THE PEOPLE OF THE STATE OF MICHIGAN,
Plaintiff,

vs

Case No.

Joel Nathan Dufresne,

Defendant.

AFFIDAVIT

STATE OF MICHIGAN)

) ss.

COUNTY OF EMMET)

Affiant is a Detective Sergeant with the Michigan State Police and she was told by Angie W[REDACTED] that at least between June 25, 2005 and February 10, 2006 her boyfriend Joel Dufresne forced her to engage in violent and perverse sex acts that she did not consent to in Emmet County as follows on or about:

A.) June 25, 2005: while she was using the toilet forced her to perform fellatio while she had an injured mouth from his prior vicious beating by further punching her in the head. (3rd degree)

B.) June 26, 2005: he shoved multiple fingers in her rectum while she screamed and then ejaculated on her face telling her not to clean her face or he would punch her more. (3rd degree)

C.) December 28, 2005: told her to insert a Fischer Price ring toss toy into her rectum on four separate occasions. He told her if she failed to do this against her will he would keep her son, Hale, away from her forever. 3rd degree, 4X

D.) December 30, 2005: made her submit against her will to penetration of her rectum with his penis, after which made her clean off with her mouth. Then he urinated in her mouth. While she cried and pleaded with him to stop these things DuFresne was threatening to punch her; he also made her do these things by telling her if she didn't do it he would tie her up and make her watch as he had sex with another woman. (3rd degree 3X and extortion)

E.) January 5-7, 2006: twice DuFresne forced Ms. W[REDACTED] to submit while he inserted the spindle portion of the ring toss toy, supra, into her rectum. He told her he would beat her if she didn't submit and/or beat her. Each time she bled from the forced penetrations. On the second occasion he also penetrated her with his penis and then made her orally clean his penis. (1st degree, 4X)

F.) January 25, 2006: He forced her to submit to "sucking the pee from his penis" after he urinated in her mouth. He then tied her up and blind folded her while he penetrated her rectum with a vibrator after which she was forced to fellate the vibrator to clean it off. He then penetrated her rectally with his penis. She bled rectally from the forced sex. (1st degree, 4X)

Continued on page 2

G.) February 7, 2006: Ms. W[REDACTED] had the flu and was nauseous and had diarrhea yet, he physically held her while he forced her to fellate him "until she learned how not to gag" telling her to do it now and right "because the kids were right outside the room" implying some threat to them or her. He also forced rectal sex, after which he told her she was "a sick bitch" because he'd gotten feces on his penis. (3rd degree, 2X)

H.) DuFresne tied her to a chair and wrapped a ligature around her neck to hold her head steady while he taught her to fellate him properly. Between the penis in her mouth and her airway being constricted by the ligature she became short of breath. Visable marks were left on her neck by the strangulation. (1st degree).

* See attached pages printed from the computer to ascertain Dufresne's criminal mentality and sadistic propensity.

Affiant has nothing further to add at this time.

From the arrest of the phenomenal Rev Hale to the onslaught of federal harassment that we have experienced. We are still here and still going strong. That by no Jewish governmental tricks and no anti racist traps will ever destroy us. If we get knocked down we will only rise up stronger. Join us in our fight my white brothers and sisters in saving our race. Let us make 2006 be a year in Infamy to the Jews mud's and white traitors. Through your help we can together win this racial holy war!

How to help right now: Of course getting out there and fighting for our race is always the best way to go in order to save our people. But right now we need your help in another way. Shinheads of the Racial Body

Not a Rehash of the Nazi Philosophy

We Creators believe that Adolf Hitler was a pioneer who made a tremendous breakthrough for the White Race, but unfortunately he did not break the back of the Jewish monster. On the contrary, the Jews emerged victorious from the ashes of a defeated Germany. When WWII ended, the Jews were ten times more powerful than before that holocaust began. Now, over forty years later they have further consolidated that power and tightened their death grip on the world, and on the White Race. It remains up to us, the present generation of the White People, to break that Jewish stranglehold. Nobody else will do it for us.

We Creators have learned much from the Nazi experience and the mistakes made in dealing with the Jewish monster. National Socialism was the first mighty breakthrough for the White Race, but it was not the total answer. IN CREATIVITY THE WHITE RACE FINALLY HAS THE TOTAL ANSWER TO THE PROBLEMS OF WHITE RACIAL SURVIVAL, EXPANSION AND ADVANCEMENT! We Creators have come up with a completely different approach and use the same weapons the Jews have used so successfully for over 3500 years, namely the POWER OF RELIGION!

There are at least eight Fundamental Differences between the Creativity movement and the Nazi movement, which have been outlined in *Expanding Creativity* (p. 56-67) and *Building a Whiter and Brighter World* (p. 50-51) :

1. Whereas the concern of Hitler and the Nazi movement was to save Germany from the enemies that surrounded her, the overwhelming goal of the Church of Creativity is to save the White Race and insure the survival, expansion and advancement of the White Race on a worldwide basis. We preach not nationalism, but racialism.

- 
2. Hitler himself stated that the Nazi movement was a political movement exclusively for the Germans and not for export. CREATIVITY is, in contrast, a RELIGIOUS MOVEMENT designed for global proportions to embrace all the White peoples of this Planet Earth.
 3. Whereas Hitler never tackled the issue of Jewish Christianity, and, in fact, sometimes even mildly identified with it, we confront Christianity head-on, expose its treacherous and deceitful nature, and its Jewish origins.
 4. Hitler left us a burdensome legacy that still lingers on in the minds of many of his admirers, and that is that the Jewish problem must be solved as a political problem. We Creators say: not so, it is a religious problem that can only be solved by replacing Jewish Christianity with a powerful racial religion for the White Race. In the one and only, true and revolutionary White Racial Religion – CREATIVITY – we have such a solution.
 5. Whereas the Nazi movement took a harsh and hostile stance toward many of its White neighbors – the French, the Poles, the Czechs, etc., CREATIVITY, on the other hand, seeks to embrace and unite all the White peoples of the world in the spirit of White Racial loyalty and solidarity.
 6. Whereas Hitler formed a military alliance with one of the more powerful mud races, namely the Japanese, to help kill White peoples, to us Creators this is sheer treason and must never happen again. A cardinal rule of the Church of Creativity is: never again shall the White Race engage in suicidal warfare against its own kind but concentrate its power and hostility instead against its racial enemies – Jews, niggers and the mud races.
 7. Our "mythos" is the American scene of our White pioneering forefathers, Manifest Destiny and the Winning of the West, which we consider as the finest chapter in the history of the entire White Race. In contrast, the Nazi mythos was narrowly nationalistic in orientation, with the exclusive emphasis on German language and history.
 8. We shun the "personality cult" approach to the overwhelming problem that confronts us and rely instead on logic and common sense, on the experience of history, and on the Eternal Laws of Nature as the broad and solid base upon which to build our powerful religious movement for White Racial Survival, Expansion and Advancement.

We must not get into the rut of merely rehashing the problem endlessly. Let us instead direct our energies constructively towards solving the problem by building a massive White Racial movement.

CREATIVITY IS THE SOLUTION.

Who Is White?
By David Lane

Those of you who have over the years or decades either observed or participated in the resistance to the murder of the White race know that provocateurs have attacked the racial purity of professed leaders to impugn their motives. In my opinion part of the reason this has successfully worked for the enemy is a mind set grown from an alien religion. A basic tenet of Judeo-christianity and part of its fatal allure is that it allows inferior men to claim superior status without corresponding effort. A Judeo-Christian with an IQ of 90 and a dismal life history can get baptized, repeat a few ritualistic words and presto, suddenly proclaim divine status superior to that of a man a million times his superior in intellect and character. The "blue-eyed blond" syndrome is typical of this mentality. And I say this advisedly since I appear Nordic, tall, slender, blue-eyed blond. Yet I can only guess at the purity of my ancestry. My father of record sold my mother to his buddies and to strangers for booze money, so the Gods alone know all.

What I do know is this. I look White. I fight for White. I recognize the achievements of the White race. I want to preserve our kind. I am horrified that the beauty of the White Aryan woman may soon perish from the earth forever. I suffer for each White child tormented in America's inter-racial nightmare.

I see beauty in a Celtic princess with brown or red hair and green eyes. I see beauty in the statuesque Nordic Goddess with blue eyes and golden hair. I see beauty in the freckle-faced Irish lass. I see heroism in Robert Jay Mathews and Richard Scutari with their dark hair and eyes of green or brown as well as in Frank DeSilva, a fair skinned Bruder with a French Portuguese name. There is far greater nobility than 99% of those "Nordic Ideals," I might add.

For those who boast of their "purity", you have 2 parents, 4 grandparents, 8 great grandparents and so on. Go back 500 years or so and you have a million ancestors. A few more generations and everyone who ever trod the lands of Europe is your ancestor, including Huns, Mongols and Moors. There are no 100% pure Aryans as per 10,000 years ago.

But we do still exist as a distinct and unique biological entity. The cultures and civilizations we create are beyond comparison. The beauty of our women, blondes, brunettes, redheads, green-eyed, blue-eyed, brown-eyed, is the desire of all men and the envy of all women. So, we do not want to be derailed by gossip or speculation on who may be 1/16th Indian or have some Italian, Spanish or Portuguese blood. We are not going to debate over whether the collective remaining White gene pool is 95% or 97% pure Aryan.

Surely it would be a tragedy if the various divisions of our race lose their distinctive traits and beauty. And after we have secured the existence of our people and a future for ALL our children, hopefully we can take steps to preserve

this diversity. But for now, we are going to accept the facts and circumstances as they exist. We are going to work together for the holy cause and we will not tolerate provocateurs, divisions or dissension. If someone looks White, acts White, fights White, then until their actions prove otherwise, they are our Folk. On the other hand, regardless of pedigree or appearance, those who oppose, criticize, hinder or fail to support our cause are no friends of ours.

David Lane

BEWARE OF THE AGENT PROVOCATEUR

The agent provocateur may be a paid, or unpaid agent enlisted by the enemies of our folk. His function is to infiltrate, disrupt, and/or destroy.

Like a Trojan Horse, the agent provocateur works to destroy our folkish communities from within. He does this by first winning the trust and confidence of those he has targeted.

There are two kinds of provocateurs: the soft provocateur, and the hard provocateur. Both are dangerous to the kindred, so be on guard.

The soft provocateur is an expert at the three D's of destruction: Dissension, distraction, and disruption.

His arsenal includes fabrications, distortions, misrepresentations, and misinformation. He spreads slander systematically and craftily; seeking to undermine the kindred leadership, and thus deny it of it's driving force.

He plants seeds of doubt with the object of turning the kindreds attentions away from folkish activity, and instead diverting it and it's resources against itself. His modus operandi is: divide and conquer!

The hard provocateur is a more direct animal, and therefore a bit easier to detect and contain. He presents

himself as a man of action, and is consistently trying to lure others into illegal actions. It is implied that if you don't follow his plans of illegality, then you are somehow lacking in spirit or dedication. He thus uses

intimidation and peer pressure to entrap otherwise intelligent folk into participating in illegal schemes that are both doomed to fail, and designed to place the kindred in a poor public light. It's imperative for kindred leadership to take decisive action against suspected agent provocateurs.

Whether a person is just plain gossipy or an actual provocateur is immaterial if, after repeated warnings the gossipier persists, and the damage is real. As for suspected hard agent provocateurs, conspiracy laws demand quick and decisive action.

Consequently, the folk should be alert to the signs described, and report them to the kindred leadership.

Quick expulsion should follow if accusations are verified as to wrongful conduct, and net proof of whether one actually is an agent provocateur should be the standard. And if so proven, that person must be avoided by all, with even friendship taking a back seat to kindred security.

The folk communities must establish guidelines both within their own kindreds, and between each other.

Intra-organizational cooperation is absolutely required to prevent "floaters" from traveling from one group to another.

N.S Serbia

- Beware of all strangers. Historically, resistance to tyrants has taken the form of small autonomous groups whose members know and trust one another from long experience. These groups are then united by common interest, common goals, and common literature. But, a strict hierarchy will soon be broken by the tyrants' agents.
- Beware of the man who is "too perfect." He says all the right things, he needs little persuasion, and he supplies money. The wealthy are usually in bed with the tyrant, and they are the last to oppose despotism.
- Be doubly aware of a stranger who proposes illegal activities. You will soon find him testifying against you in Federal court.
- Beware of those who draw checks from the enemy. They are very likely to have divided loyalties. It is difficult for a man to destroy the beast from whose teats he sucks.
- Avoid drunks, drug users, and anyone of unstable character. Always chose quality over quantity.
- Recognize the media tactics, and don't react to buzz words. Religious separatists, White separatists, tax resistors, and other groups are called cultists, bigots, Nazis, and other words which the masses are conditioned to hate. After the media have demonized the target, as in Waco, Texas, the Government is free to murder at will. Ask yourself, "Is it wrong for people to preserve their religion, their race, or to resist oppressive taxation?"
- Beware of someone whose intellect, education, and background appear different from those with whom he attempts to associate. Most people inter-relate with others of the same interests and backgrounds.
- Investigate. Do a little investigation. To be sure, the Federals can create good cover. But, they seldom bother because up to now resistance groups have almost never checked their associates' backgrounds.
- Recognize the ruthlessness of the tyrants, and act accordingly. A government which will mass murder innocent women and children is not going to play "Fair" with you.
