REV. RUDY STANKO is out of the clutches of the JOG's Gulags

by Ben Klassen, P. M.

Finally, after five years, four months and four days Rev. Rudy Stanko was released from the Marianna Federal Penitentiary on December 12, 1991. He had been behind bars in 18 different Federal penitentiaries all across the United States, in some of which he had been incarcerated more than once. During this period he had been die-seled more than 30 times. (To the uninitiated the term "die-seled" is used to describe a sudden transfer from one prison to another, perhaps a thousand miles away, without prior notice and for no given reason. This brutal procedure is used by JOG to keep the prisoners confused and disoriented, especially while in the process of filing and pursuing a legitimate lawsuit against the prison authorities that had abused and violated his civil rights.)

For what reason did Rudolf Stanko receive a stiff six year prison sentence? Did he commit any crime? No, he did not. Was he a dangerous felon? No, he was not. He had never harmed anyone in his life.

Then what was his crime? There was none. The only reason the Jews put him behind bars was that Rudy Stanko was an extremely competent and honest businessman, whose outstanding success in the boneless beef business was cutting deeply into the Jewish meat cartel. This the Kehilla could not tolerate -- a goy who beat them at their own game against tremendous odds. When we talk about odds we are talking about going against an organized Jewish cartel -- who, like the gangsters, collaborate to keep everyone else (goyim) out of a massive rigged business, which they arrogantly feel they must own and control for themselves.

I am not going to review the several successful businesses that Rudy Stanko built up and managed. The details are set forth in his own book "The Score" which can be ordered from our Church bookstore. The fact is that starting from scratch, Rudy was a multi-millionaire by the time he was 35, doing a \$200 million dollar business a year and employing as many as 600 people in Nebraska, Colorado and Wyoming.

Once JOG and the Jewish media had targeted Rudy for destruction, they first spent a full year slandering, attacking and lying about him and his companies. This smear campaign, deliberately planned for future prosecution, was instigated by the ADL and was initiated by NBC's First Camera, a program now defunct and probably set up specially and for no other reason than to smear and slander Rudy. After First Camera's vicious public attack this was then soon followed up by the other Jewish bloodhounds in ABC and CBS until they had such a fiendish smear campaign going, they managed to convince at least part of the public that this dynamic, honest young businessman was a criminal of the first order. Having done their dirty deed effectively, JOG was now ready to haul him into a rigged court and press criminal charges, with a devious and clever Jewish judge presiding. This slimy fox's name was Judge Sherman Finesilver, a kike of the first water, loyal as always to the Jewish Kehilla. Let us remember his name for future reference -- **Judge Sherman Finesilver.**

The worst offender, (some Jew) who had ever been convicted of the crime of which Stanko was charged (but had not committed, namely producing foul meat) had served no more than three months in the penitentiary. However, this depraved, vengeance-bent Jew, Finesilver, sentenced Rev. Rudy to six years. Imagine! Six years, after years of slander by the JOG news media, millions spent in rigged court procedures for no other reason than that Rudy Stanko was a more competent businessman than the Jewish cartel and was undercutting their monopoly.

AFTER FIVE YEARS FOUR MONTHS
BEHIND BARS AND BEING SHIPPED
AROUND TO 18 DIFFERENT PRISONS
REV. RUDY STANKO IS
NOW OUT !

What is the Matter with being a Racist?

In their long and depraved history, the Jews have launched and promoted any number of evil and destructive movements and ideas. To name a few -- Judaism, Christianity, Communism, the United Nations, race mixing and the program of the White Race feeding and subsidizing all the scum and mud races of the world. There are dozens more, such as the French Revolution, but we will not pursue the list of evils that were conceived and promoted by the Jewish network over the last 5000 years.

I'M PROUD TO BE WHITE
AND SO SHOULD YOU.

WHITE IS EVIL
THE JEWS SAY WHAT HE IS SAYING
IS NOT ACCEPTABLE

In promoting any and all of these movements their key weapons always have been, and still are, propaganda, lies and deception. The main trick is to hold up false images -- make the evil seem good, and make the healthy and salubrious seem evil. An example of the former could be communism, and an example of the latter would well be exemplified of the evil image they have built up about the genius of the greatest leader the White Race has ever had, namely Adolf Hitler. They have used this same technique in selling communism to the Russians and the world, in selling Christianity to the Romans, and race-mixing to the Americans of today. All these ideas and movements were (and are) built on lies being repeated over and over again until the unthinking yokel finally accepts them as being a self-evident truth (such as *all men are created equal*). They hammer away at the same goddamn set of lies endlessly and relentlessly until they have enough believers to build their evil movements. The technique consists mostly of building up a stable of epithets, which, when once established firmly enough, all the Yids need to do is hurl them at their enemies and no substantiation or argument is further needed. The Christians used this technique, it was used by the Communists, it is

But take heart! Rudy is now out and the Church of the Creator will avenge this foul piece of Jewdicial JOG chicanery as we will also avenge the horrible crimes of Dresden. Remember what they did to Rev. Rudy they can, if left in power, do to any outstanding White man. It is our business to see to it that the Jewish power is broken and the White man again takes control of his own destiny.

Rudy was born in Gering, Nebraska on February 15, 1947. He is a true Westerner and an outstanding, imaginative entrepreneur of the first caliber. He comes from two generations of meat processing families on both his father and his mother's side. He graduated in Business Administration and Accounting from the University of Wyoming in 1970. However, he has told me that his "college education" was by and large a waste of time. When he graduated, he says he had not even learned the truth about the Jewish Federal Reserve System. Like everyone else, he had been led to believe that it was a government agency and was not private. Later he learned that in reality it was a private gang of Jewish counterfeiters controlling the U.S. financial operations, and in fact, the finances of the entire world.

REV. RUDY STANKO IS OUT
AND NOW ITS PAY BACK
TIME

DELEND A EST JUDAICA

I first learned about Rudy by reading his book "The Score." I contacted him and made arrangements to get together with him when he was incarcerated in Oxford, Wisconsin in April of 1989. After many phone calls with the authorities and filling out applications I finally received a visitors clearance to see him. However, I could tell that the authorities were extremely alarmed about the two of us getting together. Nevertheless, with a written authorization in hand I arrived at the Oxford Federal Correctional Institute at 9:30 AM on April 9, 1989. When I walked up to the officer in charge and asked to see Rudy Stanko, he blankly looked at his inmate roll and said "Stanko? Stanko? We have no Rudy Stanko here." After another two hours of my raising hell, they finally admitted that they had "dieseled" him out of there the day before, obviously so that we would not be able to meet.

I persistently continued to pursue my efforts to get together with Rudy, nevertheless. Finally on Saturday, June 3, my efforts paid off and I did get together with Rudy in the Seagoville, Texas F.C.I. It was a great meeting. The first thing I noticed was that a gorilla nigger "guard" had knocked out one of his front teeth in a demonstration of JOG prison brutality. Anyway, we had a good three hour meeting. I quickly got to the point and asked him if he would consider succeeding me as Pontifex Maximus as soon as he got out. He said he was honored and would give it serious thought. He had already read several of my books in the meantime.

I had the opportunity to visit him three more times in different parts of the country, and we further cemented our relationship for him to take over leadership of the

church. Actually, I had to make four more trips to make these visits, on one of these, to Atlanta they again pulled the "diesel" trick on us and heisted him away, either the day I got there, or the day before.

Finally, on the evening of December 12, 1991 I got the phone call from Rudy from Marianna, Florida that he was out, but would have to go through another period of 60 days under the watchful eye of a Parole Officer in Montana. It was great news, and he was going to take a bus to Columbus, Ga. where I would meet him and take him to our home in North Carolina.

We met there at 1 PM on Friday, December the 13th (our lucky day!) and then drove to The Red Lobster Restaurant in Atlanta where we celebrated the event with a delicious seafood dinner. We then drove to my home near the church where I introduced him to the boys, then took him to my house. Here he stayed overnight, and after a homecooked breakfast I cooked myself, Rudy and I went back to the church and the school. I further showed him our entire layout. I then drove him to the Asheville Airport (Dec. 14) where he took off for Montana to meet his commitments with his Parole Officer in Billings.

* * * * *

It is now only a matter of days before he will have completed his parole period and will be free to come and go. He has promised he will be here on the premises of the Church and I will transfer and delegate all authority and responsibility to him shortly after he arrives. The actual ceremonies which we prefer to call "Transfer of Leadership" (rather than inauguration) will follow shortly thereafter, probably on our Foundation Day, which is March 10. It was on March 10, 1982 that we began to lay the foundation of the Church of the Creator, and this important transfer will then proceed exactly 10 years later.

A new day is dawning. Under the dynamic and energetic leadership of a competent administrator and leader, our movement will now really take off into orbit and nobody will be happier than I to make this great transfer, thereby propelling our historic movement into perpetuity.

Let the Jews shiver in their boots.

RACIST

(Continued from Page 1)

used by the race-mixers of today. The Christians built up such epithets "pagan", "atheist", "anti-Christ", "sinner" and a host of others. Communism's main target was the word "capitalist" (which would describe any competent man of intelligence and achievement). The source of most of these convoluted ideas originated out of the Jewish New Testament, first conceived by Pharisee Jew Saul of Tarsus. Remember the Sermon on the Mount? Or the story of Lazarus and the Rich Man?

Today we want to more closely examine the word "racist", a description the Jewish press and network considers as one of the most evil and despicable words in the English language. To be a racist is to be evil per se, and since we Creators openly declare that our race is our religion and we are proud to be racists, according to the Jewish mind-set we are all evil, just as Jewish Christianity deems all people are sinners and automatically evil from the day they were born. "Racist" and "racism" is indeed the Jew's favorite epithet and they will throw it at anybody and everybody who doesn't love the niggers and the Jews. In fact, it is also used as a cudgel against any one who is proud to be White.

There are a number of flaws in most of the deceptive epithets the Jews have built up to fire mortar shells at their enemies, but none of the flaws are as glaring as their invention of the racist epithet.

The most glaring flaw in this whole racist hocus-pocus is the fraudulent and two-faced nature of this hoax. It is great to be racist if the niggers practice it. For instance Martin Lucifer

Koon was a great man (according to the Jewish press) because he was so vociferously pro-nigger. Hitler was the most evil creature that ever lived because he was for his people, the White Race. The Jews are just wonderful people, God's Chosen, and in fact, because they claim they are pro-Jew and pro-Israel, even though they may be American citizens and never have set foot in Israel. They are, in fact, the most fanatic racists of all. The Arabs are evil racists if they are pro-Arab, but the dumb American Indians are heroes if they are pro-Indian and anti-American, anti-White or anti everything else. And so it goes. Pro-nigger, pro-Jew, pro-mud racism is good racism. Pro-White racism is evil, evil, evil.

Why the double standard? It is so obvious, so inconsistent and contradictory that any simple child can see through it, and unlike most of their clever deceptions, this "racism" epithet, although millions and billions are being spent by the Jewish establishment to promote it, nevertheless, it isn't selling too well. Although the Jews are using every means at their disposal, television ads, commercial newspaper ads (there is always a nigger in the middle of every clothing ad) and even government enforcement (housing laws, affirmative action and a dozen others), the White people are not buying the race-mixing garbage. Not only is it not selling, it is beginning to backfire and being used as an ever more powerful weapon by the White Race. Even the politicians (horrors!) are getting into the act, (mildly) as witness the recent David Duke foray in Louisiana.

The fact is Race is the most prominent and powerful issue in the world today. Never have so many millions of people become as race conscious as they are today, and this is what scares the hell out of the Jews in their present world predicament. The reason the Jews have spent so much time, money and energy (even long before Hitler was ever heard from) to denounce "racism" is because they themselves are the most fanatically race conscious people in history and they have long realized what a powerful, cohesive force it can be if properly organized. In fact, Judaism is nothing more or nothing less than a pro-Jew racial religion, and it has been and is today the Jews' religious loyalty to their race that has enabled them to become the world-masters and super-tyrants of mankind that they are today.

They also realize and have realized for centuries that racism inherent in and combined with religion is the most powerful motivator and world-mover of all. That is why they are scared spitless of Creativity.

They realize full well (much more so than the White people) what a powerful and world embracing force is inherent in the White Man's first totally racial religion, a religion that is clear, consistent, coherent and comprehensive, a religion that is specially designed for the survival, expansion and advancement of Nature's Finest, Nature's most intelligent and creative creature in all history. Yes, the Jews have excellent reason to shiver in their boots.

The Negro: Nature's Most Dismal Failure

by Rev L. DeWayne Durrence

In the January issue of Racial Loyalty, we cited statistics and provided hard-hitting facts concerning the impending cataclysmic fate that threatens to envelop the White People of America, an escalating horror not dissimilar to the racial catastrophe that befell San Domingo over 200 years ago (see *Creative Credo #30 of the White Man's Bible*). As the superfluity of uncouth niggers and other assorted racial low-life continues to turn our cities into jungles and lower the quality of our gene pool, and as hordes of mud-colored immigrants continue to wade our shores with utopian dreams of government subsidy, food-stamps and White women swirling around in their heads, the racial equality lie is becoming increasingly transparent. The White People of America and elsewhere are beginning to see this humanitarian dogma for the hoax that it is. However, it is nevertheless a slow progression. In fact, such a slow progression that by the time the majority of Whites are aware of this Jew-orchestrated hoax, it will be too late.

In as much as the problem has been over-diagnosed and reshaped to a somewhat sickening degree, we find that the average White Yokel is still ignorant and indifferent to the true facts of Race. If it isn't inconceivable enough that a baffling number of Whites swallow the garbled logic that the niggers are our "equals", some White morons foolishly believe that they are in fact, superior in some respects. Well, now that you think about it, perhaps blacks do excel Whites in some areas of accomplishment, e.g., raping, robbing, looting, break-dancing, jungle chanting, tom-tom beating, etc., (oh, how I envy them!)

When we analyze how this damnable equality lie has gained such colossal acceptance, we find that the principal tactic employed is constant repetition. By interminably and relentlessly promoting and pounding this vile piece of rhetoric into the minds of the masses, via television, newspapers and all other forms of thought-manipulation, this lie has gained gradual acceptance, until it becomes nearly a crime to question it.

Be that as it may, we must utilize this same method, namely, constant repetition, in order to invalidate and expunge the sanctity of this monumental lie. Although we do not monopolize and control the mass media, there are two encouraging aspects that accrue to our advantage: (1) Whites with healthy racial instincts harbor an inherent abhorrence towards niggers, Jews and other mud races; (2) whereas the theory of equality is based chiefly on lies, deception and fraud, our claims, on the other hand, are based on the irrefutable facts of Nature, history and statistical analysis.

Racist

(Continued from page 2)

Creativity is thoroughly racist, a characteristic of which any man or woman can be intensely proud. I am proud to be a racist. The opposite of a racist is a traitor to their race. A racial traitor in our lexicon is the most despicable and repugnant miscreant in Nature's realm.

Yes. I am proud to be a racist. Anyone who is not, is a racial traitor. So let us march forward under the banner of **Creativity**, expand and advance the potentials of Nature's Finest until we have built that **Whiter and Brighter World** in totality for which mankind has been striving not only for centuries, but for millenniums.

In order that we achieve this noble goal we must first expose all the deceptive Jewish shibboleths and epithets and replace them with our own great creative and powerful ideas.

It is a war for the minds of men, and especially for the mind of the White Man. It is a war we are winning, a war that will expose and destroy the most vicious and deceptive parasite the world has ever known. **Delenda est Judaica! RAHOWA!**

B.K. P.M.

Now let us proceed and ascertain a few revealing facts pertaining to the prevailing inadequacies of the NAHA (North American Hair-less Ape).

The Texas Higher Education Board released the 1989 results of its basic skills test which found only 58% of the Blacks passing while 81% of the Whites passed.

Newsweek Magazine published an analytical chart produced by the Society for Child Development which illustrates that 80% of all Black children maximize a verbal quotient (I.Q.) under 90, which places them in the "slow learner" (i.e., moron) category. Only 8% of the Whites test this low. Approximately 25% of all American Blacks average an I.Q. under 70 which places them in the area of mental retardation; meanwhile only 2% of the Whites test in this range.

It is significant to point out that the overwhelming majority of American niggers, having assimilated a considerable quantity of White genes, are somewhat more intelligent and articulate than their African kinsmen, as evidenced by the illustrative experiment of Dr. Ferguson of Virginia. Dr. Ferguson tested all of the school children in Virginia for intelligence. Aside from the Whites, he divided the Blacks into four different groups: those Blacks having one White grandparent, those having two White grandparents, those having three White grandparents, and the last group of course, were the pure Blacks. The pure Blacks averaged 40% below the White students, and most revealing of all, the intelligence scores of the Blacks in the former categories were proportional to their White ancestry. Interestingly enough, all of these "Blacks" maintained their racial identity and considered themselves "negroes."

Whereas the White Man has erected the foundations of every great civilization, has engendered astounding break-throughs in technology, the arts, sciences and has created the building blocks and stepping stones to provide the edifices of all human progress, the Black Man, on the other hand, has contributed nothing to civilization except as the slave of a superior race.

The Black Man has, throughout the millenniums, inhabited the continent of Africa -- perhaps the richest continent on earth in mineral resources. Despite the super abundance of timber and stone, he has never progressed beyond a shack of broken sticks and mud as a means of housing. He never domesticated any of the numerous docile animals that swarm his land. In the field of weaponry, he never even advanced as far as a common bow and arrow. These lowly savages have never invented a sail-boat, nor have they formulated a written language or a system of mathematics. The Black Man is undoubtedly the lowest form of humanity, content to beat his wife, work his children and occasionally consume one of his kinsmen for dinner. He is Nature's most dismal failure.

It exemplifies the height of ignorance that we, the White Race, subsidize and foster the multiplication of the primitive niggers and mud races, via welfare and foreign aid, until they now threaten to crowd us into extinction. As America and the rest of the White world rapidly degenerates into an abyss of human misery and despair for the White Man, we of the Church of the Creator endeavor to curtail this impending calamity before it fulminates into our own destruction.

It is the program of the Church of the Creator to desist all food and subsidy to the inferior colored races of the world and allow them to shift for themselves. In turn, we will utilize our resources to repatriate all alien mud peoples back to their native lands. In so doing, we will focus our foremost priorities toward the survival, expansion and advancement of Nature's Finest -- the White Race, and our own future progeny. **RAHOWA!**

Remembering our POW's

Dear Steve:

Racial greetings from Canada! How are things at our glorious World Center, brother? I hope all is well with you, Rev. Durrence, and of course the Pontifex and his family.

This brief letter is to inform you of some of our recent activities here in Toronto.

Creativity is starting to grow in Southern Ontario, and there is no doubt that recruitment will pick up with some of the activities we have planned for the upcoming months.

We have just completed a mass mailing to POW's that cost us over \$100, just for postage. My fiancée and I spent hours designing greeting cards with the COTC logo on them. The entire project lasted about a week, but the rewards of bringing a bit of hope to our downed White Racial Comrades will last a lifetime to us.

I hope that our activities in Toronto inspire other Racialist groups to donate as much as they can and get active to benefit the movement. This especially applies to all COTC groups! We have a reputation to uphold, and owe nothing but our best to our fallen comrades, our Pontifex Maximus Ben Klassen, and most importantly of all, to the survival, expansion and advancement of our glorious White Race! Aut Vincere, Aut Mori!!! RAHOWA!!!

Healthy Curiosity

I am writing to find out more about your organisation and its principles. Just about a year ago, some member of "RAHOWA", a nationalist band, gave me an issue of your journal, Racial Loyalty.

I found it quite interesting although I did not agree with everything said about religion. At first sight that is. Religion is a very delicate subject.

That's why I would be very thankful if you could send me more info on your group as well as an issue of "Racial Loyalty."

Sincerely yours,

Still Strong

Dear Rev. L.D. Durrence:

It has been a long time since I've written the Church. Nonetheless, we here in Midway are still strong.

My mother sent me a photocopy of a very interesting newspaper clipping. It was taken from the Houston Chronicle and pertains to the nefarious attempts by the American government to lie and make the various minority groups appear equal to Whites. This is the final proof of the long-standing "unofficial" denial of any such activities by the labor department. You will find the article very informative in this aspect, I'm sure. I do have one rhetorical question before I close this letter however. In reference to the enclosed newspaper clipping, it behooves me to question as to how it is possible for an aptitude or manual dexterity test to be in some way discriminatory. The general examinations given by most employers focus on reading, writing, math, and certain tasks requiring dexterity such as typing, filing, etc. Some of the tests go deeper and give an indicator as to how well organized one particular individual is. How can a math problem be biased by race? How can a block of text with a related question be discriminatory? It merely judges reading comprehension! A Test is a Test is a Test! I do have a feeling that many people are beginning to recognize the inherent differences in aptitude.

I hope everyone at HQ had a happy solstice, things were pretty dreary down here, but this is prison...ha...

Yeah, Right!!

To whom it may concern,

I wonder, where do you get off putting down other people's religion and other races? We were all created equal and should be treated equal. I may live in a city with very few Jews, so I really don't know what it's like to live with them or around them, but I know if one moved in next to me I would treat him no different than any other person. I would feel the same towards black people or any other person.

What are the reasons you want to get rid of all the Jews? They probably hate us just as much, but that gives you no right to print in your newspaper what you would do about the Jews and other minorities. They never hurt any of us, so why get rid of the Jews?

I also don't understand why you put down the black race? We have many great blacks in our country, for example: Michael Jordan, Kareem Abdul-Jabbar, Martin Luther King. Another great one is Magic Johnson, who has contracted the HIV virus which is the next step before AIDS. He has vowed to tell everybody what he has done wrong and warn them. Magic had to retire because of the disease. He is the idol of many people in U.S. including mine! There really is no difference between us except for skin color. They are no better than us nor are they any worse than us!

Sincerely,
Michael J. Engebretson

Editor's Note: The profound ignorance espoused in the above letter is a perfect demonstration of the escalating sickness that infects the mentality of a considerable number of the people of our race. It's white zombies like this who need a solid kick in the ass!

What the World Needs Now

Greetings:

Hi! My name is Mary. I'm 16 years old and WHITE. I'm interested in meeting a WHITE man who isn't a wimpy dork.

My talents include: cooking, sewing, and being able to run a home. I was raised by WHITE parents who home-schooled my older brother, younger sister, and me.

I am blonde, blue-eyed, pretty, 5'4", 110 lbs. I am not only white in race, but also in spirit. I wish to marry a WHITE man and raise a passel of WHITE children to carry on this beautiful way of life.

Best Wishes,

White and Proud

Racial Greetings,

I recently purchased a C.O.T.C. T-shirt and wear it proudly as often as I can. Last Saturday while I was walking in the West Palm Beach Mall, I was stopped by a woman, who by all means was a yuppified Judeo-Christian liberal. She asked "What does RAHOWA stand for?" I answered "It stands for something dealing with my religious beliefs, something I am sure you don't agree with." I then walked away from the Jew pig.

I did notice a lot of White people reading the shirt as well. I only hope they copy the address that is on the back, and become a part of C.O.T.C. What I find disturbing is the local niggers wear T-shirts with Malcolm-X, or African flags, and other radical nigger nonsense. Our liberals look at that as expressing their racial heritage. Yet when I wear my C.O.T.C. T-shirt, these same Judeo-Christian liberals view it as a display of racism.

Regardless of what our racial enemies think, I will continue to wear my C.O.T.C. T-shirt proudly.

RAHOWA,

Dear Fellow Whitemen,

I appreciate the newspaper and literature you sent me recently. Well worth the \$1 I sent you. I am now living in Houston, Texas. This city is a shining example of where America may be headed...as the minority population continues to increase, there is a proportionate increase in crime, drugs, violence, bad schools, and other social ills. This scenario has repeated itself in numerous other U.S. cities and states. It is more than just coincidence that the states with the best schools, highest SAT scores, least crime, and least problems in general are those with overwhelmingly White populations, especially in the upper midwest and rocky mountain states. On a global scale, you only have to compare Norway with Nigeria, or Belgium with Brazil.

White is right, and White is might. I will fight for the future of my children and my race.

Sincerely,
Steve Kilgard

A Plea for Help

Dear Creators:

Much has been made of the situation here in Dubuque about White opposition to our Mayor's proposal to import minorities into what is, for the time being, a quiet, peaceful community. Our Mayor's traitorous actions deserve further scrutiny by the citizens of our city and firm action should be taken to remove him and all others from office who would sell out to proponents of the rainbow coalition. I for one am not going to see this happen, no matter what the price, I'm mad as hell.

Welcome Aboard

Dear White Racial Loyalists,

I have been receiving free copies of your Racial Loyalty newspaper from a friend and I thoroughly agree with your views and ideals.

I was a member of the Christian sub faith group of Jehovah's Witnesses until recently. After careful study of your "Christianity is mass insanity" series I came to the conclusion that I was being brainwashed by the perverted Jew pig. I am now ready to embrace the only White religion, Creativity.

Please send me any and all details and information you can. As I am in a JOG gulag I can't get too much information. Any and all help you can provide me will be greatly appreciated.

Timeless

Dear Mr. Thomas,

I've just completed reading "Nature's Eternal Religion". I found it extremely independent in beliefs and values. Because of this I thought it was truly fantastic. Even though it was written in the early 70's, it is still very relevant to our times at hand. I've read a lot of material on the subject of "White Supremacy" but never have I read anything so concise and comprehensible. Never has a better time come for this books distribution than right now. I would like very much to be added to your mailing list if possible. I've passed the book on, and it has definitely caught the White Man's eye! The Illinois Dept. of Corrections is a mishap and an explosion waiting to happen. We are a minority within these walls. The current percentages fall somewhere around 80% black, 9% White, and the rest Hispanic and Asian nationalities. I also agree that our number one priority is changing the White Man's thinking. Well, until we talk again, keep the faith, we will prevail, and "WHITE POWER"!!

Sincerely,
Rick Mattingly

Disgusted

Dear Sirs:

I live near St. Joseph/Benton Harbor, the "twin cities". Benton Harbor is one of the 10 to 20 worst slums in the country, thanks to legislators giving fat welfare checks to niggers so they can commit crimes, spread disease and breed.

I am a patriotic American and Christian. It angers me to wonder from paycheck to paycheck how I am going to feed my family, or keep them warm, when the taxes I pay are keeping lazy niggers warm.

A friend of mine at the shop told me you guys understand what made America great. I would like to get whatever material you can offer and I am willing to pay, but I can't pay much.

English Gentleman

Dear Racial Loyalty:

I am writing to you to ask if you could send me some information on your organisation.

I am very interested in preserving and protecting the White Race. I have been a member of various racist groups but they have all gone out of commission due to lack of funds, support, or red fronts and mass reaction. I am very upset about what is happening to our land and culture. Maybe a more extreme way is needed to wipe out the rising tide of scum that is creeping upon us!

I will be grateful if you can send me an example of any literature you publish.

Yours for Racial Pu ity,
R. Martindale

Just a Thought

Dear Editor:

I'm in total agreement with "Agent 88" of Vero Beach, Florida. David Duke has repudiated his racist past. The ADL has played their media to the conservative White Christian (Boob). Go ahead and vote for Duke. Then according to the Jews-media, you voted for aracist. They (the Jews) have your signature that you voted for a conservative Christian Racist. But Duke repudiated his racist past. Doesn't that sound like Duke is playing "The Judas goat"?

The Judas goat (Duke?) is trained to lead the other animals around the stockyards, ultimately to their death at the hands of the butcher. At the last minute it is taken out of the killing pen and returned to the yard to lead yet another set of unsuspecting animals to their death.

The ADL has penetrated The Populist Party -- an article from W.A.R. 84 "Don't Vote it only Encourages Them." Then candidate Bob Richards: I believe all people and races are equal. Now Duke: Equal Rights for All! Sounds the same to me, just turned around. White people, wake-up. Don't vote, It's an ADL trap.

Behind the Wall

Rahowa Mr. Thomas:

I received your letter of Nov. 4, 1991 and the excellent book "A Revolution of Values Through Religion." As a matter of fact I was reading the book and another White comrade approached me and asked about the book and what Creativity is all about. I gave him some of the booklets you sent and explained to him what I know of Creativity. So if you receive other letters from here you will know I'm spreading the word. You have helped me so much mentally with Creativity that I feel very excited about it. I really appreciate everything and will write again when time permits.

Racial regards,

Seeing the Light

Dear Mr. Thomas,

Today I received your newspaper for which I thank you. Enclosed you will find a money order for \$20.00. Kindly place my name on your subscription list.

I read Rev. R. Stanko's letter to the editor. I was brought up in a Catholic environment too. Imagine the stupidity of sending a six or seven year old child to Confession to confess their sins? Or living daily in fear of hell, but most of all living in fear of a cruel and savage Jewish God who sits above the clouds watching my every deed. I was told God didn't like the Gentiles. He chose the Jews as his special people. As I grew up I watched the evil deeds perpetrated on us Gentiles by the Jews lying, deceiving, misrepresenting, monopolizing, bankrupting. The wealth of a Jew was determined by how many gentiles he robbed. It was hard for me to understand how any God could like this race of evil doers and hate the industrious Gentiles. It made no sense.

When I grew up I saw a pattern emerging. Invisible hands manipulated my world. They controlled my news, radio, TV, banks, and my job. My Congressman did strange things and the country was trillions in debt. Who and what is this disease that permeates our planet? Where can I go to read about it and gain knowledge and information so that I could protect myself and my family. I am deprived of facts by my press and my church. The lack of knowledge tormented me, to live in ignorance was abhorrent to me. For my own peace of mind I must seek the truth.

I found that truthful and logical knowledge in Ben Klassen's four books. I am grateful for the knowledge the books provided. I appreciate the hard work and dedication that went into the research in history to write these books. I also know the information is true because I made a study of the Israeli-Iraqi war and that geographical region. The National Geographic books provided me with the ancient history and current photos of the buildings still standing as a silent monument to the White man.

May I please have your viewpoint on the predicted World Government in 1992? The predicted collapse of our entire economic system worries me. Any pamphlets or opinion would be welcome. Here in Florida banks are foreclosing on homes, unemployment is high, homeless people galore.

Yours truly,
W. Jenzul

Pissed-off

To whom it may concern:

First of all I would like to start by saying I am totally pissed-off. I am tired of everything being OK for niggers but not for the White Man. I just watched a video on TV by a nigger rap group called Public Enemy. The video shows niggers killing White politicians at random because of the nigger day that we Arizonians don't wish to recognize. If it was a White Man killing a nigger on a video, the niggers would be bitching their black asses off?

I have written to you before inquiring about COTC. Now I want to find out how to get a chapter here in Arizona. I think it is very important to get our White views seen and heard just like the niggers and other mud races. My wife and I would like very much to become ACTIVE members. RAHOWA!

Hello:

Please send more info mation and subscription rates, samples, etc., for your newspaper.

Moving to Florida instead of living in the midwest where I was born and raised has shown us how desperately we need to take America back.

Coming Out

Dear Creators:

In my previous letter I wrote of a "betrayal" of a friend exposing me to friends and others as a Creator, worrying that my family who are Christians would find out. After a lot of thought, I decided I don't care what my "friends" think. If they are friends they will stick by me. As far as my family, I've told them also that I'm a Creator and proud of it. For so long I've been a "lone wolf" distributing literature covertly with no one the wiser. But since I'm now "out of the closet" I'm proud to be a Creator.

No Compromise

Dea Sirs,

After a very long and fruitless quest I have finally discovered an organization that I can relate to. A religion based on Race is just what I have been searching for.

Our race is in peril and our country is in dire straits. Our extinction as a race lay just over the horizon, if we continue to wallow in a sea of apathy and indifference. We as a race of people must unite and work together if we are to survive and prosper.

We, The People, must rise and purge ourselves from the evil empire which has gained cont ol of our government, economy, and media.

Organizations such as The Bilderbergs, The Council of Foreign Relations and the Tri-Lateral Commission are all working diligently to establish a one world government (New World Order). The membership of these organizations includes some of the most prominent people of the world. Government officials, high ranking military personnel, industrialists, media personalities, scientists, intellectuals and international bankers are all members of these elite organizations.

It is these organizations which really control the world's affairs. Scarcely nothing in the world of politics occurs without prior approval from one of these organizations. The leaders of these organizations are international bankers and the majority are of Jewish descent.

These groups desire to take away our freedom and the sovereignty of our country. Our beloved Constitution and Bill of Rights will not be worth the paper on which they are written if these groups achieve their goal of a New World Order!

How can any decent American citizen sit idly by without taking a stand to thwart this Jewish conspiracy. I for one will not compromise my Race or Country. I will take the good fight wherever it may lead. I sincerely hope that you, my kinsmen, will be by my side. Please send me more information concerning your church and please add me to your mailing list.

Old Friend

Dear Fellow Creators,

For the first time ever my family and I celebrated this years Yuletide (winter solstice) on December 21, since we want to distance ourselves from the Jesus-day celebrated by the brainwashed majority on December 24 here in Sweden. Today most people don't know anything about the Old Traditions. At the top of our yuletree we had a bright sunwheel instead of the Christmas star. This day will be a White holiday from now on in our family.

In this envelope you will also find a new bumper sticker that I have produced with the hope to give our imprisoned White guerilla-fighter Klas Lund some moral support. The text reads "Free Klas Lund now!" and below that our telefax-number 036-632 14.

Take care!

The Christians' Formula for Success

by Ben Klassen

If you were a mean, wicked manipulator and you wanted to make people (a) do certain things that no reasonable person in their right mind would want to do, or even think of doing, and (b) prevent these same normal reasonable people from doing a number of things they were normally inclined to do and enjoyed doing, how would you go about it?

The answer to both questions is to promise fantastic rewards if they will perform as you wish them to, and promise (or actually inflict) horrible punishments to those who will do otherwise. This, of course, is no deep, dark secret and has been used more or less successfully for ages. The rewards can be real, or they can be promised to be delivered in the hereafter. Similarly the punishment can be real, such as torture, imprisonment, fines, etc., or they too can be imaginary and their infliction to be brought to bear on the offender in the life of a nebulous hereafter.

is supposed to have scratched something in the sand. The chief architect of this amazing phenomena is another Jew, Saul of Tarsus, who was real and lived in the First Century, C.E. having died circa 68 C.E. Whereas Saul was real and left plenty of writings behind, he, too, never met with, or talked to, this nebulous Jewish bastard to whom it all is attributed. The most he ever claimed is that he saw "Christ" in a vision. Knowing how Jews will lie, this, of course, is meaningless. But it is through his fanatic preachings and voluminous letters that Christianity got its start. He was in fact dubbed a Christian saint and is now known as St. Paul.

I have a secular article that I saved from *U.S. News and World Report* (April 22, 1991). It is headed the "Momentous Mission of the Apostle Paul" and in a black block inlay it asks the key question: "Where would Christianity be without Paul?"

THE FANTASTIC PROMISE

DO AS THE LORD ASKS AND YOU WILL LIVE EVER LASTING LIFE BESIDE OUR HOLY FATHER IN HEAVEN. BLESSED HAPPINESS FOR ALL ETERNITY.

THE DREAM SELLERS

Christianity has undoubtedly been one of the most successful and widespread movements, religious, political or otherwise ever inflicted upon the (presumably) intelligent White Race, Nature's Finest. It has endured now for almost two thousand years and now embraces loosely more than a billion people, including the mud peoples that have also been proselytized and "converted" by the efforts of millions of Christian missionaries, who, without realizing it, are, or were, themselves victims of this enormous hoax.

In analyzing Christianity's amazing success, let us first probe its origins, its motives, and then further take a closer look at its fantastic rewards and brutal punishments, all to be delivered to its gullible victims after death, in "another world", a world of fantasy and make believe, a world that no one has ever seen, has ever been to, has ever felt or smelled.

The chief architect of Christianity is by no means Jesus Christ, the mythical Jewish bastard after which it is named. History has no evidence that such a character ever existed. He supposedly is the bastard offspring of God (another mythical concept) and a Jewess by the name of Mary. The latter supposedly was married to another Jew named Joseph. No, indeed, Jesus Christ, if he ever existed, did not write the script for the successful fraud called Christianity. He never claimed to have written a single line of anything, except in a loose moment

THE HORRENDOUS THREAT

AND IF YOU DON'T DO WHAT THE LORD SAYS, YOU'LL BURN IN HELL.

THE FEAR PEDDLERS

The answer is there would be no Christianity without the manipulations of Saul of Tarsus. He was a Pharisee Jewish Rabbi, a tent maker, and nurtured a raging, vehement hatred for the then great Roman Empire and everything Roman. It was a feeling shared by a majority of the Jews, and they had been plotting and conniving for centuries as to how they could destroy Rome. Rabbi Saul's invention of Christianity was the answer.

Rabbi Saul did not exactly invent Christianity from scratch. The Jews had pirated most of their own religious ideas about spirits, demons, gods, devils, etc., from the Egyptians during their long stay in that early White civilization. However, it was not of any value in destroying the Romans, and besides the Romans hated Judaism. However, Saul and some other Jewish co-conspirators took note of the teachings of the Essenes, a small Jewish sect who lived at Qrum by the Dead Sea, and he took note that their teaching, which included such suicidal creed as love your enemies, turn the other cheek, judge not, sell all thou hast and give it to the niggers, had all the ingredients of a religion which could and would destroy its adherents.

As Marcus Eli Ravage says, it was a master stroke of genius when Rabbi Saul conceived the brilliant idea of feeding this poisonous garbage to the Romans. How well he succeeded is now history, and beyond their (the Jews') fondest dream. As far as the White Race

is concerned, it is the most diabolical tragedy that has befallen it, and through it (Christianity) the Jew has been, and is now destroying the great White Race.

Why has Christianity succeeded so fantastically? To answer this question we go back to the beginning of this article as to how to manipulate people, namely, to use rewards or promises of rewards, and punishments, (either real or promises of dire punishment.)

When Rabbi Saul and his Sanhedrin cohorts sat down to conceive the nature of both the punishment and the rewards they came up with some fiendish but brilliant ideas.

They asked the questions: What is the most horrible, frightful punishment anyone could possibly imagine? They gave it a lot of thought and came up with the concept of Hell. It consisted of a huge fiery torture chamber into which the undying soul of each person designated to it would be tortured by burning fire and brimstone, in horrible agony, for ever and a day. There was no reprieve, no second death, no escape. Just eternal hellfire and torture forever and ever. Could anyone top that kind of punishment? Hardly. Only the sinister mind of a despicable Jew could dream up such a horrible concept.

On the other hand, for the obedient believers the reward was heaven, a place of eternal bliss with no worries, no responsibilities, no nothing. Just Bliss, bliss, bliss and you could build your own fantasies as to what specialties you preferred.

Now of course, there was no evidence of either heaven or hell, but if enough convincing propaganda was poured on from the time a baby learned to talk and to listen, anybody could be made to believe anything, so their theory went.

And it worked. You can get people to believe dumb, stupid cows are holy, or that there are all kinds of spooks floating around in the sky keeping an eye on you and will decide your fate after you die. It's a far out theory, but strangely it works, and the Romans, in the absence of having a strong religion of their own, stupidly fell for this garbage. As Marcus Eli Ravage (himself a Jew) says in his dissertation "A Real Case Against the Jews", "After the destruction of Jerusalem by the Romans... a patriotic Jew named Paul or Saul conceived the idea of humbling the Romans' power by destroying the morale of its soldiery with the doctrines of love and non-resistance preached by a little sect of Jewish Christians. (He is referring to the Essenes.) He (Paul) became the Apostle to the Gentiles, he who had previously become one of the most active persecutors of the band. And so well did Paul do his works that within four centuries the great Empire which had subjugated Palestine along with half of the world, was a heap of ruins. And the law which went forth from Zion became the official religion of Rome ... "We conquered you as no empire of yours ever subjugated Africa or Asia."

Marcus Eli Ravage, the author of this arrogant and braggart piece of analyses called "A Real Case Against the Jews," was correct in almost every respect, except for one major deception. As he was well aware, there never was a Jesus Christ. Collectively, the Jews schemed and connived for centuries as to how they could destroy the White Race and the powerful Roman Empire of the time. Accidentally, or coincidentally, they hit upon the destructive teachings of the Essenes and the conniving genius of Pharisee Rabbi Saul of Tarsus which came together at the same opportune time. By conceiving the most horrible torture and the most attractive inducement (all in the hereafter) as the carrot and stick approach, they managed to pull off the most horrendous and tumultuous fraud in history. The damage that this diabolic and malevolent misfortune has caused the White Race is incalculable.

THE CREATOR

CREATIVITY NEWS FROM AROUND THE WORLD

Hate literature distributed in Columbia

Patti Rosenberg

About 50 households in Columbia's West Running Brook neighborhood awoke to find copies of a white supremacist newspaper in their driveways last Friday morning, police said.

Called "Racial Loyalty," the newspaper is published by the Church of the Creator, a racist and anti-Semitic group based in North Carolina.

"Spearhead of the White Racial Holy War," says a slogan under the newspaper's name. The contents include racist cartoons, letters from incarcerated group members, and "A Declaration of Independence from Jewish Tyranny," which pledges "To make it impossible for the Jews and other mud races to ever again threaten the existence and well-being of the White Race."

The group idolizes Hitler, approves

of violence, and spends a lot of time handing out literature, according to an article in the Charlotte Observer, reprinted in "Racial Loyalty." The article also notes that the Church of the Creator has alienated "other Bible-Belt racists" with its attacks on Christianity, which it considers a Jewish plot.

Some Columbia residents who received the unsolicited copies of "Racial Loyalty" said they were offended but not alarmed.

"I read the headlines. I could see where it was coming from. It went into the garbage and that's that," said one man.

"I would say people's reaction was that whoever did this picked the wrong neighborhood," said Michael Deets, a West Running Brook Road resident and Wilde Lake representative to the Columbia Council.

"The assumption could safely be that there wouldn't be any market for that here."

But Roger Jones, chairman of the county Human Rights Commission, called that attitude "out of touch."

"Some people are just so comfortable with this idea that Columbia is this great melting pot that's all peaches and cream," he said. "For the last four years, Columbia has been posting the highest rate of such incidents. People think it's Savage, Lisbon or Elkridge."

Jones also said he would "bet anything" that the person who distributed the literature lives in Columbia.

In fact, police believe a neighborhood youth — who is associated with a small, not very active skinhead group — was responsible for distributing the newspaper. Police would not release his name because he is not a suspect in any crime.

The distribution of the newspapers is a "hate bias incident" which police investigate for informational purposes and report to the state, said Sgt. Gary Gardner, a spokesman for the county police.

However, other incidents in the area seem to have occurred this week, said Jones and Cynthia Harvey, administrator of the county Office of Human Rights.

On Monday, a resident of Vantage Point Road reported finding Church of the Creator stickers on light posts. She took them down and called police, but they were back up on Tuesday. Jones and Harvey said.

Harvey also said that she's investigating a report that the Ku Klux Klan would like to rally in Columbia.

She didn't know whether it was the recent David Duke election in Louisiana, the economic climate, or "something else happening in the world," but the number of incidents in the same area in a matter of days seemed very unusual, she said.

County Council member Paul Farragut requested the incident be placed on the agenda of the Wilde Lake Village Board meeting tonight. The meeting is at 7:30 p.m. at Slayton House.

In a letter to the board, Farragut said he was "sickened and outraged after reading this piece of bigoted racial and anti-Semitic hate-mongering trash. ... While I doubt that the perpetrators were from either Columbia or Howard County and while we cannot violate freedom of speech guarantees, we can let those responsible for the content of this hate-filled message know that they are not welcome in our community."

Maryland Still Reeling From Racial Loyalty

2 SUNDAY, NOVEMBER 24, 1991

Skinhead youth left paper

County police have identified the person who distributed copies of a white supremacist newspaper to about 50 homes in Columbia on Nov. 15, but the youth's identity will not be released publicly, police said.

The newspaper, titled *Racial Loyalty*, contains incendiary cartoons, articles and editorials about ethnic groups.

Since the newspaper's views and the dissemination of those views are protected under freedom of speech, no criminal penalties can be imposed on the youth, police said.

Police are required by state law to compile information and statistics on hate-related incidents and the youth's name will be included in the police file on the case.

COLUMBIA

Hate newsletter delivered to 50 homes

Copies of a white supremacist newspaper were delivered to about 50 houses of a racially-mixed Columbia neighborhood yesterday.

A Howard County police spokesman said they can do little other than try to identify the distributor of the newspaper, which is protected under the First Amendment. "We're required by the state to record incidents of racial and ethnic bias, but as far as prosecution is concerned, no law has been broken," Sgt. Gary L. Gardner said.

The 12-page *Racial Loyalty*, labeled the "Spearhead of the White Racial Holy War" and published by the Otto, N.C.-based Church of the Creator, contains articles and editorials with incendiary messages about ethnic groups.

Special Mention

In the face of overwhelming odds, when everyone around is not only against you, but actually antagonistic towards you, and even your own family tries to deny you the right to the "Bill of Rights", the courage to keep swinging for what is true -- this is heroism of the highest order -- this is Chris Falk.

CHRISTIAN FORMULA

Their fanatic promotion of the most outrageous lies, the concept of a nonexistent heaven and hell orchestrated by a horde of nonexistent spooks has been swallowed and embraced by the majority of the world today, but none as fervently as by the gullible White Race.

It is the avowed purpose of the Church of the Creator to expose the horrible spooks-in-the-sky swindle for the Jewish hoax it is and bring the White Race back to reason and sanity. It is furthermore our avowed goal at the same time to expunge from the face of this earth the most dangerous and vicious parasite capable of imposing such lies, frauds destruction and misery upon the White Race. Nature's Finest deserves a better religion than the idiotic swindle perpetrated upon the gullible and feeble minded.

In Creativity we have the total answer. It is based on the verities of Nature, on the reflections, exposure and analyses of the twin hoaxes Jewish Christianity and Jewish Communism. We have just recently witnessed the breakdown and collapse of Jewish Communism, and the Jews, fearing for their lives, are fleeing Russia. We now hope the phenomenon will soon be followed by the collapse and breakdown of Jewish Christianity, and for the same reasons. It is based on the same kind of pattern, namely a network of Jewish lies and false promises. In Creativity we are now doing a tremendous job in exposing this, the greatest of all Jewish lies and frauds.

Once Christianity, like Communism is demolished, the Jew is finished. There will be no place to hide. Let us work towards that day as fervently and persistently as did Saul of Tarsus and his band of Jewish liars nineteen centuries ago. **DELEND A EST JUDAICA!**

COTC Chapters in Wisconsin and Michigan have received Awards of Honor for their outstanding efforts in the promotion of Creativity in their areas. Keep up the excellent work, guys. More White Power to you. RAHOWA.

In Memoriam

In this issue we have featured a story of two fellow Creators (see Page 9) who have paid the ultimate price doing combat with the J.O.G. forces in South Africa. Jurgen Matthews White, 22 and Johannes Jurgens Grobbelaar, 19 will not be forgotten nor will their deaths go unavenged. We cannot afford to ignore the message, our very existence depends upon it.

Cupid's Corner

One of the 16 Commandments of CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"

Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries.

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

- 1..Include a recent photo of yourself.
- 2..Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
- 3..Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
- 4..Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty.

White Men and Women, be fruitful and multiply! Do your part in helping to populate the world with your own kind! Rahowa! This planet is all ours!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service, CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mis-matches. "Caveat emptor!" Buyer beware!"

Important Note:

Dear participants in the White Racial Match-Making Service, *please be patient!*

It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Salubrious Living The Creative Way to Super Health

Coining Our Own Phrase. For lack of a better term in the health sciences we are herewith coining a phrase of our own -- Salubrious Living. What do we mean by Salubrious Living? Let me make it perfectly clear. What we Creators have in mind is an effective, systematic program for the upgrading of the health and vigor of our precious White Race.

What do we Creators understand by Salubrious Living? "Salubrious" comes from the Latin word "salubris", meaning "healthy; wholesome; sound; useful, vigorous." Webster's dictionary defines salubrious as "1. favorable to, or promoting health or well being; invigorating; 2. spiritually wholesome; conducive to good results."

First Become Aware. In Creativity we have a more specific meaning in mind, a life style that is conducive to the best in bodily health and spiritual well-being in rounding out our concept of "a Sound Mind in a Sound Body in a Sound Society in a Sound Environment." We want every Creator to follow a life style that will result in the optimum of health, happiness, vigor and productivity. We want to spell out the directives by which this can be achieved without necessarily going into too much detail, for once our members are conscious of the Salubrious Living program, there are now any number of good books that go into further detail about various aspects of Salubrious Living. Our church will see to it that we have such books available to our members at all times.

Similar to Natural Hygiene. Our program parallels very closely the philosophy known in certain health circles as Natural Hygiene. There is, in fact, an American Natural Hygiene Society that has been in existence for many years. I agree wholeheartedly with practically all their concepts, except I do not particularly like their terminology. "Natural" can mean almost anything, and a pot smoker, for instance, can argue that he is doing his "natural" thing. Also the word "Hygiene" implies the subject of cleanliness, and whereas we are all for cleanliness, that is not what Natural Hygiene is all about. One further distinction between our terminology, Salubrious Living, and Natural Hygiene is that the latter does not at all include racial hygiene (or eugenics) whereas we Creators strongly emphasize eugenics as an integral part of our program of Salubrious Living.

Indebted to Dr. Shelton. Dr. Herbert M. Shelton was an early pioneer in Natural Hygiene and has contributed probably more than any other individual in establishing this art or science in modern times. He stands out as a giant of a man in this vital movement. We, the White Race, are greatly indebted to him for the dedicated research, promotion and voluminous amount of literature he has contributed to this extremely important aspect of our life.

A.M.A. Hostile. Who invented Natural Hygiene? I certainly didn't. Dr. Shelton didn't. To ask such a question is to ask who invented breathing, or exercise. Certainly the A.M.A. and the orthodox medical profession didn't. They are, in fact, deadly foes of Natural Hygiene, because primarily, if everyone practiced it there would be little need for hospitals, clinics, drugs, "medicines", x-rays, and most devastating of all to the orthodox medical profession, very little need for doctors. It would, in fact, reduce the fraudulent business of "medicine" from a 250 billion dollar a year racket to complete impotence and insignificance. Not only that, but if everyone understood and practiced Natural Hygiene our people would be much healthier, happier and more energetic.

Salubrious Living. Having acknowledged our considerable indebtedness to the Natural Hygiene movement and delineated what difference there is between it and Salubrious Living we are now going to drop the term Natural Hygiene and talk about Salubrious Living.

What do we Creators understand by Salubrious Living? Briefly we can spell it out in a few dozen sentences.

1. We believe in living in accord with our human biological heritage and in harmony with the Laws of Nature.

2. This means eating fresh wholesome food in its natural state as Nature has given it to us. It must be uncooked, unprocessed, unpreserved and not tampered with in any other way. This further means it must be organically grown, without the use of chemicals.

3. Availing ourselves of a clean, wholesome environment -- fresh unpolluted air; clean water; and the beneficial therapy from the direct rays of the sun, every day.

4. Some form of strenuous physical exercise several times a week.

5. Rest and relaxation, both mental and physical, including sound and efficient sleep.

6. A form of recreation that is gratifying to our sense of accomplishment.

7. A sense of purpose, security and confidence to fuel our goals for accomplishment and living the good life. We must have goals and we must be motivated.

8. Deliberate self-mastery of our life and our work.

9. Gregarious living within the framework of our Creative religion, our White society and social intercourse with our White Racial Comrades. We are social animals.

10. Healthy expression of our sexual instincts.

11. Living in a pleasing and healthful environment.

12. We do not believe in the use of any "medicines", drugs or chemicals as having any healing or therapeutic value. In fact, all medicines, drugs, narcotics and chemicals are poisonous and toxic to the human body. Furthermore, and for the same reason, we do not believe in the use of vitamin, mineral, or enzyme supplements, nor the use of artificial food coloring, preservatives, nor refined or fragmented foods.

13. We strongly believe in the practice of fasting as the best means of ridding the body of accumulated poisons and toxins. We are convinced that fasting is the most natural and effective means the body has of overcoming all forms of disease, and restoring itself back to health.

14. Living in, and promoting a eugenic White society. This means that we take particular care in not only assuring the perpetuation of our precious White Race, but we take deliberate care that the misfits are culled and that each generation advances to higher and more salubrious levels, physically, aesthetically and mentally.

SALUBRIOUS LIVING

A NATURAL LIFE STYLE

Like bush war again, with new enemies

Janine Lazarus

IT COULD have been a skirmish from the bloody Namibian bush war: trackers walking ahead of a Casspir armoured vehicle, following spoor of two heavily armed men. Then, the rapid-fire of an ambush — and bodies in the sand.

But, this time, the hunted were not black insurgents, they were white extremists.

The drama began on Thursday when Detective Sergeants Marius Struwig and J Pieterse of the Motor-vehicle Theft Unit in Upington were conducting an investigation in Noenieput after receiving information about a suspected stolen vehicle.

During their patrol, the policemen spotted two men, Jurgen Mathews White(22) and Jurgen Grobbelaar (19) in a Volkswagen Golf on the Upington/Noenieput Road who seemed to be having trouble with their car.

After discovering that the number plate of the car and the number on the display disc did not correlate, Detective Sergeants Struwig and Pieterse asked the two men to accompany them to the Noenieput Police Station.

A few kilometres down the road the two men flung a smoke grenade between them and the police vehicle, made a rapid U-turn and raced off through the desert in the opposite direction.

The policemen immediately radioed to the Noenieput Police Station for help.

Grabbing R1 rifles, Captain Christo Horak, officer in charge of the Upington Motor Vehicle Theft Unit and Sergeant Flip Botha, station commander of Noenieput Police Station, jumped into a Casspir with a tracker, Sergeant MJS Mofu, and Warrant Officer J Thomas.

Eight kilometres further on, the police contingent discovered the suspects' abandoned vehicle. Tracking began in earnest.

Sergeant Mofu, W/O Thomas and labour Constable Daantjie Berandt moved in front.

As the police crested a sand dune the fugitives — who had dug themselves into a trench near the dune — opened fire.

Constable Berandt died instantly and Sergeant Mofu was shot through the arm and leg.

Metres behind the trackers, the lumbering Casspir roared over the top of the dune, with guns blazing. The two suspects were wounded in the volley of shots and then apparently turned their weapons on themselves.

At the scene, police confiscated SADF-issue R1 and R4 rifles, together with ammunition and explosives which were stolen in a burglary at an army base in Potchefstroom and in a robbery at Wahlmanstahl where army guards were robbed of their weapons.

The AK-47 found on the scene at Noenieput was bought illegally from a gun smuggler.

Both men were members of the extremist neo-Nazi "Church of the Creator".

In the wake of the shootout, police made a number of swoops in the Transvaal, arresting two men whom they believed had been accomplices.

Police said also they were investigating the possibility that the two dead men were also connected with Order Boerevolk members Adriaan Moritz and Henry Martin, who fled to Botswana from Lanseria airport near Johannesburg last month.

AT the scene of the ambush police confiscated an AK-47 rifle, an R1 rifle, two R4 rifles and 15 spent cartridges. When police searched the Volkswagen Golf, they found a large quantity of ammunition including 2 630 7.62 rounds, 51 5.56 rounds, mortars, smoke-grenades, anti-personnel mines, 40 mm snub-nose rounds, thunderflashes, instant light grenades, groceries, wigs and false moustaches.

The fanatics who condemn the Bible

Sefako Nyaka

THE Church of the Creator, a far-right anti-religious group, calls the Bible a "stinking pile of Jewish garbage".

In a series called "The X-rated book: sex and obscenity in the Bible", the group says: "The Judeo-Christian Bible is nothing but an incoherent collection of primitive, barbaric, dirty Jewish fairytales, a stinking pile of Jewish garbage."

It adds: "How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as holy, bend their knees before a Jew-concocted spook and his mythical Jewish bastard."

A few months ago a Sunday Star reporter was sold a four-book set of the "white man's bible" by sect member and medical practitioner Dr Pol Dussy (67). All were written by "Pontifex Maximus" — Ben Klassen, founder leader of the COTC.

The latest of the four books — published in 1987 — is called "Rahowa! — This planet is all ours".

"Rahowa" is an acronym for "racial holy war" and is described as a "dynamic creed and a militant programme for the survival, salvation and redemption of the white race".

Insulting

"Racial Loyalty" is spattered with insulting comic strips about black and Jewish people. A "Cupid Corner" offers encouragement by saying "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!" and then the usual warning of conspiracy against the white race.

Books in the COTC reading room at the Hansa building in Pretoria ranged from the autobiography of British fascist Oswald Moseley, a variety of neo-Nazi books on World War 2 and a Hendrik Verwoerd anthology, to local right-wing pamphlets and a series of magazines pub-

lished by a group of former SS officers.

In one pamphlet the COTC claims "the reason the White Race has been such an easy prey is that a major section of the White Race is promoting its own self-destruction and the overwhelming moral force behind it has been none other than Christianity itself".

It goes on to proclaim: "Christianity is the Jews' massive Maginot Line. It must be cracked before we can annihilate the enemy."

"There is a point at which tolerance ceases to be a virtue and becomes criminal negligence, and compassion towards the mud races becomes racial treason. The White has now gone far beyond these limits".

The COTC claims that "in order to survive, we must learn to think in terms of to hell with the niggers, to hell with the Jews".

It further claims that the white race is "nature's elite — the creator of all great and worthwhile values that have been produced in the last several thousand years".

A few months ago two executive members of the Boerestaat Party, actor Schalk Jacobsz and deputy leader Ben Schoeman, were expelled from the party

VIRULENT ... a 'Church of the Creator' book.

when they objected to the COTC's handling of the question of the "lost tribes of Israel".

On April 7 Mr Jacobsz and Mr Schoeman were invited to a COTC meeting where "RC" Badenhorst talked about the "ten lost tribes swindle".

The two men are members of the Israelites, a religious sect that believes it is descended from the "lost tribes of Israel".

Perverted

What also angered the two men was a perverted cross, one with the horizontal arms broken and bent upwards, which stood next to the lectern.

Mr Jacobsz was fuming when the Holy Spirit was called a "spook" by "Primus Dominus" Jan S Smith, said to be a nuclear physicist.

Boerestaat Party leader Robert van Tonder refused when Mr Jacobsz demanded a meeting to discuss the COTC. Mr van Tonder said his party did not want differences between churches to become a dispute in the party.

"They (Jacobsz and Schoeman) tried to make an issue out of that and infringing the BSP's principles of tolerance and religious freedom," Mr van Tonder said.

THEY TOOK THEIR SECRETS TO THE GRAVE

SunStar Reporter

WHERE were the two young right-wingers going when they were intercepted by police near Upington?

Who, if anyone, were they going to meet?

Were they acting as gun-runners for some underground group or were they acting out a plan of their own?

It is known that Jurgen Mathews White (22) and Johannes Jurgen Grobbelaar (19) were members of an extreme right-wing group, the Church of the Creator (Kerk van die Skepper).

It has its headquarters in Pretoria.

They were found with an arms cache which included R1, R4 and AK rifles, grenades and mortars. They also had a quantity of food and false moustaches and wigs.

They took their secrets with them to the grave.

Police said they killed themselves rather than be arrested. South African police believe the two were on the way to the Namibian border.

But a senior Namibian police officer suggested they could have been headed for a

secret desert hide-out.

Colonel Jumbo Smit, deputy Commissioner of Namibian Police CID, said the area of the shootout was the ideal place for right-wingers to seek refuge, because it was so remote and sparsely populated.

If this is true, they may be following the pattern of "survivalists" in the United States.

These people, often right-wing fanatics who believe their country is heading for a race war, hide themselves away in remote areas for military training to prepare for the coming "war".

The Future is Here

by Steve Thomas

There is a story unfolding in New York, the details of which are being blacked out by the media a week after its occurrence and not likely to be available to the population at large. The source of this writer's information are personal contacts who live in the vicinity of this, yet another crime against Whites. As we go to press there are no news clippings to share with our readers so I will relate the details as told to me; they are admittedly sketchy but here they are.

On Monday the 13th of January a White, teenage girl was abducted from a bus-stop just a block from her home by approximately 3-4 niggers and was forced into their car. For an undetermined length of time this young girl was subjected to a nightmare of rape and physical abuse leaving her both physically and mentally scarred for life. She was later thrown from the car and managed her way home.

Her enraged parents went first, naturally, to the police, who for 48 hours or so were unable to track down the perpetrators, pointing out the ineptitude of the negro infested Jew York P.D.

Wanting an arrest and some attention on this matter the father then went to the press to proclaim loud and clear that he wanted his daughters assailants behind bars where "the animals belong." With the media now focused on this White man's rage, the hidden hand of the Jew is already at work to turn this situation to their advantage and within 24 hours were suggesting that he is a "racist" -- there's that word again.

Realizing that if given the space to vent his anger, this irate father could very well create a problem, one that might bring Whites together to combat these injustices -- the very thing the Jews want to prevent. The negro Mayor, along with the NAACP have attempted to calm this man lest he create "civil unrest" and, perish the thought, a race war. Upon his arrival at this none too happy father's house, the Mayor himself was told to get the f--k off his property and that he and all the other niggers in the city are "animals and belong in cages." The Mayor beat feet back to a safer place having failed to placate this man, and was left to ponder his next move. Undoubtedly the Jews running the show will help him to make his next move, as they do all their puppets.

Several more days pass and this outraged father and daughter, as well as the entire family, are left to deal with the unimaginable anguish that victims always have to suffer -- and still no arrests.

But wait, there are now roadblocks surrounding this once peaceful, White neighborhood. Have the police and the powers that be, gone all out to catch these negroid mongrels before they strike again. No it is just another slap in the face of the White community. Orders from on high are to randomly stop any vehicle with two or more White occupants who "look suspicious" and search them for weapons. Whoa, wait a minute here, just what the hell is going on! Fact: niggers have committed a crime -- why are White people, being victimized further. Do White people need any more evidence to justify arming themselves?

We have had niggers forced down our throats until we gag, our right to association has been denied us and when we become victims of this situation it is we who are to blame. I will partially agree with that conclusion.

Owing to the fact that my crystal ball is in the repair shop I cannot tell you what the ensuing days and weeks will mean for the victims or the ultimate consequences, if any, of the arrest of those responsible for this crime. What I want to do is pose a few questions to those of you reading this.

The father of this girl is now in a unique position. He has the attention of most of New York City and has made some pretty strong statements which have been carried by the press. Put yourself in his shoes. Should he be quieted by the authorities instead of following through and getting revenge for his daughter's attack, the message is quite clear -- Whitey can be had and all those pretty young White girls are there for the taking. What would you do? What are you prepared to do should it strike you or your loved ones? Is this man justified in seeking revenge for the rape of his daughter? If so, what about

those who stand in his way?

J.O.G. has made it clear that it is the niggers who are to be protected, not the Whites. And if these savages are caught would it make a difference. Witness the slap on the wrist given the mongrels for the brutal rape and beating of the jogger in Central Park.

No, we cannot afford to indulge in the Christian attitude of "turn the other cheek" and we cannot allow ourselves to be cowed by a brutal, alien government whose avowed aim is the destruction of the White Race.

Time is running out and we have some difficult decisions to make. We White Racial Loyalists and Creators must unite now to prepare for Rahowa.

It will take the concerted effort of all of us to throw off the yoke of Jewish tyranny, our very survival depends upon it.

The Pioneers...

By DAN VALENTINE

They came with hope in their hearts . . . a dream in their eyes . . . and a prayer on their lips.

The pioneers.

They climbed angry mountains, plodded across hot plains, walked over unending hills, crossed wild rivers . . . and forged a trail to a new land.

The pioneers.

Over the next hill — tomorrow!

Across the next river — home!

Every dusty step, every turn of the wheel, around each bend of the prairie . . . that much nearer to the goal.

The pioneers — hard-eyed, practical dreamers . . .

The pioneers — lean men, strong women . . . probing across untamed plains to make room for the future.

No little people, these . . . No whiners, no complainers . . . no weak of will, no faint of heart.

The pioneers . . .

Wild Bill Hickok

They came for many reasons.

Some heard the cry of gold. For others, there was the promise of peaceful valleys.

Some came to find the freedom to worship their own God in their own way . . .

For many it was the last chance to begin again . . .

These were the grass-roots people of the land. They carried a heritage in their hearts every rugged mile of the pioneer trail.

All the bloodlines of a new nation just beginning to breathe . . .

They lived on roots and wild game . . . and raw courage . . . and confidence and hope.

The defeated turned back with the wave of a sad hand. The strong pushed westward, too proud to quit.

CALAMITY JANE

They had an appointment with destiny — just over the next mountain range.

The pioneers . . . adventurous, inventive, curious, fearless.

Danger was their companion, fear their foe.

They pushed the frontier back foot by foot, dusty step by dusty step.

They buried their dead along the way . . . and pushed on. Home was always over the next hill.

Faces marred with sweat and blood and dust and tears, they cleared the plains for the coming of the railroads, they opened the mountains for mammoth mines and giant cattle empires. They planted the roots for the great Western cities of the American plains.

The pioneers . . . they knew the excitement of the new. They had the courage to leave behind the old.

Today, the West stands as a great memorial to the men and the women of a century ago who dared to take the big chance.

But their day has not gone . . .

Whether they walk the Western plains . . . or sail uncharted seas . . . or soar across the mystery of space, always there will be the pioneers.

Every man probes his own unknown frontier . . . in the search for a better tomorrow.
