of II Samuel it says that Absalom, the son of David, had a sister whose name was Tamar, and Amnon, the son of David, loved her sexually. Whether all these three had different mothers, it doesn't say,

but apparently so. Amnon became so obsessed with his sister that one day he lured her into his bedroom and forcefully raped her. This greatly angered Absalom, his and her brother, and rankled him for two years. He lured all the king's sons to his sheep ranch and there killed Amnon. The other sons of David fled.

Time passed on and Absalom started to plot the death of his father David. This scared the hell out of David and he and his whole household fled, leaving behind ten of his concubines "to help keep the house." There is much more hocus-pocus, but in the end David's army defeats Absalom's army, and "there was great slaughter that day of twenty thousand men." Anyway, as Absalom went to meet the servants of David, Absalom, who had very long hair, was riding a mule. As he rode under "the thick boughs of a great oak" he and his hair got caught up in the tangle of the branches and the mule trotted on and left Absalom dangling in midair.

When Joab, David's general, heard of this, he hurried over to where Absalom was still suspended from the oak and thrust three darts through his heart, and then had ten of his men finish him off. They then took Absalom, threw him in a pit in the woods and piled "a great heap of stones upon him."

And so ends another family episode in the long history of Jewish treachery.

* * * * *

We now come to the story of the great Solomon, that lecherous and treacherous bastard son of David and Beth-sheba, who was conceived in treachery, as we have already recorded.

After the Absalom episode, David returned to Jerusalem and regained his throne. As the years passed, David became old and feeble and "he got no heat." So they searched the kingdom for the most beautiful young girl to lie with him so that he would get warmed up. They found a beautiful young girl by the name of Abishag to do the job. However, it didn't help much.

Meanwhile, one of his sons, Adonijah, son of Haggith, seeing the old man failing, proclaimed himself as king. This alarmed Beth-sheba (who was still around) because she wanted her son, Solomon, to be the next king of Israel. So she approached the senile David and got his word that Solomon was to be his heir, not Adonijah. Shortly thereafter David died, having reigned for forty years, and Solomon was put on the throne as king of Israel.

Adonijah accepted the verdict, but had one request to

Purpose of this Series

The overriding goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and the immediate goal is to free the White Race from the worldwide yoke of Jewish tyranny. In order to achieve both goals it is necessary to build a massive, powerful movement that can smash the Jewish monster. Before the White Race can ever be in a position to unite, polarize and build such a power structure it will first have to get its thinking straightened out. This it can never do as long as it entertains in its innermost thoughts that most diabolical of all mind-scramblers, Jewish Christianity. By using ridicule and exposing this idiotic age old spooks-in-the-sky-swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests.

The Wildest Stories

(Continued from Page 6)

make of the new king. He enlisted Beth-sheba to ask Solomon, his brother, if he could now have Abishag, the beautiful young girl who had been body-warmer to David, for his wife. Solomon flew into a rage, and had his brother Adonijah slain forthwith.

We will not go into details about the long reign of Solomon. The Jewish Bible says that he and God were close buddies and the Lord just loved this lecherous and treacherous scoundrel. Solomon soon acquired great fame and riches. He also acquired a stable of 700 concubines and three hundred wives. Being a fanatic and insatiable sex maniac, this must have kept him pretty busy, along with waging wars against the neighboring tribes. But no matter, the Lord thought he was great and just loved him dearly, evidently reasoning that any man who could assemble a stable of 1000 whores for his own indulgence must have had something on the ball.

* * * * *

What is the moral of this story? Well, if we use the moral standards that the Christians claim to be the basis of the New Testament and about which they brag is the essence of the Christian religion, then we can't come to any other conclusion than that the so-called heroes of the Old Testament are the worst scoundrels, murderers, profligates, whoremongers, pimps and violators of all the Christian precepts that we can possibly conceive. So how does the idea that all these Jewish scoundrels, Abie, Ikey, Jakey, Moses, Judah, Joshua, David, Solomon, and all the rest of this Jewish trash, were so great and beloved by the same God that is being worshipped by present day White Christians? It doesn't make sense. In fact, it is stupid as hell. How would you like to have one of your own relatives, say your father, or your brother, have a stable of one thousand whores at his disposal? Or have him murder his brother? Or have him murder some man so that he could steal his wife? Would you be proud of him, or would you be ashamed and seek to have him brought to justice? So why all this hypocritical mouthing that this kind of Jewish garbage is considered as the "Holy Scriptures"? Think about it, White Man and Woman, isn't this insane? It reminds me of a little ditty I once saw in a bookstore in Colorado which said:

*How odd of God
To choose the Jews.
But still more odd
That those who hate the Jews
Should choose the Jewish God.*

Yes, indeed. Not only odd,

but stupid as hell.

* * * * *

We Creators regard all this Jewish filth as being a brazen insult to our integrity and to our intelligence, and throw all this garbage overboard, once and for all. Come with us, White Racial Comrade, back to reality and back to sanity. **Join with us into the Church of the Creator, a realistic and constructive creed and program to save the White Race from disintegration, from degeneration, from self-destruction and from racial genocide.** What is more important than the survival, expansion and advancement of Nature's Finest? The answer is -- nothing is more important. Join with us to destroy Nature's most virulent parasite and save our own kind -- Nature's Finest. **DELENDA EST JUDAICA!**

Creator of the Month

Ron Quinn is an artist whose exceptional talents focus on the art of presenting graphic cartoons, and fortunately his philosophy is so in harmony with that of the Church of the Creator, he needs no coaching as to what ideas and issues to dramatize. When Ron draws a cartoon complete with dialogue, there is no ambiguity as to what it means. The message is always clear, concise and to the point.

Ron has sent us so many excellent cartoons we have so far only been able to use a small fraction of what his fertile imagination has produced, but they have given us a wide choice and been of tremendous help in spreading the message of our creed and program. For his immense contribution (all gratis) to our movement, which we could not have paid for with several thousand dollars, we not only nominate him as **CREATOR OF THE MONTH** but also present him with an **AWARD OF HONOR**, and will implant a plaque next to his individual tree on our honorary Leadership Lane.

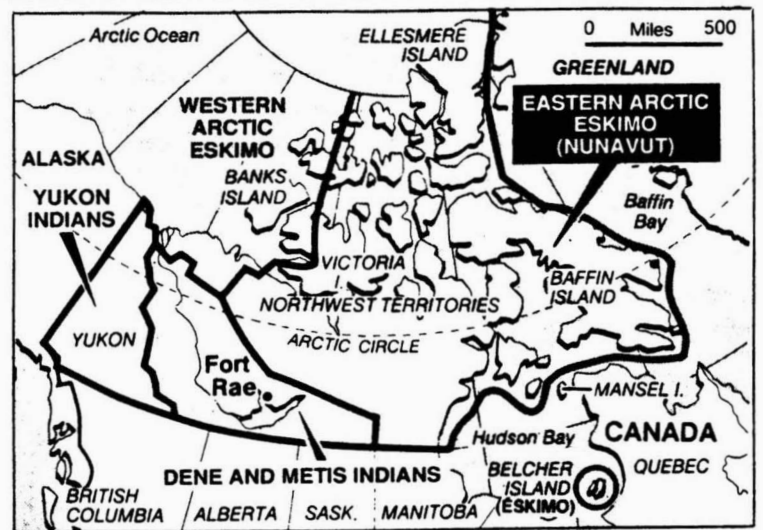

Although Ron has come up with such a variety of cartoons that we can hardly pick any one as being typical, nevertheless, below is one of his cartoons.

The Final Hour of White Power

Minorities Will Soon Be The Majority

White People Awake! Save the White Race!

The New York Times/Aug. 20, 1989

Nunavut is the proposed self-governing jurisdiction for Indians and Eskimos in the eastern Arctic region of Canada.

The Jews already have mud names for White territories they target for destruction. "Nunavut", "Namibia", "Azania", etc.

"THE FINAL HOUR OF WHITE POWER!" -- I saw these words not too long ago written on numerous signs during a black/mud/jew demonstration against South Africa. But they clearly applied not only to White South Africa but also to all White countries. Anywhere you look, White people are being crowded out by the Jew-instigated flood of the mud people through the combined effect of mud immigration and mud population explosion. White people are beginning to see the negative aspects of the Jewish conspiracy, they are concerned, they are alarmed, but at the same time they still remain confused, disorganized, unable to stand up for their inalienable rights of genetic survival, expansion and advancement.

Far from surviving, expanding and advancing, the White people are retrogressing, shrinking and dying out. Like sickly, idiotic wimps, they keep apologizing to every scum of the earth for "past sins, injustices, exploitation"; they keep accepting every new race mixing program of the criminal Jewish Occupational Government; they keep retreating and relinquishing their lands to the muds. Surrender of Rhodesia, betrayal of South-West Africa, voluntary abandonment of huge territories in Canada, New Zealand and Australia to the aboriginal savages. The list of examples of the worldwide decline, retreat and extinction of the White people is endless.

It is strange indeed that the White People -- the most intelligent and beautiful species ever to live on this Planet Earth

-- are unwilling and unable to defend themselves and assure their own survival as a distinct biological unit. Such a suicidal behavior goes against every law of Nature and against every natural instinct, which were instilled in us by Nature through the long process of evolution.

So, what is the cause of the White decline? Without any doubt, **the main cause is the Jew-spawned Christianity with its completely anti-natural, absurdly illogical and idiotically suicidal principles of "love your enemy", "turn the other cheek", "do not judge", "give everything to the poor", "blessed are the meek, the stupid, the ugly", "we are all equal in the eyes of the Lord", etc., etc., etc.** As Pontifex Maximus tells us repeatedly, the Jew-concocted idiotic fable about some mythological kike on the stick is the deadly mind poison which destroyed the glorious White Roman Civilization and is now finishing off the entire White Race. Therefore, the first step towards the White Man's sanity and salvation is a complete and categorical rejection of Christianity in all its shapes and forms. And the second step is the conversion of all White people of the world to the one and only truly White Racial Religion -- Creativity.

So let us unite under the victorious flag of Creativity and save the White Race by turning "the final hour of White Power" into **THE FINAL HOUR OF JEWISH TYRANNY AND ITS MAIN PILLAR -- THE JEW-SPAWNED CHRISTIANITY.** **DELENDA EST JUDAICA!** **RAHOWA!**

A Letter to Christians*(Continued from Page 5)*

I know you are not receptive to arguments premised on facts, reason, and common sense (at least you have never indicated to me that you are). Whenever you are confronted with reason, you invariably invoke and hide behind dogmatic doctrines that you piously insist are "the Word of God"; i.e. "the Holy Bible". For you, its pronouncements (irrational as many of them are) supersede reason.

Well, you are not so far gone that you cannot understand this clear declaration: CHRISTIANITY AND ITS "HOLY WRITS" ARE PIOUS FRAUDS! AND YOUR HERO JESUS CHRIST NEVER EXISTED! In other words, your arguments - which you use in an attempt to convert me to your curious brand of insanity - are without merit!

But don't take my word for it. (And I certainly don't expect you to.) You can get the "word" right from your own "god's" mouth, from the New Testament. Also, you will surely trust and give considerable weight to the "secular histories" of the likes of Josephus, Tacitus, Suetonius, Lucian and Apuleius whose works were in the vaults and under the protection of your church's Fathers and scribes throughout the long Dark Ages. After all, these same Fathers who by "divine inspiration" assembled the scriptures into canonical gospels would not have edited, suppressed, or inserted interpolations into the secular histories in their care? If you will dispassionately examine those histories, you will discover (for the first time) the nature and origin of the christ you so carelessly submit to, and you will surely get off my back.

Orpheus, the "first singer", predating even Homer, is widely accepted by your church's experts as "The First Teacher of Matters Divine". Orpheus is reported to have said: "All priests will throughout the ages instinctively know that the people do not want realism; they want magic."

Orpheus never existed, it is true. But Orphism does. And its doctrines are inseparable from all religions, past and present: from those of primitive savages to the most influential world religions. (Creativity is the one and only exception to this rule.)

The priests of Christianity have adhered religiously to the First Tenet of Orphism: giving their "little children" great helpings of magic! Reason and reality have, on the other hand, been concealed and discouraged by your priests. They have resorted to the most obvious deceit and trickery to inculcate superstition in the little children of Christianity.

For example, your priests have incorporated "the Gospel According to John" into "the Inspired Word of God". This curious book -- which contradicts virtually every description given in the first three gospels regarding the hero of Christianity -- introduces the Gnostic "Christ" character; i.e. the emanation of God, or the word taking on incarnation. It is indisputable: the fourth gospel was not written by John; it was written by the imaginative Alexandrian Jew, Cerinthus.

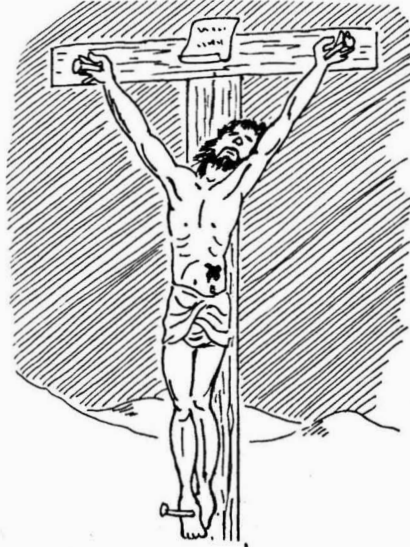

So your "christ" -- like Orpheus -- never existed. But, like Orphism, Christianity exists. It exists as a paradox; as small elements of profound wisdom, which are distorted and suffocated by fictions, suppressions, interpolations, and outright forgeries. It is on such a flimsy and criminal basis that Christianity has killed and coerced and slandered untold millions of unsuspecting individuals. Taking away the Gnostic "Christ"

from "Jesus-Christ" we have left only Jesus -- flesh and blood man. (But not by any means the man described in the suspect scriptures, mind you). Still, that is not all bad. For we have stripped away the magic and superstition and have begun to ascend toward realism. But, unfortunately for your artificially inflated ego, you simultaneously lose your emotional sledge-hammer.

Perhaps this information -- refuting the existence of your supernatural "christ" -- is a little too much for you to assimilate now. After all, the proving of it requires considerable research. And it is too easy for you to ignore it and blankly dismiss it as being "too esoteric". If that is the case, let me suggest another major defect in the basis of your "arguments for my soul"; i.e. your "Word of God".

Is the Bible indeed "the Word of God", or is it a partial (or a whole cloth) imposture designed to fleece its hero's sheep? The question begs an answer!

Deliberate allegiance to a known faulty concept is tantamount to "living a lie"; is

I DON'T MIND HELPIN' YA OUT, POP, TO SPREAD YA "FAIRY TALES". BUT JESUS CHRIST...HANGING FROM THIS DAMN CROSS REALLY HURTS.

violative of reason; and is by definition -- insanity.

Is the Gospel According to Saint Matthew "the Word of God"? Or is it not? Is the Gospel According to Saint Luke "the Word of God"? Or is it not?

One question -- only one -- will reveal the answer: "In what year was Jesus Christ born?"

Matthew tells us at Chapter 2:1 that "Jesus was born in Bethlehem of Judea in the days of Herod the King". If God speaks the truth (and if Matthew speaks for Him), Jesus could have been born no later than Year 750 of the Roman Era.

But Saint Luke disagrees with this most significant of facts upon which a world religion rests! At his Chapter 2:2-7, Luke proclaims that Jesus was born in Bethlehem during the Quirinius Census which occurred in Year 760 of the Roman Era!

Both statements are affirmative -- yet contradictory.

The Church brushes away its embarrassment by adopting the creative chronicling of a sixth century Sythian monk, Denis the Small, who sets the birth of Jesus at year 754.

"What is truth?" (Wasn't it Pontius Pilate who allegedly asked that profound question?)

If the verses of Matthew and Luke (cited above) were the only contradictions in the canonical gospels, they must be answered for the student's satisfaction, or he must naturally doubt the whole of the Bible, and the allegation that it is "the Word of God". If the year of Jesus'

birth is not explained away (and it cannot be), other valid question must follow, for example: Was Jesus indeed born in BETHLEHEM? The most casual student will know of the many references to "Jesus of Nazareth" and "Jesus the Nazarine", which are indicative of his birthplace. Hackles must be raised in any inquiring mind!

But the student's attention is swiftly diverted from the place of birth with the solemn statement that Jesus was born in Bethlehem because of a covert ploy implemented by the pneumatic ghost causing the fulfillment of an "old-time prophecy": Joseph and Mary (great with child) had to travel to Bethlehem for the census although their true abode was in NAZARETH. The student's attention is now refocused on NAZARETH. But another question is raised, i.e.: "Where was the city of NAZARETH geographically situated at the beginning of the Christian Era?" (Or for that matter, where was it located 200-300 years later?)

Strange to tell -- NAZARETH DID NOT EXIST! Nazareth is not mentioned in any Jewish, Greek or Latin writings either before or anytime soon after Tiberius and Pontius Pilate.

Ernest Renan in his "Life of Jesus" says: "It (Nazareth) is mentioned neither in the Old Testament or Josephus, nor in the Talmud (which was not compiled until the fifth century). It occurs only in the New Testament".

In his "Manuel d'Histoire Ancienne du Christianisme", Guignebert says: "Nazareth was only identified with the birthplace of Christ in the middle ages." (My gawd, could it be that gospels were not penned until the middle ages!)

Other questions concerning the contradictions of Matthew and Luke: was it "Jesus" who was born, or someone (or no one) else?

Except in the gospels (which are becoming increasingly suspect) there are no secular records to verify the birth of one who would eventually claim Messiahship on or about Roman Era 750-760, and who would also later be crucified for his audacity.

There are, on the other hand, numerous historical records of a crucifixion of a Messiahianist/Christist that occurred on the 14th day of Nissan, Roman Era 788 (A.D. 35), on the eve of Passover. That crucified individual, that pretender to the throne of David, was nearly 50 years of age when he was hanged on the tree at the order of Pontius Pilate. According to the historical documents, the person crucified by Pontius Pilate was a fanatical rebel, a seditious zealot, who hoped to conquer Rome and rule the world for 1000 years. His manifesto of conquest was strikingly similar to the Revelation of Patmos.

The circumcision name of this crucified man has not come down to us through history, but he is referred to in numerous histories as "Judas bar Judas" (or Judas, son of Judas). Born in Gamala on the Southeastern shore of Lake Kinnereth, he was the first born son of Judas the Gaulonite. He was born in Roman Era 739 (15 B.C.). His father (Judas the Gaulonite) was obviously the founder of the militant messiahianist/christic movement which intended to wrest the Davidic throne from the Herods (who were Roman puppets). Judas senior was killed between the temple and the altar (coincidence?) while revolting against the Cyrenian census. His eldest son, Judas bar Judas, assumed leadership of the Christist cause. He was strongly supported by his mother Salome (who became the Church's prototype for

Mulatto Nigger U.S. Army Chief

United Press International

Stepping up—Gen. Colin Powell will be named chairman of the Joint Chiefs of Staff

Well, well, what have we got here -- a **mulatto nigger now is the supreme commander of the U.S. armed forces!** There can be no doubt that this political appointment will generate a lot of resentment in the ranks of the U.S. military. It is our sacred duty to fan that natural resentment among White servicemen and channel it towards constructive deeds for the benefit of the White Race and the Creativity Movement.

White servicemen and all White people, how long can you tolerate such insults by the criminal JOG to your honor and your rights?! It is obvious that the Jew-orchestrated crashing end of White America is rapidly approaching; therefore, more than ever we Creators should try to awake the White People and organize them under the victorious flag of the one and only White Racial Religion -- Creativity.

This nigger would have never acquired this job had he been White. His military credentials did not and do not warrant it. This is another treacherous consequence of Affirmative Action, discriminating against the White Race.

We will soon have a nigger president. All you have to do, White Man, is to do nothing.

**WHITE PEOPLE AWAKE!
SAVE THE WHITE RACE!** (W)

More About Our Uniform: White Hats/White Caps/White Berets

I would highly recommend to all Creators the "NEW DICTIONARY OF AMERICAN SLANG" by Robert L. Chapman (1986 edition). It is about the only modern dictionary which still did not flush some of the very important and highly expressive words down the memory hole. Here are some of the words it contains: nigger, coon, gook, spic, kike, shiksa (=Jewish reference to a non-Jewish young woman, = "blemish"/"raw meat"), goy (=non-Jew, = "cattle"), etc. But for us, in view of our White-Hat Cowboy Uniform, one of the most interesting entries is this: **"WHITE HAT: 1. (noun phrase) A law-abiding, morally upright, and heroic person, as distinct from the villainous black hat; 2. (modifier) I told them they were the white-hat guys."**

As most of our readers know, the August issue of Racial Loyalty contained many constructive proposals to enhance our movement, including a suggestion to make "White-Hat Cowboy" the official uniform of the Creators. Most of the responses to the various proposals outlined in RL No. 53 have been highly positive and enthusiastic. However, some Creators felt that the White Cowboy Hats might not be practical in all regions and countries, due to the variations of climate, folklore, culture and traditions. We still believe that the White-Hat Cowboy outfit is the best and most suitable uniform for all Creators; after all, the signs on our Church building proclaim: "THE FAITH THAT WON THE WEST!" and "WINNING OF THE WEST, THE WHITE MAN'S PROTOTYPE FOR WINNING OF THE WORLD!". But on the question of uniforms we don't want to be dogmatic at this point in time and, taking into account regional variations of climate and culture, we have decided to recommend not only WHITE HATS, but also WHITE CAPS and WHITE BERETS as the official uniform of the Creators. The main thing, all uniforms must display the Creativity logo, be neat, orderly and in good taste.

COTC PRIMARY GROUPS (Continued from Page 2)

In preparation for the OPERATION "STREET ACTION", we must: (a) arm our Logo, Flag and Masthead with our rallying SOUND BITE: **WHITE PEOPLE AWAKE! SAVE THE WHITE RACE!**; (b) adopt the "WHITE HAT" / "WHITE CAP" / "WHITE BERET" UNIFORM; and (c) present the concentrated essence of our ideas in an easy-to-carry, pocket-size eclectic compendium -- **THE FUNDAMENTALS OF THE CREATIVITY MOVEMENT.**

5. OPERATION "SKINHEAD" -- to contact, affect and organize under the victorious flag of the one and only White Racial Religion -- CREATIVITY all White youth, especially Skinheads.

ABOVE ALL WE MUST APPEAL TO THE MIGHTY ARMY OF OUR YOUTH! -- this advice of Adolf Hitler is still valid today. In order to appeal to our youth, we must take at least the following steps:

(a) create RACIAL LOYALTY's youth section which could be entitled "SKINHEAD -- YOUNG WHITE WARRIOR";

(b) put all known Skinhead and White youth organizations and individuals on our mailing list;

(c) organize youth leadership seminars and youth camps;

(d) organize frequent and systematic STREET ACTIONS (leafleting, postering, wall and sidewalk slogan painting, etc.) on college and high school campuses;

(e) provide moral and material help to jailed Skinheads and other young White activists.

6. OPERATION "WHITE ETHNIC" -- to contact and attract into our ranks large numbers of White Ethnics, various culturally distinct European-Americans, by issuing direct appeals to them and organizing White Ethnic Sections of the Creativity Movement.

White Ethnic Sections could concentrate on: (a) spreading our word in their communities, (b) translating our works into their own languages, and (c) helping to spread our ideas in their "old countries" in Europe.

7. OPERATION "GLOBAL" -- to organize active branches of the Creativity Movement in ALL White countries, especially in major European countries, South Africa, Canada and Australia.

Obviously, the success of our OPERATION "WHITE ETHNIC" could greatly facilitate (through translations and pre-established contacts) the spread of our ideas across the world and thereby help our OPERATION "GLOBAL".

Our OPERATION "GLOBAL" must devote particular attention to South Africa, because in the worldwide WHITE RACIAL HOLY WAR (RAHOWA) South Africa is one of the most crucial battlefields. The South African branch of the C.O.T.C. must immediately adopt our STREET ACTION program and start the rapid, aggressive, massive expansion in South Africa, where our rallying cry -- **WHITE PEOPLE AWAKE! SAVE THE WHITE RACE!** -- is more urgent than anywhere else in the world.

DAILY AFFIRMATION OF OUR PRINCIPLES

Each Creator must realize that his personal dedication and commitment to the Sacred Cause of the One and Only White Racial Religion is the key factor in winning the worldwide Racial Holy War and assuring the survival, expansion and advancement of our precious White Race. For increased dedication and commitment, let's read the sacred books of Creativity on a daily basis: they are the best books ever written in the 6000 years of White civilization.

**WHITE PEOPLE AWAKE!
SAVE THE WHITE RACE!**

**JOIN THE CREATIVITY MOVEMENT!
IT IS OUR ONLY SALVATION!** (W)

A Letter to Christians (Continued from Page 8)

Mary), as well as his two sisters, Esther (Mary) and Martha, and his brothers Simon (called Peter), Jacob, James, Menahem, and Philip.

The contradictions in Matthew and Luke spark an inquiry that can be pursued almost endlessly through the curious canons. And at every turn we find errors piled upon contradictions, covered with discrepancies, falsehoods, and outright forgeries. Such is the "substance" of the historical documents upon which Christianity rests.

Why? Why would the Church concoct such fiction, and mix it together with the most profound wisdom, and have it propagated by its hero, a violent, seditious, (and himself largely fictitious) individual?

I will leave that question for you to answer, if you care to pursue the Christist Conspiracy to its end.

If you do not possess the modicum of instinct for self-preservation necessary for a diligent inquiry into the origins of your chosen religion; please, at the very least, either explain the perjuries cited in Matthew and Luke, or do not burden me further with your neurotic mysticism.

Sincerely, Rev. James Hazel (W)

Help us put Ten Million WMB's in the hands of our WRC!

When we do, the war is as good as won, and the enemy destroyed.

AN UNEMPLOYED NIGGER CAN HAVE AS MANY KIDS AS THEY WANT. AND WE, THE HARD WORKING WHITES PAY FOR IT.

Low Birthrate: Genetic Suicide of the White Race

The Mud Population Explosion is Upon Us!

The graph above shows the number of offspring (children, grandchildren, and great-grandchildren) for an average woman in three generations. In Africa an average woman in three generations will have 258 descendants, while in the U.S. the number is 14, and in West Germany it is only 6! These alarming demographic facts can only mean one thing: the White Race will very soon be drowned in the flood of the mud races.

The Demographic Explosion in Africa

In 1985, Africa passed the 450 million mark. From that level at current growth rates the continent will add more than the present population of the United States by the end of the century and will triple its population as soon as 2025.

Creativity is the only salvation for the White Race! RAHOWA!

White People Awake! Save the White Race!

White or Aryan?

During the crucial first two (survival and expansion) stages of our struggle for the worldwide WHITE RACIAL SURVIVAL, EXPANSION AND ADVANCEMENT, any undue emphasis on the "ideal blond and blue-eyed Aryan" as opposed to the rest of White people (most of whom at this stage of our genetic life are neither blond, nor blue-eyed) must be scrupulously avoided, because it could only divide our movement and weaken our appeal to the broad masses of White people. **We must always remember and consistently remind to everybody that our racial enemies -- Jews, niggers and muds -- are targeting ALL Whites (blond and non-blond, blue-eyed and non-blue-eyed) for extermination.** And to anyone who knows anything about the gigantic dimensions of the global exponential explosion of the mud races there can be no doubt that **in the very near future there will not be ANY Whites unless CREATIVITY succeeds in becoming a MASS MOVEMENT of ALL Whites.** In order to become such a movement and thereby have a fighting chance to win the global racial war, CREATIVITY must openly and consistently appeal to ALL Whites -- from "dark" Italians to "fair" Swedes.

By the way it is important to remember that neither Hitler nor Mussolini (nor most of their closest associates) were the ideal "Aryan" types.

And one of the biggest mistakes that Hitler made was to declare vast portions of obviously White people (especially Slavs) "subhuman" and treat them accordingly. I am convinced (and most German historians now agree) that Hitler's rejection of pan-Whiteism or pan-Europeanism and concentration on the narrow base of pan-Germanism (while at the same time blundering into an alliance with Asiatic Japanese!) were the fundamental causes of Hitler's defeat. We Creators must learn from such mistakes and never repeat them: the survival of the entire White Race depends on that!

In summary, anyone who during the SURVIVAL and EXPANSION stages of our struggle would suggest dividing Whites into the so-called "ideal Aryan" versus "non-ideal Aryan" is either an uninformed, unthinking fool or, even worse, an enemy agent provocateur, and should be dealt with accordingly. I agree with Pontifex Maximus that **the divisive/negative word "Aryan" should be eliminated from our vocabulary in favor of the inclusive/positive word "White".**

The ideal blond and blue-eyed White type will be achieved and proliferated through a long-term program of deliberate and systematic genetic improvement during the RACIAL ADVANCEMENT stage of our struggle, but now let's concentrate on RACIAL SURVIVAL AND EXPANSION, and let's use the term "White", instead of "Aryan".

The Legal Definition of Religion

by Rev. Rudolph Stanko

A die-hard klan member informed me, the problem with our religion is the fact that it will never stand the legal definition of a religion. After a few hours of legal research, it can be concluded the klan member is embroiled in his glorious but antiquated past. Here are a few examples of statements from the United States Courts confirming the definition of religion pursuant to the 1st Amendment to the United States Constitution:

"The First Amendment is as broad, and probably broader, than a purely theological definition of religion. In one First Amendment free exercise case the Supreme Court categorized "Buddhism, Taoism, Ethical Culture and Secular Humanism" as religious, none of which espouse a belief in the existence of God, indicating that belief in the existence of God is not critical to status as a "religion" under the first Amendment." *Loney v. Scurr*, 474 F. Supp. 1186, 1194; quoting *Torasco v. Watkins*, 367 US 488, 495.

"The substantive law pertinent to whether the Church is a First Amendment religion has not changed appreciably since this Court's ruling in 1973. 'A succinct and comprehensive definition of that concept would appear to be a judicial impossibility.' The Court recognizes also that the line between what is political rather than religious is indistinct at best. It is common knowledge that many religious groups pursue political and social objectives." *Scurr*, supra.

"A state may not discriminate between religions in terms of the burden it places on their exercise." See *Johnson v. Robinson*, 415 US 361, 384, quoting *Gillette v. United States*, 401 US 437 (1971). "The resolution of that question is not to turn upon a judicial perception of the particular belief or practice in question; religious beliefs need not be acceptable, logical, consistent, or comprehensive to others in order to merit First Amendment protection." *Thomas v. Review Bd. of Indiana Employment Security Division*, 450 US 707, 714 (1981); quoted by *Wiggins v. Sargent*, 753 F. 2d 663, 666 (verifies the racial creed of the Church of Jesus Christ Christian from Hayden Lake, Idaho, and its affiliate Aryan Nations is a religion.)

"In the Selective Service cases the Supreme Court has held that what is religious is determined by the function of beliefs, and includes intensely personal convictions which function as a religion in an individual's life." *Welsh v. United States*, 398 US 333, 339. That a religion may be formed in response to social or political factors or may advocate political goals does not mean that it is not entitled to First Amendment protection." *Welsh*, supra. at 342.

"Our resolution of the federal constitutional issue is controlled by US Supreme Court precedent. However, greater protection may be afforded to citizens under a state constitution even if the federal and state language is similar. The federal Constitution only establishes a minimum level of protection." *Pimental v. Rhode Island Dept. of Transportation*, RI Sup. Ct., No. 88-208-M.P., 7/7/89.

Although I support the klans' and fascists' past accomplishments, the cracks in their foundation without an ecclesiastical head have resulted in their present demise. The Church of the Creator is the secular and ecclesiastical sovereign of the White Man. The Jews are the main body of theorists that advocate a separation of church and state, or divide and conquer.
