## Legally and Progressively

## How We will Build a Whiter and Brighter World

by Ben Klassen, P.M.

During the last six months in particular, we at the World Center here have been besieged by an increasing number of reporters from the Jewsmedia. We have had any number of reporters from prominent out of state newspapers writing feature articles about us, some with our cooperation, many without. We have been featured in a number of TV episodes from Jacksonville to Denver to New York - "Inside Edition," "Geraldo" "Maury Povitch" and a number of others.

There is one constant norm in all these articles, TV programs and interviews. They are hostile to our creed and program. The dominant obsession is to smear us and depict us as being violence-prone. Whereas it is we who have repeatedly been attacked, in true Jewish fashion they try to turn the facts upside down. Some of the basic questions I now ask any reporters before I will talk to them are usually in this order:

(a) Are You a Jew? If the answer is yes, I terminate the interview at the very inception. Next I ask them if they are black, with the same conclusion.

(b) Have you been sent here to do a smear job on the Church of the Creator?

The latter is actually not too relevant a question, since invariably they will lie to us and claim that they will give us an impartial and balanced view as they see it. Usually I will acquiesce and say, alright, we will answer your questions, but, stick to your commitment. Give us an honest report and we will answer your questions frankly and honestly. We have nothing to hide.

Question (a) is usually answered honestly. By now they know that we will not tolerate talking to a Jewish or a black reporter, and therefore the media does not send such down to us. However, every once in a while they do slip in a Jew that denies he is one of the tribe.

Question (b) is really a charade, a farce. The reporter will lie every time. We know that they have been sent down here to do an out and out hatchet job, and they know that we know. So we usually proceed anyway, and they never disappoint us. They invariably come out with a hostile smear job. Why do we cooperate? Well, at our stage, as Adolf said some seventy years ago, almost any publicity is good publicity, as long as they spell our name right. The more people hear about us, sooner or later the White people will sort out the true facts. It is our job to see to it that they get them, once they know we exist.

The questions usually run the same course, starting with: what is Creativity? One standard answer is, **Creativity is a racial religion structured for the survival, expansion, and advancement of the White Race.** How many members do you have? We don't disclose numbers since we are usually accused of either overstating or understating such numbers, and in any case, we don't want to get embroiled in the numbers game. We don't have an accurate count of all our members, supporters and sympathizers, and in any event, it is not relevant that we do. We prefer to talk about our creed and program. **We want to build a Whiter and Brighter World.**

It is at this point that the reporter usually begins to become venal. After a discussion of what is our definition of the White Race and who are the "mud" races, they will ask the question: How are you going to "cleanse your territory" as you put it, of the mud races? Is it your intention to kill all the Jews and the blacks?

We must keep in mind that the reporter came here to talk to us for basically two reasons (a) to write an article about Creativity in order to smear us, in short, to do a hatchet job. (b) to gather intelligence information to convey on to the files of the ADL, and the Jewish master computer in Tel Aviv. We must also remember that besides trying to portray us as haters, they will try very hard to make us look like a movement that promotes violence. In this latter attempt to make us look violence-prone they will use every remote linkage they possibly can contrive, and nothing is too remote for these

## Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Christopher Guy  
Killed for his radio, police say

Bennie Lackings Jr.  
Booked with first-degree murder

The life of Christopher Guy, a 17 year old white youth from Algiers, New Orleans, Louisiana, ended swiftly with a gunshot wound to the head when he refused to relinquish his Sony Walkman to a black nigger primate armed with a 22 caliber handgun.

Booked with first degree murder, Bennie Lackings Jr., (18) a former classmate of Christopher, had a long record of crimes dating back to 1989. He stalked his white victim as he crossed a lonely schoolyard in the evening hours. Local resident Kevin Colledge stated to reporters, "Its gotten to the point where you can't walk down the street in your own neighborhood. That's a rotten way to live."

An avid guitarist, Guy belonged to a close-knit group of friends and played with some of them in local bands. Christopher's father is a well-known local pediatrician.

David Guy, 18, found his brother's body behind a portable classroom at the Harte Elementary School after a daylong search.

## How We will Build

(Continued from Page 1)

lying prostitutes of the Jewish media.

**Keeping these ground rules in mind** we must be very careful and very precise in our answers to these reporters, who will inevitably zero in on the key question: just what are you going to do with the Jews and the niggers that are already here? Are you going to kill them?

And our answer is: no, we have no plans for killing anybody. We are a non-violent religious movement. We have a comprehensive plan as to how to achieve a Whiter and Brighter America and a Whiter and Brighter World. **Every step along the way is legal, constitutional and non-violent** as we will detail to you. Here is how we plan to proceed, step by step:

**Step No. 1.** We mean to build our racial religious movement legally and constitutionally by employing and enjoying the same rights as does every other religious group in America, by means of propaganda, by means of persuasion, by means of organization. Instead of adulating fictitious spooks in the sky, our religion is based on Racial Loyalty. There is nothing new about Racial Loyalty. If you look at the real world around you you will see that the niggers practice it, the Jews practice it, the Indians practice it, the Muslims practice it, the Japanese practice Racial Loyalty. In fact, just about every race in the world practices Racial Loyalty and has for thousands of years. The only difference is that we are now talking about White Racial Loyalty. But there is nothing illegal about being White and there is nothing illegal about White Racial Loyalty.

**Step No. 2.** We plan to build our movement to such dimensions that we will be able to take control of our government from out of the slimy hands of the Jews who now have it and thereby take control of our own destiny. Nothing illegal about that. After all, the White people built this great country, and at this point in time are still the majority. What is more fair and more legal than the White people having control of their own destiny, rather than a small minority of Talmudic Jews? How do we plan to accomplish this?

**Step No. 3.** We plan to accomplish it by promoting Racial Loyalty to the White Race, by informing, arousing, uniting and organizing the mighty potential of our White Racial Comrades. We mean to polarize the White Race under one language, Latin, one religion, Creativity and build one mighty powerhouse so that we, not the Jews, will be in charge of our own affairs. Nothing illegal about that.

**Step No. 4.** Having done the above, we will then further practice Racial Loyalty and take our next step. In accordance with Nos. 6, 7, 8 and 9 of our **Sixteen Commandments**, we will boycott the Jews. We will boycott them in business and break them financially. We will boycott them in politics and drive them from out of government. We will boycott them in education, in the news media, and every other place in our cultural life. There is nothing illegal about using the boycott either. The Jews have been doing it for thousands of years. The Arabs have been boycotting Israel for the last forty years. Our government (JOG) has been using sanctions (an extreme form of boycott) against South Africa, against Iraq, against Iran, against Germany in the 1930's and against any and every other country they didn't like. Numerous Jew controlled organizations (such as NOW) even today use the boycott against such states as Arizona because they did not acquiesce to declaring a legal holiday in honor of Martin Lucifer Koon. So, we can conclude there is nothing illegal about using the boycott. However, if used by a united, polarized White Race, believe me, it can be and will be extremely effective.

**Step No. 5.** Having achieved control of our

own destiny, we will then simultaneously stop subsidizing the niggers in this country, stop subsidizing the parasitic state of Israel, and in fact, stop subsidizing all the other 120 some countries that JOG has piled on the backs of the working White American taxpayers. We will simply let all these Jews, niggers, parasites and freeloaders shift for themselves and wither on the vine.

\* \* \* \* \*

Having done the above, we will let Nature take its inevitable course in phasing out the problem. For hundreds of millions of years Nature has followed its wise but ruthless course of Survival of the Fittest, which also means the demise of those unfit to cope for themselves. In the endless struggle of each species to survive in competition to other like species, Nature has persistently used the culling process, of weeding out of the weak, the deformed, the sickly and the mentally incompetent. It is only in the last half of the 20th century that the White race, misguided by the evil hand of the Jew, has subverted this purgative action of cleansing the genetic defects of a species' gene pool. By subsidizing the lazy, the shiftless, the incompetent and rendering massive aid to all the parasites, the scum and the free-loaders of the world, we have greatly multiplied the defectives at the expense of the competent, until now we are reaching the breaking point. In our program we mean to reverse this sick and idiotic process. All this, too, is strictly legal.

**Step No. 6.** We are now well on the way towards the salvation and redemption of the great White Race. Our next step is to then aggressively cleanse our territory of the still lingering mud races.

The first step is to forcibly expel the some 10 million illegal Mexicans. This too, is strictly legal, and it is a dereliction of duty that our JOG government has not done so a long time ago. Along with these illegal Mestizos, we will also expel all other alien muds -- Haitians, Pakistani's, Jews and whatever.

Next, we will institute a program of repatriating all blacks back to Africa whether they are tenth generation "Americans" or not.

This too is not a new idea by any means, and repatriation of unassimilably mixed peoples has been practiced by any number of nations throughout history, both recent and ancient.

1. The Egyptians drove the Jews from out of their land 3500 years ago when the latter became unbearably obnoxious (as with the Holaloax, the Jews have twisted history around and claim they left Egypt voluntarily after the Egyptians tried to keep them. What an inverted lie!)

2. All of the French in the colony of Acadia (in present day Nova Scotia) were deported by the victorious British in 1755. Most of these were deported to Louisiana, but many scattered elsewhere. (Read Longfellow's *Evangeline*.)

3. In our own American history, we moved any number of Indian tribes to other less desirable, less inhabited areas. Some were moved and confined to reservations, some, like the Cherokees were moved en masse from North Carolina to Oklahoma. This was a matter of the conquering White Man cleansing the territory and making room for his own people, a process that was repeated time and again.

4. When the White Man conquered Texas, they organized the Texas Rangers and launched a powerful (and successful) drive to expel every Mexican and Indian from what was now conquered White Man's territory. **This was How the West was Won.**

5. The Turks even resorted to extensive massacres of the Armenian population in 1894-96, again in 1909, and again in 1915, the latter running into millions.

6. After World War II, the victorious "democratic" Allies, led by America, Russia and Britain, routed, moved and/or killed 13 million

Germans from their eastern homelands and crowded them into the western areas of a remnant Germany, all at the bequest of the Communist Jews.

7. Also, after WWII the Jews (with the help of American JOG) drove the native Palestinian Arabs from a homeland they had lived in for two thousand years. This in order to make room for the parasitic state of Israel. With their Uzzi machine guns in hand, the Jews are still at it today driving the Arabs out of the West Bank and the Gaza Strip. All this with the subsidization of Israel by the American taxpayers to the tune of four billion a year, now being up-antied to more than ten billion. I ask you, Whitey, how long are you going to stand for this kind of rapacious atrocity?

8. The niggers in Africa, with the help of (our own!) JOG and in accordance with the Jewish plan of exterminating the White Race are driving the White people out of Africa. Is it "fair"? If so, it is just as fair to drive the Jews and niggers out of the White Man's territory, is it not?

\* \* \* \* \*

But let us now look at the specific controversy of resettling the niggers here in America and moving them out of our land. This problem is certainly not new and the solution to it was not invented by the Church of the Creator. It is an invidious problem of long standing that should have been solved a long time ago, and several of our most astute White statesmen and leaders have strongly advocated the expulsion of these black animals from out of our midst.

1. Thomas Jefferson, certainly one of the most fervent advocates of liberty, clearly realized the race problem as early as 1811, and formulated plans to have the niggers deported onto foreign soil, preferably Africa. This was at the urging of the Virginia legislature and its then Gov. James Monroe.

2. As a result of this initial impetus for the deportation of Africans, the American Colonization Society was formed in 1817. Among its high officers were such distinguished leaders as Charles Carrollton, a signer of the Declaration of Independence, Henry Clay, John Marshall, Wm. H. Crawford, John Randolph, Daniel Webster and Andrew Jackson.

In 1822 a large tract of land was secured on the west coast of Africa and it was called Liberia. Between 1820 and 1831 some 2,228 niggers were transported to this territory.

Having shown the feasibility of their plan, the Society in 1827 asked Congress to give its support and financial aid for the continuation of this highly important project. However, the hidden hand of the Jew was already in evidence even then and Congress did nothing. The Jews have been vigorously sabotaging every plan for the deportation of the blacks in our midst ever

# From Catholicism to Creativity

A corresponding letter from our future Pontifex Maximus

September 16, 1991

Clifton G. Swiger  
Fairmont, West Virginia

Dear Clifton:

It is encouraging that a person of your youth has discovered *Creativity*. In response to your letter, I had intended to prepare an article for *Racial Loyalty* on this same subject. Your letter has finally made me get with it in explaining my Catholic background, the Christian connotations in *The Score*, and how I arrived at my final religious convictions. It appears my story is similar to yours, and hopefully Headquarters may decide to print my answer to you in *Racial Loyalty*.

In *The Score*, if you notice, I did not meander into spiritualism, given the fact I was baptised, raised, and schooled under the guidance of Mr. Christ's spirit - Mr. Holy Ghost, and given the fact I dedicated the book to Mr. Christ. Like you, I did not start questioning the superstitions of Christianity until I was about 33 years old. Right after graduating from college in 1970, at a time when my family was financially strapped, I attempted to strike a bargain with this spook. I was 22 at the time. I promised him that I would attend Catholic mass every Sunday if he answered my prayers of making Nebraska Beef Packers a financially successful operation. You can see that I am a natural entrepreneur - a few million dollars for a few sacrificial hours on Sunday saying the Hail Marys to his virgin mother. It appeared that he, or she, had answered my prayers and struck a deal. Within a few short years Nebraska Beef Packers was a multi-million dollar corporation.

You must consider my Christian background, when I admit to the silliness of making such a contract with an imaginary spook. Before I could walk I was wrapped in a baby's blanket, cuddled in my mother's arms, and taken to the Catholic cathedral to be baptised with all the trimmings - with its various marble icons of the Virgin Mary, the supposedly celibate St. Joseph, and including the sacred Mr. Christ wearing His infamous crown of thorns for the many sins committed by us. My family believed this baptismal ceremony would save little Butchie Boy (my nickname) from the damnations of purgatory. Later I was ushered into a Catholic school and before the nun began reading her lessons, I was indoctrinated every morning reciting prayers - the Apostles' Creed, Our Father, Hail Mary, etc. Even to this day, after my mother and brother have been informed that I have been ordained a Creator, they tell me they are praying for me, asking all the spooks to provide me with some type of mystical help. My response is: "I don't want your goddamn prayers, I want action. Get hold of the headquarters and utilize your time constructively." I'm getting ahead of my story, but this does exhibit how ingrained Christianity is embedded in my family, and it does confirm the great Russian novelist Tolstoy's theory that Christianity appeals to the impoverished and destitute peasants because their life is so miserable here on earth and can only get better with prayers. My brother, who did not attend a Catholic school, did not get on this Christianity kick until he had separated from his wife. He is back living with her, and I guess he thinks prayers are the answer. I like the old Polish proverb - you can't live with them and you can't live without them. My father, on the other hand, has his doubts, and I speculate this is where I obtained my hereditary enlightenment.

When I retired at 30 and I was no longer

impoverished and destitute, I began to realize that Christianity and communism had much in common. They both argued on the basic philosophy that it was a sin to be rich and condoned the confiscation of wealth with a progressive income tax targeted at the entrepreneur. This ran counter-productive to a sound economic policy, because it takes wealth (capital) to run a business. If the entrepreneur is allowed to keep his wealth, it will be invested, which in turn will automatically create employment, distribution of his wealth, and more wealth from the productivity of the created employment. In 1979 JOG (Jewish Occupation Government) was taxing my income at about 70%. I asked this question: why would the church and the communistic government condone the taxing of capital and spend it foolishly for foreign aid and a larger police force when we were already over-regulated? I didn't have the answer in knowing the Jew international bankers must control every function of our lives in order to exist. However, I did refuse to have my last child, Lisa, born in the spring of 1983, baptised. Each of the previous children were honored with a large 100 guest christening party subsequent to their baptismal. So you can see, I already was fading from the Catholic scene in 1983. I just felt out of place, when the priest and his congregation conscientiously believed "money (wealth) was the root of all evil," when I knew it was an asset and not a liability.

Having gained these experiences in life, I was indicted in the fall of 1983 and convicted in the fall of 1984. I then spent four months in the Scotts Bluff County jail, which gave me the opportunity to read the Jew bible for the first time in my life. I was impressed with the fact Mr. Christ, who I assumed to be the Son of God, had continual confrontations with the Jew boys. During this period I was researching other subjects, and I began to grasp their power of the purse, their control of the Federal Reserve, and Zionism. Jesus Christ became one of my mascots, given the fact that 2000 years ago he raised hell with the federal reserve in Jerusalem's temple and the money changing Jews. And for this, he was nailed to a tree within three days. At this time, I really didn't give much thought as to whether He was the Son of God. I did find it particularly strange the all-

Last month we published "A Revolution of Values through Religion" which received enthusiastic acclaim from both our supporters and also our enemies. (See B & B on page 4 of this issue.) Now, just off the press, is Ben Klassen's magnum opus, his autobiography of 512 pages, complete with several photographs. It has been four years in the making. The title is "Against the Evil Tide," and details his life history, starting with day one. It goes even further back and includes an incisive and concise history and background of his Mennonite ancestors.

This book is for the current record and also for future historians. It lays to rest forever the malicious lies, smears and slanderous attacks launched by the multitude of vicious enemies trying to impede the onward march of the White Man's most dynamic religion - Creativity, the only real and comprehensive racial religion the White Race has ever had in its tumultuous 6000 year epoch of civilization.

## Camping Creators

Sirs,  
I was recently introduced to your organization by some new friends I met at a local camping site while my family and I were on vacation. I was very impressed with these men, their families, and their beliefs. One of the men's wives gave my wife a copy of some of your literature to read the last day we were there. I, unfortunately, did not get to read any of it, my sons and I were out with the other men in their boat fishing. That is where we got this address, my wife wrote it down.

I just moved here from Biloxi, Mississippi (no doubt the nigger capital of the south) to try to start my own business. I'm an electrician (ham radios/TV's/VCR's). I would greatly appreciate any information you could send me on how I can become more involved, and learn more about how to make our country a better place for my five children than it is for me. I haven't the money right now for dues, etc. The move and trying to get the business off the ground have almost crushed me, but rest assured I'll be back on my feet before too long. Please send me an application anyway.

Thank you,

## California Student

Dear Rev. Steve:

I did indeed get your letter and my sincere thanks for your taking the time and making the effort to write. It's so nice to get a response from a human being instead of a machine.

You are so right about this country being controlled by Jewish persons. They simply don't have proper morals or attitudes toward other people. And then there is their generally friendly attitude towards the blacks. Among the worst Jewish persons I have been subjected to was my Adv. Abnormal Psych professor Richard Shulte at SDSU, who did all sorts of horrible things to people, including children, for money under the table, hiring a raft of blacks to do his physical

dirty work instead of doing it himself. (And the blacks were stupid enough to do whatever he told them - all sorts of violence against whites. The whole psyche department is corrupt there, and controlled mainly by Jews. It is too bad that his little organization is not confined to campus or to California.

Jews think that they own the world. They seriously seem to lack a conscience, especially when it comes to white people. At the same time they maintain an attitude of superiority while acting without conscience. They will do anything (to anyone) for a dollar. Then they can't understand why nobody likes them. They have no scruples at all, and they seem incapable of learning scruples. They have behaved badly in every country they have been in throughout history and then they wonder why no one wants them anywhere. And they always seek to control every nation's money and politics while at the same time destroying the race and culture of the country that they inhabit.

Oh, I'm English, Swedish, Irish, Scotch and French.

Well, thanks again for writing. I have to get back to my homework. Our semester is starting on Tuesday and I have been reading in advance.

## Clear Priorities

Dear Sir:

At first, I thought you were all full of baloney. However, now that I look around me and see what has happened, what is happening, and what is going to happen, I believe the time is now for your organization.

I was a member of the JOG Army (1978-1952, JOG Air Force (1952-1956). Now I want to join something that is truly white American. My Korean War experience may be of some help.

Count me among your members and to hell with all Jew bastards who are striving to ruin us.

Yours for a White America,

## J.O.G. Oppression in Sweden

Dear Fellow Creators:

Yesterday my apartment was raided by JOG police looking for "Racist literature," meaning copies of Racial Loyalty. The district attorney had received orders from the District General to investigate COTC activity in the Karlstad area. Eventually, it seemed that it was some woman who had found a copy of the May issue of RL., and she then reported it to "The Swedish Association against Anti-Semitism," who in turn filed a complaint with the justice department's main man, Hans Stark (the same JOG agent who led the persecution against Rev. Ryden).

The police confiscated racial newspapers, magazines and other material. They took me down to the station for interrogation, which went on for two hours. They were very disappointed with me though, because the only thing they got out of me was the words: No comment!

Today I got a phone call from the police, telling me that I will get most of the confiscated literature back tomorrow, but they will take me in for further interrogation in the near future. But I will continue to keep my mouth shut.

The local newspapers have made a big fuss about all this (giving us free advertisement!), and JOG is furious. I enclose copies of some articles from the local press for your interest. I will

inform you as soon as I know if I will be prosecuted or not. One thing is sure though, it takes more than prison to stop the Creators in Sweden! The fact that our religion is to be considered as outlawed in this country has not stopped us from continuing to spread our holy creed. The sacrifice is necessary.

The second issue of our Swedish Creativity paper RAHOWA! will be out in late September, announcing the official formation of the Swedish division of the White Berets. JOG beware!

In closing, I hope that this will find you well. I will be in touch. Keep up the good work!

## Racial Dedication

Greetings:

I am an 18 year old member of your organization and am so glad I joined. It is nice to know there are people who feel the same as I do. I find the C.O.T.C. ideals are 100% correct.

If any whites out there feel there is non-racism against Whites, they are wrong! The white mother and her daughter who were viciously attacked by a bunch of savage niggers in Detroit at Hart Plaza during the fireworks display prove my point. I was forced to watch these fireworks from the Canadian side of the Detroit River because of the niggers who have made it unsafe to go to my own town anymore. If the non-whites make it unsafe for that, just think what they will do to your neighborhood when one black moves in - then another - then another until they make you a prisoner in your own town.

The White mother and daughter could be me, or even your wife and daughter. Does it take the killing of Whites to get the White race to wake up and realize their (the muds and blacks) prejudice and violence against us, to join the C.O.T.C.?

So, while you whites who care nothing about your race, are listening to rap music and seeing nigger films - like Spike Lee - I am going to protect myself and my race. Why are we fighting to be proud of our race? The C.O.T.C. is our army against those non-whites who spit on the White race.

Coming soon to a city near you!

## Spreading the Message

Dear Pontifex:

My name is Skip and I live in Panama City, Florida. My girlfriend and I have gone around town on our bicycles posting white power stickers on telephone poles, mailboxes, stop signs, newspaper machines, grocery stores, marinas, cars, and others. My only problem is that I got fired last Friday for calling in sick and not bringing in a doctor's note. I have just

(Continued on Page 5)

started another job. I am making \$4.25 an hour which is \$1.00 less than my previous job. Here is my problem - my girlfriend and I have put out approximately 1400 stickers and now I am barely making it on my new hourly rate. We, my girlfriend and myself, can no longer afford to buy any racial wake up stickers of any sort. I would appreciate any stickers, flyers, or other means of announcements through donations, if possible. I dearly treasure the White race and hate to see fellow comrades battered by these mud races. Please understand my foundations of support. We all need help!! You can expect to see my share of donations in a couple of months.

## Christian Baggage

Dear COTC World Headquarters:

My apologies for being quiet so long. Just received the latest *Racial Loyalty*, another fine issue!

Would you please send me the Pontifex's latest book, *Against the Evil Tide*, plus one copy each of *The Late Great Book - The Bible*, by Nicholas Carter, and *Christianity Exposed*, by Reverend Jones. Having been born, circumcised, baptized, confirmed, and brainwashed as a Christian (as if that wasn't enough), I now realize I was born into a unique breed of race seldom talked about in a positive manner. As for the brainwashing, well, they didn't do a thorough job, and I can proudly say all the effects have vanished. I believe a sound mind can be achieved through a healthy racial attitude, with proof all around me that the opposite is true.

Enclosed please find a money order for \$50.00 to cover the cost of the books and mailing. Please accept the remainder as a small token of my appreciation. Until next time,

RAHOWA!

Thanks for your letter and copy of *Nature's Eternal Religion*, we recently restudied *The White Man's Bible* and this was great in providing us with further information.

To give you further information, The Youth Support Scheme is a free health service we operate as Naturopaths and it is aimed at assisting late teens to live healthier lives. We take "X" number of free patients each week and the others help us pay our bills. We emphasize natural health as well as "Racial hygiene" i.e., no race mixing, beware of the Jewish mind-control (religion) and so forth. It works well and we can share our message carefully but successfully.

Our funds are always tight due to the fact that we always get more free patients than we get paying ones and hence we have to survive carefully. However, I believe what we are doing is quite unique and reaches an audience that would otherwise be difficult to contact.

We would love to become ministers of the COTC, can you send us a couple copies of your ministerial applications? I picked up your book, *Salubrious Living* (from a second-hand bookshop, believe it or not) and we certainly agree with your health principles. We are very impressed to find that the health program of COTC is so similar to our own.

If you can donate further books it would be great, any titles we could share with the people who use our service would be put to good use. We would also really like to get a copy of the Video so we can show it. We have an open night each week and I would like to use it to show. We get over 20 teenagers asking questions at our meetings and it would be of great use.

I have also been sharing this information with my wife and she is slowly "coming around" to our way of thinking too. So we have a good group that is responsive to the Creativity philosophy and are willing to share these ideas.

Again, we are eager to hear from you.

## Taking Care of Business

Dear Pontifex & Rev. McVan:

RAHOWA! White Men of Creativity! It's been a month now since my visit to the COTC World Headquarters. I apologize for not being able to write sooner. We Creators here in Toronto have been working on establishing our headquarters. We received some mainstream media coverage in regional newspapers as well as a couple of major television network newscasts.

Last Thursday (Sept. 5) we had our first open meeting for new recruits at the Toronto Latvian Hall. The hall was filled with interested Whites who are part of the Silent Majority here in Canada. There were also reporters and cameramen from a few networks. A small group of protestors stood outside (composed mostly of degenerate Amerindians as well as white race traitors). There were a few of these Red-faced alcoholics attending the meeting as well as a nigger at the back taking notes. Our guest speaker was Paul Frum who is a leading expert and critic on immigration for the past 20 years. The presentation was excellent and I'm sure it had a positive impact. His speech was followed by a standing ovation.

Again, I wish to add how great my stay was at the Church. The trip was the most incredible inspiration for my White Racial Soul to continue fighting for the survival of the White Race. Your hospitality was excellent.

I've enclosed a money order for \$100. U.S. This covers the materials I brought back with me. Again, sorry for the delay. I was about to send it two weeks ago but we had a nationwide postal strike here in Canada. Mail just wasn't moving so I didn't bother mailing at all. It's over now and I intend to continue regular correspondence.

I commend you all on the fine work that you're doing down there. Keep it up! You're always in our hearts and minds. We can't wait for the day that we'll return for another visit. Take care of yourselves and we'll see you soon.

Rahowa,

Yours, truly,  
Rev. Carl Alexander  
Toronto

## Throw the Bums Out!

Dear Sirs:

Today, I have sent to you by international money order the amount of US \$25.00. Kindly forward to me, by surface mail, two copies of *The White Man's Bible*. I'll send these books to friends in England and Italy.

The situation in Switzerland is getting worse every day. AIDS-infected niggers from Africa, Tamils from Sri Lanka, Turks, Arabs and other

non whites - among them a lot of criminals and drug-peddlers are pouring into this country at an ever increasing cadency.

"Someone has got to feed them and it's our Christian duty", say the churches, "to accept them as our Brethren."

"It's against Human Rights (another Jewish hoax) to send them back where they came from, we should show more tolerance towards them", advocate the Freemasons, be they of the Scottish accepted rite or of the French Grand Orient.

However, despite massive Jewish propaganda, people are getting fed up with this influx of alien mud.

The proof is that quite often, in the course of the last few months, the old buildings and wooden barracks where these "refugees" are being accommodated are set afire by angered White Europeans.

I am looking forward to receiving the two books and am, Dear Sirs,

Very truly yours,  
Max P. Morf  
Switzerland

## Third World Expansion

Dear Mr. Klassen:

Thank you for your letter, and I would also like to thank The Reverend from Canada that answered my letter. I have been reading the *Little White Book* that you sent, and I am really concerned about how much this country has gone down hill, and how so many different races live in our cities and other rural areas. It's really a shame to see our cities over run with niggers, Mexicans, etc. Most of them do nothing but sell drugs to our young people, and have gang wars that frighten and hinder the older generation of our race.

In every major city in the U.S. they are running rampant with drugs, killings and trying to steal the things that our race has spent years building and maintaining, and so many of our own kind are so blind to what the J.O.G. is and has been doing to us for centuries. Every time I think about it, it makes me sick with fury. Lets hope that our race can eventually overpower the sinister minds that plague us and our country.

I would now like to thank you for your understanding with my current situation, and as soon as I can I will gladly make a donation and pay for my subscription to the paper. Enclosed is a small photo of me, and another one that's not really up to date, but will serve the purpose.

Thank you once again for your consideration and my membership.

RAHOWA!  
Respectfully

## Creativity in Sweden

Dear Friends,

Yesterday a TV interview with me was broadcast to the whole nation and a longer episode (including a picture of PM Ben Klassen) showed up on the regional level! Another big fancy station asked me for an interview to be aired next week, but I told them it is impossible for me to participate in a program with a Jewish TV host. Today a well known newspaper with 403,800 readers all across the country wrote a bunch of lies about me and the COTC. However, the interest from the public grows with the publicity. Reverend Twaland was mentioned in another program as a "neo-nazi" but labels like these won't stop any of us.

Take care!

### Judeo-Christian Bible has Cure for Dirty Intestines

## Dagger in Fat King's Gut Gets "Dirt" Out

AND OUT CAME DIRT ?

*Ehud made a double-edged dagger  
Beneath his robe 'twas girt.  
He thrust it into a fat king's belly,  
And then came out the "dirt."*

The Lord's anger with the children of Israel for committing evil deeds strengthened fat Eglon, the King of Moab, in that God put the Israelites under Eglon's rule for eighteen years. After this period of subjugation God finally heard their cry and "raised up" Ehud as the man to deliver them. Ehud did so by tricking the obese king into receiving "a message from God," then stabbing him in the abdomen with a long, double-edged dagger that he had made especially for the purpose. Driven in to the hilt, the knife penetrated the king's intestines thus spilling out the contents, or "dirt." The assassination apparently inspired the Israelites as they then promptly slaughtered all of Eglon's forces - "about ten thousand men, all lusty, and all men of valour," and regained their freedom.

#### Judges 3:

12. And the children of Israel did evil again in the sight of the Lord: and the Lord strengthened Eglon the king of Moab against Israel, because they had done evil in the sight of the Lord.

13. And he gathered unto him the children of Ammon and Amalek, and went and smote Israel, and possessed the city of palm trees.

14. So the children of Israel served Eglon the king of Moab eighteen years.

15. But when the children of Israel cried unto the Lord, the Lord raised them up on a deliverer, Ehud the son of Gera, a Benjamite, a man left-handed: and by him the children of Israel sent a present unto Eglon the king of

Moab.

16. **But Ehud made him a dagger which had two edges, of a cubit length; and he did gird it under his raiment upon his right thigh.**

17. And he brought the present unto Eglon of Moab: and **Eglon was a very fat man.**

18. And when he had made an end to offer the present, he sent away the people that bare the present.

19. But he himself turned again from the quarries that were by Gilgal, and said, I have a secret errand unto thee, O king: who said, Keep silence. And all that stood by him went out from him.

20. And Ehud came unto him; and he was sitting in a summer parlour, which he had for himself alone. And Ehud said, I have a message from God unto thee. And he arose out of his seat.

21. **And Ehud put forth his left hand, and took the dagger from his right thigh, and thrust it into his belly:**

22. **And the haft also went in after the blade; and the fat closed upon the blade, so that he could not draw the dagger out of his belly; and the dirt came out.**

23. Then Ehud went forth through the porch, and shut the doors of the parlour upon him, and locked them.

24. When he was gone out, his servants came; and when they saw that, behold, the doors of the parlour were locked, they said, Surely he covereth his feet in his summer chamber.

25. And they tarried till they were ashamed: and, behold, he opened not the doors of the parlour; therefore they took a key, and opened them: and, behold, their lord was fallen down dead on the earth.

26. And Ehud escaped while they tarried, and passed beyond the quarries, and escaped into Serath.

27. And it came to pass, when he was come, that he blew a trumpet in the mountain of Ephraim, and the children of Israel went down with him from the mount, and he before them.

28. And he said unto them, Follow after me: for the Lord hath delivered your enemies the Moabites into your hand. And they went down after him, and took the fords of Jordan toward Moab, and suffered not a man to pass over.

29. And they slew of Moab at that time about ten thousand men, all lusty, and all men of valour; and there escaped not a man.

30. So Moab was subdued that day under the hand of Israel. And the land had rest fourscore years.

31. And after him was Shamgar the son of Anath, which slew of the Philistines six hundred men with an ox goad: and he also delivered Israel.

The odd thing about this story is that the Israelites, after eighteen straight years under the Moabites' subjugation, were able suddenly to

NOW HOW SHOULD I START THIS PACK OF LIES OUT? LET'S SEE, "IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH:"

A JEW AND THEIR LIES

rise up and overthrow those who had been in control over them for so long. That a king might be slain is not so surprising. That his elimination should place his well-equipped, valorous military forces and its leaders in such circumstances that a people without weapons of war could suddenly overcome them all does, however, cause one to wonder. On the other hand, we must remember that God has come back over to Israel's side, and does have ways of deciding how events turn out.

Incidentally, although Verse 31 of Judges 3 immediately follows the story of Ehud's killing of King Eglon and the overthrow of the Moabites, it has nothing to do with that event. It is nevertheless a great story in itself while also as violent as any other Biblical mayhem. One wonders why it is given only a single sentence. Surely a warrior like Shamgar, without the help of God (at least none is mentioned), obviously enormously resourceful and strong as well as miraculously adept in the use of an ox goad as a weapon of war, should deserve greater attention in Biblical history inasmuch as "he also delivered Israel." In the belief that Shamgar's accomplishment should have additional recognition we offer the following verse as a gesture of "poetic justice" for the man:

*An unsung hero is the man Shamgar,  
So gallant a fighter, so mighty in war.  
His weapon was simple, being but an ox prod,  
Yet with it he killed hundreds for the glory of God.*

I DON'T BELIEVE IN THIS RELIGIOUS GARBAGE MYSELF. BUT IT SURE BRINGS IN THE BIG BUCKS !

### Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the anti-natural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaea!*

# How We Will Build

(Continued from Page 2)

since. They want the niggers to stay and mongrelize the White Race.

The Colonization Society nevertheless continued its efforts and did, in fact, move 20,000 niggers from America to Africa. But with the Jews blocking their every move and Congress not giving its official support, it gradually declined in effectiveness.

3. The racial problem festered on and finally exploded into the devastation of the War between the States, 1861-65, a terrible tragedy for all White Americans, especially for the South.

Abraham Lincoln, also realizing the seriousness of the problem of having two completely divergent and incompatible races living in the same land, strongly advocated moving the blacks out, and instituted a Bureau of Emigration to begin their deportation. He advocated one colony in Haiti, and another in Colombia. However, again because of Jewish opposition and since Lincoln was assassinated at the end of the war, both of these projects were stymied. Had he not been assassinated (by the Jews) the chances are that a meaningful deportation program would have been pursued by the U.S. government under the leadership of Lincoln.

My biggest Mistake was  
I didn't ship the niggers  
out before the Jews  
assassinated me.

4. Briefly, let me summarize other prominent American supporters, advocates and promoters:

(a) President Millard Fillmore presented a plan to Congress for the emigration of all blacks as early as 1852. Congress ignored it.

(b) President Ulysses S. Grant advocated a similar program.

(c) Marcus Garvey, a black mulatto, in the 1930's organized the Universal Negro Improvement Association advocating the resettlement of blacks to Africa. He enlisted the support of 6,000,000 black members, but the Federal government under the control of Roosevelt and the Jews hounded him, framed him, imprisoned him and stymied any such constructive action at every turn.

(d) U.S. Senator Theodore Bilbo spent most of his political life advocating the resettlement of blacks to Africa. He introduced a bill in the Senate (April 24, 1939) to make this possible, and secured the support and signatures of 2-1/2 million blacks. Again, Roosevelt and the Jews killed the bill.

(e) Senator Langer introduced a bill in 1957 providing aid for blacks desirous of migrating to Liberia.

(f) Malcolm X, a black mulatto leader, strongly advocated the back to Africa movement. He, too, was assassinated.

(g) Louis Farrakhan is strongly advocating separation of the races, to the fervent vocal support of millions of niggers. However, he is now demanding that the separated niggers be

given a major piece of America itself.

The upshot of all previous history is that the racial problem is becoming ever more heated, more violent, and will not go away.

The only feasible solution to this lingering cancer is to ship all the niggers in America back to Africa. Once we, the White Race, have destroyed the Jewish stranglehold, and have gained control of our own destiny and of our own government, the problem can be solved. This we will do with, I believe, the overwhelming support of the niggers themselves. Let me state it again - it is not the niggers that are blocking the solution, it is not the White people, it is the Jews.

\* \* \* \* \*

Let us now again take up this question of "fairness," and is it fair or is it not fair for one people to drive another out of their territory and occupy it for themselves? As history has shown from time immemorial, this question is entirely moot. History has demonstrated repeatedly and irrevocably that territory is occupied by those people with the will and the means to conquer the territory they desire, and then held by those capable of, and determined to hold it.

Is it fair? Perhaps not, but history is not fair. Nature is not interested in fairness. The bigger fish eat the smaller fish, the coyotes eat the weaker rabbits and rodents, and on down the food chain. Is it fair? Evidently Nature says it is, and there is only one Law of Nature that predominates in this regard, and that is the Law of Survival of our own species on this Planet Earth. Nature severely punishes with extinction those species that are too lazy, too laggard or too incompetent to take on the struggle for survival. The bottom line is: **Eternal struggle is the price of survival.** I didn't make the rules but merely observe and learn from both the lessons of history and the laws of Nature. Having accepted the facts of life, I have no quarrel with reality.

Nor is the moral question of survival of its own kind any problem with any of the races of mankind other than the White Race. In fact, they exalt and glorify their triumph over their enemies, whoever they might be. When one Indian tribe destroyed another they celebrated the extermination of their rivals with great gusto. The Old Testament is full of repeated glorification of how the Jews, with the help of their Jahweh god slew the enemy with the edge of their sword until every man, woman and child had been slain. Even the White Romans, Greeks and Egyptians staged massive celebrations over their victories throughout their history. The Romans shed no tears, felt no pangs of guilt when they finally conquered Carthage after more than a century of hostility. On the contrary, they burned Carthage to the ground and sowed salt in its ruins, and were damned glad they had destroyed an overwhelming threat to their survival. It was only after the treacherous Jews inflicted the New Testament brain scrambler on the Gentiles that the White Race was plagued with the so-called morality of guilt and "fairness." We can specifically point to the Sermon on the Mount teachings of "love your enemy", "turn the other cheek," "sell all thou hast and give it to the niggers" for the suicidal origin of this self-destructive idea. (See "The Sermon on the Mount," Page 154, "A Revolution of Values.")

\* \* \* \* \*

Having thrown all this perfidious and suicidal Jewish advice overboard and established a rational and realistic moral base for our own survival, we are now ready for its next step.

**Step No. 7.** Ever since Columbus discovered America in 1492, the White Race pursued a vigorous program of expansion and colonization, a healthy instinct Nature

has imbued in all its creatures, whether they be animals, birds, insects or plants. This expansion was first led by the Spaniards and the Portuguese, then rivaled and surpassed by the French, the Dutch and the Anglo-Saxons. There was one major difference between the former and the latter groups. Whereas the Spanish and Portuguese poisoned their gene pool in the New World by interbreeding with the indigenous natives, the Anglo-Saxon group, by and large, did not. The result is (or was) the great country of the United States we once knew, and to the detriment of the Latinos, the mongrelized mix-breeds and mestizos of Mexico and South America.

Be that as it may, this surge of energy by the White Race lasted for some 450 years, then came to an ignominious halt after the suicidal events of WW II. Not only did it come to halt, but through the Marshall Plan and the insane American policy of subsidizing all the scum, free-loaders and mud races of the world, we, the White Race are now in full retreat, running before our inferiors, apologizing for our previous success, and thanks to the devilish manipulations of the Jewish Kehilla, we, Nature's Finest, are now on the road to extinction.

**Be it therefore resolved, we, the White Race are now determined to take Step No. 7,** the final stage of building a Whiter and Brighter World. We are determined to take up where our White ancestors left off 50 or 100 years ago and resume the colonization program of our illustrious forebearers and expand the domain and territory of our great Race. We now have the moral base on which to proceed, fully backed by our religion, supported by centuries and milleniums of history, and furthermore, by the Eternal Laws of Nature. We need nothing more.

We will make one major change in our future expansion. Instead of conquering new territory and intermingling and exploiting the cheap labor of the natives, we will have none of this nonsense. Instead, by planned and deliberate measures, we will make a cleansweep, one measured addition at a time. **In such territories as we colonize we will clear it of the mud races and settle it with White families exclusively.** No longer will there be any of the former muddled geographic race-mixing. We will settle and digest one segment of territory, then go on to the next, **until such time as this beautiful planet will be settled and inhabited by its most deserving heirs, Nature's Finest.**

Only through Creativity can we accomplish such a noble and far reaching goal. **Join with us today!**

## Cupid's Corner

One of the 16 Commandments of CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"

Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries.

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty  
P.O. Box 400, Otto, NC 28763, USA

- 1..Include a recent photo of yourself.
- 2..Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
- 3..Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
- 4..Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service - CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service - CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty.

**White Men and Women, be fruitful and multiply! Do your part in helping to populate the world with your own kind! Rahowa! This planet is all ours!**

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service, CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mis-matches. "Caveat emptor!" Buyer beware!"

### Important Note:

Dear participants in the White Racial Match-Making Service, please be patient!

It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

## Ten Billion Pounds of Flesh

### A Lesson in Jewish "Chutzpah"

Benjamin Franklin to this day stands out as one of the greatest minds in the history of White America. His notable accomplishments and inventions were wide and varied and are a fine example of White creative genius.

In addition to Mr. Franklin's long list of achievements, one might also note that he had made some very accurate predictions about the future of White America concerning the Jewish question.

Having spent extended time in England which at that period held the major concentration of Jews in the west, Mr. Franklin was well aware of the existing problem there that would soon duplicate itself here in America once the White race had succeeded in colonizing the new land and opened the western frontier.

In 1789 Mr. Franklin made the apocalyptic statement concerning the future of White America "If the Jews are not excluded from the United States by the Constitution, within less than 100 years they will stream into this country in such numbers they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded within 200 years our children will be working in the fields to feed the Jews while they remain in the counting houses gleefully rubbing their hands."

Since Israel became a nation in 1948 through the efforts of America and Great Britain they have continually demonstrated their aggressive treachery and obnoxious and outlandish demands on the White race worldwide.

Many Jews today make no secret about the devious program that they are orchestrating against the White race and White western culture and are openly and confidently flaunting their "Chutzpah" to the White world. (Chutzpah is a Jewish term used to signify the Jewish attitude of arrogant defiance.)

A recent and clear example of the arrogant gall of the Jewish race is Israel's present demand of ten billion dollars in the dubious form of a U.S. loan guarantee. Now that some serious Chutzpah from a nation that already demands 3.5 billion in foreign aid each year from the United States alone.

### Give! Give! Give! to ISRAEL

Pictured above is Israeli prime minister Shitsack Shamir, renown bloody terrorist of Stern Gang and Mossad assassination hit squads in the 1940s. Shitsack is responsible for the deaths of many British officers. Our U.S. government wines and dines such murderers today.

Israel boasts of having an abundance of wealthy billionaire sympathizers (over 100) at their disposal, surely one of these billionaire moguls could easily cover the loan. After all, according to Israeli assurances, there is no

money to be lost, it is just a loan guarantee, right? Only a fool would believe that and there is one such fool who will believe just about anything that Israel tells them and that is old Uncle Sap and his liberal bootlicking Jewish stooge called 'Congress' and a bureaucratic armchair warrior president who would sell his own mother to slavery if Israel willed it so.

One must ask, just what it is that gives Israel the right to demand anything, especially from the U.S., a country that has given away more money to the bandit state directly and inadvertently than any other one country in the world and continues to receive 3.5 billion a year in U.S. Foreign Aid. Our own nation is now over 2 trillion dollars in debt, falling apart at the seams and rapidly approaching third world status. Who is ready to come to our aid in our hour of need? The answer is simple, no one, least of all Israel whose Jewish sympathizers control the purse strings of the world.

Israel would have us believe that the recent demand of a ten billion dollar loan guarantee is justified as a fund for Soviet Jewish immigrant resettlement. If so, why should Jewish Soviet immigrants have priority over White Soviet immigrants who would like to settle in America?

Jews are leaving Russia in a manner similar to a parasite which leaves its host when the carcass has been picked clean. Before the Jews pick America's carcass clean and our great White Race and culture, we would all do well to take heed of the wise and admonishing words of Benjamin Franklin and many other White people of greatness in our illustrious history who have seen through the veil of our enemy and stood strong and proud in defense of our race.

Creativity is now the last bastion of hope for the survival, expansion and advancement of the White race. Let White Men and Women around the world unite and join forces under the banner of Creativity and ask themselves a very simple question, "If the White Race is not worth saving, what is?" Let us stop the racial suicide of supporting our enemies and start building a Whiter and Brighter World.

### 'Distortion' On Life of Jews Told

CHICAGO--(AP)--An American Jewish leader contended that Jews are in better shape in Algeria and the Soviet Union than they have been pictured in some reports.

That was one of the points made by Leonard R. Sussman, of New York City, executive director of the American Council for Judaism.

The council regards its members as Americans by nationality and Jews by religion. It is strongly opposed to Zionists, who have been building up Israel as the homeland of Jews. Sussman, in a speech at the council's annual conference, asserted:

"The Zionist movement wants to picture Jews constantly in trouble. It is bad for fund raising and bad for immigration to Israel if Jews are not in trouble."

Sussman said Zionist-dominated organizations have charged persecution of Jews in the Soviet Union. But, he added, experts could find no substantiation except for discouragement at all religions since 1917.

"Russian Jews, on the whole," he said, "are among the privileged class of Soviet society in a far greater proportion than their percentage of the population."

Sussman said that what he termed "distortion" originates in the Jewish press, particularly the Jewish Telegraphic Agency.

powerful God would allow him to be punished, nailed to a tree, and put on exhibit for all humanity.

After finishing *The Score* in 1986, my next stop was the federal prison. At this point in time, I didn't really understand the race issue, even though I touched on this subject in *The Score* and acknowledge that we and the Jew were not the same peas in the pod. I was brought up with the Christianity principle that everyone is created equal. And secondly, I was raised in the rural Rocky Mountain west where we do not have the experience of living next door to the city slums infested with niggers and muds. A few months in prison gave me that experience - that we were birds of a different feather and did not flock together.

After over a year in prison, the Pontifex Maximus received a copy of *The Score* from the monetary sage Roger Elletson. After reading my book, the Pontifex immediately forwarded to me his masterpiece, *Nature's Eternal Religion*. I thumbed through it and gave it to another prisoner, who became attached to it. I was busy doing legal work, and I did not immediately have the time to concentrate on NER. A month later the Pontifex sent me a letter requesting a critique of NER. I had to somewhat hedge my answer because I had read but a few pages of the sacred scripture. I do remember writing him that I didn't believe in all this "Christianity bullshit." Shortly thereafter I was thrown in "the hole" (solitary isolation) for giving and receiving the *Steg Hell* salute. The night before we had a small get together of about eight prisoners in which we would read certain verses from the *Protocols of the Learned Elders of Zion*. The prisoner to whom I gave NER also used certain lines from NER at this get-together. When a prisoner would hit on a line in which we all agreed, we would salute and shout *Steg Hell!* Since I was receiving Heil Hitler salutes when I walked across the prison compound, a certain Jew wrote an anonymous letter to the warden and I was locked up and shipped to Oxford, Wisconsin, 90 days later. In the meantime, I requested the prison guard to retrieve my NER from the prisoner I had loaned it to. Fortunately, I got it back, and I had just finished reading the authentic translation of *Mein Kampf*. I read NER from cover to cover, and coupled with the fact I had finally got ahold of the real *Mein Kampf* - I had previously read a Jewish translation of Hitler's tome that was garbage - I concluded - **This is it!**

I was so enthralled with this new masterpiece, I immediately corresponded with the Pontifex and had him send all of my family, aunts, and uncles a copy of NER. Due to their ancient Catholic ancestry and the fact I am in prison, their response has been minimal. But this lack of encouragement has not deterred my ambition to spread Klassen's words and the truth.

In 1989 the Pontifex Maximus visited me in Seagoville, Texas, and we agreed that I would submit my application to be the next Pontifex Maximus. I have faithfully pursued *Creativity* despite being repeatedly thrown in "the hole" by a Jew stool pigeon. For my legal perseverance and my attempts to practice my religion in prison as other prisoners practice their religion, I have had over 100 bunk spaces, I have seen 18 federal prisons, and I have been transferred 30 times. In prison venacular, this is known as diesel therapy. My main gripe is that JOG allows the Federal Bureau of Prisons over \$12.00 a day to feed a Jew, and only \$2.25 a day to feed a goy. Also, they refuse to allow us a holy hour in the prison chapel or to possess our sacred scriptures *The White Man's Bible* and now *Nature's Eternal Religion*. Now that I am aware of the "whole ball of wax", the Jews do not want me out of prison, or even in the general

prison population. I have spent over 900 days in "the hole" since discovering *Creativity*.

Creator Rev. Slim Deardorff displays how he feels about J.O.G. oppression that has forced him to dismantle his Montana Cabin and abandon his mining claim which he has worked for the past eleven years.

J.O.G. will not ruffle Slim's feathers - he's a true Creator and survivor!  
Keep on 'em Slim!

"THIS IS my last act of defiance," Deardorff said Wednesday after burning an American flag on the embers of his mining claim. "I love my country but I have no respect for the federal government."

In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide White Racial Community with one White Racial Religion (*Creativity*) and with one White Racial Language (Latin). ## Rising

by Charles Schauf

We have settled in this corner of the universe, now we will move out into the cosmos -- beware of the migrating white race! We are the Godly race, we have already reached the moon, with no help from the southern races.

We are the creators of civilization, from the pyramids to the space stations, we engendered the human world.

We have only been softened, for a time, by luxury, which is more dangerous than war, The Semitic fog that drugged and blinded us is lifting, we know now how nations collapse,

A superior race from some other star system might watch us and wonder why we do not put our globe in order by separating the races,

Nietzsche and Wagner would have expected to see new White temples by now, with great art affirming a great race;

But we will rise, as we have always risen, and white lands will spread across the world like a golden river,

Our women will once again fulfill their eugenic maternity, our children will play among the sunflowers,

Our souls will activate us toward Godhood through racial evolution,

But martyrdom powers the great religions, and rising is a conquering storm.

The age of chivalry is never past, so long as there is a wrong left undressed on earth.

We must not ask whether it is possible to attain our goal, but whether it is necessary. If it is impossible, then we shall try our best and perish in the attempt; but if it is necessary and proper, then we must believe that it is possible.

- Charles Kingsley

Far better it is to dare mighty things, to win glorious triumphs even though checkered with failure than to take rank with those poor spirits who neither enjoy much or suffer much, because they live in the grey twilight that knows not victory nor defeat.

- Teddy Roosevelt

The wisdom of a thousand generations slumbers in you. Waken it, and you have found the key which will open the door to your deepest desire. Only he who esteems himself is worthy of being a man. Only he is a man who bears the living past and future in himself, for only he is able to stand above the present moment. And only he who is master of the present is successful; he alone is fortunate. And only in the fortunate is divinity. Thus sayeth the voice of our ancestors.

- Wulf Soerensen

## WHITE HEAT CARTOONS

by Ron Quinn

### Urgent: Help Save the White Race from Extermination

That the White Race is targeted for total extinction from this Planet Earth is now so obvious that there can hardly be the slightest doubt in the minds of even the most uninformed yokels. The mud races, led by the treacherous Jews, and fed and subsidized by the White Race, are now multiplying at an explosive and unprecedented rate. They are, in fact, winning the rat race, and taking over the world. The end result, not far off, is, I believe, as foreshadowed in C.C. No. 30 of the W.M.B. "The Grisly Lesson of San Domingo -- a Forerunner for White America." When the Jews and mud races gain full control they will pursue to the limit every White man, woman and child. They will leave no pockets of White resistance or White civilization anywhere in the world.

I have further bad news. A world that is now hurtling towards chaos and terrorism, the flash point will come with a thunderous collapse in that last bastion of White power left in the world, namely the United States of America. This grim scenario has already been triggered by the precarious state of our savings and loan, banks and financial system in addition to the industry and corporations that are deteriorating and diminishing in this country at a rapid rate. It is my belief that this catastrophic collapse will occur before the end of this decade.

There is still an **Island of Sanity** left in a world that has gone stark, raving mad, and that island is the Church of the Creator. If you want to save this world, save the future of your children and grandchildren, save the civilization the White Race has so laboriously built over the milleniums, then there is only one answer: Think not in terms of where you can hide, or where you can sock your "savings" away in some pidgeon hole, but **Invest in the White Race**, your one and only asset worth saving, and your one and only safety net. If it goes down the drain, it won't matter a damn what else you might have tried to save.

We believe that in Creativity, in total involvement in the holy racial war that has been imposed upon us, lies our only hope and salvation. RAHOWA! is the total and only answer, and the future creed, program and religion of the White Race. Jewish Christianity, with its pusillanimous program of love for the niggers and its hatred for the White Race, has to go, if we are ever going to get our bearings straight. Creativity is the one and only replacement for this suicidal Jewish creed.

We need your help and you need the Church of the Creator, if any of us are to survive. We are doing what we can with very limited resources. We need your renewed support. We ask you to join our dynamic movement, join with us, support Creativity to the limit of your resources so that we can demolish our fiendish enemies once and for all, and begin building that Whiter and Brighter World, the only world in which we can survive and prosper.

Rahowa!
