### Dramatic changes in Europe

With the dramatic and far-reaching changes that seem to be sweeping Europe, there seems to be a euphoria of hope that we Americans are winning the battle against communism and that a better and more peaceful world is in our future. Communism is a dead horse, our newsmen exult, and democracy, American style, is the wave of the future.

One mudhead from the U.S. State Department's "think-tank" went even so far as to suggest that the world has reached "the end of the history of ideas", because, according to him, from now on "liberal democracy will be the universal, dominant, unchallengeable and irreplaceable ideology all over the world for all eternity"... (Obviously, the think-tank mudhead has not heard yet about CREATIVITY -- the new racial ideology-philosophy-religion of the White Race -- which completely and categorically rejects all Jewish ideas, including the Jew-concocted "liberal democracy", and thereby challenges "the end of the history of ideas".)

Our true heroes are

### The central mission of the C.O.T.C.

As the Pontifex Maximus has told us repeatedly in his numerous books and articles, the central mission of the Church of the Creator is to straighten the Jew-distorted thinking of the White people and mobilize them for the defense of the White Race on a global scale. This monumental task cannot be accomplished without exposing and destroying any and all false heroes, idols, ideas, ideologies and religions that dominate the thinking of the White Man today. As Nietzsche said, he who is a creator of values has first to be a destroyer.

In this article we attempt to expose the true nature of two very pervasive false heroes of the present-day White racialists -- medieval Vikings and Teutons. Granted, some Germanophilic racialists might be unsettled by this exposition about their cherished idols, but then such people should openly admit that they are not entirely pro-White, but simply pro-German, pro-Viking,

## More Victims of the Black/Mud/Jew Criminal Terror Against Whites

### Brutally murdered White family:

father Warren Anthony "Tony" Harris, 40,  
mother Dolores "Dodie" Harris, 40,  
daughter Shelby C. Harris, 15, and  
son Mark A. Harris, 11.

In the rural town of Dryden, in western New York state, on December 22, 1989, between 6 and 10 p.m. four members of the White family have been invaded at their home, attacked, tortured, raped, mutilated, shot and set on fire by a gang of nigger savages whose police-issued composite drawings are shown below.

Democracy! Democracy! Every country in the world must have democracy, the Jew-controlled U.S. government shouts, whether it be Europe, or Nicaragua, or Panama, or South Africa, or be it the mud countries of the African continent such as Ethiopia or Swaziland. One man, one vote, that is the solution to the world's problems -- it's the only way to go -- a free society and equality for everyone...

### Breakdown of the "Evil Empire"

Recent events would seem to indicate that the breakdown in the former "Evil Empire" of Communism is indeed moving towards democracy, American style. The Communist empire with its headquarters in Moscow is visibly disintegrating before our eyes. East Germany has "voted out" the Communist dictatorship and is rapidly moving towards a reunion with the West German Federal Republic. Hungary has shucked off the Communist monopoly, as has Poland, Lithuania, Latvia, Estonia, Czechoslovakia and a host of others. Romania did it the hard way, after thousands were murdered and finally the Communist dictator Ceausescu and his wife were summarily executed by the rebels. The Ukrainians are chafing at the bit and seething for autonomy, as are the Moldavians, Azerbaijanians, Armenians, Tajiks and a host of other ethnic groups. As a most dramatic development, on March 11, 1990 Lithuania has declared its complete independence from the Soviet Union and is currently engaged in a "war of nerves" with Moscow.

There is no doubt about it, the Soviet Communist empire is falling apart at the seams, and neither Gorbachev nor anybody else is going to be able to hold it together or restore the former status quo.

### The Death of Communism

Communism is a dead horse. It is, or was, a form of Jewish tyranny imposed upon Russia in 1917 by a well-organized band of Jewish Bolsheviks and aimed to become a vehicle for establishing an ironclad Jewish dictatorship throughout the world. By now its deceit and defects are so obvious that it is dying of its own dead weight. So, good riddance! Democracy is the coming thing and the answer to the world's ills, we are told. What is our response to this claim?

No doubt, the death of communism is a welcome phenomenon and some of the changes in Europe are for the better and irreversible. The reunification of West and East Germans, ending a diabolical heavy-handed partition imposed upon the Germans by the victorious Jews after World War II, is one of the constructive changes, looking at it from the White Man's point of view. The breakdown and discrediting of Jewish communism, per se, is another favorable and

### Lenin's Last Stand

25-foot-tall statue of V. I. Lenin is lifted from its pedestal in Bucharest square Monday. The statue was to have been removed last Saturday, but workers couldn't budge it. Finally, a squad that included workers who in 1970 removed a statue of Josef Stalin was brought in to finish the job. The city government hopes to sell the monument: asking price, \$1 million.

historic turn of events. Shaking off the tyrannical iron grip from Moscow is also a step in the right direction for many of the ethnic groups of the polyglot Soviet empire.

However, we Creators are not at all convinced that we are moving toward a Whiter and Brighter World. Nor do we buy the garbage that democracy, American style, is the answer to the multiplicity of problems in this world overcrowded with mud people. On the contrary. As the French saying goes, the more things change the more they are the same.

Yes, the system of tyrannical Jewish Marxism, whereby all property is "collectively" owned by the state with the resultant waste, mismanagement and nonproductivity, has now been conclusively discredited for all time. Marx, son of a rabbi, is finally dead -- physically, ideologically and philosophically. **But, we must remember that Marx was a nonentity and that the cruel imposition of Marxism was accomplished only by the powerful direction and manipulation of Judaism, and Judaism and the Kehillah are still very much alive and in control of the world today. In fact, it is they that are now promoting democracy with a vengeance, and -- I have no doubt -- are willfully and deliberately throwing communism overboard.** Evidently, it has served its purpose, and it is now time to scuttle it and change tactics in their unswerving plan and program to enslave all the peoples of the world as set forth in the *Protocols of the Elders of Zion*.

### Analysis from the White Man's point of view

Now in reaching the conclusions I will be coming to, I want to make it clear that I am using the criteria as set forth in Creative Credo No. 2 of The White Man's Bible. **We Creators look at everything from the White Man's point of view.** Not from "America's" point of view, not from the Jews' point of view, nor that of world "humanity", nor are we looking at it from the niggers' point of view, nor "through the snake's eyes". The bottom line is -- what do all these dramatic changes occurring in today's world bode for the future of the White Race?

The answer is -- more dangers and accelerated race-mixing! **We must remember that Democracy, like Christianity and Communism, is a Jewish invention,** a tool used to divide and conquer, the main target being the White Race. The very fact that the Jewish press is huckstering "democracy" with a vengeance, should raise a red flag by itself. Also, the fact that Communism seems to be dismantling itself relatively peaceably, without a major cataclysm such as the Bolshevik revolution, or World War I or II, is in itself very strange, especially so when we consider the fact that the world's No.1 Communist leader, Mikhail S. Gorbachev, seems to be spearheading and masterminding these great events. He didn't get into the No. 1 catbird position without the massive help and approval of the Jews themselves, that is certain. The fact that he has been so highly touted, has received such glowing approval from the American Jewish press in every move he takes and every utterance he makes, should further convince us that he is their fair haired boy.

### "Democracy" -- another Jewish tool

So, what are the Jews up to, what do they have in mind? Well, I am neither a mind reader, nor do I have a crystal ball. All I can do is to look at the facts and put two and two together, using the principles of logic and common sense.

Let us first look at the Jewish concept of democracy, that great, great sacred word that is always at the forefront of every utterance made by Jimmy Carter, or Ronald Reagan, or George Bush, or any other political prostitute in the service of the Jewish Occupational Government. We have "democracy" in the world's "greatest" and "most affluent" society today. How is the White Race faring here and who rules the United States, this, supposedly, the world's greatest "democracy"?

The answer is -- the White Race is not faring very well. The Jews own and control their own private Federal Reserve (the world's largest counterfeiting ring); the Jews own and control most of America's newsmedia; the Jews own and control most of the nation's major businesses; the Jews control our cultural and educational facilities and are using them to brainpollute, race-mix and degenerate our society, especially our youth. Furthermore, the Jews are in complete control of all branches of our government in Washington, and in every state, county and city as well.

So how is the White Race faring under democracy? Not very well! It is targeted for extinction by "our" Jewish government. Practically every major city now has a stupid nigger mayor who is, of course, manipulated by his Jewish masters who put him there in the first place. The White productive worker and his family are having a hard time making ends meet while they are being taxed to death in order that "our" Jewish government can subsidize an ever increasing horde of freeloading niggers and other mud races (Mexicans, Puerto Ricans, Haitians, etc.). While the White taxpayers work and slave and hold back on raising a family of their own, the niggers and the mud races feed and breed, subsidized by the largesse of the exploited White taxpayers. At the same time "our" Jewish government not only leaves our borders wide open for all the free-loading scum of the world to enter into our domain, but actually encourages these hordes to come here and pollute our once pristine domain. That, my dear White Racial Comrade, is democracy in America, the model for all the world.

Meanwhile, productive White entrepreneurs, like Rev. Rudy Stanko, sit in jail, robbed of their

## The True White Heroes

(Continued from Page 1)

pro-Nordic or whatever particular nation or region of Europe they happen to admire. We Creators, being **White Racial Loyalists**, completely and categorically reject any and all nationalism or regionalism as detrimental to the best interests of the White Race taken as a whole on a global scale. In fact, one of our main goals is to **denationalize (and then racialize) all Whites**. We consider it of equal importance with our other main goal - to **dechristianize (and then creatorize) all Whites**. Why? Because nationalism and christianity are the main causes of inter-White antagonism, which prevents the mobilization of the entire White Race for its struggle of survival, expansion and advancement. So, in the interests of historical truth and global White Racial Solidarity, let us expose and reject the false heroes - medieval Vikings and Teutons who sold Whites to muds, and let us extol and emulate the true heroes - White Cowboys and Texas Rangers who defended Whites against muds.

### An Undeniable Historical Fact: Medieval Vikings and Teutons sold White women to Jewish, Arab and other mud slave traders

It might come as a shockingly rude awakening to some of the White racialists who are used to paying lip service to supposed glories of ancient Vikings and Teutons, but the undeniable - recorded and verified -- facts of history tell us that the medieval Vikings and Teutons cannot be considered heroes of the White Race. In fact, on the basis of reliable historical record they can be considered as back-stabbing criminals of the White Race, who -- taking advantage of their central geographic location in Europe - constantly fought against neighboring White countries, but never against any mud country or mud army.

It seems that the sole mission of the much lauded Viking and Teuton warriors was to attack neighboring White countries, to destroy White cities, towns and villages, to kill any and all White defenders and sell the remaining White populace, especially White women and children, to Jewish, Arab, Tatar, Mongol and other mud slave traders. Yes, in this gruesome, fratricidal task - Whites killing Whites - the medieval Viking and Teuton warriors have really excelled, much to the benefit of Jews, Arabs, Tatars, Mongols and other racial enemies of the White Race, who were delighted to have Vikings and Teutons make the job of destroying and enslaving the White Race much easier. In fact, there is enough historical evidence to suggest that the anti-White terroristic exploits of Vikings and Teutons were being encouraged, manipulated, directed and rewarded by the Jewish power structure, whose center at that time was based in the Arab-occupied Spain, but its branches were already well established in Germany and they maintained close commercial contacts with Vikings, to the point of exchanging official envoys.

A careful study and analysis of historical records, facts, events and circumstances lead us to conclude that Vikings and Teutons were, for the most part, blind instruments of the Jewish conspiratorial network, and they were used to disrupt, weaken and destroy White Europeans from within at the time when Europe was being surrounded and attacked by Arabs, Turks, Tatars, Mongols and other external racial enemies. The same analysis of history leads us to conclude that the real defenders and heroes of the White Race at that critical point in European history were not Jew-manipulated, fratricidal Vikings and Teutons, but the front-line defenders of Europe against the invading mud hordes: for example, White Spaniards and White Frenchmen who fought against Judeo-Arab invasion and occupation in Spain and southern France; White Russians and other White Eastern Europeans who fought against Tatar-Mongol invasion and occupation in

Russia and Eastern Europe; as well as White Greeks and other White Southern Europeans who fought against Turkish invasion and occupation in Anatolia, Greece and Southern Europe.

For centuries these were the crucial fronts for defense of Europe against the formidable armies of its racial enemies - Arabs, Turks, Tatars and Mongols. It is a historical fact that Vikings and Teutons not only did not fight these mud armies, but actively helped them by repeatedly stabbing the frontline White defenders of Europe in the back.

### Glorification of False Heroes

There are many misinformed White Racial Comrades who adhere to the outdated Viking myths and try to emulate the image of "fierce Viking warriors, defenders of the White Race". Yes, Vikings were "fierce" enough, but, as is evident from the above analysis, they were no "defenders of the White Race". **By all historical accounts, Vikings were uncouth, marauding Scandinavian pirates, who were raiding continental Europe for loot, and in the process they were killing White European men and selling White European women to Jewish, Turkish, Arab, Tatar, Mongolian and Chinese slave traders.**

Authentic Viking art, reproduced from Metzger's W.A.R. Vol.8, No.4. Since art is a reflection of culture, the crudely primitive Viking culture cannot even begin to compare to the magnificent cultural achievements of the classical White Romans and White Greeks.

For a long time, only "Racial Loyalty" was courageous enough to take a stand against the glorification of any and all false heroes. However, we are glad to see that other serious pro-White publications are beginning to join our position on this issue. Here is what "Instaurator" (Box 76, Cape Canaveral, FL 32920), a scholarly pro-White racialist journal, had to say about Vikings in its December, 1989, issue. The article is entitled "When Browns Enslaved Whites" and, among other things, states:

### Vikings and Teutons -- tools of mud slave traders

*From the mid-800's, thousands of fair British and Anglo-Saxon slaves were seized by raiding Norsemen and sold to the Spanish Arabs. Ireland was especially hard hit. The Irish Viking towns were clearing houses, exchange ports for this slave trade with the Arabs.*

*The most common and enduring purpose for acquiring slaves in the Arab world was to exploit them for sexual purposes. Islamic law conferred upon the owner of slaves full control over their sexual and reproductive functions as well as the fruits of their labor. Prime targets of the Arab slavers were the fair people of Europe, and in this they were most actively assisted by none other but Scandinavian Vikings.*

*An Arab traveler of the time who came to Spain remarked on the great numbers of European slaves in harems. The palace of the Emir of Cordoba in particular had many White girls, chiefly Frankish and Italian. The major source of supply of these unfortunate people were undoubtedly the Vikings: they had the easiest access to the White European captives and they had no scruples about enslaving them. The Arabs in Spain saw the long-term potential of this trade, and as early as the 840's sent a diplomatic mission to Scandinavia to put it on an organized basis. Most of the British slaves though seem to have ended up on the Viking "Russian river route" to eastern Islam...*

*The extent of this slave commerce, and the speed with which it spread, are astonishing. We find Swedish dealers on the Caspian in 922 and by the 940's they had penetrated to Bukhara, Merv and Samarkand (in Central Asia, close to Afganistan). The numbers involved are also eye opening.*

*Of course, Vikings were not the only transgressors against White racial loyalty. History tells us that Teutons (another false medieval idol frequently glorified by misguided present-day racialists) were ruthlessly extending their reach eastward and bringing thousands of White captives from the defeated East European tribes to be "processed" by rich Jewish and Arabs slave-trading merchants. Many of those White captives were mutilated into eunuchs for the Arab market.*

### White Cowboys and Texas Rangers: The True Heroes of the White Race

Instead of searching for heroes in the Dark Ages of European history, we should concentrate our attention on the greatest period in the history of the White Race - **the White Man's conquest of the North American continent and especially the winning of the American West**. This was the finest hour of the White Race: White Europeans of different nationalities joined together as White racial brothers and sisters to fight against racial enemies -- redskin savages and Mexican muds, to cleanse the vast territories for White settlement and to build a new White Civilization "from sea to shining sea". No medieval Viking or Teuton "exploits" could even begin to compare in their scale, significance and consequence to the heroic deeds of Texas Rangers, White Cowboys and other White Pioneers of the North American continent. The only compatible comparison would be to the magnificent achievements of ancient White Greeks and White Romans in building magnificent civilizations and empires comparable to the great White civilization and empire built by united Europeans on the North American continent.

Unfortunately, similar to what happened to classical Greece and Rome, the White North American Civilization has been infested and subverted by the most dangerous of all our racial enemies - the perfidious Jew. Among other things, the Jews see to it that the most heroic period of White American history -- the winning of the West -- is being suppressed, ignored, maligned and distorted in the U.S. education. However, we Creators refuse to be deceived by the Jewish "academic" propaganda. **We consider the courageous pro-White fighters of the Frontier and the Old West -- White Cowboys and Texas Rangers -- as the best, the most praiseworthy and the truest heroes of the White Race and we urge all White Racial Comrades to emulate their courage and commitment to White racial loyalty and solidarity.**

As the Pontifex Maximus has stated in "Expanding Creativity" and other sacred books of the one and only global White Racial Religion, we Creators completely and categorically reject the divisive regionalistic pro-Scandinavian "Viking hero" mythos that is being cultivated by some supposedly grown up Whites who are entertaining themselves by engaging in the outdated, fragmented, crudely primitive and childishly silly game that is called Odinism.

We Creators also reject the divisive nationalistic pro-German "Teutonic hero" mythos that is being promoted by the confused, sorry bunch of latter-day Nazi imitators, otherwise known as "Hollywood Nazis".

If there has to be a "hero mythos" to inspire and sustain the new generations of White people, let it be **the inclusive pro-White mythos of White Cowboys and Texas Rangers**, the heroic American scene of our pioneering forefathers, the Manifest Destiny and the Winning of the West. RAHOWA!

## All Skinheads, convert to the one and only true and revolutionary White Racial Religion--Creativity!

Dear White Racial Brothers:

I have been making great inroads in spreading the White word at work. Boy, these young White workers are starving for a purpose in their lives! They gobbled up the Racial Loyalties I have given them, thanking me the whole time. Looks like we may have another Primary Group, since a lot of good White people are responding to our message.

I want to tell you that I loved the "Revolution of Values" issue of the Racial Loyalty. With Rev. Rudy Stanko as our next Pontifex Maximus and Rev. Victor Wolf as Editor/Great Promoter the Jews don't have a snowball's chance in hell!

The latest Racial Loyalty couldn't have come at a better time. I was angry and bitter about a letter I received from one of the co-founders of the Northern Hammer Skins scolding me for promoting Creativity as the only true White Racial Religion, but upon receiving Racial Loyalty I was instantly transformed into a vibrant, gung-ho White Activist! I will not be intimidated by anybody to suppress my belief that Creativity is indeed the one and only true and revolutionary White Racial Religion capable of leading the White People to a worldwide victory. In fact, my belief in Creativity as the winning White formula is so strong that I intend to redouble my efforts to convert all Skinheads to the true White religion which states "Our Race is Our Religion"!

RAHOWA!

Rev. Matthew Hayhow  
Ohio

P.S. The following is an article I wrote about converting all Skinheads to the true White Racial Religion -- Creativity.

### "Ten Cripples do not make one Gladiator" and a hundred different "racialist groups" do not make one Battering Ram

by Rev. Matthew Hayhow

#### Religious Persecution

Recently I received a letter from one of the co-founders of Hammerskins. She informed me that if I hold Creativity as the one and only true White Racial Religion then she will have to ask me to resign.

The problem is that she is obviously influenced by the Christian Identity people. There should be no problem in my supporting Creativity and Hammerskins, because they are both dedicated to fighting for the survival of the White Race. (At least, that's what I thought!) Obviously they (her and other Christian Hammerskins) don't have a problem with my goals, only how I choose to achieve them. Since I have thrown my support behind our Great Rational Religion and not succumbed to Christiansanity, I do not "fit in" to their picture.

Unlike the kikes and niggers, I will not bitch and moan or whine and whimper about this situation. I will act as a True Creative White Man and turn this bad situation into a good one. Two things have helped me to make my choice -- NHS vs. Creativity. The first is an obvious lack of unity in the Hammerskin Organization and also a lack of Direction or Philosophy. Although dedicated to the survival of the White Race, there is no program or base ideology, so Hammerskins are broken into Christian Identity crews, Creativity crews and Odinst crews. We cannot win if we are not united! As Hitler said, "Ten cripples do not make one gladiator", and a hundred different "racialist groups" do not make one Battering Ram.

The other thing is my ABSOLUTE, FANATICAL and UNDYING BELIEF in the only true WHITE RACIAL RELIGION -- CREATIVITY, as the TOTAL PROGRAM and FINAL SOLUTION.

#### My Proposal

I would like to start an organization that will be a vehicle for bringing all pro-White Skinheads into the Creativity Movement.

I would like to all this group "THE WHITE RANGERS", i.e. "Columbus White Rangers", "Milwaukee White Rangers". This name honors the original Texas Rangers, the true heroes and defenders of the White Race, who made a great contribution to White America and the entire White Race. It also fits in the heroic pro-White ideas of the Manifest Destiny and the Winning of the West as the Prototype for the White Man's Winning of the World. Furthermore, the name, RANGER, (like REVEREND) gives an air of LAWFULNESS and GOOD, which we are! Such a heroic pro-White name and heritage, I believe, will inspire a lot of young Whites to racial activism.

#### Conclusion

I will not compromise when it comes to the Survival, Expansion and Advancement of the White Race. I firmly believe that only after we have rid the White Race of the deadly influence of Christianity can we hope to start the White Race on the road to Victory. To all my fellow Skinheads, all White Racialists and all White People the choices are clear: follow Christianity and perish, or follow Creativity and survive!

I appeal to all Skinheads to join the Creativity Movement by forming the White Ranger groups. For more information please write to me at this address:

### A word from Skinhead Reverend: Organize today for Survival tomorrow!

Dear C.O.T.C.:

First of all I again would like to thank you for turning me to the greatest pro-White movement -- the Creativity Movement. Until my conversion to Creativity, I was like a broken jigsaw puzzle and only now, thanks to the great ideas of Creativity, all the pieces are being put together.

Also, thanks for printing my letter "Help for Imprisoned Skinheads" in Racial Loyalty No. 57. My two friends (whom I have visited recently) have said they have had a lot of mail received because of it. So I would like to personally thank each and everyone of you who responded to the appeal for help.

Of all the racist organizations I have been involved in, Creativity has the best people. The White Race still has hope with people like you in it. The "hot" battle has not begun yet, but when it does I will be there to personally help save our great White Race. I am willing to die to help save our Race from decay, mongrelization and destruction. However, I realize that now is the time to spread the White word and get organized, so that we would have a fighting chance to emerge as victors from the coming final showdown.

If there is anything I can ever do for anyone of my fellow Creators, please write to me. Feel free to write to me even to just say hi. I will respond to every letter. I believe it is very important for Creators to correspond and stay in touch with each other. If we are to survive tomorrow, we must start organizing today!

### Courage to stand up for the White Race

Dear Pontifex Maximus:

After receiving a complimentary copy of your Racial Loyalty No. 57, I felt I had to immediately write to let you know just how great it feels to know that there are people like you around with the guts to stand up for the White Race as you are doing. Your publication is excellent!

Until now I had no idea that there was an organization that approached today's racial problem in such an articulate and intelligent manner, and I just had to let you know that you have gained one more strong supporter. I will do everything possible to spread your true White word here in Louisiana and other parts of the U.S.

### Skinheads for Creativity

Dear C.O.T.C.:

Thank you very much for all the extra copies of Racial Loyalty, The White Man's Bible, leaflets, stickers, cards, Creativity logo pins and other excellent pro-White material. We, Baltimore Area Skinheads, have distributed most of those items to our members at our last meeting.

Most of our members are very interested in the only true White Racial Religion -- Creativity. For the few who have doubts we point things out and let them find out for themselves that Creativity is mandatory for White racial survival.

We have meetings once a week to discuss methods of spreading Creativity to Skinheads, other White youth and White people in general. We are young, energetic, inspired by the realization that we have the only true White Racial Religion and we are ready for STREET ACTIONS -- mass distributions of the pro-White Creativity material.

In the near future, possibly April, we are planning to have a march in Baltimore city to protest against the anti-White race laws that are being passed by the JOG. We would like to have as many White people, especially Skinheads and Creators, as possible. Please call or write to us.

### Judeo-Christianity is destroying the White Race

Dear C.O.T.C.:

I am a 15 year old Canadian Skinhead. I was raised as a Christian, but recently I received a tape from Al Hooper of the Aryan Resistance Movement, and I discovered I was suddenly for the first time in my life doubting Christianity, which I was positive was the chosen religion. So I decided to look into "THE RISE AND FALL OF THE ROMAN EMPIRE", not to mention a few other books on the Jewish origins of Christianity and its decisive contribution to the destruction of the magnificent White Roman Civilization. And sure enough, my doubts about the supposed "benefits" of Christianity grew stronger. So, finally I decided to write to you because I want to know if it's our own religion -- Christianity -- that is going to destroy us. Please help me to understand more about the Jewish origins of Christianity, so I can explain it better to the other young Whites down here who are interested in saving the White Race.

### From the JOG's Gulag: A Skinhead P.O.W.

Dear C.O.T.C.:

White greetings to all! Recently I wrote your organization requesting information about the "White religion" I have been hearing about. You replied by sending two issues of Racial Loyalty, which I and others enjoyed reading. C.O.T.C. is a very refreshing concept and unique inside the White movement. I don't know much about your inner workings but after reading the Sixteen Commandments of Creativity I realized you hit the mark squarely! I also believe that Judeo-Christianity is a deadly mind poison to our great White Race, and I would like to see Christianity destroyed before it destroys us.

Many of my brother Skinheads have switched from Christian doctrine to Odinst beliefs, searching for a banner to unite under, but the only result has been in-fighting over "religious" preferences -- endless debates why our Race is being smashed by the Jewish trash machine. I would love to see our folk come together under one belief and reclaim ownership of all White lands. So would my brother Skinheads. That is were you, the only true White Racial Religion--Creativity, come in. I cannot speak for all my brothers -- Confederate Hammer Skins,-- but enough of them approve so that we are sure we could convert the majority if not all to the only true White Racial Religion -- Creativity. We would like to work out a way for obtaining Creativity literature, since many of us are currently in prison and consequently have minimum access to funds. I would very much appreciate your consideration in this matter.

## A Word from our Future Leader

Dear Creators:

The Pontifex Maximus and other Creators have experienced the Jewish abuse of the "legal profession" to persecute White Men and to divert our time and resources through legal entanglements. Upon my release, I intend to use my legal background, experience and knowledge to strengthen our ability to argue in the courts of law. Legal arguments consume valuable time and are an unwanted necessity; however, we must present our cause from a legal point of view, and avoid anarchy while trying to awake the White People and organize them for the defense of the White Race. If the present American-Judaic law system forces our hand for a different strategy, then the time will arrive when we will reassess our legal remedies and invoke the Articles for the Defense of the White Race, as stated in The White Man's Bible.

I anticipate helping the Pontifex Maximus to file lawsuits against all public officials in their individual capacity who violate our religious rights. To the many past, present and future Creators, who have spent (or may still spend) time in the pokey, I promise that upon my inauguration as the next Pontifex Maximus I intend to establish a WHITE MAN'S BAR ASSOCIATION within the Church of the Creator in order to strengthen our legal arguments in defense of Creators in the present Jewish "justice" system.

For a Whiter and Brighter World,  
Rev. Rudolph Stanko

## More White Power to Rev. Rudy Stanko!

Dear Pontifex Maximus Ben Klassen:

I am writing to you about a great event that happened over the weekend of February 17-20, 1990: what happened was that the great myth about niggers being superior to the White men in athletics was broken by none other than the next Pontifex Maximus, Rudy Stanko! He competed in the over 40 class in the semi annual power lifting contest, but the age did not matter -- he beat all the niggers in his weight class! I myself would have competed but an injury kept me on the side lines. However, the next meet they have, Rudy and I will again prove the great myth a lie.

Thank you for sending me your paper while I am incarcerated. I am helping to spread the word of the only religion for the White Man -- CREATIVITY. Until next time, keep up the good work.

RAHOWA!

P.S. I just found out that they just locked Rudy in the hole. I guess he will get the old diesel therapy again.

ED. NOTE: Yes, they have dieselled off Rev. Rudy Stanko to a new location again. His new address is this:

Please keep writing to our future leader every day!

## A Model of the original Texas Ranger & Cowboy Warrior

RAHOWA, Brother Rudy:

You don't know me, Sir, but I am compelled to commend you for the upbeat attitude and winning spirit that characterizes you even in the relentless and hostile environment, you find yourself in.

I have read both your books which I purchased through the World Center of the C.O.T.C. It is amazing how much knowledge you acquired about the worldwide conspiracy operated and orchestrated by the ADL and its allies and the overwhelming subservience that the JOG displays towards its masters. A White Man able to discern the hidden hand of the Kehilla is increasingly rare.

In the past, I was very seriously dedicated to Evangelical Christianity. I swallowed all the Judeo-Christian irrationality except for the race mixing. When my Judeo-Christian church started promoting race mixing, I left it and started searching for answers and truths until I found them in the only true White Racial Religion -- Creativity.

You are an inspiration to all Creators and will be to all real White People when they learn of you, as I am sure they soon will. Thank you for providing the role model of Cowboy Warrior -- the original type of Texas Ranger. You could have wimpishly "got on the program" in JOG's gulag and not caused so much trouble for yourself. The fact that you are repeatedly abused for selective punishment shows how scared the Establishment is of the real White Men like yourself.

Now that you have been designated as the next Pontifex Maximus of the Church of the Creator, I extend you my sincere congratulations. I look forward to your freedom and your natural leadership in action. I am sure that your family is proud of your stand for the White Race, and I am proud you are a member, an ordained minister and Pontifex-designate in our own all-White Church of the Creator.

I am sure that your promotion will dovetail neatly with the outstanding efforts of other promoters of Creativity, like Rev. Victor Wolf.

Hang in there. It makes me want to work that much harder for your release and for the sacred cause of Creativity knowing that you are a determined fighter and will not compromise with the enemy. You make us proud.

RAHOWA!

## We want Rev. Rudy Stanko free, now!

Dear C.O.T.C.:

I am glad to hear that Rev. Rudy Stanko will become the leader and spokesman for Creativity, the one and only White Racial Religion.

I have read "The Score" and I believe that no other man on this planet has been more persecuted for going against a Jewish business cartel than Rev. Rudy Stanko. I believe he is one of those rare -- exceptionally talented, energetic and brave -- personalities that are very few in any given generation. His example of courage, determination and persistence in the face of severe harassment from his unorthodox beliefs serves as inspiration for all of us.

We, who are still "free", must pressure the Establishment to obey their own parole rules and release Rev. Rudy Stanko immediately. I am proud to be associated with a man of Rev. Rudy Stanko's stature.

## Once a Creator, always a Creator

Dear C.O.T.C. H.Q.:

The Asheville newspaper in a front-page article about the Church of the Creator has stated that I am a "former Reverend". I want to set the record straight: I still am a loyal member and a Reverend of the Church of the Creator and will always be until I check out of this world. I believe Creativity is the only true White Racial Religion and the best road to White survival and victory.

## Cupid's Corner

One of the **Sixteen Commandments of Creativity** states: *"Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"* Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (*Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!*)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER  
c/o Racial Loyalty  
P.O. Box 400  
Otto, NC 28763

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

- a) upon inquiry, you will receive our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);
- b) upon selecting the desired candidates, please write them an introductory letter in care of CUPID'S CORNER, c/o Racial Loyalty, P.O. Box 400, Otto, NC 28763;
- c) we will forward your introductory letter to the candidates you selected;
- d) then it is up to the selected candidates to respond to you directly and establish the connection.

**WHITE MEN AND WOMEN, BE FRUITFUL AND MULTIPLY! DO YOUR PART IN HELPING TO POPULATE THE WORLD WITH YOUR OWN KIND! RAHOWA! THIS PLANET IS ALL OURS!**

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service -- CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. # The Wildest Stories Ever Told Part XXI of a Continuing Series

## The Weird Story of THE RAPTURE

One day, about 15 years ago, as I was driving north on Interstate 75 towards Atlanta, I noticed the car in front of me had a bumper sticker that proclaimed "In case of THE RAPTURE this vehicle will be unmanned". I wondered what in the world this fellow was talking about. Whether he was a nut, or if the vehicle should indeed become unmanned, either way, I didn't want to have such a mess in front of me. It could result in an accident and in no way did I want to be behind an accident waiting to happen. I stepped on the gas and passed him as quickly as possible, putting distance between us.

Then, over a period of time I began to see more of such bumper stickers. What is this thing, I wondered, that could unman cars? I soon found out. It is a belief among the fanatic Christians of various cults, the born-again and others, that at a given instant "the righteous", meaning themselves, of course, will be sucked up into the wild blue yonder as if by a huge vacuum cleaner. It could come at any unexpected time with no warning. You could be driving a car, or be in the shower, or sitting on the john. Nobody knows the time nor the hour, they say, but the Lord. And somehow they are not agreed as to which Lord it is that knows, whether it is Jesus Christ, or Yahweh, or the Holy Ghost. When somebody asks me a question to which I could not possibly know the answer, I often respond with the expression "Christ only knows, and he won't tell". However, as to the timing of the rapture there are a number of passages in the bible where J.C. claims even he doesn't know the time, only "the Father" knows. In Matthew 24:36 purportedly he said, "No one knows about that day or the hour, not even the angels in heaven, nor the Son, but only the Father". Evidently it is very tightly classified as Super Super Secret. Why, Christ only knows, or does he?

Be that as it may, in trying to find some biblical basis for the much touted rapture, I hunted up my King James bible and tried to find the word "rapture" in the "Concordance", or the index, and to my surprise, it wasn't there. I later found out that the idea of "the rapture" is a fairly recent invention concocted by modern day con-artists to put some zingaroo in their wild preachings. Evidently these preachers base the idea that at a given split second the selected few (themselves, of course) will be "whooshed" up into the stratosphere there to meet their Lord Jesus Christ in ecstatic and blissful union.

What happens thereafter is somewhat vague, long winded and tedious. Some say the rapture is equivalent to the Second Coming of Christ, some say it is not, but precedes the Second Coming. Evidently the whole idea is a recent invention based on a number of disjointed passages in both the Old and the New Testament, many of which could mean anything, or nothing. Two commonly quoted passages are:

(a) 1. Corinthians 15:51 and 52, to wit: "Behold I shew you a mystery; we shall not all sleep but we shall all be changed. In a moment, in the twinkling of an eye, at the last trump, for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed".

(b) 1. Thessalonians 4:16 and 17. Quote: "For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, with the trump of God: and the dead in Christ shall rise first: then we who are alive and remain shall be caught up together with them in clouds, to meet the Lord in the air: and so shall we ever be with the Lord".

So there you have it. Ghosts form the dead shall meet with the live bodies up in Cloud Nine, to join with the Lord, and all shall live in eternal bliss and rapture for ever after. Promises! Promises! Promises!

But such good fortune shall not be shared by all. No, indeed. In fact, damned few will cut it, only one in forty, or 2.5 percent. The rest shall burn in eternal hellfire! Burn, baby, burn!

In trying to find out more about the thinking of these spaced-out space experts, I studied two booklets that were sent to me by the World Bible Society out of Nashville, Tenn. The first one was written by Edgar C. Whisenant and it was entitled "88 Reasons Why the Rapture could be in 1988". In fact, he pinpoints the timing even more specifically "at the Feast of Trump" (Rosh-Hash-Ana) September 11-12-13 of 1988. Evidently whereas the Son was not privy to this highly classified super secret, Edgar C. claims that he has cracked the Code, and gives 88 reasons why, sure as shooting, it is going to happen within a three day period, namely between September 11 and 13, 1988. Now that is calling it pretty close.

The reasons he gives are mostly all dredged up out of various passages of both the Old and the New Testament. Here is an example of one reason out of the 88. Whisenant quotes (of all people) Rabbi Meir Kahane, a real Christ hater. The reasoning, if you can follow, goes something like this. Israel is the time clock of God throughout history. "The State of Israel, which rose up in the year 1948, is not only the beginning of the redemption, but of the grace period granted us today". That grace period is forty years, he says, "a last opportunity to reverse needless disaster, to bring the redemption with grandeur and majesty". Forty years end with the church age on Rosh-Hash-Ana in 1988. Ipso facto, September 11-13, 1988 is the end of time, says Edgar C. Whisenant.

- EDGAR C. WHISENANT -  
THE PROPHET OF DOOM

"AS MY CHARTS SHOW, THE RAPTURE WILL OCCUR SOMETIME IN 1990-91-92 OR 93. AT ANY HOUR OF ANY DAY. IF IT DOESN'T HAPPEN, THEN I'LL COME UP WITH ANOTHER PREDICTION IN 1994."

Poor Whisenant! Like so many other prophets of doom and disaster, of the end of the world, of the end of time, etc., September 13, 1988 came and went and no rapture! Damn it!

But not to be discouraged! Like so many other idiotic prophets have done in the past, he set a new future date. He soon came out with a new 90 page booklet called "The Fatal Shout: Rapture Report 1989, 1990, 1991, 1992, 1993". This time he wasn't going to box himself in so tightly, but predicted it could (would!)

happen during any one of those five years. In trying to explain what went wrong in the first prediction he says he goofed in forgetting that the first century A.D. had no zero year, as do all the others, like 1900, etc., and this threw him off his precise schedule. Ha, ha, ha!

In the second book, he has a number of complicated charts and graphs that make less sense than Mr. Toad in Alice in Wonderland. However, he has some other interesting things to say, some of which should scare the hell out of any believing Christian.

Whisenant says that according to Wilmington's Guide to the Bible, in the 6000 years from Adam to the start of the Millennium, God will have tested approximately 40 billion human beings on earth. Of this number, about one billion will have elected, of their own free will, to follow God's ways instead of theirs. By the blood of Jesus, these people will be saved from damnation and live with Jesus and rule his universe throughout eternity. The other 39 billion, it appears, will be cast into Hell, he says.

Wow! That is a real mouthful! 39 billion human souls will be cast into Hell! 39 billion! Imagine! This planet now has a little over 5 billion people and it is already vastly overcrowded. Hell must be one hell of a huge place. Imagine this fiery torture chamber that is big enough to accommodate more than seven times as many people as are now living on this over-crowded planet! Thirty-nine times as many as are going to heaven! And there sits the loving, oh, so loving, Lord and Jesus Christ, not to mention the Holy Ghost, gloating about their handiwork, none of them evidently giving a good goddamn about all those 39 billion screaming, screeching, writhing and agonizing victims in that huge fiery pit, a torture compound evidently seven times as large as Planet Earth. That's love? (See "Hell", C.C. No. 49 in W.M.B.)

The preachers will blandly explain away that these poor devils had their chance, and since "of their own free will" they chose to be sinners the poor bastards deserve what they get.

Whoa! Wait a minute! We don't buy that "free will" gimmick. According to their story, "God" created all, and this includes human beings and that huge fiery torture chamber. Evidently he never makes a mistake, they tell us, and he knew exactly what he was doing. He knew how things were going to turn out in advance, and obviously they turned out just as he willed and planned. If his prime creation, mankind, was so damn imperfect and only one in forty could pass the test, he must have wanted it that way. He was the designer and the creator. If he botched the job, either intentionally or

# We are not "White Supremacists", we are White Racial Loyalists--Creators

(This letter has been published in the Franklin Press):

In the Wednesday, Feb. 1, 1990, edition of THE FRANKLIN PRESS, there appeared the headline "White Supremacist continues tax fight". Granting that the reporter, Elizabeth Gill, could not possibly cover all the issues involved in this controversy in one article, on the whole, I would say that she did a commendable job in trying to be impartial on two subjects that are highly controversial, namely race and religion. However, there were a few major errors and omissions that need to be addressed.

In the first place, calling the Church of the Creator a White Supremacist organization is erroneous and misleading. The phrase "White Supremacist" has been used loosely and indiscriminately by the liberal and Jewish press as a buzz word to put down any and every White person who exhibits any pride or loyalty to his own race. Without ever defining the phrase, it immediately implies a bad image. It is a "slur" word, similar to the word "nigger" when applied to blacks.

What is a White Supremacist? We of the C.O.T.C. define it as a term used to describe White people who seek to rule over the non-white people, to dominate them, to exploit them and to abuse them. To their discredit, this the White Race has done in many phases of its checkered history. There are any number of cases we can cite, such as the British ruling and exploiting India over a period of two hundred years; the White plantation owners of the South exploiting black African slaves; the French plantation owners of San Domingo (present-day Haiti and the Dominican Republic) two hundred years ago exploiting imported black Africans in huge numbers and utilizing them as slaves; the Spaniards exploiting the Indians in Mexico and South America; the list is endless. In each case the exploiters thought they were getting a real bargain in cheap labor, but eventually the slaves outbred and interbred with their White masters, and in the end the slaves mongrelized and destroyed the future progeny of their exploiters who had dragged them into their midst in the first place.

We of the Church of the Creator want none of this. We don't want to rule over anyone, we don't want to enslave or exploit anyone - black, yellow or purple. Nor do we want to intermarry with them, or intermix with them, or socialize with them. Nor do we want any part of the insane course our government has been pursuing for the past 45 years of subsidizing all the "mud races" of the "Third World", or the "emerging countries", or subsidizing the parasitic little state of Israel to the tune of three billion (or more) dollars a year, or subsidizing any other foreign country. Where in our Constitution does it say that we, the productive White people of America, owe all parasites of the world a living? We Creators say: let us stop this insanity that is causing a disastrous population explosion the likes of which the world has never seen, and is crowding the White Race from the face of Planet Earth.

perspective. **Nature created and developed us over a long process of Evolution lasting millions of years in accordance with the Eternal Laws of Nature.**

\* \* \* \* \*

However, it is not the objective of the Church of the Creator to speculate as to how did it all start. As I have said before -- Christ only knows, and he won't tell, because he isn't here and there is no evidence that he ever was. We Creators are not concerned about solving all the vast mysteries of the universe. **We are concerned about a most pressing and urgent problem, namely the survival, expansion and advancement of our own kind, the White Race, Nature's Finest. This we can only do if we brush away all those idiotic cobwebs concocted by Jewish Christianity, face the real world, and work and organize to take control of our own destiny away from out of the slimy hands of the Jews.**

This we can do and this we must do. RAHOWA! B.K.,P.M.

How stupid can we get -- feeding and subsidizing all the scum of the world -- who return our largesse with hatred and hostility.

It is not the goal of the Church of the Creator to "eliminate 'the mud races', including Jews, Indians and blacks", as the article in the "Press" contends. Our position is that **like every other creature in Nature, let us take care of our own and let those that are alien to us fend for themselves.** It is not our obligation, nor is it in our interest to feed a billion Hindus in India, or the millions of inhabitants of Sudan, or the Arab-killing Zionists of Israel, or billions of other mud races, most of which hate us White people with a passion in return for generosity. **We say -- they are NOT our kind, they are NOT our brothers, and they are NOT our concern.** Let them fend for themselves or wither on the vine. I repeat, they are not our obligation, nor are they our concern. In any case, the more we feed them, the more they breed until the world is becoming (has become!) an overpolluted cesspool of clawing, hostile and starving people, and we have created it by our idiotic program of subsidizing 126 countries that are alien to us.

We Creators want none of this. We want only to take care of our own and strive for the survival of our own precious race -- the White Race, which we regard with pride as Nature's Finest.

This is the basis of our religion. If you are interested in learning more about Creativity, read our Three Basic Books: *Nature's Eternal Religion, The White Man's Bible, and Salubrious Living.*

otherwise, it would seem to any logical person the fault lies with God, the creator. He obviously wanted 39 billion suffering people to end up being barbecued in the fiery pit forever and a day. And this is love? What a horrendous sadistic monster this super spook must be to concoct such a sadistic set-up. And this kind of garbage the Christians go to church every Sunday to worship.

\* \* \* \* \*

Fortunately, all this idiotic nonsense exists only in the minds of demented kooks, in a faraway fantasy land, a fable concocted by deranged people who didn't have all their marbles together. I have another book recently sent to me by one of our activists, Rev. John Brooks. The name of this book is "Origins" and it is written by Richard E. Leakey, the son of those famous archaeologists, Louis B. and Mary Leakey. In this book Richard Leakey and his co-partner Roger Lewin in a scholarly and scientific procedure describe the long evolution of the species called homo sapiens sapiens (modern man) over a period of millions of years. They describe the real world as it has slowly changed from the beginning of this planet some four and a half billion years ago to the present and project it on into the future.

But before they trace the early beginnings of mankind, they do an excellent job of putting this tiny, insignificant ball called Planet Earth in its proper place. They remind us that our tiny planet revolves about the sun, which is only one of ten billion stars in our own galaxy, the Milky Way. This, in turn, is only one of the millions of galaxies that make up our vast and boundless universe. The enormity of this scale helps to put our existence on Planet Earth in its proper

## Purpose of this Series

The overriding goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and the immediate goal is to free the White Race from the worldwide yoke of Jewish tyranny. In order to achieve both goals it is necessary to build a massive, powerful movement that can smash the Jewish monster. Before the White Race can ever be in a position to unite, polarize and build such a power structure it will first have to get its thinking straightened out. This it can never do as long as it entertains in its innermost thoughts that most diabolical of all mind-scramblers, Jewish Christianity. By using ridicule and exposing this idiotic age old spooks-in-the-sky-swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests.

business and reputation, on trumped up charges contrived by a vicious Jewish conspiracy. He is not alone. Thousands of other White loyalists are also behind bars for no other reason than that they are for the White Race and therefore a threat to the Jewish conspiracy. You are, of course, free to enjoy the fruits of the great American Constitution, and the Bill of Rights, and you can say and think anything you like, except, of course, don't mention the Jewish behemoth. That, too, is an integral part of "democracy" in America.

How is the White Race faring in once "Great" Britain, that mother of all parliaments, democracy, and all those other shibboleths? Well, the Skinheads, who originated in Britain, pretty much summed it up in a few lines of their brave song: "**Once we had an Empire, now we've got a slum**". Niggers of all stripes from Africa, Pakistanis, Hindus and a plethora of other scum and mud races now infest British cities, and the Jew-controlled British government, as in the U.S.A., coddles sweetly to these parasites, but takes an extremely hard stand against any White Man who dares to take a pro-White position and defend White racial purity of his once great country. That is "democracy" in England.

We now take a look at the German people, the most productive people in the very heart of Europe. Since democracy is supposed to exemplify rule by the majority of the people, undoubtedly, Germany under Hitler from 1933 to 1939 had the finest democracy of all time, since Hitler's regime enjoyed the popular endorsement of over 90% of its people. But, of course, it wasn't a Jewish democracy; in fact, it was hostile to these miserable scavengers. Therefore, to hell with the will of the people, it had to be smashed.

Despite draconic partitions and extortions imposed by the Jewish victors on a defeated Germany, the German people by sheer strength of their talent, hard work and perseverance managed to rebuild their smashed and devastated cities, factories, transportation systems and farms. In the Western part of partitioned Germany, they had the American-style democracy imposed on them, whether they liked it or not. They could vote for any scoundrel they chose, but they could not vote for freedom from the tyranny of hostile occupation forces, nor could they vote for the kind of government they had enjoyed (National Socialism), nor could they vote for re-union with "East" Germans, nor their kinsmen in Austria who were part of the German Reich in 1939. So they were free to do anything at all as long as it conformed with the wishes of their Jewish slave-masters. All of which, of course, didn't leave them much choice or much room to maneuver in, but that was what was now called democracy. In the meantime the Jews saw to it that the "democratically" occupied Germany be polluted with Turks and other mud races to make sure their gene pool would be on its way to major pollution.

Now that union of "West" Germany with "East" Germany seems inevitable, all Germans will have a unified "democracy" - to be ruled, exploited and tyrannized by the worldwide Jewish powerhouse. That is what democracy has in store for a unified Germany.

### Inter-ethnic conflicts -- the Jewish plan to divide and conquer

Meanwhile, in the other countries breaking away from the Soviet communist monolith we already find a passel of major inter-ethnic

conflicts. Poland is hostile and apprehensive that a united, strong Germany may try to reclaim its former territory carved out of eastern Germany and forcefully joined into a Poland that had its own eastern territory "given" to Russia (very democratic, was it not), with the blessings of the Jew-controlled "democratic" United States, Britain and France.

Inter-ethnic conflicts are the curse of Europe. I pick up the morning paper and I read that another incident of ethnic violence is stirred up in Yugoslavia where 417 ethnic Albanians were hospitalized due to poisoning, and about 4000 ethnic Albanians gathered in the streets of Podujevo and beat up some 15 Serbs and Montenegrins, accusing them of deliberately poisoning the Albanian students. Another article on the same page tells about thousands of anti-Hungarian demonstrators rallying for the fourth straight day in protesting the intended take-over of Transylvania by Hungarians. This clash between Romanians and Hungarians left seven dead and 300 wounded. Meanwhile there are deadly ethnic clashes between Turks and Greeks on Cyprus, as well as border disputes between Greeks and Albanians. The list of examples of ethnic strife in Europe and elsewhere is endless.

Is Europe going to enjoy peace and prosperity once communism is dismantled? No, not hardly, if the Jews can help it. Already all the hundred-year-old grudges, feuds, animosities, ethnic hatreds are being fanned and revived in the same old Jewish game of divide and conquer.

The fact is this ethnically splintered and fractured world is never going to enjoy either peace or prosperity as long as the Jews are in control, and at this juncture in history they are fully in control, as they have been to a lesser degree for the last two thousand years.

### What is the solution?

Is there a solution to ever bringing peace and prosperity to this polyglot, fractured world? Can even a once White and civilized Europe achieve peace among its various nations? Can they settle all the age-old grudges, rivalries, border problems, former territorial acquisitions, the problems of ethnic groups within other ethnic groups? Can they solve the thousand and one other problems, such as languages, religions, etc., that have been and will be the cause of endless wars even after communism is eradicated?

My answer is no, under the present system of values in the existing religious, economic and social system they will never be peacefully settled. Let us take, for instance, the problems of one single country, namely Germany, as a starter. The boundaries between Germany and Poland will be an eternal ulcer and can easily escalate into a military war again. Germany's borders with France, especially Alsace-Lorraine, are an ongoing grudge, and will remain so. Its borders with Czechoslovakia will heat up again, as well as the question of unification with Austria.

Other examples: Belgium has problems of religion and language dividing it. Ireland has an ongoing civil war about religion that has been ulcerating for four hundred years. Britain and France fear that a reunited Germany will again become too powerful and will out-compete them in international trade. The laundry list goes on and on.

I repeat, is there no solution to the endless problems of the White Race, even amongst themselves? And again, I come to the same conclusion: not under the present system of values.

Without confronting the enormous problems of an exploding mud population that threatens to

overwhelm the White Race, before the White peoples of the world can get their act together, there have to be some major fundamental changes in their thinking and in their attitude about themselves. There are thousands of minor divisive issues that have plagued the White Race over the centuries, but the major dividers have been these: **nationality, religion and language**. The Jews, who have developed the art of divide and conquer to a fine technique, have skillfully utilized and exacerbated these fundamental divisive factors and managed to keep the White nations of Europe (and the world!) in turmoil, at war, and in ever-increasing debt.

### Creativity is the answer

Hasn't anyone in the highly intelligent White world ever come to a solution to the problems of divided nationality, religion and language? Yes, Creativity has come to a sensible, non-violent and logical solution based on the revolutionary idea of White Racial Loyalty and Solidarity.

We want to educate White people of all nationalities, religions and languages that their first and basic loyalty belongs not to any particular nationality, religion or language, but to the White Race. Based upon the idea of White Racial Loyalty, we want to promote global White Racial Solidarity and Unity as the only way for the White Race to survive in the world which is becoming increasingly flooded with the mud races.

### One global White racial language

Creativity has the answer to the divisive problem of the different languages. We Creators advocate one common language for all the White people of the world, and we suggest Latin as "lingua franca" of the White Race. Latin - the classical language of the glorious White Roman Empire -- is the most beautiful, melodic and logical of all Aryan languages, and in addition it is non-partisan. It has a great historical significance and tradition for the White Race: Latin was the official common language of all educated Europeans until 16th century, when the Jew-instigated "Reformation" crushed Renaissance (the great European cultural and academic revival) and plunged Europe into fratricidal religious and ethnic wars. Furthermore, classical Latin -- even 2000 years after the Jew-instigated destruction of the White Roman Civilization -- is still the best structured, organized and phonetic language in the history of our race. So let us polarize around our one and only great classical, traditional and historic language -- Latin, the language of noble and magnificent White Romans. Let us White people of the world unite in the spirit of White Racial Loyalty and Solidarity and finally understand each other by speaking the same language!

### One global White racial religion

We next examine that explosive issue of the different religions in which the White peoples of Europe and the world are enmeshed. Without a doubt, Jewish Christianity is the overwhelming prevalent religion with which the White Race has been plagued for nearly two thousand years. But besides it being a deceitful Jewish invention which brought down the once great White Roman Empire, it now has the added disintegrating factor that it is fractured into thousands of major and minor factions all of which are jealous of each other, and overtly and covertly at war with each other.

There are the Catholics and the Protestants, there are the Eastern Orthodox, there are the Mormons, and the Baptists, the Presbyterians, the Unitarians, the Calvinists, the Anglicans, the Mennonites, ad infinitum. Even the Korean-originated Moonies claim they are Christian.

## If not Creativity, what else is there?

(Continued from Page 8)

The list goes on and on, and even among the main groups there are endless divisions (for instance, even the small sect of Mennonites has 32 different divisions or denominations).

More blood has been spilled over this Judeo-Christian idiotic spooks-in-the-sky swindle which the Jews have foisted on the White Race, than probably any other issues, of which the devastating Protestant vs. Catholic Thirty Years War (1618-1648) is only one example.

We Creators reject all existing religions which are based on myths and detrimental to the best interests of the White Race. We Creators are determined to convert all White people of the world to the one and only true White Racial Religion -- Creativity, which is based on the Eternal Laws of Nature, History, Logic, Common Sense, and is dedicated to the survival, expansion and advancement of the White Race.

### One global White racial nation

Ethnic/regional/state nationalism is another strong divisive tool in the Jewish arsenal of weapons for manipulating and destroying the White Race. Who is it but a NATIONAL government that has the power to declare war, to mobilize armies and to order attacks on another group of White people under the dominion of another national government. Nations go to war and, more often than not, White nations kill the people of other White nations. And in this category no other nations are as devastatingly efficient in raining death and destruction on their fellow kinsmen as the White nations themselves.

We Creators want to unite all White nations of the world into one global White racial nation, and we will move heaven and earth to see to it that never again will White men go to war to kill other White men, women and children. If we are going to go to war and kill, let's make damn sure we kill our racial enemies, who are our real enemies, -- Jews, niggers and the mud races.

### Creativity -- the New Renaissance of the White Race

We have addressed the main categories (language, religion, nationality) of divisiveness that over the centuries have prevented the White peoples of the world from ever getting their act together for their own best interests, for their own survival, expansion and advancement.

The main problem has been that, foolishly, they have never really thought of themselves as members of the White Race *per se*. They have considered themselves in terms of cultural, or religious, or regional bonds, such as French, or British, or German, or American, or Catholic, or Protestant, or Anglo-Saxon, but never considered that most significant of all the bonds we share -- **the biological bond which by its very crucial nature overrides any and all other bonds.** Nor have they realized the overwhelming importance and privilege of being a member of Nature's Finest -- the White Race.

With the White Racial Religion -- Creativity all that changes. **We Creators consider our biological racial heritage and our White gene pool as the most significant and precious value on the face of the earth.** It is this vital biological bond on which we focus our dedication, loyalty and inspiration. It is our centerpiece around which our religion is structured and polarized. We Creators consistently affirm on a daily basis: *Our Race is Our Religion!*

By converting the White peoples of the world

to the one and only White Racial Religion -- Creativity, we have the total solution for overcoming, peacefully dissolving and eliminating the most vexing and pernicious problems -- namely, differences in language, religion and nationality, -- problems which have divided and plagued the White Race since time immemorial.

If we all joined in one global White racial religion and embraced one global White racial loyalty, polarized around our biological bond and stressed our White racial heritage, then all national boundaries would become meaningless, and we could better use our talents and energies providing for a richer, healthier and fuller life -- better housing, culture, happy families, healthy children, clean environment, etc. -- rather than continuing to devastate each other in endless wars of self-destruction.

Also, we would benefit in a multitude of other ways as well. We could easily communicate in any other country of the White world through our universal Latin language. We would reap the benefits of a longer, healthier and happier life through Salubrious Living. Since the White Race by then would have come to its senses and have purged the Jewish-Christian brain-scrambler from out of its system, religious prejudices and hang-ups would no longer exist.

And above all we would get the goddamn Jew off our back, once and for all, never to reappear again. Never again would this parasite invade, infest and destroy our pristine society. In other words, by implementing the Creed and Program of the White Racial Religion -- Creativity the White Race would achieve a New Renaissance of unparalleled prosperity and magnificence.

### No alternatives to Creativity

Now whereas we are the only comprehensive, fully structured White Racial Religion in 6000 years of civilized history, we have no rivals, no worthwhile competition in that arena. However, there are a number of other White racist organizations of different stripes and moulds in America and to a lesser extent in other countries who claim to have plans to save the White Race. Let us view and review what the landscape looks like in America.

One of the older ones is the still existing Klan. It had an opportunity to build meaningful political clout and free this country of Jews within the 1920's and early 1930's. At that time it had as many as four million members that included Supreme Court Justices, many governors, mayors, congressmen and other figures of prominence. What happened to it since then? Well, obviously it botched its job, and is now a small, fractured and fragmented group of confused yokels who don't know where they are going, nor how to get there. They are now one of the most maligned and ridiculed group of people in the United States, even by the majority of the White people themselves.

Why have they failed? I can think of several basic reasons. In the first place, the "new" Klan was organized by a group of Masons in about 1915. Since the Masons themselves are a Jew-spawned organization, designed to do the bidding of the international Kehilla, it makes sense that they were organized in order to attract those Whites with racial instincts, then lead them down a blind alley into oblivion. Secondly, they embrace Jewish Christianity, a creed designed for slaves, and again spawned by the Jews. Thirdly, they have a built-in contradiction that splits the White Race down the middle: whereas they are for Christianity, they are as hostile to Catholics as they are to Jews. Fourthly, parading in their pointed hoods and white robes, burning crosses at their ceremonies, makes them look pretty ridiculous to friend and foe alike.

So what else is there on the landscape? Well, there is the Aryan Nations out of Idaho, led by septuagenarian Richard Butler, who has had triple by-pass heart surgery. It is obvious he won't last too much longer, and with his insane "true Israel" Identity creed, which says that we, the White Race, are the real Israelites, he will leave absolutely nothing of value behind. He has come up with no basic new ideas, written no meaningful books. His only "accomplishment" is that he has confused a number of already too-confused Christians in wanting to be "real" Jews.

Then there is Tom Metzger's W.A.R. group. Tom himself has generated a considerable amount of publicity, much to his credit. He and his son John have appeared on a number of major Jewish talk shows. However, the message that he espouses vacillates from one contradiction to another, and his main theme seems to be to gather as many divergent and fragmented ideas as possible, throw them all into a melting pot and hope to come up with some kind of palatable chop-suey that will sell. He has been a Klansman, a Christian, and anti-Christian, has supported the "true Israel" Identity lunatics, then repudiated them. He was for the White Race retreating to a small segment of the United States and leaving the rest of the country to the niggers. But then recently has repudiated that position and agreed with the C.O.T.C. that "we want it all". Well, RAHOWA! He has even supported Creativity, but then also attacked it when his ego and hubris got the best of him. He has also tried to get together with that voluble nigger, Louis Farrakhan, and even Muammar Khaddafi. What Tom really thinks and believes remains shrouded in mystery, and he, too, has written no books or even spelled out his creed or program, content instead to ride on the coattails of a multitude of diverse and contradictory assertions spelled out by others.

There are also the Nazis, but they are past history. Hitler was a great man, the greatest of all them, but after he lost the war against the Jews, his exclusively pro-German, nationalistic "Deutschland uber Alles!" approach is no longer applicable in a changed world where Whites can no longer afford fratricidal nationalistic rivalries. **What the White Race in America and the world needs now is not divisive pro-German Nazi imitators, but inclusive pro-White racial loyalists.**

Of course, there are hundreds of other minor groups whose only merchandize is to deplore and lament, bitch and gripe, but they haven't the slightest idea of what to do about the sorry mess, nor how to come up with a solution.

### If not Creativity, what else is there?

So, outside of Creativity, what else is there? The answer is -- nothing! If we fail to coalesce, polarize and unite around Creativity, there isn't a ghost of a chance for the White Race to survive more than another generation. Creativity has all the answers in solving the multitude of idiotic and pervasive problems of nationalism, religion and language, as well as a host of others, including our polluted environment and the polluted mud scourge that now infests Planet Earth. **A polyglot, confused and contradictory program of half-truths and mixed goals will no longer suffice.** Creativity has the whole ball of wax. It has the Total Program, the Final Solution, the Ultimate Creed for the survival, expansion and advancement of the White Race.

### If not now, when?

We now come to the question of how much time do we have left to save the White Race? The answer is damn little. If we don't get busy now and make hay while the sun shines, it will soon be too late. I would say we have to make or break it before the end of this century, or it will be the end of Nature's Finest. So, White Racial Comrade, get with it today! Remember we are at war, and in this life and death struggle time is of the essence! If not now, when? **White Man, make up your mind and join the White Racial Religion -- Creativity now! RAHOWA!**

## A leader with "big balls" but "small brains" is no leader at all

by Rev. Victor Wolf

#### An unexpected reply from Tom Metzger

When in RL #56 we published a special (very positive, very enthusiastic and very friendly) appeal for White unity and invited Tom Metzger to join the Creativity Movement, we expected to receive at best a positive response or at worst -- silence. However, what we did receive (in a very roundabout way) was totally unexpected -- a nasty, mean, vindictive, baseless, slanderous attack against our leader in a three page "To Whom It May Concern" type letter, mass produced copies of which were being mailed by Metzger's staff to anyone who wrote to Tom Metzger or WAR regarding the proposed COTC--WAR unification. Several recipients in different parts of the country forwarded to us their copy of Metzger's three page diatribe, some with the word "BULLSHIT" stamped all over Metzger's text and signature. And if "bullshit" is ever appropriate to describe a letter full of lies, absurd statements and vindictive, slanderous personal attacks, then Metzger's letter fully deserves the "bullshit" designation.

#### Reflection on Tom Metzger

More than anything else, the letter is a reflection of Metzger's faults and weaknesses as a leader -- his inability to separate personalities from issues, his inability to subordinate personal animosity for the sake of advancement towards White victory, his lack of understanding of the importance of a racial religion in straightening the Jew-distorted thinking of the White People and giving them a proper creed, program, vision, leadership, guidance and inspiration to achieve the Revolution of Values which is a prerequisite for a successful Political Revolution.

In his shallow speeches and the few meager articles he managed to write, Tom Metzger keeps calling White people zombies, brain-deads, sheep, etc., but he is afraid or unable to pinpoint Judeo-Christianity as the dominant poison which keeps White people in the zombie-like slave position. In other words, Tom Metzger is talking about the symptoms but never about the causes of White decadence. Therefore, he is part of the "deplore and lament" crowd with no solutions, no principles, no creed, no program and no clear vision of the future.

### White Cowboys and Texas Rangers are the true heroes of the White Race!

Historical fact: Vikings sold White women to mud slave traders!

#### HAGAR THE HORRIBLE

#### Who is first:

#### Race, Christ or Yahweh?

Tom Metzger says he is willing to work with everybody who puts race first, yet he refuses to work with us White Racial Loyalists -- Creators who consistently affirm in words and in deeds that "our Race is our Religion". At the same time he seeks favors with a polyglot crowd of "Jesus first, race second" klansmen who bend their knees before a mythical Jewish bastard and sign their letters "For Christ, Race and Nation", or with an even more diverse crowd of "Yahweh first, race second" Identity lunatics who worship a mythical Jewish god "Yahweh" (what a repulsively sounding Jewish word!) and want to turn Whites into "true Israelites" (--is there any limit to human stupidity?!).

By cooperating with the so-called "White Christian" or "Identity Christian" groups, Metzger helps to confuse the central issue -- the absolute incompatibility and deadly hostility of Jewish Christianity and White Racism. He keeps talking about "racialist Christians" which in itself is a contra-diction in terms. If someone is "Christian", he by definition cannot be racist, because -- as the name itself implies -- to be Christian is to pay homage to a mythical Jewish bastard, otherwise known as "Jesus Christ, King of the Jews", and accept all his anti-White, pro-Jewish, pro-nigger, pro-mud teachings.

#### A showman, but not a leader

White people urgently need to awake from the spiritual bondage of Judeo-Christianity, but Metzger has no idea how to bring it about. He is a showman who keeps entertaining people by his publicity stunts, but does not lead them anywhere. He himself has admitted as much in his interview in the 7/89 issue of "Hustler" (whether any self-respecting White leader should ever give interviews to that slimy Jew-owned pornographic magazine, is another question). In that interview, Tom Metzger states flatly that he has no plan for the future, much less for White victory. "We wait for the establishment to open doors for us", stated WAR leader.

Having no plan, no creed, no program, no books of his own, Tom Metzger relies on superficial showmanship and simplistic statements such as his assertion in the aforementioned letter that "balls" not "books" make history. Such a statement clearly demonstrates Metzger's lack of knowledge about history. Anyone familiar with history knows that all important, lasting movements were based first of all on books, for example: Islamism on the Koran, Judaism on the Old Testament and Talmud, Christianity on the Old Testament and the "New" Testament, Marxism on Das Kapital, Nazism on Mein Kampf, etc. These and other book-based movements endured through long periods of time and they changed the course of history because their ideology was spelled out in a permanent written form.

#### "Books" versus "balls"

Now, let's take a look at movements without "books", but with "balls". I think Metzger will agree that his much admired medieval Vikings could be used as a prime example of such a "balls -- no books" movement. And what did they accomplish, beyond looting their "rich White" neighbors, killing White men and selling White women to mud slave traders? Vikings left some incoherent primitive "runic" scribbblings on some scattered stones, but were no match to their more literate European neighbors who in the end converted them. Where are the Vikings and their descendents today? The medieval Vikings sheepishly succumbed to Jewish Christianity and their Scandinavian descendents today are the most submissive, brain-polluted, liberal, race-mixing wimps to be found anywhere in Europe. They "religiously" (and very generously!) support every anti-White movement anywhere in the world, such as the Communist-led terroristic SWAPO, ANC and others. At this very day, ANC leader Oliver Tambo is recuperating in (where else?!) a Stockholm hospital, and another leader of nigger terrorists, Nelson Mandela, upon his release from South African prison went directly to Sweden to thank the latter-day Vikings for their generosity in providing funds for the nigger terrorists to acquire guns and bombs in order to kill South African Whites. (Of course, in Scandinavia there are some exceptions, like Rev. Tommy Ryden and other pro-White racialists, but exceptions only emphasize the rule.)

The late White Patriot Party of "big balls--small brains" Glen Miller could be used as another example of what happens to movements when their leaders have "big balls" but "small brains". Built on showmanship and hype, the WPP collapsed and disappeared without trace or consequence.

#### The books of Klassen are eternal

I predict that long after Tom Metzger and his "big balls" will turn into dust, the great genius of Pontifex Maximus Ben Klassen will continue to live in the sacred books of CREATIVITY and lead new generations of the White People not only to a worldwide victory, but also to a New White Renaissance, a Whiter and Brighter World, and a Glorious Era of the White Superman. RAHOWA!

Pen is mightier than the sword!  
There can be no revolutionary action without a revolutionary theory!

## MOBILIZE THE WHITE RACE

### The Essence of a CREATOR:

1. A CREATOR puts loyalty towards his own race above every other loyalty.
2. A CREATOR is responsible, productive and constructive.
3. A CREATOR places a high value on honor and self-respect, and will defend his own honor, the honor of his race and of his family at all costs.
4. A CREATOR recognizes both love and hate as the two most powerful driving forces in life: that both emotions are healthy and essential to life, and to possess only one and be deprived of the other is to be as crippled as a bird with only one wing.
5. A CREATOR realizes that both love and hate, in order to be constructive, must be directed in the proper channels and to do otherwise is destructive and suicidal.
6. A CREATOR therefore makes a careful distinction between his loved ones and his enemies. He loves, aids and abets those of his own race and his own kind, and hates his enemies, namely Jews, niggers and the mud races.
7. A CREATOR is eager, optimistic, aggressive, energetic, and self-sacrificing for the best interests of his people.
8. A CREATOR strives to keep physically fit and keep his body in the best of health at all times.
9. A CREATOR is inquisitive, adventurous, and has a cheerful zest for living.
10. A CREATOR is tough, tenacious, resolute, persistent, persevering, indomitable, and indefatigable as were the Ancient Romans.
11. A CREATOR is practical, down to earth and concentrates on those goals and activities that are meaningful and worthwhile.
12. A CREATOR is brave and courageous and always a proud credit to his people.
