

I would like to ask the courts to grant a PPO against Joel Nathan Dufresne. He has taken our son Hale Tom-Klassen Dufresne without permission, out of State, to live in Florida. He is not fit mentally to raise a child. He is extremely violent, and wants to teach Hale his racist views.

He has threatened on numerous occasions that if I ever tried to take or see Hale that he (Joel) would kill me, ~~my~~ my 2 daughters, Alaina (6) and Jaden (3). He has also said he would kill my parents and anyone else who got in his way. I have no doubt in my entire being that Joel is capable of doing such, and furthermore that he will. Based on our history together I fear for the lives of all 3 of my children, my parents, and myself.

P.S,

There has been a warrant issued for the pickup /return of Hale. It could happen soon and when it does, he will come for me and my family. I don't want anyone to get hurt.
