War in the Middle East

American Boys sent to die for Israel

At the bottom of this whole Middle Eastern furor is Israel. The JOG has decided to pull the awesome might of the U.S. military power over to the hot sands of Saudi Arabia and smash the potential threat to Israel by Iraq or any other Arab country. **White Man, instead of joining the Jewish Occupational Government's pro-Jew army, join our pro-White movement for White racial survival, expansion and advancement!**

by Ben Klassen, P.M.

For years Israel has been trying to conjure up some scenario that would induce the mighty military power of the United States to move its awesome forces into the hot sands of the Middle East and smash Israel's Arab neighbors. Now, seemingly they believe they found such a pretext. At least the inflammatory rhetoric that is spewing forth from President Bush's mouth would seem to try to convince the American people that they now have a moral issue, a holy cause with which to make such a colossal blunder. In any case, whether the confused American public is convinced or unconvinced, Bush is moving vast military forces of the United States to the deadly 120 degree sands of Saudi Arabia. The very fact that his insane rhetoric is so highly inflammatory strongly indicates his intent of igniting a shooting war.

Let us examine both the issues and rhetoric. Bush says our "vital interests" are threatened by a "new Hitler", by a madman. Not true. **Whether one Arab or another controls the oil of Kuwait makes little or no difference to the United States.** Saddam Hussein had no intention of withholding the oil of Kuwait from the United States or anyone else. In fact, the Iraqis are most eager to

sell all the oil they can since it is their financial life blood. Furthermore, the U.S. import of oil from Kuwait was only a meager 1.5 percent of its daily consumption. So what is the big deal? It makes very little difference to us whether some fat billionaire sheik or emir (Saddam says the emir is "retarded") that sat on the throne of Kuwait sells us the oil, or gouges us, or whether we buy it from Iraq. Certainly, it makes no damn difference at all to the young American boys who are placed on the hot burning sands of Saudi Arabia to sweat and die.

Second point. We are there, Bush says, to defend Saudi Arabia from Iraq's Saddam, and we "believe" he "intends" to invade Saudi Arabia next. How idiotic can you get? If we are to go to war and defend every lousy mud country in the world from another whom we "suspect" of having aggressive intentions on their neighbors, we would be deploying our forces on at least fifty frontiers spread all over the globe.

And since when did we usurp the right to be the policeman (or bully) of the world that we have a right to go in, invade and smash every foreign potentate against whom Bush has a personal vendetta, or more accurately - whom his Jewish overlords want us to destroy?

Third point. Bush sanctimoniously and deceitfully tries to make this a "matter of principle", a moral issue where we cannot allow big bully dictator to invade a smaller dictator. We cannot allow the rule of "might makes right", says the two-faced hypocrite that is "our" president, or more correctly, the political prostitute and upfront stooge for the JOG, who is really pulling the wires. What about his big bully invasion of Panama less than eight months ago? What about our invasion of Grenada several years earlier? Some years back, Bush as director of the CIA, had Noriega on his payroll and there is a cozy photo around of the two of them discussing some sinister shenanigans, probably how to make more money in the drug trade.

Where were we when Israel wantonly invaded Egypt during the Six-day War?

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Victim Tiffany L. Sessions

In the above photo, father Patrick Sessions sits next to a poster offering a reward for his missing daughter, Tiffany.

Tiffany L. Sessions, 20, a beautiful blond and brown-eyed White woman from Gainesville, Florida, has been kidnapped by two savage niggers on February 9, 1989. She is still missing today, but her father is not giving up hope. He has set up a toll-free number, (800) 544-8111, to receive tips, and is circulating posters with an offer of \$75,000 reward for information helpful to locate Tiffany.

According to the eyewitness accounts and police reports, Miss Sessions, a student at the University of Florida in Gainesville, on February 9, 1989, at approximately 6 p.m. left her apartment for her usual evening run. She was wearing a sweatsuit and a Walkman radio with headphones. The last person known to have seen her placed her by a wooded area near Interstate 75 along the route she usually followed on evening runs. According to that eyewitness, a car with two niggers stopped next to the White woman. One of the niggers had a map in his hand, and used it to lure the White woman closer to the car by pretending to ask some road directions. Once the White woman was close enough, the niggers grabbed her, forced her into the car and drove away.

Let this tragedy be a lesson to all White people (and especially White girls and women!) never to trust niggers and never offer them any help or assistance. All niggers are the mortal enemies of the White Race.

White People Awake! Save the White Race!

Join the Creativity Movement and hasten the day when all enemies of the White Race -- niggers, muds and jews -- will be shipped out of this country.

Pro-Jew War in the Middle East
(Continued from Page 1)

Or when Israel occupied the Golan Heights, the West Bank and the Gaza Strip, all of which it still holds and tyrannizes to this day?

Furthermore, where was the United States ten years ago, when Saddam Hussein and Iraq invaded Iran? Why, we were supporting him and supplying him with arms against our then "bully of the year" the Ayatollah Khomeini. But now we switch sides, like the treacherous bully the United States itself has become, to seek the help of Iran to fight against Iraq. Shifting American policy for the last several decades has had only one consistent feature: to betray and destroy those who thought the United States was their friend. With "friends" like that, who needs enemies?

Fourth point. Bush calls Saddam a liar. It is the kind of rhetoric belligerents use when they want to make damn sure they will provoke a shooting war. Saddam returns the compliment the next day and calls Bush a liar. The question is not who of the two is a liar, but who is the biggest liar, and I believe Bush wins this dubious prize hands down. At least when Saddam invaded Kuwait, he captured a rich prize for his country, and he is a celebrated hero to his own countrymen. When Bush went into Panama, he captured his former buddy, Noriega, no rich prize, who, by the way, still hasn't been tried after cooling his heels in the pen for the last eight months. By the looks of things he may never be tried, and if he ever is, it is extremely questionable whether he will be convicted. Furthermore, he could, and undoubtedly will, reveal some embarrassing facts about Bush's duplicity. After all, what right does big bully George Bush have to invade a sovereign country, smash its infrastructure to smithereens, then forcefully kidnap its head of state, bring him into the United States and try him for alleged crimes committed in a foreign country? If we were to consistently pursue such policy on a worldwide basis, we would be hauling in all the criminal heads of governments from some 140 countries, starting with the criminal thugs at the head of the parasitic state of Israel.

Fifth point. As in the case of the insane and tremendously costly Vietnam war in both lives and money, the President of the United States is peremptorily and rashly rushing us into a stupid war without the Congress being consulted and making a formal Declaration of War. This is an obvious and flagrant violation of the Constitution for which Bush should most certainly be impeached. Since imposing a BLOCKADE is an outright act of war, he is using such weasel words as INTERDICTION of the vessels and ports of other countries, even such countries as Jordan, our supposed friend, against whom we have no quarrel.

Which brings us to the final point, which is this: Our boys are not being sent over to sweat and die on the hot sands of the Middle East either to protect our "vital interests", nor our oil supply, nor of restoring the "legitimate" fat and retarded emir of Kuwait to the throne, nor to protect Saudi Arabia from invasion, nor as a matter of some fictitious but dubious "holy" principles such as imposing our brand of "democracy" on some unwilling recipient. Nor is George Bush or the United States really calling the shots. The Jews are calling the shots in their own sinister interest and those of Israel. At the bottom of this whole Middle Eastern furor is Israel. The JOG has decided to pull the awesome might of the U.S. military power over to the hot sands of Saudi Arabia and smash the potential threat to Israel by Iraq or any other Arab country. Meanwhile, Israel is keeping an unusually low profile, as if it were only an innocent bystander, and had nothing to do with it all. But they are not fooling any one, least of all the Arabs, and to a lesser extent the European toadies like England, France and Germany, who

are unwillingly pressured into "supporting" the United States' unholy campaign. The most confused and baffled of the whole mess is the American public, who will pay the hugest price of all for this wanton and dastardly treachery of the Jewish Occupational Government.

With all due credit to the treacherous and insidious antics George Bush has pulled off, we must realize that he is not his own man. Like President Reagan before him, he is only a front man, a shabez-goy, a despicable stooge for the Jews, who behind the the scenes control this country and the world. So as to whether Bush or Saddam is the biggest liar, or the most flagrant aggressor, it is a moot question, and really immaterial.

What we must do to rid ourselves and the world of this perennial Jewish plague is to build a formidable power structure for ourselves, the White Race, on a worldwide basis, starting here in the United States. The Church of the Creator, with the creed and program of Creativity, has the one and only WINNING FORMULA on which such a power structure can be built. **White Man, instead of joining the Jewish Occupational Government's pro-Jew army, join our pro-White movement for White racial survival, expansion and advancement! Join with us and let's wipe this alien scourge from off the face of the earth, once and for all. DELENDA EST JUDAICA!**

How to effectively break up a Civilized White Society and drive it to hell in a handbasket

The Much-Touted "Multicultural Society" leads to Chaos and Decadence

We repeat:

Who needs niggers?

by Ben Klassen, P.M.

There were two racial issues that received a tremendous amount of attention in the Jew-controlled press, including *The Atlanta Constitution*, during the months of July and August. (At the Church we call this Jew-orchestrated scandal sheet *The Atlanta Prostitution*, and rightfully so, since no other sinister vehicle has done so much to prostitute and niggerize the once proud city of Atlanta, Georgia.)

One of the issues *The Atlanta Prostitution* has been pounding away at is one that hardly need concern Atlanta at all, since the event is not taking place in Atlanta, nor even within the state of Georgia.

For years the PGA (the Professional Golfers' Association) has been holding its annual Championship Tournament at some of the finest country clubs in the nation. For 1990 it chose to stage this event at the city of Birmingham, Alabama, and specifically at the Shoals Creek Country Club, to be held August 9-12, 1990. Shoals Creek is one of the most prestigious country clubs in the nation, and it also had the honor of hosting the PGA Championship six years ago. Being a country club of some class and distinction and being a social club as much as a sporting club, it has throughout its long history avoided having any black members. It is, in fact, very careful as to whom it accepts into its membership roll, even though they be White, and the initiation fee is a steep \$35,000. The PGA was well aware of the fact that Shoals Creek had no black members when it chose to hold its tournament there in 1990, and also when it played there six years earlier.

But this time the Jews decided that they would break down the social barriers and inject a nigger into this elite private White society, whether they liked it or not. Having made that decision and having control of the newsmedia of the country (and the world), soon all hell broke loose. As they unleashed their massive propagandist campaign all over the country, with *The Atlanta Prostitution* probably screaming the loudest, all the world was soon to know that horror of all horrors! there was no nigger in the Shoals Creek Country Club and therefore the PGA should ban the place. Soon the Jew-orchestrated NAACP also got into the act and threatened to picket the place and raise a ruckus.

Neither the membership of the Shoals Creek Country Club, nor of the PGA was too keen about bowing to the demands of the Jewish cabal nor of the NAACP, no matter how loud they screamed. But then the Jews brought their second line of artillery into play. Such events as the PGA Championships are big media and TV events and the millions of dollars of advertising that goes with it. Soon Toyota, IBM, Delta Airlines and Honda/Acura were induced to withdraw their advertising from the ESPN and the ABC television networks which were sponsoring the PGA Championship event. This really cut to the heart of the controversy. Since money rules all,

The Manifest Destiny of the White Race

Like the American pioneers, we, the White Race, must now make it our **Manifest Destiny** to win the world, and populate all the good lands thereof. **RAHOWA! This Planet is All Ours!**

by Ben Klassen, P.M.

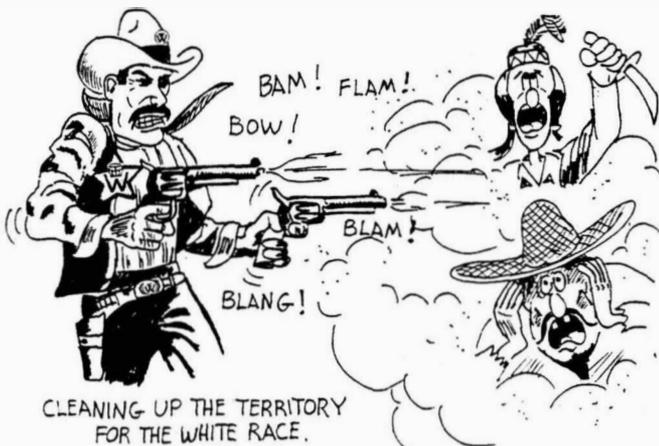

The White Man is a tremendous builder. The few times in history when he has been unshackled and free to do as his inborn nature dictates, he constructs, he creates, he builds empires. Given free rein over a period of time, the creative works of the White Man become truly astounding. **One such period was the building of America, and the Winning of the West.**

During the middle of the nineteenth century, the majority of Americans were imbued with the idea that it was their **Manifest Destiny** to conquer and populate America from the shores of the Atlantic to the shores of the Pacific. **And conquer they did!**

Our doctored history books have given us so much trash about the importance of the Pilgrim Fathers, the Puritans, the Mayflower Compact, and, in general, the role of Christianity in the building of America. Our school children and the American population, by and large, as a result, have now become so indoctrinated that practically all of them will rehash this **Jewish distortion** that America was built by Christians, for Christians, and on Christian principles. A closer examination of history will show that America was built not by Christians, nor on Christian principles, but, on the contrary, was built despite the shackles of Christianity.

Who were the real builders of America? They certainly were not the Pilgrims or the Puritans or other religious zealots, although there were some of these sprinkled throughout the early settlers. Nor was it so much the refugees from religious persecution that made up the bulk of the racial stock that built America, although there were some of these among our early settlers. Basically the people who came over here in large numbers and were the root-stock of America were the best examples of what is good about the White Race. **These were people imbued with the spirit of adventure who were looking for a better land and a better opportunity in which to raise their families and to make their fortunes. They were adventurous, aggressive, fearless, energetic, and above all, people with vision and people who wanted to build. They were the same kind of stock that has pushed forward the frontiers of the White Man all over the world in the far-flung continents over the last many thousands of years.**

Who were these people? They were the best of our White racial stock that we could be proud of. They were the pioneers, they were the trappers, the hunters, the explorers, the farmers, the ranchers, the railroad builders, and above all, the Indian fighters. They came here from an over-crowded Europe that had been torn asunder and exploited by Jewish financial monopoly and enmeshed in a divisive strife-torn controversy over the the Jewish imposed Christian religion. They were people who were looking for elbow room and for freedom to follow their natural inclinations and aspirations. In their veins and in their blood was the feeling of a Manifest Destiny to expand and populate the rich new land.

The Winning of the West is the White Man's Prototype for the Winning of the World!

Out of all this emerged the finest and greatest blossoming of White productivity that the world has ever seen. **In the Winning of the West undoubtedly was demonstrated one of the widest and broadest accomplishments of the human race. In the heroic Winning of the West was written one of the most glorious and far-reaching chapters in the history of the White Race, or of any race, for that matter.** By sheer dint of courage and labor was built the most productive, creative, powerful and affluent empire the world has ever seen.

Today, America, although the White people in it constitute less than 5 percent of the people of the globe, produces as much wealth and substance as all the rest of the world put together. This, in spite of the fact that Americans have been loaded down with severe restrictions and handicaps, such as no nation has ever before known. White Americans have riding on their back 30 million (probably 70 million) black parasites, which are not only a heavy load to carry, but a serious further handicap in as much as throwing gravel into the gears of production. All this production comes from America in spite of the fact that the American people have been forced to subsidize their rivals and their enemies all over the world with foreign aid, technology, loans, products, monetary restrictions, and every other form of shackle that the Jew could possibly dream up. Added to this is the strangling effect of the Jews in our midst, reputedly 6 million, but probably a great many more.

Without a doubt America today is the basic stronghold of the White Race. For this reason it is under heavy attack by the Jew to have the White American mongrelized and dragged down into the same snake-pit as was India thousands of years ago, South America a few centuries ago, and Haiti 150 years ago. America is the great stronghold of the White Race and it is here that the battle will have to be fought, it is here that the Jew will have to be conquered, it is here that a **new world philosophy for the survival of the White Race** will have to be formulated and take root.

We owe much to our hearty forefathers who came to a bleak and hostile continent with nothing but their unbounded determination and their native inborn abilities to create and to build. Among these were the early fur traders and trappers, the hunters, and the explorers, restless, energetic and free-wheeling, looking for new adventures and ever wider horizons. With them also soon came the early settlers, the homesteaders, the farmers. And as they pushed westward the rancher and the cattle barons and their romantic cowboys helped to tame the vast spaces of an ever onward expanding America. These were in turn followed by city builders, railroad builders, and entrepreneurs, in the best

American sense. As they built this empire, all of them, in one way or another, were Indian fighters.

Since our history has been so badly distorted on the one hand, and since our heroic pioneering forefathers have been mischievously maligned for their policy against the Indians on the other hand, it is of utmost importance that we examine just what the policy of pioneering America was towards the inferior red native, namely the Indian.

There is no question that the White Man was invading a land that was populated by Indians, a race vastly different from himself and decidedly inferior. Although the invasion was a trickle at the beginning, it did not take the Indian long to realize that he was being invaded and deprived of his land. As hostility soon developed, as it must, it did not take the White Man long to realize also that the Indian was his deadly enemy and a dire threat to his existence, to his property, and to the lives of his family.

From this developed a bond between the White Race such as had never been experienced in Europe. The White Man realized that he had to stick together to survive, and one of the finest periods of racial loyalty among White People of all different European origins developed. It brought out the best in the White Man -- racial loyalty, ingenuity, resourcefulness, and courage. Giving full play to these natural attributes, he pushed steadily onwards, drove the Indian westward and took over his land. Although the White Man was vastly outnumbered, this proved to be no handicap, for when the White Man is united and determined in purpose he can overcome all other forces and all other obstacles. The White Man clearly realized the Indian was his enemy and the motto, **"the only good Indian is a dead Indian", became the unwritten law of the land.**

It is, therefore, so much garbage to expostulate that America was built on Christian principles. America was not built on Christian principles at all. If the early White American pioneer had followed the dictates of Christian ethics such as, "love your enemies", "turn the other cheek", "sell all thou hast and give it to the poor", "resist not evil", "judge not", etc., and all the other suicidal Christian nonsense, he would never have made it. He would have been overwhelmed and killed by the Indians before he ever so much as got a toe-hold on the American continent. No, indeed! **America was not built on Christian principles, nor by people that were particularly interested in Christianity.** America was built by the best specimens of the White Race -- the White Race exercising its inborn aggressiveness and giving full sway to its superior abilities and competence.

BRICKBATS & BOUQUETS

The victorious battle flag of Creativity over South Africa

Dear COTC HQ:

I want to thank you for your letters and especially for the glorious flag of Creativity which we received from you. It will be displayed at all our meetings and marches that we undertake on our road to victory in South Africa.

I would also like to thank Rev. Victor Wolf personally for the very substantial contribution he made to the furtherance of the Church of the Creator in South Africa in the past. It has had a very positive and promotive impact on our propaganda and information efforts in spreading the philosophy of Creativity in South Africa.

Our support is growing continuously despite massive resistance and hostility from the local Christian mob. The Identity lunatics (White people infected with the "Ten Lost Tribes" madness) are particularly troublesome. In our confrontations with them some of their best human racial material has come over to our side. We are sure that eventually we will convert most of them to the one and only, true and revolutionary White Racial Religion -- Creativity, because only brain-dead idiots can continue to believe the infantile "true Israel" Identity fables, once they have been exposed to the logical, consistent, comprehensive and inspiring ideas of Creativity.

With the treacherous de Klerk clique intentionally dismantling our White society, the situation in South Africa is getting worse every day. However, more and more White people are waking up and looking for real solutions to the impending disaster. We believe that eventually White South Africa will embrace the philosophy-ideology-religion of Creativity as the one and only real solution to the problem of White survival in South Africa.

For an all-White South Africa and all-White World!

Stay out of the Middle-East!

Dear White Racial Comrades:

The White Race, productive majority of the U.S., will receive no benefit from any involvement in the Middle-East conflict. It is not our business to play policeman in far off mud race squabbles. American financial aid to Israel insures that Arab territories are occupied, masses of Palestinians are oppressed, many murdered, and the entire Arab world is at arms. Now the Jews want us to protect them against Arabs!

I do not think that White nations should prop up any non-White nations or territories. It is of no importance if they are anti-Communist, Democratic or Judeo-Christian. Since our only loyalty should be to our race, we should hope that all mongrels are constantly at battle with each other. This should keep their populations and birth rates low.

What we, as White Racial Loyalists, should concern ourselves is the fact that all the businesses here in the United States are rapidly falling into the hands of the non-White immigrants. You cannot go into a convenience store here in Michigan without seeing some sort of muddly Arab, Jew or Asian in charge. Under the affirmative action programs, these sub-humans get a seven year interest-free loans from the JOG.

White Man, refuse to serve the anti-White JOG!

One RL is enough to convert

Dear Church of the Creator:

I have just read my first issue of Racial Loyalty and was very impressed. Unlike similar publications, you actually had the nerve to print the word "nigger". You have won my support already -- and I have only read one issue!

I was equally impressed to learn that you don't use Hebrew mythology and supernaturalism, but rely on the Eternal Laws of Nature as a source of all wisdom and guidance for the survival, expansion and advancement of the White Race. I am with you all the way! RAHOWA!

The great pro-White ideas of Creativity reached France

Dear Mr. Klassen:

I am the President of a political party called PARTI NATIONALISTE FRANCAIS ET EUROPEEN (FRENCH AND EUROPEAN NATIONALIST PARTY), which is dedicated not only to the survival of the White Race, but also to its rebirth and triumph.

I have just finished reading your excellent book "NATURE'S ETERNAL RELIGION" and want to let you know that I approve 100% of what you wrote in that book. Are there any members of the Church of the Creator in France? I would certainly like to get in touch with them. We have a great deal in common, especially as regards racial problems, the Jews, the niggers, the White world, etc.

I think that Whites all over the world should cooperate more closely and form a united front against the international Jewish Conspiracy. For White Victory!

Creativity in Finland

Dear Rev. Victor Wolf:

Thank you very much for your letter and also for the eight books of Creativity. Naturally, it will take me some time to read them all and make my final conclusions, but I can say already that I am very impressed with what I have read and I would like to maintain close contact with the COTC.

I think the basic idea of Creativity is excellent. I have been a racial nationalist for many years and it has been also my idea to create a new racial religion to support and fulfill the political ideology of racial nationalism. However, I was not courageous enough to go to the extremes and totally throw away the god and other mythological beliefs. I knew that christianity was more than problematic intellectually, but it took time for me to admit that it was also morally destructive and in conflict with the White Man's vital interests. Still I was not able to claim so openly. I hoped that christianity could somehow be "improved", but after studying your arguments, I now know that there is no place for compromise between christianity and White racial survival. It is either or!

The White Race definitely needs a new religion such as Creativity. However, I am still undecided about the following questions: Which comes first, political or religious movement? Which one is more important or more urgent?

I would like to work as your representative in Finland, but I am also committed to building a racial nationalist political party here in Finland. Please help me decide which is more important for White survival -- politics or religion?

RAHOWA!
T.L.
Finland

ED. NOTE: Without any doubt, religion is more important than politics! In fact, politics is nothing but implementation of values and ideas established by religion. For example, even while professing to be for separation of state and church, every Western politician keeps repeating his devotion to the basic "Judeo-Christian values" as the foundations and building blocs of society and "social contract". We Creators reject the Judeo-Christian lie about separation of state and church; our ideal is unity of our White Racial Church with our White Racial State. We strive for total White Racial unification with one Racial Religion (Creativity) and one Racial Language (Latin) on the worldwide basis under the leadership of the COTC.

We demand freedom for Rev. Rudy Stanko, now!

The JOG has reneged on its promise to release Rev. Rudy Stanko on August 8th of this year. Therefore, we ask all White Racial Loyalists -- Creators to renew and redouble the letter writing campaign to their senators and congressmen. Also, please write to our future leader:

Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!" Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.

3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.

4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

a) upon inquiry, you will receive (once completed) our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);

b) upon selecting the desired candidates, please write them an introductory letter in care of CUPID'S CORNER, c/o Racial Loyalty, P. O. Box 400, Otto, NC 28763;

c) we will forward your introductory letter to the candidates you selected;

d) then it is up to the selected candidates to respond to you directly and establish the connection.

WHITE MEN AND WOMEN, BE FRUITFUL AND MULTIPLY! DO YOUR PART IN HELPING TO POPULATE THE WORLD WITH YOUR OWN KIND! RAHOWA! THIS PLANET IS ALL OURS!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service -- CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mismatches. "Caveat emptor!" "Buyer beware!")

Important Note:

Dear participants in the White Racial Match-Making Service and all readers of Racial Loyalty, please be patient!

Please don't demand immediate gratification. It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Again, please be patient: we need you and you need us! As you and we know, there is no alternative to the COTC as far as White survival is concerned. SO DON'T ASK WHAT THE COTC CAN DO FOR YOU, ASK WHAT YOU CAN DO FOR THE COTC!

In December of 1989, Attorney Kirk D. Lyons, a 34 year-old Texan, in concert with two other White attorneys, formed the **Patriot's Defense Foundation, Inc.** According to its articles of incorporation, it is dedicated to the following:

-- To educate the citizens of the United States to their rights under the Constitution and its Amendments.

-- To mobilize resources both legal and non-legal in a concerted effort to attack injustice perpetrated on the unknowledgeable in the intricacies of the legal process.

-- To stimulate and help provide services, assistance and other activities which give promise towards equal justice, privileges and immunities due citizens under the law.

The Foundation as currently constituted has three directors to oversee the workings of the organization. Day to day operations are under the direction of Attorney Kirk Lyons who serves as the Executive Director. There is one fulltime employee who works with the database, logs correspondence and donations and coordinates fundraising efforts.

The PDF has several areas targeted for its resources. They are the following:

1. Cases involving the First Amendment which include political activists, revisionist publishers, criminal prosecutions based on beliefs of the accused and the rights of government-persecuted religious groups in general.

2. Rights of American political prisoners.

3. Monitoring outrageous Civil Rights abuses of citizens by the government and implementation of civil litigation to combat such abuses.

4. Inquiry into government cover-up operations.

Word of the Patriot's Defense Foundation has spread like wildfire. Requests for legal help have cascaded in on

it so fast that Mr. Lyons has difficulty even answering routine correspondence. There is a pressing need for legal services involving Constitutional issues. Especially among federal political prisoners and average American taxpayers who are confronted with an increasingly confusing and questionable legal system which seems to operate exactly opposite of our traditional legal principle of presumed innocence.

With the prospect of federal "anti-hate laws" being adopted in the near future, mission of an organization like the PDF seems all the more vital. After all, once it becomes against the law to hate, the federal government will be able to prosecute for conspiracy to hate, hateful thought, etc. Who knows where it would end?

At this point in the life of the PDF, fundraising is vital and since the business of legal warfare is so outrageously expensive, financial viability is essential to the prosecution of any protracted civil cases. Unfortunately there are several very good civil rights cases that the Foundation has put on hold due to lack of adequate funds. Mr. Lyons is of the belief that in order to be successful, he must go on the offensive and make the bureaucrat and petty tyrants pay for their misdeeds by being on the paying end of civil litigation. To quote Mr. Lyons, "Hit them in the pocketbooks, it's the only thing they understand!"

Properly funded or not, Attorney Kirk Lyons is determined to see the Foundation succeed. Lyons likes to quote the cowboy saying, "Once you are in the saddle, there is no jumping off!"

Information concerning the Patriot's Defense Foundation can be obtained by writing to the above address. A one year subscription of the PDF's journal, THE BALANCE, will be automatically started for anyone contributing at least \$20 to the operating fund and a single issue will be sent free to anyone requesting it.

All pro-White Activists are asked to support the PDF with as generous donations as possible.

Creator of the Month

It is with great honor that we present this distinguished **Creator of the Month Award** to **Rev. Tommy Wit'stryder Ryden.**

As most of the readers of Racial Loyalty know, he is a dedicated pro-Creativity activist in Sweden. He is a good example of **the power and importance of personality**; all great achievements and breakthroughs in history have been caused not by some amorphous "masses", but by outstanding, dedicated and determined individuals who, like the Classical Greek hero Prometheus, take it upon themselves to conceive, promote and implement new ideas, concepts, slogans, thereby illuminating the darkness of ignorance with a flaming torch of knowledge and leading the masses to new heights of Culture and Civilization. Like Prometheus, such leading individuals are often subjected to dangers, trials and persecutions, however their knowledge of the paramount importance of their mission gives them strength to endure, persevere and march on towards victory. They are the truly brave ones, who understand what Nietzsche meant when he said in "Joyful Wisdom": "The secret for harvesting from existence the greatest fruitfulness and greatest enjoyment is -- to live dangerously! Build your cities on the slopes of Vesuvius! Send your ships into uncharted seas! Live at war!"

Rev. Tommy Wit'stryder Ryden does live at war -- the White Racial Holy War. To emphasize this point and to show his solidarity with White South Africa, he has recently adopted *Wit'stryder* (in Afrikaans it means *White Warrior*) as his middle name.

He realizes that at this point in time it is first of all a war of ideas, concepts, slogans, that is why he is working on translating *The White Man's Bible* into Swedish and French.

Let there be a White person of Rev. Ryden's caliber in every White country. **RAHOWA!**

Roman Senator Cato the Elder used this slogan to end all his daily speeches in the Roman Senate. It became a battle cry of all Romans, and eventually Carthage was indeed destroyed by the victorious Roman legions. Now the battle cry of Creators and the entire White Race must be: **Delenda est Judaica!**

White Man, know your rights and become an active distributor of our newspaper, books and other literature! Sow the seeds of White Victory! -- your future and the future of your children depends on that. For a special price of \$15, order a hundred copies of our pro-White newspaper, flyers, cards and distribute by anonymously leaving them on White people's porches or parked car windshield wipers. The right to distribute our literature is guaranteed by the First Amendment of the U.S. Constitution. White Man, come out of the closet! Whether you like it or not, you are involved in the racial war that the Jews, niggers and muds are waging against all Whites. We have no time to lose. As you know, the 04/09/90 issue of "Time" has stated officially and unequivocally: "By 2056, Whites will be a minority group in the U.S." "Time" ends its story with a smug Jewish comment: "...And it is irreversibly the America to come."

Dear White Racial Comrades, let's make damn sure that we do reverse this sinister, genocidal Jewish plan to mongrelize and destroy White America! Let's build a massive grassroots pro-White movement -- the Creativity Movement! **White Man, join the war for White survival! Let us play White Chicken no more! From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part II in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn).

Slaughter of Innocent Women, Babes, even Fetuses ordered by Lord

* * * * *

With no mercy being shown to the innocent, Women and children are slain by the sword. What a terrible shock it is to learn The slaughter is by order of the Lord.

Pregnant women are also included When God's command is to "slay everyone". And when the bloody massacre is completed, Why then, Gracious Lord, thy will has been done.

* * * * *

Warfare in the Bible is absolutely ruthless. Accordingly, when God orders the destruction of an enemy he calls for the complete annihilation of human life. In this selection from Isalah, God commands that children are to be "dashed to pieces before their eyes", the fruit of the womb is to be destroyed without pity, and wives are to be raped before being killed. Let's quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic:

Isaiah 13:

9. Behold, the day of the Lord cometh, **cruel both with wrath and fierce anger**, to lay the land desolate: and he shall destroy the sinners thereof out of it.

10. For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in the going forth, and the moon shall not cause her light to shine.

11. And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible.

13. Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger.

14. And it shall be as the chased roe, and as a sheep that no man taketh up: they shall every man turn to own people, and flee every one into his own land.

15. **Every one that is found shall be thrust through; and every one that is joined unto them shall fall by the sword.**

16. **Their children also shall be dashed to pieces before their eyes; their houses shall be spoiled, and their wives ravished.**

17. Behold, I will stir up the Medes against them, which shall not regard silver; and as for gold, they shall not delight in it.

18. **Their bows also shall dash the young men to pieces; and they shall have no pity on the fruit of the womb; their eye shall not spare children.**

* * * * *

In the following verses, God is telling Ezekiel in a vision to destroy without pity the old and young, children and women:

Ezekiel 9:

4. And the Lord said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof.

5. And to the others he said in mine hearing, **Go ye after him through the city, and smite: let not your eye spare, neither have ye pity:**

6. **Slay utterly old and young, both maids and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary.** Then they began at the ancient men which were before the house.

7. And he said unto them, **Defile the house, and fill the courts with the slain; go ye forth. And they went forth, and slew in the city.**

* * * * *

One would need to be cruel and savage indeed to derive pleasure from dashing children's brains out against stones, then singing psalms about doing so. Yet the followers of the Judeo-Christian God do just that:

Psalms 137:

4. How shall we sing the Lord's song in a strange land?

7. Remember, O Lord, the children of Edom in the day of Jerusalem; who said, **Raze it, raze it, even to the foundations thereof.**

8. **O daughter of Babylon, who art to be destroyed; happy shall he be, that rewardeth thee as thou hast served us.**

9. **Happy shall he be, that taketh and dasheth thy little ones against the stones.**

* * * * *

The next two quotations about women with child being "ripped up" also show the savagery of Biblical proceedings:

Amos 1:

KING SAUL RECEIVES ORDERS FROM GOD TO SLAUGHTER EVERYONE

13. Thus saith the Lord; For three transgressions of the children of Ammon, and for four, I will not turn away the punishment thereof; because they have **ripped up the women with child of Gilead**, that they might enlarge their border.

II Kings 15:

16. Then Menahem smote Tiphshah, and all that were therein, and the coasts thereof from Tirzah: because they opened not to him, therefore he smote it: **and all the women therein that were with child he ripped up.**

* * * * *

Shall Judeo-Christian God be called just and merciful when he calls for suckling babes to be killed? In his command to King Saul in 1 Samuel, no living thing is to be spared. God's command includes all babies, all other children, all women, all men. All domesticated animals are also to be slain.

1 Samuel 15:

3. Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but **slay both man and woman, infant and suckling, ox and sheep, camel and ass.**

* * * * *

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own". We White Racial Loyalists - Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! **Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.**

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the antinatural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison, which has destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore, Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaica!*

Martin Luther and Protestantism: blind tools of the Jewish Conspiracy to destroy the Renaissance of the White Race

by Rev. Victor Wolf

Is it at last understood, is there a desire to understand, what the Renaissance was? The REVALUATION OF CHRISTIAN VALUES, the attempt, undertaken with every expedient, with every instinct, with genius of every kind, to bring about the victory of the opposing values, the noble values. Up till now this has been the only great war, there has been no more decisive interrogation than that conducted by the Renaissance: neither has there been a form of attack more fundamental, more direct, and more strenuously delivered on the entire front and at the enemy's center! Am I understood? Very well, the victory of the Renaissance would have been a victory of the only sort I desire today: Christianity would have been abolished!

But what happened? A German monk, Luther, went to Rome. This monk, all the vindictive instincts of a failed priest in him, fulminated in Rome against the Renaissance. By attacking the Renaissance, Luther restored the Church. Judea once again triumphed over Rome! Philosopher Friedrich Nietzsche in "The Anti-Christ"

Christianity—

Jewish revenge against Rome

The idiotic and suicidal religion of Christianity is nothing but a Jewish revenge against Rome, concocted by a cabal of Jewish rabbis (including Rabbi Saul of Tarsus, a.k.a. St. Paul) and promoted with full vengeance after the armed insurrections against Rome failed and Jerusalem was destroyed by the victorious Roman legions.

It took Jews almost 400 years, but by 476 C.E. the Jews and the Jew-spawned Christians managed to destroy the Roman Empire and the great White Roman Civilization so completely that the entire continent of Europe was plunged into the Dark Ages for the next thousand years.

Renaissance -- the revival of the White Roman Civilization

The Dark Ages (also known as the Middle Ages) lasted from the fall of the Roman Empire in 476 C.E. to the rebirth of studies of the Classical Latin language in Italy around 1400. The Rebirth of Europe began as an intellectual / literary movement, led by poet and scholar Petrarch. Petrarch was the first to open a new method in scholarship: in his teachings lay the twofold discovery of man and of the world. He considered man as a rational, volitional and sentient being, born upon this earth with a right to use it and enjoy it. Petrarch rejected the medieval mysticism and preoccupation with the imagined state of souls as the only absolute reality, and instead promoted the recognition of the greatness of man and nature, as displayed in the magnificent monuments of human power recovered from the classical antiquity. *But most of all Petrarch stressed the importance of learning the pure Classical Latin, the beautiful language of the great Romans.*

Soon Petrarch had intellectual followers all over Italy and many other countries of Europe. They were inspired to study Classical Latin "by the magnificent ruins of Rome and thoughts about the vanished greatness of the Roman race". The motto of those pioneers of the Renaissance was: "We are going to awake the dead!"

Jewish Conspiracy to destroy Renaissance

The Jewish Conspiratorial Network, led by the cabal of rabbis, did everything possible to stop, sabotage and destroy the Rebirth of the Roman Empire. One of the first tools of the Jewish Conspiracy against the Renaissance was an Italian monk named Savonarola. In 1497, he staged public burnings of Roman books and art in Florence and other Italian cities. However, his anti-Roman actions caused such an outrage in Italy that on May 23, 1498 he himself was burned in a public square in Florence.

The Jews then chose a German monk named Luther as a blind tool of their conspiracy against the Renaissance. Although this particular area of history still needs more research, there is enough documentary evidence to suggest that the Jews maintained close contact with Luther through their academic contacts in the Universities of Erfurt and Wittenberg where Luther studied. It is also a known fact that Luther knew Hebrew and corresponded with some of the leading Jewish rabbinical scholars.

Protest against "pagan Rome"

The Jewish conspiracy was set in motion on October 31, 1517, when, according to one prevalent fable, Luther nailed his "Ninety-Five Theses" on the doors of a church in the town of Wittenberg. Actually there is no evidence that such an event ever took place. However, what is well documented in history is that as of November 1517 massive amounts of leaflets with the reprints of Luther's "Ninety-Five Theses" started to circulate all over Germany. Many other proclamations attributed to Luther started to flood Germany as the Jewish propaganda machinery was put in full swing by utilizing the newly invented technique of printing.

Fairly soon Luther refused to obey every Jewish command and eventually turned against the Jews. But by that time the damage has been done, the "protestant" movement against "pagan Rome" was becoming widespread all over Northern Europe and new willing stooges, such as Philip Melancthon, John Calvin and Huldreich Zwingli, were being found to lead Europe "back to the Jewish book".

Counter-reformation in the South

While promoting "reformation" in the North, the Jews unleashed "counter-reformation" in the South. Their tool for this part of the anti-European plot was a Spanish monk named Loyola. He established the Jesuit Society and launched Counter-Reformation, the main goal of which was to crush the Renaissance.

As a result of the protestant "reformation" and the Jesuit "counter-reformation", Judea triumphed again as Rome was sacked by an invading Protestant mob and Europe was engulfed in the internecine Thirty-Year War, which decimated Germany.

Conclusion

Christianity is mass insanity in all its shapes and forms. All Christian churches and denominations – be they Catholic, Orthodox, Protestant, Mormon, or whatever – have one thing in common: they worship a mythical Jewish bastard and therefore are enemies of Nature, Reason and the White Race. The Christian doctrine cannot be reformed, changed or ameliorated, it can only be destroyed!

Nietzsche:

A Prelude to Creativity

by Rev. Victor Wolf

KLASSEN AND NIETZSCHE

Out of all the thousands and thousands of past philosophers, scholars and thinkers, Nietzsche is the closest one to approach the towering heights of the great genius of Klassen.

Yet, the great genius of Klassen far surpasses even Nietzsche, because Klassen's works provide not only analyses and insights into the existential problems confronting the White Race, but also goals, programs, solutions; and because Klassen is the founder of the one and only truly White Racial Religion -- Creativity.

Nietzsche himself recognized his own limitations by calling his works (in *Beyond Good and Evil*) "a prelude to the philosophy of the future" and admitting (in *Ecce Homo*) "there is nothing in me of a founder of a religion".

We Creators believe that thanks to the tremendous intellectual efforts of Klassen, the greatest genius ever produced by the White Race, we now do have in the one and only, true and revolutionary White Racial Religion -- Creativity -- "the Philosophy of the Future", "the Revaluation of All Values", "the New Yes and the New No" and "the New Goal" that Nietzsche talked about, but was not able to formulate.

While maintaining the undisputed supremacy of the Sacred Books of Creativity, we Creators do acknowledge and appreciate the important contributions to the advancement of White Thought made by Nietzsche, as well as Gobineau, Darwin and other geniuses of the White Race. Nietzsche is a good introduction to Creativity, because those White people who like Nietzsche, are bound to love Klassen!

ROME AGAINST JUDEA

(from Nietzsche's "Genealogy of Morals")

Rome against Judea, Judea against Rome: -- there has hitherto been no greater event than this struggle, this question, this deadly contradiction.

Rome felt the Jew to be something like anti-nature itself, its antipodal monstrosity: in Rome the Jew stood "convicted of hatred for the whole human race"; and rightly so, provided one has a right to link the salvation and future of the human race with the unconditional dominance of aristocratic values, Roman values.

How, on the other hand, did the Jews feel about Rome? A thousand signs tell us, but it suffices to recall the Apocalypse of John, the most wanton of all literary outbursts that vengefulness has on its conscience.

The Romans were the strong and noble, and nobody stronger and nobler has yet existed on earth or even been dreamed of: every remnant of them, every inscription gives delight. The Jews, on the contrary, were the embodiment of resentment of everything noble.

Which of them has won for the present, Rome or Judea? But there can be no doubt: consider to whom one bows down in Rome itself today, as if they were the epitome of all the highest values (and not only in Rome but over almost half the earth): *three Jews and one Jewess* (Jesus, Peter, Paul and Mary). This is very remarkable: Rome has been defeated beyond all doubt.

There was, to be sure, in the Renaissance a glittering reawakening of the classical ideal and the noble mode of evaluating all things; Rome itself, oppressed by the new superimposed Judaized Rome that presented the aspect of an ecumenical synagogue and was called the "church", stirred like one awakened from seeming death; but Judea immediately triumphed again, thanks to that thoroughly plebeian resentment movement called Reformation, and to that which was bound to arise from it, the restoration of the church -- the restoration of the ancient sepulchral repose of classical Rome.

Was that the end of it? Had that greatest of all conflicts of ideals been disposed of for all time? Or only adjourned, indefinitely adjourned? Must the ancient fire not some day flare up much more terribly, after much longer preparation? More than that, must one not desire it with all one's might? even will it? even promote it?

Multiculturalism: Chaos and Decadence

(Continued from Page 2)

and faced with the loss of two million dollars worth of advertising money, the Shoals Creek Country Club and the PGA soon came to terms with the enemy. Soon the search was on for some token nigger to be taken into the membership of their elite club. Soon thereafter they found one Louis Willie, a mulatto insurance executive in Birmingham, and Willie was taken in, willy nilly, without any fuss about a background investigation that usually precedes a new membership, and without the usual \$35,000 initiation fee! Presto! Instant nigger membership! The Jews had broken the longstanding tradition of the Shoals Creek Country Club. They had humiliated and insulted not only its members, but also the PGA, and furthermore now threatened all White Country Clubs throughout the nation. They sent out the message that they had better scramble to put niggers in their midst, even though niggers are notoriously uninterested in golf and never produced any good players. Even Louis Willie, who is not really a golfer at all, said that he didn't really want to be a member, but SOMEBODY had to be first. **Really? Who needs niggers in their ranks?**

* * * * *

The other unimportant item that seemed to preoccupy the editors, reporters and columnists of *The Atlanta Prostitution* for days and weeks on end was the "National Black Arts Festival". To hear them gush, eulogize and extol this primitive collection of nigger junk that had been gathered in Atlanta, Georgia, you would be led to believe that this event overshadowed the Second Coming of Christ. Day after day the paper showed reproductions in color of primitive attempts at daubing paint on canvas that could easily have been done by an amateur six year old.

Such extravagant captions as "Sounding a vibrant new note", "The Ascension of Thornton Dial", "He's black, proud" headlined an endless number of articles, extolling the virtues of nigger "art", most of which, had it been done by a White artist, would not have been given so much as passing glance.

* * * * *

All of which brings up some crucial moral questions. **Why is it alright to have a National Black Arts Festival from which Whites are obviously excluded, but a heinous moral crime for the White people to have an all White social country club that has no nigger membership?** Would it have been alright to have a White Arts Festival from which nigger artists would be excluded? If such an event were held, the niggers and the Jews would be screaming louder than the wailing banshees. If we are going to espouse color blindness in one area, then we should also do so in all other categories. What is sauce for the goose is sauce for the gander. **Why is it great to have an organization like the NAACP that is extremely racist in promoting only the interests of niggers, but at the same time it is deemed to be an outrage if we have a racial religion such as Creativity promoting the best interests of the White people?**

Recently some of our activists distributed several hundred copies of *Racial Loyalty* in a Tampa neighborhood, an activity that is practiced by millions of other people in distributing their particular literature such as shopping guides, flyers for political campaigns, by the Watch Tower people, Hare Krishna and thousands of others. But ours was White racist, that one category of no-no, and immediately a major storm erupted. Articles denouncing us were printed in *The Tampa Tribune* and the *St.*

Petersburg Times. The Jewish mayor of Tampa, a certain Sandy Freedman, was inspired to lead a parade in downtown Tampa on July 12, 1990. It was labeled as a **Solidarity March** against bigotry and prejudice and was designed to "stop all the hate". The affair was organized by a number of the most virulent of all hate groups, all of which proceeded to concentrate their hate exclusively against the White Race, and whose major goal was and is to wipe out the White Race in totality. When they talk about Solidarity, it is only solidarity directed AGAINST the White Race, never solidarity OF the White Race. As usual, the Solidarity March was led by Jews, of which Jewish mayor Sandy Freedman was its major protagonist.

One interesting offshoot of this blathering exhibition of "brotherly love" was a Hispanic hate flyer sent from Tampa to us here at our address in Otto. The flyer showed pictures of their heroes, namely bandits Pancho Villa and Emiliano Zapata, as militant warriors against the gringos of the United States. It was all in Spanish, and a translation of a strident paragraph at the bottom of the flyer proclaimed: "Death to the racist, imperialist, fascist and (filthy expletive) gringos, sons of bitches. We are determined to continue our defense, in front of you, amidst you and behind you."

Such brotherly love! However, Jew mayor Freedman didn't seem to notice, or care, or mind those kind of hate mongers right close to home and in her own back yard. After all, they weren't White.

* * * * *

As every other organ of the Jewish propaganda in the U.S., every day of the week *The Atlanta Prostitution* proclaims in loud and glowing terms the joys and virtues of a multiracial society. It is, oh! so proud, of the polyglot races, languages, ethnic groups, and the renegades, derelicts and scum of the world that are gathering into Atlanta. There are the Vietnamese, the Nicaraguans, the Cubans, the Hindus, the Mexicans, the Pakistanis, the Chinese and the Japanese, and not to mention the millions of niggers that swarm over the landscape. Best of all, the mayor is a mulatto nigger, as are the police commissioner, most of the city council and all the rest of the civil service cabal. How lucky can you get, says *The Atlanta Prostitution*, we are becoming such an international city. The fact that the Japanese are buying up many of the city's most prominent skyscrapers is such a blessing, it not only adds investment capital to our city, but it all adds up to such a richness of our cultural mix. We all want to live in a polyglot, multiracial, multicultural, multilingual, multiplex, multifarious, polymorphic, motley, discordant, heterogeneous, incongruous, divergent, mixed-up and screwed-up society, don't we?

No, we don't! Not even the stupid niggers or Vietnamese want a polyglot society. Each of them wants to build and enlarge their enclave, to take over, to exterminate the other races and ethnic groups and rule the roost.

* * * * *

In **Creative Credo No. 17** of *The White Man's Bible* we clearly state a law of Nature and the uncompromising lessons of history, namely: **ONLY A HOMOGENEOUS SOCIETY CAN BE GOVERNED AND CAN ENDURE.**

The first paragraph of this chapter lays down the basic principles of this observation:

Race Mixing Spells Death. *History has proven over and over again that no multi-racial or polyglot society has survived for long. Just as in the previous chapter we have seen that a healthy body will not and cannot tolerate any alien organisms in itself, so also a society cannot survive admixture with alien elements. Let us learn this basic lesson for all time and heed it and heed it well! Let us*

state it another way: Any society whose elements are composed of two or more differentiated races will perpetually be at war within itself until it destroys itself. Usually the dregs of such a society will destroy the best elements and the former will survive to occupy the real estate in a more primitive social structure. Anarchy, poverty and misery will then become its normal life style. A prime example of this is the history of Haiti, which story we have related in a future chapter. But history abounds with any number of other examples. In our previous book, NATURE'S ETERNAL RELIGION, we have cited a few such as Egypt, India and others."

Since the above chapter was written more than ten years ago, the evidence to support that conclusion ominously keeps piling up. As we look at the daily headlines and observe how the mud countries are faring on their own, we find the common denominator in every one of these "self-governing" mud countries is one of poverty, starvation, anarchy, revolution, crime and murder. I look at today's paper and find the following:

-- One article, dateline Eravor, Sri Lanka, proclaims: **"Gunmen murder 119 Muslims in Sri Lanka; Tamils blamed."**

-- Another article, same page, dateline Johannesburg, South Africa: **"9 die in fight at hostel for black S. Africans."**

-- Dateline Paynesville, Liberia: **"Liberian government counterattack loosens rebel grip."** In the article it mentions further that 18 civilians were killed in the counterattack, and bodies of refugees and pieces of clothing from their bundles were scattered in the streets.

-- Karachi, Pakistan: **"5 Bhutto cohorts held in corruption charges."**

-- Sidon, Lebanon: **"Battle between Lebanese Shiites kills 16."**

-- Port-of-Spain, Trinidad: **"Trinidad coup leader threatens hostages."** Further in the article it says: The black Muslim leader of the attempted coup threatened to kill the prime minister and other government hostages and already 22 people had died in the uprising.

* * * * *

Meanwhile, closer to home in our "model" multicultural city of Atlanta, which has the honor of being the MURDER CAPITAL of America (second only to that black jungle which is our nation's capital), things are also stirring.

More than 10 years ago, in order to revive the nigger infested "core" of the city of Atlanta, a lot of money was poured into building a tourist, entertainment and nightclub attraction "Atlanta Underground" in a below street level section. Much of this money came from the taxpayers. Despite all the shops, restaurants, attractions, and other businesses that were opened, the operation failed, mostly because the White people were afraid to venture into this crime infested nigger area. A few years ago, mulatto mayor Andy Young again tried to revive *Underground Atlanta*, pouring vast sums of public money into the venture and beefing up the police protection to the point where there were sometimes more law enforcement officers than customers. *The Atlanta Prostitution* went ecstatic in boosting the project, and for a time it seemed that the venture might become financially viable. But no more. The chickens are coming home to roost, and niggers and crime being inseparable, last week signs of drugs and gang warfare broke out into the open in *Underground Atlanta*. It seems that the warfare between two rival nigger gangs from Los Angeles, the Crips gang and the Bloods gang, has moved in. Last week the shooting started at the Peachtree entrance of *Underground Atlanta*, and one person was killed and two wounded. I predict that this second go-around of *Underground Atlanta* is doomed. It will go belly-up as did the first version. **Problem: niggers.**

Manifest Destiny of the White Race

(Continued from Page 3)

We hear so much nonsense in our modern-day history books, in the movies and in other Jewish propaganda, about how the White Man was perfidious, that he broke treaties with the Indians, how he tricked the Indians, and how he lied and betrayed them. This is, of course, as I have just said, Jewish propaganda in order to degrade and downgrade the heroic White Man. The White Man just plainly fought and overpowered the Indians, he did not have to trick them or have to promise them anything, he was out for conquest. He fought the Indian, he defeated the Indian, he killed and slaughtered the Indian and drove him before him as he took over his land. He plainly outfought the Indian and subdued him. It was just simply a matter of conquest, and to accuse the White Man of trickery and chicanery is plainly another lying Jewish trick. The White Man made no treaties with the Indians as such. He handed down edicts, most of which were for containing the Indian in given reservations or areas after he had already been totally defeated in any case. You do not bargain nor make treaties with devastated enemies, you hand down terms, and this is the way the American Indian was managed.

Let us be honest about it. The White European crossed the ocean, invaded American continent peopled by an inferior red race, and drove westward; he conquered the red man; he took over his land, he killed off most of his opponents, and when he had unquestionably subdued them, he herded them into a shrunken area of then deemed useless land called reservations. **No matter how you look at it, it was open, free-wheeling conquest, a free play of the forces of Nature, it was the White Man at his best.** If our forefathers had not done this, there would have been no America – there would, in fact, be no great, strong reservoir of the White Race today. In fact, it is doubtful whether the White Race would still have survived at all.

Since the winning of the West and the building of America was one of the most creative and productive epochs in the history of the White Man, we should learn some serious lessons from our own history. If waging war against the colored races namely the Indians, was so productive a hundred or two hundred years ago in terms of the expansion and well-being of the White Race, and if out of such aggression was built a great wealthy empire, what is the matter with pursuing and adopting such a policy today on a global scale? Why do we pamper and promote the proliferation of the inferior black African in our midst when we have the overwhelming power to rid our beautiful country of that scourge and send him posthaste back to Africa? Why do we not help our pioneering White Brothers in South Africa and help them to drive the savage black man northward towards the Equator?

Nature herself has endowed us with the inalienable right to survival, the inalienable right to propagate, advance and expand the White Race in the hostile face of all enemies. Let us not forget that the most deadly enemies the White Race has are the colored races. In fact, all colored races are enemies of the White Man. **The best protection the White Man can provide for himself is to expand the territory and the numbers of the White Race on a global basis and shrink that of the colored races, all of which are hostile to us, until this threat exists no more.**

As long as the hostile red race had the preponderance of numbers and power, he was a threat and a menace to the White American pioneer. It was not until the White Race by sheer numbers overwhelmingly outpowered the Indians that the threat to life and property was destroyed. Similarly, on a global scale the

colored races, all of which are hostile to the White Race, and becoming more so every day, are a deadly threat to the very existence of the White Race. **If the racial policy of the White Race in America a hundred years ago was such a productive policy for our race, it stands to reason that it would also be an excellent policy on a global scale.**

Impossible? Not at all. In fact it is not only possible, it is the only sensible policy the White Race can pursue. Make no mistake about it, the Jews in collaboration with the colored races have marked the White Race for extinction and are rapidly proceeding – and succeeding – in this program.

It is the highest right, the foremost law in Nature, to fight for our survival at all costs! We must secure the existence of the White Race on the face of this planet for all time. And the White Man could easily do it if he united and achieved racial solidarity. Whereas in Roman times, one Roman legionnaire, using his contemporary weapons, such as sword, shield, spear, etc., could perhaps outfight 6 (or maybe 10) times his number of black savages, today, with the modern technology that is the product of the White Man and the White Man alone, a few trained pilots armed with jet planes and atomic bombs could wipe out any and all opposition from the hostile blacks of Africa, for instance, in no time at all. The fact that our weapons are now also in the hands of our enemy, who could never have conceived or produced them on his own, is a shameful reflection on the lack of loyalty and purpose on the part of the White Race.

Nevertheless, bad as things are today, it is not too late, nor impossible. When the White Race achieves political unity and ideological cohesion, the colored races, due to inability to sustain themselves, will wither on the vine and no nuclear holocaust, with which the Jews are continually intimidating us, will be necessary.

Yes, the handwriting on the wall is clear: **White Man, unite or perish! Populate the world or become a mongrelized slave!**

Since the black race commits the overwhelming majority of all violent (and other) crimes, it is plain that if we shrink their numbers we will shrink crime. The same principle applies to ignorance and poverty. Therefore, if we want to reduce crime, poverty, filth, slums, and ignorance, the best and most effective program is to shrink the number of niggers in America.

The racial program of the Church of the Creator therefore is clearly spelled out: **expand the White Race, shrink the coloreds.**

This must be our program for all time, not only in America but on a global basis.

Stupidly and foolishly, under the auspices of the Jew and Christian principles, we have been doing just the opposite. In America, as elsewhere in the world, every policy the White Man has foolishly been induced to pursue, whether it be foreign aid, welfare, fiscal policies, taxation, technological aid, medical aid, or one of a hundred other policies, has consistently worked to multiply the colored scum and shrink the base of the productive White Race.

The colored races throughout the world hate us with a passion. Fanned by the worldwide Jewish press, the White Race, polarized in the White American image, is the prime hate target everywhere. Not only is the White Man hated throughout the world, but right here in America itself, the Mexicans, the niggers, the Indians and every other colored scum can hardly wait for the day when they can do us in.

Why we should "turn the other cheek", and feed, subsidize and promote the proliferation of the colored scum who hate us, is beyond reason. It is suicide. It is insanity. We owe the colored races nothing. Any one of them will do us in as soon as they have the power. Collectively and organized by the Jew they will have the power in a generation or so, and they will do us in, unless

we ourselves unite and organize.

I repeat, united and organized the White Race is ten times as powerful as the rest of the world combined.

Throughout Nature each species endeavors to expand by colonizing into new territory. For example, as soon as the rabbit set foot in the new continent of Australia, it multiplied prolifically until it covered the continent. When the starlings came to North America they rapidly spread across the continent. When the hyacinth came to Florida a century ago it rapidly spread into every canal and waterway that was suitable for its growth. When a weed takes root in a field of wheat, it immediately seeks to enlarge its territory, dispersing seeds to where, if possible, it can take over the whole field, the whole county, the whole country.

This is Nature's program: **colonize into new territory and expand to the limit of your abilities – no holds barred.**

For thousands of years the White Race has been colonizing territories and continents, sometimes with great success and also with certain setbacks. During the Roman era it was outstandingly successful. Had the White Race not been stricken with a suicidal, mind-crippling affliction, namely Christianity, it undoubtedly would have gone on and long ago colonized the world. Unfortunately, as history shows, the Romans did succumb to Christianity. The forward surge of the White Race crumbled, the White Race itself went into decay and was almost overrun by the Mohammedan Moors.

With Renaissance the White Race regained its senses, and in the sixteenth, eighteenth and nineteenth centuries the White Race again moved forward in a healthy resurgence of colonization that embraced every continent of the world, and as we have just explored, was most vigorous of all in the North American continent.

Now, in the twentieth century, the White Man is again in rapid decline as poisonous virulent, new Jewish philosophies, communism and liberalism, are spreading like the plague. Foolishly, the White Man is now retreating, running before inferior scum, shrinking his own and helping his enemies multiply. Instead of colonizing, White America is being colonized, not only by hordes of black niggers, but all the colored scum of the world.

* * * * *

The real solution is for the White Man to adopt a sound, clear-cut racial policy: **The White Race must expand until it inhabits all the good lands of this earth; it must consider all colored races its deadly enemies; it must stop giving them aid and assistance of any kind; it must crowd and shrink them from the face of the earth, as it did the Indian in America, only more so.**

In order to survive at all, this must be our creed and our testament: **it is either them, or us!** It is the overwhelming objective of the Church of the Creator to make sure that the survival of the White Race upon the face of this earth will be secured for all time to come.

We, the White Race, must therefore learn over again the great historic lesson from our illustrious American forefathers. We must project this great productive surge of the White Race unto a worldwide basis. We must again, in planned and deliberate program, resume the colonization of the world which the White Race has pursued for the last several centuries in a more or less haphazard, but vigorous manner. **Like the American pioneers, we, the White Race, must now make it our Manifest Destiny to win the world, and populate all the good land thereof. RAHOWA! This Planet is All Ours!**

Australian POW for Creativity

Greetings White Racial Brothers:

Many thanks for the fine newspaper Racial Loyalty. After many years in the patriotic struggle I find it one of the few publications that I can learn from.

For a long time I have been in deep thought as to just what to do with the billions of non-Whites that infest the world. All the problems of gaining living space for the White Race ran through my mind and then I found the answer in Racial Loyalty: LET THEM WITHER ON THE VINE, NO HELP, NO AID, AND LET NATURE TAKE CARE OF THEM.

My first reaction was "it" will never work, but upon reflection I came to realize that it would indeed work. There is nothing like starvation to reduce and eventually eliminate the mud tide. Nature has been doing it for millions of years, until the Jews started the demographic revolution by feeding and subsidizing the proliferation of the mud races.

As a POW I would like to convey a word of support for other patriots who like myself find themselves in the JOG Gulags: We may be in the bowels of the JOG system but we can be a cancer and make a contribution to the destruction of the JOG beast. In the eleven months that I have been a prisoner awaiting trial for my pro-White political activities, I have found many new patriots, men who understand the evil of the JOG system. Do not keep the truth quiet, promote White patriotism and be a cancer to the JOG. For victory will come from struggle, and prison is one of the best places to recruit new soldiers for the White Racial Holy War.

White Rangers are on the move!

Racial Greetings to all at COTC HQ:

White Rangers are on the move! We are getting numerous inquiries from White youths about **White Rangers -- the elite militant White youth section of the COTC**, -- and many want to join in.

The Jews managed to suppress our old hotline, but we have already established a new one: (614) 299-4434. Our distributions of Racial Loyalties have been featured several times on the JOG TV news.

Recently we had our first Ohio White Unity Meeting, which we consider a great success. We are determined to keep the JOG on the run in Ohio!

Pro-White grassroots activism

Honorable Pontifex Maximus:

Some time back I was thinking that we Creators should have a patch with the Creativity logo for hats, berets, caps, jackets, etc., to proudly display and wear.

It took time, effort and expense, but I found a place that agreed to make the COTC patches. Please accept them as my contribution to the sacred cause of Creativity.

For a Whiter and Brighter World! RAHOWA!

Rev. Otto Schneider

ED. NOTE: We are very grateful to Rev. Otto Schneider for his generous contribution. He is a fine example of grassroots activism: not only coming up with a project, but also taking the necessary steps to implement it. May we have more such dedicated Creators!

White Unity under the COTC flag

On 7-22-90, over 70 participants of the White Unity Meeting in Michigan extend their right hands (as did ancient White Romans) in salute to the flag of Creativity.

Multiculturalism: Chaos and Decadence

(Continued from Page 8)

Meanwhile in Balkanized Europe, our White Racial Comrades are having almost as many problems as the mixed-up mud countries. A headline across the page of a recent reporting of that area proclaims: **"Balkan rivalries threaten to reignite Europe's tinderbox."** Dateline Zagreb, Yugoslavia, the article reports -- **"Rioting broke out at a recent soccer game in Zagreb. But it wasn't your run-of-the-mill European soccer fan violence. It was a bloody battle between Croats and Serbs, Yugoslavia's two largest ethnic groups, whose hatred for each other runs centuries deep. 138 people were injured, 12 critically... Many see the violence as a precursor of what is to come."**

The Balkans are undoubtedly Europe's most volatile tinderbox. But they are by no means the only source of ethnic warfare and dissention. In Czechoslovakia there are unresolved tensions between the Czechs and Slovaks. No matter what treaties are signed by a reunited Germany about the permanency of the present borders, there were millions of ethnic Germans left behind in borders of Poland, Czechoslovakia, Romania and Russia, in the insane redrawing of the map of Europe after WWII. They are going to want to reunite with Germany. There are the Hungarian and the Romanian "ethnic minorities", each of which want separation. There are the Slovenians and the Croats who are at each others throats. The ethnic Albanians want separation from Yugoslavia. The list goes on and on, and is not confined to the Balkans.

* * * * *

What is the solution to all this mess that has not only all the mud countries of the world in turmoil, but also the White European countries as well? Furthermore, the worlds foremost and most affluent country, the United States (we are only 10 trillion dollars in the hole) is also rapidly sinking into a Balkanized swampland that will soon reach the status of a mongrelized poverty and anarchy ridden third world country. **What is the solution?** When we ask people this question, they throw up their hands and roll their eyeballs.

Well, we, the Church of the Creator, have a total, straightforward and meaningful solution, and, we believe, the only solution. We have the one and only **winning formula**, and we have spelled it out repeatedly before. But allow me to spell it our again, step by step. It is all polarized in the one word -- RAHOWA!

1. In the first place, the White Race must unite on a worldwide basis. It must unite under one language (Latin), and one religion (Creativity).

2. Secondly, we must forget about trying to save all the scum, freeloaders and mud races of the world, and take whatever measures are necessary to save ourselves.

3. Thirdly, in order to do this, we must get the goddamned Jews off our back and take charge of our own affairs and our own destiny.

Until we do this nothing will be settled, and we, the White Race, will sink deeper and deeper into the quagmire, until mongrelization, slavery and extinction will be our final lot and dismal fate. If not Creativity, what else is there? If not now, when?

White Man, Unite and Fight! There is no other way out! Either we unite, get the Jews off our back and take over the world, or else all is lost. Otherwise, there is no future for you, or your family, or your children. The prize is dazzling, the alternative is horrible beyond comprehension. No sacrifice is too great, no price is too high.

**White Man, join with us!
Propagandize! Proselytize! Organize!**

14. WE BELIEVE in the total unification of the White Race on the basis of one Racial Religion (Creativity) and one Racial Language (Latin) in a worldwide White racial community.

15. WE BELIEVE that the one and only, true and revolutionary White Racial Religion -- Creativity -- has the potential of not only leading the White People to a worldwide victory, but also guiding them for the next million years towards a New White Renaissance, a Whiter and Brighter World, and a Glorious Era of the White Superman.

16. WE BELIEVE that the White Race, its Biological and Cultural Heritage, is under attack by our mortal racial enemies: Jews, niggers and the mud races.

17. WE BELIEVE that, due to the Jew-instigated demographic explosion of the mud races, we must (as a matter of life and death!) not only start, but also win the worldwide White Racial Holy War within this generation.

18. WE BELIEVE that RAHOWA (Racial HOLY War), under the victorious flag of the one and only, true and revolutionary White Racial Religion -- Creativity, is the only road to the resurrection and redemption of the White Race. RAHOWA! TOTAL WHITE VICTORY!

White People Awake! Save the White Race!
