Impeach Bushwhacker Bush!

George Bushwhacker Bush is a stooge in the clutches of the Jews. He is fronting for them and playing their game. He is not only a traitor to the White Race, he is also a traitor to the country of which he holds the highest office in the land. He is in collusion with our most deadly enemies, the Jews and their parasitic bandit state of Israel. This is high treason against his own country, whose very interests and laws he has sworn to uphold and defend.

by Ben Klassen, P.M.

A **bushwhacker** can be described as a criminal **thug lying in ambush** waiting to pounce on his intended victim in a sneak attack at the opportune moment. Two thousand years ago the Romans in their superlative Latin had a phrase for such a creature: **anguis in herba**. Translated into simple English it means the same today as it did then -- a **snake in the grass**. Another common and modern day example that is all too common is a gang of criminal niggers ambushing their prey in some dark alley of our decaying cities.

Having categorized a bushwhacker, let us now once more define the word **chabez-goy** for the umpteenth time, in case some of our readers have forgotten. **Chabez-goy** is a Jewish term of contempt for those goyim who are lackeys and sycophants for their Jewish overlords, praising, defending and doing the Jew's dirty work. A White Man, who is a traitor to his own race and does the bidding of the Jews, falls into this category.

* * * * *

With the above definitions as a frame of reference, let us now recapitulate the recent events leading up to the stupid and insane American involvement in the Gulf War.

Predictably, it has become a growing catastrophe of monumental dimensions and will escalate into more major horrors as the war drags on.

In RL # 66, we made it abundantly clear that Iraq's invasion of Kuwait came as no surprise to chabez-goy George Bush. The facts are overwhelmingly clear that the Bush administration, steered and guided by its Jewish mentors, badly wanted a pretext to drag the awesome might of the U.S. military forces onto the sands of Saudi Arabia and smash the military capabilities of Iraq. We have related how as early as March of 1989, eighteen months before the Iraqi invasion of Kuwait, the Bush administration (controlled by the Israeli and Jewish cabal) was already hard at work planning just such a major war against Iraq. U.S. Army Lt. Gen. John Yeosock had a force of 500 war-gamers, fuel estimators, and other experts in Building 363 at Fort McPherson, Georgia, working day and night planning the details of just such a massive onslaught for the destruction of Iraq. At that time (March, 1989), we must remember, Bush still pretended to be a friend and ally of Saddam Hussein and of Iraq, all the while planning how to strike like a rattle snake at the opportune time.

All they needed was a pretext. What that might be was irrelevant at that time, but no matter -- they would concoct some pretext when the time came. By July of 1990 the plans were completed and the U.S. military machine was ready to strike. When Iraq and Kuwait got into a local squabble about the delineation of a common oil pool on their borders, the Jews and the Bush coterie rubbed their hands in glee. Far from trying to ameliorate the squabble between two Arab nations, they goaded Saddam on and gave him the green light to invade. On July 24, 1990, U.S. State Department spokesperson Margaret Tutwiler blandly stated at a public news conference that the U.S. did not have any special defense treaties with Kuwait, nor did it have any special defense or security commitments to Kuwait. The next day, U.S. Ambassador April Glaspie, in a meeting with Saddam, stated categorically: "We have no opinion on the Arab - Arab conflicts, like your border disagreement with Kuwait." All this, just a week before the Iraqi invasion of Kuwait, an invasion the United States was well aware of in advance, just as some 49 years earlier

BRAINWASHED IDIOT... DOESN'T HE KNOW WE'RE OUT TO BLEED HIS COUNTRY DRY AND MONGRELIZE THE WHITE RACE.

EVERYBODY SHOULD LOVE THE JEWS, LIKE I DO. WHY... THEY ARE OUR GREATEST ALLY AND CLOSE TRUSTWORTHY FRIENDS.

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Danny Thomas Parrish, 29, a White man from Fort Pierce, Florida, has been shot and killed by a criminal nigger, Bill Leon Kears, on January 18, 1991.

A Fort Pierce police officer, Danny Thomas Parrish was gunned down at Avenue A and North Fifth Street in downtown Fort Pierce when he tried to arrest the ex-convict nigger for a traffic violation.

The savage nigger, Bill Leon Kears, who boasted to other niggers about his violent criminal history that included six previous felony convictions and several misdemeanor convictions, had been released from prison on November 30, 1990, after serving only a small fraction of his previous sentence, under the "Florida Legislature's Control Release Authority" -- a program designed to reward nigger criminals with early prison releases. Another nigger, released under the same program, was charged two days later with stabbing a Tallahassee woman.

One thing is certain, as long as we have niggers in this country, there will be no safety for Whites.

Impeach Bushwhacker Bush!

(Continued from Page 1)

chabez-goy president Roosevelt had been well aware of the impending Japanese attack on Pearl Harbor. In both cases, the treacherous U.S. presidents were hoping and praying for the other side to make the first overt move so that the U.S. could be sucked into a major war for the benefit of the sinister Jewish conspiracy.

With much to gain and with ostensible encouragement of the world's No.1 superpower, Saddam Hussein made the move. No sooner had he done so, when the U.S. worm turned, and suddenly Bushwhacker Bush became the world's most vocal and vociferous warmonger. Saddam had been booby trapped and there was now no turning back. The Jews and their chabez-goy in the White House now had the pretext for the war they wanted, and all they had to do was fan the flames of war every day, and fan them they did. Without the consent of the Congress, and without even consulting the Congress, the Bushwhacker immediately sent 200,000 American troops to be deployed on the hot, hellish sands of Saudi Arabia with the aim of destroying Iraq as a potential military threat to Israel.

* * * * *

Chabez-goy George Bushwhacker Bush now had to come up with a good-sounding reason as to why he made such a drastic and far-reaching commitment, one that would sell to the American public. Try as he might, and although coached and goaded by his Jewish wordsmiths, he never could find one that would ostensibly fly.

At first, it was to "defend Saudi Arabia from invasion". Not too bright, but it was a start. Since Iraq had not threatened to invade Saudi Arabia, what was the big deal about sending 200,000 troops out there on those hot sands? And in any case, were we to rush out to everyone of dozens of crises throughout the world for no other reason than that some idiot conjectured a possible attack? If so, we would soon have our troops proliferated all over the world. And how many years would our troops be suffering and sweating on the hot desert sands while they waited?

Next, "naked aggression will not stand", said the Bushwhacker. Really? What about his own invasion of Panama just last year? What about the Israeli invasion of the West Bank and of the Gaza strip? They had been there since 1967, almost a quarter of a century. Why no outrage? What about the Soviet invasion of Lithuania, Latvia and Estonia? The Soviets have been in the Baltic states by means of "naked aggression" for nearly 50 years, and as recently as last week they killed a number of Lithuanians and Latvians by means of brutal force when these beleaguered countries sought to rightfully restore their own independence.

Next, "Saddam would control the major portion of all the oil in the world." This, too, was a baseless claim of the JOG propaganda. If the United States had kept its nose out of the Gulf squabble, oil would be still selling for less than \$20 a barrel, and it makes damn little difference to us as to whether we buy it from one Arab, or one Emir, or one Sheik, or the other. Saddam never threatened to cut off the oil supply, and is only too anxious to sell what is the main source of income for Iraq.

Then came the ploy that "Saddam was another Hitler" and wanted to conquer the world, and if left unchallenged would threaten our very way of life. This stupid argument to me is reminiscent of the Vietnam War when I remember the then Secretary of Defense, Robert McNamara, standing in front of a blackboard and pointing to all kinds of maps and charts and lecturing us about "the domino effect" of North Vietnam conquering all of East Asia unless we sent our boys in there and smashed the hell out of the North Vietnamese. This is the same stupid bungler who, when president of the Ford

THE MANY FACES OF BUSH

Motors Company, came out with the Edsel, the most colossal flop in automotive history.

Every week the Bushwhacker has come up with a new pretext as to why we should smash Iraq, and specifically take out Saddam Hussein. Senator Ernest Hollings (D.- S.C.) in the Senate debate during the second week on January made a clear case against Bush's spurious pretext for going to war. To quote part of his well-articulated speech:

"Naked aggression? Pick up the morning paper. My colleagues will see as recently as yesterday (January 11, 1991) naked aggression against Lithuania, a free people with a free parliament, not an emir. Are we going to intervene to rescue Lithuania? Not a chance. Lithuania does not have oil.

Chad? The beginning of December. Rwanda? A few weeks ago. We can go down the list. Afghanistan, Cambodia, the Pakistant - India border - naked aggression. Syria against Lebanon. They massacred 750 Christians."

Senator Hollings went on, and made an excellent case about all the aggressions throughout the world we did not seem to be interested in stopping. However, conspicuously and deliberately neither he nor anyone else in the House or the Senate dared to mention the crux of the case, namely Israel and its 23-year-old invasion of Palestine and its killings, brutality and suppression of human rights in that area.

We now come to the key issue in this whole miserable mess. Senator Hollings did mention oil, but it is not the main issue. As I have said, Saddam was not about to cut off our oil supply, and if in fact only a meager 1.9% of our oil came from Kuwait. There is no shortage of oil. On the contrary, there is an oil glut on the world markets.

So what is the real reason? THE KEY ISSUE IN THIS WHOLE MISERABLE DEBACLE IS ISRAEL AND THE JEWS. The whole Arab world of some 150 million people hate the Jews, and for good reasons. Iraq, after eight years of war with Iran (a Moslem, but non-Arab country), emerged with the most powerful military force in the Middle East. It was, and is, a real threat to Israel. The Arabs know it, Israel knows it, and the Bushwhacker knows it. **Since the Jews control the U.S. government, the time had come for them to push the United States into a major war to smash their potential enemy,** just as they goaded the U.S. into World War II to smash Germany when that country became a threat to Jewish control of the world. Again, the Jews are telling us to go in there and fight their war, and while we bleed and die, they will graciously hold our coats for us.

We Fly -- You Die!

When George (Bushwhacker) Bush was vice-president under Reagan, one of his mundane duties was to represent the president and/or the United States at the funerals of dignitaries, not only at home but all over the world. And represent them he did. In fact, he has undoubtedly logged more airline mileage than any other president in history. His staff, who arranged his flights all over the world, had a joke going to the effect "you die -- we fly".

Until he became president, the Bushwhacker was unanimously dubbed as a wimp by the establishment press, and even during his 1988 campaign he had to overcome this image. However, as soon as he was president and had the power, he lost no time showing the world that he was indeed no wimp, but an aggressive, bloodthirsty warmonger, one of the most ruthless and treacherous individuals who ever had the misfortune to become an American president. First he took out Manuel Noriega of Panama, once a hireling of the CIA of which Bush himself was the head. This he did with the overwhelming military might of the United States of which he was Commander-in-Chief, and for no other reason than that Noriega aggravated him.

Now, as Commander-in-Chief, he has committed some five hundred thousand American troops to the hot burning sands of Saudi Arabia to take out another small-time punk by the name of Saddam Hussein.

This time it will be no small weekend affair. Probably hundreds of thousands of Iraqis, including innocent women and children, will be killed, not to mention probably tens of thousands of our own deluded and deceived American soldiers, sailors, marines and air force personnel, a major tragedy of monumental dimensions.

Why is this man doing such an idiotic, asinine, treacherous and murderous thing?

The reasons are hard to come by. Certainly none of the transparent and fictitious reasons, with which he has tried so hard to snooker the long-suffering American people, can stand up to the light of day. The only obvious reason is that, at the instigation of his Jewish manipulators, he has committed the lives, the integrity and the wealth of the American people to the protection of the parasitic bandit state of Israel from its Arab neighbors.

The result of this blunder will be another ghastly Vietnam, and even if we "win" through sheer overwhelming military might, the losers will be not only the Iraqis, but also we Americans and the entire world. The hatred of the 150 million Arabs for America, the Jews and Israel will last for untold generations, and the grief of the mothers, fathers, brothers, sisters, husbands, wives and children of those killed in this unwarranted and stupid pro-Jewish war will never be forgotten nor forgiven.

As our pilots and airplanes, acting on orders from Bushwhacker Bush, rain thousands of tons of deadly bombs down on the hapless Iraqis, Bush's motto "you die -- we fly" can now be reversed into "we fly -- you die", and believe me, this is no joke. It is a horrible tragedy, instigated by our vicious enemies -- Israel and the Jewish network. **B.K., P.M.**

About Liberty, Chaos and Organized Society

Only in a well-organized White Society, structured for the protection and advancement of the best interests of the White Race, can we hope to survive and prosper.

by Ben Klassen, P.M.

In their *Protocols of the Elders of Zion*, the Jews congratulate themselves that they have entrapped and enslaved more unsuspecting goyim with their catchwords of **Liberty, Equality and Fraternity** than any other concept. They further smirk unto themselves that **each one of these words contradicts the others**, and that none of these concepts are workable in the real world, yet by throwing them out to the mobs, **the Jews brag that they have caused more turmoil, revolution and chaos than they have with any other deceptions in their multifarious bag of tricks.** If this is so, and history amply confirms that it is, let us take a close look and analyze these booby traps more closely.

The word "liberty" has had great appeal to the masses for ages. People want to be free and the words liberty and freedom are synonymous. **How free is free? The word itself is an absolutism. To be free means you have no restrictions on your activities. As soon as there are restrictions on your activities and someone else can tell you what you can and cannot do, you are no longer "free", right? Yes, I would say that is a reasonable conclusion a logical person would arrive at. It also then follows that being free, such person has no obligations, no responsibilities, no duties, no rules, no guidelines, no laws they are bound to follow or obey.** It sounds great, from the Libertarian point of view.

Now let us get back to the real world. At what stage of life do we arrive at such an ideal state of milieu? As a 3 year old toddler? As a 10 year old? A teenager? At 21? As a 30 year old parent? As a grandparent? When you are dead and laid to rest?

The fact is, at none of these. The toddler has any number of duties and obligations with which he must learn to cope. (*For the sake of brevity, I use the word "he" throughout as also an alternative for the word "she", and the word "man" applies equally for the word "woman".*) The toddler must by now be "potty trained", must learn a comprehensive vocabulary of new words, must learn table manners, must learn to keep himself and his clothes relatively clean, must learn obedience to his parents. The list is endless.

Many of these obligations and a passel of new ones extend on to the 10 year old and the teenager. As an adult of 21 more duties and obligations are added to the list, such as having completed or continuing higher education, earning a living, planning on marriage, and a number of others. Parenthood involves even more. Parents must not only be able to establish and maintain a household, but must also have provided for a decent income, be a role model for their children, provide for their education, and a host of other very real obligations and responsibilities, many of which extend on into becoming grandparents.

Added on to all these are any number of civic duties, such as paying taxes, trying to keep the local, state and federal government in check, and dealing with such governments' demands, whether we like it or not. After we are dead and buried, we still have some arduous responsibilities, not the least of which is having left a

reputation and track record to which our children and grandchildren can point with pride. Also, before departing from this world grandparents have a responsibility to leave the environment, their country and their society in as good or better shape than when they entered. This they owe to their children, their grandchildren and their future progeny.

So, how free are we when we enter this world, when we leave it, and the time in between? The answer is only an irresponsible idiot would try to shuck all the obligations and responsibilities that are incumbent with living. But even try as he may, such individual is far from being "free". As a child he may try to rebel against authority, but it will avail him nothing. He will be chastised and he will be punished, and life will only be extremely difficult. As an adult, he may try to ignore the responsibility of earning a living, but poverty and misery will be his lot. He can neglect the responsibility of supporting his family, but loneliness, isolation and guilt will be the consequence. He has the freedom to ignore, or even violate the law, but he will suffer the penalties of heavy fines and/or incarceration. Certainly, there will be no joys of "freedom", and liberty will not be his reward.

* * * * *

Let us now picture a scenario in a world about which Libertarians love to fantasize and eulogize, a world in which everyone is free to damn well do as the spirit moves them.

In such a world there are no traffic laws. You can zoom down the highway or the street of a residential neighborhood at 90 miles an hour. If it so tickles your fancy, you can also do this in the left lane any time you please. After all, nobody is going to tell you where or how you can drive, nor is anybody going to tell you that you have to have a driver's license, nor a license plate on your car to identify the vehicle. How long, do you suppose, you would stay alive? Or even if you decided to comply with all the traffic rules, but the rest of the irresponsible yokels need not, how would you like to venture forth into traffic?

As a true Libertarian, you are also, of course, free to dump your garbage anywhere you please, such as on your neighbor's lawn. On the other hand, there are certain drawbacks to this kind of liberty. Your neighbor is also free to dump his garbage on your lawn, and undoubtedly would do so in retaliation. He may also utilize his freedom to fire his gun in your direction.

A true Libertarian is also free from taxes, and to spend his money as only he pleases. This means that no roads, bridges or schools will be built, unless a congenial private group can get together and do so voluntarily. But, again, there are numerous disadvantages to this arrangement. By joining such a group you are thereby already surrendering some of your precious freedoms, of course, and then, too, there is the unpleasant likelihood that other freeloaders, who never contributed to your group, would also use your roads and bridges. There is also the difficulty that such roads would not connect with some other independent group's arrangement and would go nowhere.

ITS NICE TO LIVE IN A FREE COUNTRY AND VOTE FOR WHO YOU LIKE.

REGARDLESS WHO HE VOTES FOR, IT WILL BE ONE OF OUR STOOGES.

Time to take stock

by David Lane, P.O.W.

As we watch our young folk and our leaders victimized by the in-justice system, and as our front-line teachers continue to be hampered by a lack of funds, it is time to examine our tactics.

By now, it should be self-evident that the occupation governments of the once White nations will settle for nothing less than the total extermination of our kind. So, why (I ask) aren't we addressing that issue? The issue is not hatred of others, it is the survival of our own species! Why do our leaders let the enemy turn the facts upside down?

If you are motivated, as I am, by a wish to preserve the beauty of White woman on this Earth, or by a need to provide a future for White children, then why not say so in our literature, radio and audio-tape outreach programs? Yes, it is true that a man cannot love his people unless he hates what destroys them, but why play into the enemies' hands with what they call "hate" literature?

Years ago I created a pamphlet called "The Death of the White Race". Although it may be the most widely distributed piece of racial literature in recent times, the enemy has never addressed it or its contents. They can't, because if they do, they must admit their real goal which is to exterminate our race. As ever more oppressive laws are passed so that even a racial slur is worth a prison sentence, we must learn to express our cause wisely. How can they attack you in front of a jury when all your literature says is that "we must obey the FIRST Law of Nature, i.e., the preservation of our own kind"?

I would like also to say something to the young folks (and please don't take this wrong, my young friends). I recognize your frustration, for I've felt it myself and I know this insane world was not your doing. What I say is out of my love for you, for you are my flesh and blood.

I believe that you militants are correct that ultimately there is no solution but the path of The Order, however -- learn from the mistakes of The Order! **If The Order had operated as tiny autonomous units, preferably ONE-MAN UNITS, they would still be in business.** If two people know a secret, it isn't a secret when the JOG terror begins. As one man is fond of saying, "Never let your left hand know what your right hand is doing, let alone wives, friends, lovers, or comrades." Furthermore, I can see no point in vandalism.

I would further add that most of you young folk just aren't equipped (emotionally, physically, or intellectually) at this time to fight guerilla warfare against the most advanced police state in history. Order-type activities are for mature and capable men, ruthless, silent, and self-motivated.

For all but a few elite "warrior/priest" types, I would recommend other activities at this time. Your own

The great pro-White ideas of Creativity win converts in South Africa

Dear COTC HQ:

On behalf of all the members and supporters of the South African branch of the COTC I thank you for the generous shipments of books and newspapers which are distributed all over the country to members and supporters.

The great pro-White ideas of Creativity are spreading throughout White South Africa, despite massive opposition and hostility by the Judeo-Christians, especially the virulent Identity variety. Death threats to me by these deluded pseudo Jews (idiotic, spook-chasing "true" Israelites) have necessitated the unplugging of my telephone by night in order to get some sleep.

During the past months we have been viciously attacked in the "mainstream" Afrikaans press, resulting in numerous positive inquiries from all over the country. Many race-conscious Whites visited me and expressed their enthusiastic support for the true White Racial Religion -- Creativity. The number of people attending our monthly meetings is increasing.

The general situation in South Africa is rapidly sliding into anarchy. The savage kaffirs are already fighting among themselves for the property of the defaulting White Race. Christian churches and the Jew-controlled mass media are duping Whites into believing that, because of their past practice of Apartheid (Racial Loyalty), they are guilty of tremendous sins against "humanity" and specifically against the subhuman kaffirs. One million one hundred thousand Whites (members of the South African Dutch Reformed Church) have already confessed through their church leaders, kneeling before a most disgusting and ugly kaffir bishop, their "guilt of racism" and pleaded for forgiveness. Can you imagine the spectacle of so many Whites creeping in the dust before an African mud primate! To repent in the name of a mythical Jewish bastard! To plead for forgiveness for imagined sins! Well, it happened right here in South Africa. The power of religion is amply demonstrated by this lunacy -- the suicidal power of the fatal Jewish poison called Christianity. Another name for Christianity is mass insanity!

Many pro-White fighters and activists have been jailed in South Africa without charges. Most of them have been very beaten and tortured by the JOG security police -- men of our own race but completely loyal to the enemy. The situation is desperate and very dangerous! However, the White masses still remain passive in their Christian induced stupor, dumbstruck by feelings of guilt, and manipulated by the Jew-controlled media.

Nevertheless, we believe that the White People in South Africa will awake before it is too late and embrace the ideology-philosophy-religion of Creativity as their only real salvation.

For all-White South Africa and all-White World!

The Battle Flag of Creativity in the "Land of Ice"

Dear COTC:

Every issue of RL is eagerly anticipated and highly appreciated, because RL more than any other newspaper addresses the most vital problems confronting the White Race.

Here in the "Land of Ice" the battle for Creativity goes on. Rev. Tommy Ryden gives us a courageous example of leadership, dedication and perseverance in the face of severe enemy opposition. Despite all the obstacles and persecutions, we will continue the fight against the Jewish Conspiracy to mongrelize the White Race into oblivion. If the JOG sends us to prison, we will spread the word of Creativity to other White inmates.

With this letter enclosed is a \$60 donation. Please send us via air mail the glorious flag of Creativity. We are determined to firmly establish the victorious Battle Flag of Creativity here in the "Land of Ice". RAHOWA!

The JOG gulag jailers persecute David Lane

Dear COTC:

I have just received the January issue of Racial Loyalty which included David Lane's article "Divided Loyalties" along with your commentary.

According to my information, several weeks ago, the Leavenworth prison officials confiscated all of David's books, reference materials, dictionaries, leaving him with only a King James Bible for reading material! He is being forbidden from receiving any and all publications for an indefinite period of time and no reason has been given for this action.

Because of this current restriction, David may or may not even see your commentary nor be able to respond to it. However, I am certain that he would appreciate receiving personal letters from your readers -- even those in disagreement with him will be a welcome diversion from King James' Version of a concoction!

ED. NOTE: We invite all White Racial Loyalists -- Creators to write to the pro-White P.O.W., David Lane. Please give him moral support in his struggle against the JOG gulag tyranny. Also, please invite him to cross the Rubicon and join the one and only, true and revolutionary White Racial Religion -- Creativity. His address is:

JOG police violates First Amendment rights

Dear COTC:

Recently several TV stations in Baltimore during the evening news-cast showed footage of a big black greasy oyster-lipped nigger cop walking from one private porch to another, picking up and removing copies of RACIAL LOYALTY which had been placed there during the night. This happened in Essex, a suburb of Baltimore.

The removal of a newspaper from a private porch without an express permission from the homeowner strikes me as being a blatant violation of the First Amendment by the JOG police. It is an indication of the things to come. *White people awake before it is too late!*

Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!" Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

- a) upon inquiry, you will receive (once completed) our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);
- b) upon selecting the desired candidates, please write them an introductory letter in care of CUPID'S CORNER, c/o Racial Loyalty, P. O. Box 400, Otto, NC 28763;
- c) we will forward your introductory letter to the candidates you selected;
- d) then it is up to the selected candidates to respond to you directly and establish the connection.

WHITE MEN AND WOMEN, BE FRUITFUL AND MULTIPLY! DO YOUR PART IN HELPING TO POPULATE THE WORLD WITH YOUR OWN KIND! RAHOWA! THIS PLANET IS ALL OURS!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service -- CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mismatches. "Caveat emptor!" "Buyer beware!")

Important Note:

Dear participants in the White Racial Match-Making Service and all readers of Racial Loyalty, please be patient!

Please don't demand immediate gratification. It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Again, please be patient: we need you and you need us! As you and we know, there is no alternative to the COTC as far as White survival is concerned. SO DON'T ASK WHAT THE COTC CAN DO FOR YOU, ASK WHAT YOU CAN DO FOR THE COTC!

Creativity replaces Identity

Dear Mr. Ben Klassen:

I have read the entire collection of your books and several issues of your newspaper Racial Loyalty.

Your real accomplishment, I believe, is your relentless exposure of the main instrument of our defeat, namely, the Bible. The horrible passages which you have been exposing have led me to read the Bible for the first time. I have used your citations and many others I have subsequently found on my Christian friends, especially Identity Christians. Some say, "You sound like Ben Klassen", but others admit there are problems. Most Christians, I'm certain, have never read the Bible carefully, let alone critically. It is too unsettling and too Jewish.

Merely a cursory reading of the Torah will make the fairy tale called "The Holocaust" perfectly understandable. The word itself means burnt offering, of course, and that nauseating Israelite practice is described too many times for a reader not to put two and two together to get "gas ovens".

This is the great service which you perform and which will eventually lead to our de-Judaization, even if only relatively few men will spread the word -- such is the power of the truth. I am doing this at every opportunity but it requires a familiarization with the Bible to be able to deprogram sincere Christians. "God's Law" can be quickly shown to be nothing more than rabbinical terrorism and stupefaction.

Pro-White P.O.W. Update

We have learned that one of our dedicated activists, Rev. Matthew Hayhow, has been arrested in Ohio and is currently being held in a Columbus jail. The charges filed against him are related to a period when he was a Northern Hammer Skinhead activist, prior to becoming a member and a reverend of the COTC. Rev. Matthew Hayhow categorically denies any wrongdoing and feels that the JOG police is trying to set him up in revenge for his pro-White activism.

We ask all White Racial Loyalists -- Creators to write to Rev. Matthew Hayhow and give him moral support in his struggle against the JOG tyranny.

His address is:

Rev. Matthew Hayhow

Confessions of a Sinner

Dear COTC:

I want to share with you the sad results of my biological treason. This happened years ago, while I was still a Goddamned Judeo-Christian and naturally before my conversion to the White Racial Religion -- Creativity.

I committed one of the most heinous crimes against Nature and committed the highest act of treason against my Race which any man could commit.

Being raised Christian, I had no sense of racial pride or racial loyalty. With preachers constantly preaching that we are "all equal in the eyes of the Lord", I felt sorry (or whatever) for the mud races and therefore married a squaw and produced five half-breed kids. Later, upon regaining my sense of racial pride and racial loyalty, I divorced my non-White wife, married a White woman and produced two White boys.

Some time back, my oldest son (Indian) visited me. I told him I didn't want them to think I was hiding anything from them and therefore showed him my COTC room. I also let him read some of our literature. A little while later I could see he was feeling bad, and he said, "You know, Dad, I can't be a White Supremacist and the Indians don't accept me entirely because my name is -- (German)!" In other words, I made him a nothing. He has nothing to be proud of and WHEN the race war starts, *what side does he fight on?* It made me feel bad and ashamed of my racial sin.

I hope all you Creators make an extra effort to educate all the young Whites not to make the same mistake I made. RACIAL PURITY IS OUR ONLY SECURITY!

Eternal Flames of Creativity

Dear White Racial Loyalists -- Creators:

White racial greetings unto you all! Upon my confinement the JOG beat me into the ground by constant harassment and arbitrary denials of the COTC literature, but the eternal flame of Creativity continues to burn in this Creator's heart and will continue to burn as long as I live. I believe that if only one Creator be left he or she will carry our sacred White Racial Religion unto complete and total victory. Nothing can stop us for we have the WINNING FORMULA FOR WHITE SURVIVAL, EXPANSION AND ADVANCEMENT. We will win!

RAHOWA!

White Man, know your rights and become an active distributor of our newspaper, books and other literature! Sow the seeds of White Victory! -- your future and the future of your children depends on that. For a special price of \$15, order a hundred copies of our pro-White newspaper, flyers, cards and distribute by anonymously leaving them on White people's porches or parked car windshield wipers. The right to distribute our literature is guaranteed by the First Amendment of the U.S. Constitution.

White Man, come out of the closet! Whether you like it or not, you are involved in the racial war that the Jews, niggers and muds are waging against all Whites. We have no time to lose. As you know, the 4/9/90 issue of "Time" has stated officially and unequivocally: "By 2056, Whites will be a minority group in the U.S." "Time" ends its story with a smug Jewish comment: "...And it is irreversibly the America to come."

Dear White Racial Comrades, let's make damn sure that we do reverse this sinister, genocidal Jewish plan to mongrelize and destroy White America! Let's build a massive grassroots pro-White movement -- the Creativity Movement! **White Man, join the war for White survival! Let us play White Chicken no more!** Become an active defender of your inherent White Heritage and Gene Pool. You owe it to yourself, to your glorious White ancestors, and -- above all -- to your children and their future progeny. RAHOWA!

From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part VII in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn).

Judeo-Christian Bible condones Jewish barbarism: **Two hundred foreskins gain David a king's daughter**

David accepts a challenge,
And a king's daughter he wins,
As he returns from battle
With two hundred foreskins.
* * * * *

David, a favorite Jew of the Jewish spook Yahweh, fell in love with King Saul's daughter Michal and wanted to marry her. However, Saul did not approve of the match, and to prevent it came up with the idea of allowing David to marry Michal if he would go into battle against the Philistines and bring back a hundred foreskins. Naturally, he didn't think David would make it back alive. But the slimy Jew David not only returned safely but brought back double the required number of circumcision trophies, thereby winning the king's daughter. Let's quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic.

I Samuel 18:

25. And Saul said, Thus shall ye say to David, **The king desireth not any dowry, but a hundred foreskins of the Philistines, to be avenged of the king's enemies.** But Saul thought to make David fall by the hand of the Philistines.

26. And when his servants told David these words, it pleased David well to be the king's son in law.

27. **Wherefore David arose and went, he and his men, and slew of the Philistines two hundred men; and David brought their foreskins, and gave them in full tale to the king, that he might be the king's son in law.** And Saul gave him Michal his daughter to wife.

Apparently, the slimy Jew David was not satisfied with having only Michal, because in another part of the incoherent pile of dirty Jewish fairytales, which the gullible Christian

yokels worship as "the word of God", we find this story:

II Samuel 11:

2. And it came to pass in an eveningtide, that David arose off his bed, and walked upon the roof of the king's house: and from the roof he saw a woman washing herself.

4. And David sent messengers, and took her; and she came in unto him, and he lay with her.

However, even that was not enough for the slimy Jew David, because in II Samuel 16 we are told that he had acquired ten concubines. The story is told how David's son Absalom conspired against his father and started an armed rebellion. David fled, leaving behind his ten concubines

II Samuel 16:

22. So they spread Absalom a tent upon the top of the house; and Absalom went in unto his father's concubines in the sight of all Israel.

In a typical twist of Jewish "justice", the ten innocent concubines were the ones to pay for Absalom's rooftop frolics. After David regained the upper hand over Absalom and returned to Jerusalem, the ten concubines were placed in isolation where they remained until their death.

II Samuel 20:

3. And David came to his house at Jerusalem: and the king took the ten women his concubines and put them in ward, and fed them, but went not in unto them. So they were shut up unto the day of their death, living in widowhood.

* * * * *

The Judeo-Christian bible is nothing but an incoherent collection of primitive, barbaric, dirty Jewish fairytales: **a stinking pile of Jewish garbage.**

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" identity lunatics, want to appropriate such garbage as "their own".

We White Racial Loyalists -- Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.

Christianity is mass insanity!

To be a Christian is to be a Jew-worshiper.

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the antinatural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which has destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore, Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaea!*

Liberty, Chaos and Organized Society

(Continued from Page 3)

There would, of course, also be no schools, no government, no law enforcement agencies, and no laws. As such, there would also be no police protection from thieves, murderers and other criminals. It would be every man for himself. In fact, it would be utter chaos and anarchy, and let me point out that anarchy is the most cruel and tyrannical of all forms of government.

Do such situations exist in the world? Yes, most decidedly, and more and more countries of the world are drifting into despair and anarchy. We read about the various nigger "republics" in Africa. In one single edition of a recent mainstream newspaper the present status of three such countries was described.

* * * * *

On the west coast of Africa there is Liberia, a country that was founded as early as 1822 by the United States to accommodate freed slaves. Its constitution was modeled after that of the U.S.A. In the intervening 168 years, how has Liberia fared?

As in most of these nigger republics, there is a civil war going on, a war that has degenerated into brutal tribal slaughter that characterizes most of these "free" and "independent" states in Africa that can loosely be called countries. At war are the Nimba and the Krahn tribes, aided and abetted by the Gios and the Manos tribes. Added to this melee of mass murder and wholesale slaughter are the Americo-Liberian decedents of the early freed slaves from America.

On July 29, 1990, Liberian soldiers forced their way into St. Peter's Lutheran Church, designated as a Red Cross Center, and slaughtered an estimated 700 displaced civilians. More were shot shortly thereafter at the John F. Kennedy hospital and elsewhere bringing the total casualties in one day to 1000, which constitutes only one fifth of the total in the war so far.

Former President Samuel Doe was slain in 1990, as was the former President William R. Tolbert, Jr. before him, in Doe's succession to power.

Anarchy, chaos, brutality and killing are the norm. More than 600,000 refugees, 20% of Liberia's population, have fled the country from the devastations of this grisly war in the last 12 months alone.

Most of these refugees have fled to neighboring Guinea, the Ivory Coast and to Sierra Leone.

How are these countries faring? Let us look at Sierra Leone, for instance.

In Freetown, the dilapidated capital, roads amount to no more than a maze of potholes, electricity shuts off daily, hospitals lack running water, and most telephones are for looks only. Corruption in government runs so deep that the International Monetary Fund (mostly funded by American taxpayer money) has finally shut off aid. In short, the country is in a state of anarchy, chaos, famine and corruption, as are almost all of the nigger republics of Africa.

Let us look at one more such republic more than a thousand miles to the east, in the heart of Africa.

Uganda has all the physical attributes of a beautiful, prosperous country, once described by Winston Churchill as "The Pearl of Africa". It has an ample supply of water and fertile land, and the climate is generally warm and sunny. Properly organized and developed, it could be one of the most prosperous and beautiful countries in the world.

There is one major problem. It is populated by niggers. The consequence is that Uganda is mired in poverty, wracked with hunger and starvation. During 17 of the last 21 years Ugandans have been agonizingly entangled in protracted civil war and anarchy. Young children walk around with bellies swollen from hunger, and from the effects of a host of worms and other intestinal parasites picked up from dirty drinking water. More than 700,000 civilians have been killed in the ongoing slaughter. Ugandan soldier-thugs have destroyed thousands of schools, looted clinics and hospitals, blasted roads, rail links and power stations, the handiwork of previous White Man's contributions, into useless rubble.

This by no means encompasses the turmoil, anarchy, chaos and the proliferation of civil wars that are going on in the Dark Continent. In fact, it is no more than a thumbnail capsule of what is going on in the vast majority of these savage enclaves, but whereas this is not

I LIVE IN A FREE DEMOCRATIC SOCIETY, AND HAVE FREEDOM OF CHOICE.

the place to summarize this huge conglomerate of brutality, mass murder, mayhem and insane savagery, here is a short summary as of 1990.

This is a partial list of the African countries that were still in a state of war and rebellion in 1990, and the dates at which such ongoing wars started:

Uganda, 1969.
Ethiopia, 1974.
Angola, 1975.
Mozambique, 1981
South Africa, 1983
Sudan, 1984
Somalia, 1988
Liberia, 1990, etc.

So much for the potential of trying to uplift the savage niggers to the levels of White civilization.

* * * * *

But Africa is not the only continent in turmoil. Even our ancestral homeland of Europe is disintegrating into a bedlam of anarchy. We find the Balkan countries, we find Rumania, Bulgaria and Hungary in a state of chaos, confusion and rebellion. We find Yugoslavia breaking up into ethnic entities which want "independence", freedom from the central government. We find the great conglomerate of Russia, probably the world's richest land area of natural resources breaking up into floundering and confused independences, which, if and when they do become independent, cannot govern themselves, cannot organize themselves to feed and house their own people in a land of rich natural abundance. Yes, the Russian people are facing a dire winter of hunger and famine, even in the Ukraine, a rich area that as long as 80 years ago was considered the rich bread basket of Europe.

Yes, despite all of the technological advances of the last 50 years, most of the world is facing chaos and starvation. Not only in Africa, Russia and most of the formerly communist countries of Europe, but also in Central America, South America, and closer to home in the U.S.A., most of the major cities in our own country are wracked with crime, anarchy, unemployment and poverty. The fact is, as we approach the 21st century, the whole world, it seems, is going to hell in a hand basket.

What is wrong? Can the White Race be saved?

* * * * *

We Creators believe we have some cogent answers. In the first place, for a society to survive and prosper its whole foundation for such must be based on a sound and intelligent philosophy. This we have not been getting. The Jews, our deadliest enemies, did everything possible to mislead and confuse the White Race.

The same Jewish conspiracy that tossed the catchwords of Liberty, Equality and Fraternity into the French mobs 200 years ago and threw that advanced country into chaos, rebellion and anarchy, is still with us and at it today. It is still plying the same con game to most of the world, although the facade of the format has changed,

seemingly. Today, with the Jews in firm control of the most powerful nation in the world, the United States of America, they are pushing *democracy*, American style, and pushing it down everyone's throat, whether they like it or not. The fact that the Jews are putting so much fervor behind their promotion of democracy should in itself raise a red flag and alert us to its disastrous consequences.

What is wrong with democracy? Well, just about everything. The core of the problem is that, along with Christianity and Communism, it is a Jewish promotion that bodes ill for the White Race and is designed to converge more and more tyrannical power into the hands of the Jewish power establishment. Like Liberty, Equality and Fraternity, it is a Jewish fraud.

Here is how Jewish "democracy", American style, works. Seemingly, the people are led to believe that because they are allowed to vote, they are governing themselves. Nothing could be further from the truth. Ask, for example, the Germans. For the last 40 years they have had democracy shoved down their throat. At the same time they have had some 300,000 American occupation troops on their soil, with another 300,000 or so Soviet occupation troops on East German soil. Now they have been allowed reunification, but most of the troops, after 45 years, are still there. In private, most of the Germans I have talked to have told me that the six peacetime years under National Socialism and Adolf Hitler were the finest, most prosperous and most glorious years in their history. Supposing they, both East and West Germany, wanted to vote in a Nazi government tomorrow. Under their "democracy", do you believe for a moment they would be allowed to do so? Not a chance of a snowball in hell. That is what the American and Russian troops, under Jewish control, are there to make sure never happens.

Things are not really much different in the United States itself. With the money, the financial power, in the hands of the Jews, and the newsmedia and the propaganda apparatus also in their hands, the Jews are able to operate their "divide and conquer" technique so expertly that the people never realize how effectively they are being fleeced, robbed, manipulated and enslaved. With the two-party system the Jews have all the necessary leverage they need to put their very own stooges into positions of government and keep out any meaningful opposition to their nefarious designs. As a result, we now have a president that is a toady, a chabez-goy, a stooge for the Jewish powerhouse. We have a congress that is completely at the mercy of the Jewish manipulators. This applies equally to our governors, our state houses, to City Hall and all the way down to the lowest level of local government.

Whereas the original Constitution strictly limited the powers of the Federal government, and reserved most of the rights (education, voting procedures, etc.) to the State governments, the Civil War of 1861-65 changed all that. The Federal government, taking advantage of the naked power of its armies, has ever since used brute force to override any and all rights the states had in all the areas proscribed in the constitutional agreement. Then, as now, the Federal government rode, and now rides, roughshod over any rights the states or the people have reserved unto themselves in the 9th and 10th Amendments. When in 1956 the State of Arkansas did not want niggers to enter into and louse up their High School at Little Rock, the Federal government, completely under Jewish control, sent down 10,000 troops to ram their fiat down the throats of the local citizens. When a few years later the University of Mississippi did not want a nigger enrolled in their college, the Federal government in short order deployed 20,000 Federal troops to force this one goddamned nigger into an institution where the local people did not want him, and had every constitutional right to reject him.

Being in full control of the propaganda apparatus, especially the electronic boob-tube, and having convinced us of the one-man one-vote virtues, we are daily being slopped with the claim of how free we are in America, that we are all equal, that we should accept the niggers, the Mexicans, the Indians, the Jamaicans, and a slew of other mud races as our brothers. (This is where the "Equality" and "Fraternity" dosage comes in.) Meanwhile,

(Continued on Page 8)

Impeach Bushwhacker Bush!

(Continued from Page 2)

To further demonstrate what a treacherous "ally" we have shackled up with, consider the following. We are now out there, defending Israel with blood, guts and money. The U.S. has sent very expensive (one shot = one million \$) "Patriot" antimissile batteries and American soldiers to protect Israel. In a typically Jewish gesture of "gratitude", Israel started demanding 13 billion dollars of additional "aid" from the U.S. as a compensation for Israel's "losses and restraint". From the Jewish viewpoint, the fact that American soldiers are shedding their blood for the protection of Israel doesn't amount to anything of any consequence. After all, in accordance to the Jewish Talmud, goy's blood is simply water. The Jews want not only American blood but also tons of cold cash.

* * * * *

Let's come right out and say it.

George Bushwhacker is a stooge in the clutches of the Jews. He is fronting for them and playing their game. He is not only a traitor to the White Race, he is also a traitor to the country of which he holds the highest office in the land. He is in collusion with our most deadly enemies, the Jews and their parasitic bandit state of Israel. This is high treason against his own country, whose very interests and laws he has sworn to uphold and defend. The Founding Fathers in drawing up the Constitution of the United States some 200 years ago took a dim view of treason. Article III, Section 3 of the Constitution states: "Treason against the United States shall consist only in levying war against them, or adhering to their enemies, giving them Aid and Comfort." George Bush has done exactly this. The penalty for treason has traditionally been death by hanging.

* * * * *

What should we do about this miserable situation? If we let Bush and his Jewish overlords have their way, tens of thousands, probably hundreds of thousands of people will be wantonly killed, or more properly stated, murdered. Tens of thousands of these will be American citizens. The Spotlight reports that within the first 24 hours of this gruesome war Iraq suffered 15,000 to 20,000 casualties, most of which were women and children. This our Jewsmidia has not reported. But with as many as 2,000 sorties dropping bombs every day, what can we expect? Why are we doing this monstrous criminal act? Iraq, 10,000 miles away, did not invade the United States, and is not now, or ever, a threat to our security or our true vital interests.

What should we do? The most compelling thing we can do is have the Congress impeach the key player in this treacherous and abortive misadventure, namely George Bushwhacker Bush.

Rep. Henry Gonzalez (D.- Texas), Chairman of the House Banking Committee, has already introduced such a resolution of impeachment, containing four articles, citing four specific charges. They are:

Article I contends that Bush "has prepared, planned and conspired to engage in a massive war against Iraq, employing methods of mass destruction that will result in the killing of tens of thousands of civilians, many of whom will be children. This planning includes the placement and potential use of nuclear weapons, and the use of such indiscriminate weapons and massive killings by serial bombardment, or otherwise, of civilians violates the Hague Conventions of 1897 and 1923, the Geneva Convention of 1949 and Protocol I thereto, the Nuremberg Charter, the Genocide Convention and the United Nations Declaration of Human Rights."

In Article II, Gonzalez charges that Bush "has planned, prepared, and conspired to commit crimes against the peace by leading the United States into aggressive war against Iraq in violation of Article 2 (4) of the UN Charter, the Nuremberg Charter, other international instruments and treaties and the Constitution of the United States."

Article III accuses Bush of having "violated the U.S. Constitution, federal law and the UN Charter by bribing, intimidating and threatening others, including the members of the UN Security Council, to support belligerent acts against Iraq."

- GEORGE BUSH -

IF ISRAEL WANTS US TO FIGHT IRAQ, THEY GOT IT.
IF ISRAEL WANTS MORE AID, THEY GOT IT.

And, finally, in Article IV Gonzalez points out that despite congressional ratification of the UN Security Council Resolution of November 29, 1990, "the president has not received a declaration of war by Congress, and in contravention of the written word, the spirit and the intent of the U.S. Constitution, has declared that he will go to war regardless of the views of Congress and the American people."

We could add to this list the other charges we have already reported. But we will let Congress take the lead and give them our support. Write Rep. Gonzalez and write your own congressmen in support of the impeachment resolution.

* * * * *

Meanwhile, across the nation and throughout the world the common people are rising up in protest against this insane war. Huge demonstrations with "NO WAR" signs and placards are appearing, some spontaneously and some well-organized. In Washington on the week-end of January 26th, a huge crowd marched down Pennsylvania Avenue to the White House displaying signs and chanting slogans, such as "Support the troops! Bring them home!", "Hell no, we won't go! We support the PLO!" The police said there were 75,000 marchers, but the organizers claim the figure was 250,000. The Bushwhacker, in an effort to escape the protests to his insane war, fled to Camp David for the weekend.

In Bonn, Germany, at least 150,000 people, some beating drums or waving banners, gathered in a rally to protest the war. One of their slogans was: "To hell with Bush and Saddam. The people want peace!"

In Camden, New Jersey, as in hundreds of other cities throughout the United States and the world, protest crowds vented their anger against the insane war in the Persian Gulf. Susan Pryor, a schoolteacher from Camden, carried a sign that expressed their sentiment explicitly: "Let's kick a little ass out of the White House!" Good idea.

* * * * *

Here is an outline of some steps you can take to stop Bush's pro-Jewish war in the Gulf:

1. Write your Congressmen and Senators to support Rep. Gonzalez resolution to impeach president Bush.
2. Make contact with the protest groups in your area and cultivate relationships with their leaders. Distribute copies of Racial Loyalty to the membership, especially during meetings and parades. By and large, those people are already partially in our camp. Give them the rest of the information as to who is behind this war and bring them into our movement.
3. Support and help build the COTC and the Creativity movement until we have the members, the power and the muscle to destroy the Jewish tyranny in toto and take charge of our own destiny. This is the real and only answer to the world's problems.

DELEND A EST JUDAICA! RAHOWA!

Liberty, Chaos and Organized Society

(Continued from Page 7)

the White Race, accepting all this Jewish propaganda as the "will of the majority", peacefully acquiesces. The White Americans are further told that it is their Christian duty to help the needy, and we must subsidized all these parasitic mud races at home and abroad, whether we like it or not. This is the essence of democracy, that great and magic Jewish concept.

Let us make one thing clear. We Creators are not talking about bigger government. On the contrary, we are for less government, not more. We envision a government that is smaller, imposes less, much less, in taxes, and interferes less with our lives. On the other hand, our kind of government, based on the White leadership principle, is more concerned with those duties a well-ordered government is properly constituted to perform in the first place. The first duty of such a government is to protect our life and property. Secondly, it would also provide those orderly facilities such as roads, bridges, harbors, airports, schools, law and order, coining of interest free money, and several other necessary accoutrements that are incumbent upon a prosperous and well constituted society. The big difference between the present parasitical Jew-dominated society and a Creator-oriented society is this: our kind of government will be based on the Leadership Principle, headed not by Jews, but our own White leaders whose overwhelming religious zeal is not to rob and destroy our White Race but to protect its integrity at all costs, and to work for the sole benefit of our own precious race. The primary goal of such government will be the survival, expansion and advancement of the White Race, and expunging the cancerous alien mud races from the body of our society.

Meanwhile the White Race is being mongrelized, decimated and destroyed in a deliberate war of genocide, not only in the United States, but on a worldwide basis.

* * * * *

What can we do about it? Are we helpless to reverse the trend now fully set in motion?

The answer is: there is much we can do about it. In fact, we can solve whole problem resolutely, once and for all time.

The first prerequisite we, the White Race, must have is a firm, positive and militant philosophy and program of our own. For too long we have been led around by the nose by our enemies, who have imposed treacherous destructive alien philosophies upon our thinking. Among the most invidious and deadly of these have been christianity, communism and democracy, all of them of Jewish origin. Before we can take any meaningful constructive action, we must throw overboard into the trash heap of history those degenerative ideas the parasitic Jew has imposed upon the White Race. These include, besides Christianity, Communism and Democracy, the ideas of Liberty, Equality and Fraternity. In their place we must instead promote those positive lessons that Nature has taught -- ideas that were basic and valid from time immemorial and will be so unto all eternity. Some of these ideas are as follows.

The true heroes of the White Race Texas Rangers

Of this far-famed corps -- so much feared and hated by the Mexicans -- I can add nothing to what has already been written. The character of the Texas Ranger is now well known by both friend and foe. As a mounted soldier he has had no counterpart in any age or country. Chivalrous, bold and impetuous in action, he is yet wary and calculating, always impatient of restraint, and sometimes unscrupulous and unmerciful. He performs his active duties thoroughly. He is an excellent rider and a dead shot. His arms are a rifle, a revolver and a knife.

A New Menu to Heal the Heart

A yearlong study proves that diet, exercise and stress reduction can open arteries and save lives

Like 40 million other Americans, Robert Royall has heart disease. Back in 1986 Royall, then 49, learned that one of his coronary arteries was 37 percent blocked, seriously impeding the blood flow to his heart. On his doctor's advice he began following the regimen recommended by the American Heart Association: he reduced the fat in his diet to 30 percent of total calories, cut his dietary cholesterol to 300 mg a day and started exercising. A year later the blockage had increased to 77 percent. So Royall took more drastic measures. He enrolled in a research program run by Dr. Dean Ornish of the University of California, San Francisco, that demanded he adopt a new way of life. His new diet was almost entirely vegetarian with a third as much fat as the AHA recommended. Along with regular exercise, he practiced stress-reduction techniques, including meditation. A year later the blockage in his artery had been reduced to 59 percent, while blood flow through the artery had nearly tripled. By the standards of conventional medicine, the impossible had happened.

Even as a medical student at Baylor College of Medicine in Texas, Ornish wondered why doctors considered it standard practice to bypass blocked arteries—literally—rather than attack the causes of heart disease. In a coronary bypass operation, vessels from elsewhere in the body are grafted onto the heart so that blood can circumvent an artery clogged with cholesterol and other deposits. In many cases, however, the new arteries themselves become blocked. With angioplasty, a surgical technique popular since the mid-'80s, a small balloon is inflated in the artery, pushing aside the deposits to permit the flow of blood. But clogging often recurs after angioplasty, too.

Lifestyle factors had long been implicated in the incidence of heart disease, but Ornish found that diet, exercise and stress reduction were being tried on a piecemeal basis only. No researcher had put them all together in a single experiment and measured the effects on the heart. Ornish decided to do just that, on the theory that if people could benefit from one major change in their lives, they could benefit even more by making several.

Forty-eight volunteers participated in the San Francisco-based study. All were patients with severe heart disease, and most had decided against surgery. Ornish divided them randomly into two groups: 28 were put on his experimental regimen, and 20 became a control group, receiving standard medical care and following the AHA recommendations in order to provide a base of comparison. The Ornish group adopted a near-vegetarian diet; the only animal products they could eat were egg whites and one cup daily of nonfat milk or yogurt. They reduced fat intake to 10

percent of total calories and cholesterol to 5 mg a day (the amount in half a tablespoon of light cream). They eliminated caffeine altogether, and those who wished to drink were permitted only two ounces of alcohol a day. To control stress they meditated, did stretching exercises and practiced other relaxation strategies derived from yoga. They spent a minimum of 30 minutes three times a week exercising, usually walking, and met as a support group twice a week.

Dean Ornish's Diet

Ornish (above, with patients) cuts fat to 10 percent of total calories and cholesterol to 5 mg. The diet consists mostly of fruit, vegetables and grains. Healthy folks can modify the diet if their cholesterol stays at 150.

At the end of a year, most of the experimental group reported that their chest pains had virtually disappeared; for 82 percent of the patients, arterial clogging had reversed. Those who were sickest at the start of the program actually showed the most improvement on the regimen. Compared with the findings from the control group, the results from the experimental group seem even more dramatic. The patients receiving standard care reported an increase in chest pain, and their arterial blockage worsened. Ornish's conclusion: "Conventional recommendations don't seem to go far enough. Dietary changes and a 30 percent fat diet may help prevent heart disease in some people, but it may not be enough to reverse blockage."

Surprisingly, changes in blood cholesterol were not as closely linked to changes in the arteries as conventional medicine would have it. Ornish once had thought that a patient's arteries would not begin healing until blood cholesterol levels dropped below 180 (200 is considered by most doctors the upper limit for good health). "I was wrong," he says. "Cholesterol is important, but it's not the whole story." As long as his patients stuck with the overall program, their arteries improved. Robert Royall, who suffers from unusually high cholesterol owing to a genetic condition, saw his cholesterol drop from 360 to about 250 on the program. Even so, Ornish was on the verge of prescribing a cholesterol-lowering drug—until he saw the dramatic change in Royall's arteries.

Should the Ornish regimen be the treatment of choice for heart disease? A growing number of doctors already advocate Ornish's principles. "To look to physicians for medicines and magic treatment isn't the only answer," says Dr. Kerry Stewart, assistant professor of medicine at Johns Hopkins School of Medicine. On the other hand the medical profession is notoriously conservative, and many physicians will wait to see further research. Dr. Basil Rifkind of the National Heart, Lung and Blood Institute notes that Ornish's is the first controlled clinical trial to show these results.

Now Lives: Meanwhile, Ornish's patients are thrilled with their new lives. Werner Hebenstreit, 75, a retired businessman, is the oldest in the group; when he joined the program he could barely cross the street without chest pains. "Now I can hike for six hours in the Grand Tetons at 8,000 feet."

The Total Package!

The Fourteen Principles of Salubrious Living

1. We believe in living in accord with our human biological heritage and in harmony with the Laws of Nature.
2. This means eating fresh wholesome food in its natural state as Nature has given it to us. It must be uncooked, unprocessed, unpreserved and not tampered with in any other way. This further means it must be organically grown, without the use of chemicals.
3. Availing ourselves of a clean, wholesome environment -- fresh, unpolluted air; clean water; and the beneficial therapy from the direct rays of the sun, every day.
4. Some form of strenuous physical exercise several times a week.
5. Rest and relaxation, both mental and physical, including sound and efficient sleep.
6. A form of recreation that is gratifying to our sense of accomplishment.
7. A sense of purpose, security and confidence to fuel our goals for accomplishment and living the good life. We must have goals and we must be motivated.
8. Deliberate self-mastery of our life and our work.
9. Gregarious living within the framework of our CREATIVE religion, our White society and social intercourse with our White Racial Comrades. We are social animals.
10. Healthy expression of our sexual instincts.
11. Living in a pleasing and healthful environment.
12. We do not believe in the use of any "medicines", drugs or chemicals as having any healing or therapeutic value. In fact, all medicines, drugs, narcotics and chemicals are poisonous and toxic to the human body. Furthermore, and for the same reason, we do not believe in the use of vitamin, mineral, or enzyme supplements, nor the use of artificial food coloring, preservatives, nor refined or fragmented foods.
13. We strongly believe in the practice of fasting as the best means of ridding the body of accumulated poisons and toxins. We are convinced that fasting is the most natural and effective means the body has of overcoming all forms of disease, and restoring itself back to health.
14. Living in, and promoting a eugenic White society. This means that we take particular care in not only assuring the perpetuation of our precious White Race, but we take deliberate care that the misfits are culled and that each generation advances to higher and more salubrious levels, physically, aesthetically and mentally.

Three Short Rules for Maintaining Excellent Health

1. Eat only raw foods in their natural state, basically fruits, vegetables, grains, nuts.
2. Get plenty of physical exercise, preferable the kind that rev up the heart and lungs. Among these are jogging, tennis, swimming and similar activities.
3. Stay away from man-made chemicals of all kinds. This includes alcohol, nicotine, caffeine, sugar, preservatives, insecticides, narcotics and drugs of all kinds, whether prescription or non-prescription.

education, teaching others, recruiting, distributing literature, making White babies, and supporting White organizations, are all absolute necessities in the struggle. All are vital! If you must take action to defend yourselves or kinfolk, be as another says, "Like the fog -- everywhere and nowhere". Work silently, alone, and invisibly.

Lastly, let's look at our level of commitment (and usually that means money). There are, to be sure, a few with TOTAL commitment who come to mind and I'd like to use them for examples. Not that they are the only ones, but because I know them. These few with TOTAL commitment are elderly couples with very limited income, who give 'ALL' their available monies, time, and abilities to the cause of racial life for our people. If we are to secure the life of our people, it is going to take this kind of disciplined fanaticism from our precious few.

When I was outside these walls, I used to have a guilty conscience every time I spent four dollars on a game of golf (and that was my only self-indulgence!). I look at all the young men, and now a few women too, rotting in JOG's gulags, and wonder how many of our self-proclaimed "soldiers" are spending \$50 tonight for a night on the town?

If your soul is as tortured as mine by the torment brought to White children in the jungles that America calls "cities", then you will no longer be able to enjoy spending a cent on yourself that could go to your favorite White organization or toward literature.

It is time for intelligent action, disciplined fanaticism, purposeful sacrifice, and total commitment. The stakes are too high for half-hearted efforts! 14 words:

*We must secure the existence
of our people and a future
for White children!*

Nietzsche: A Prelude to Creativity

by Rev. Victor Wolf

While maintaining the undisputed supremacy of the Sacred Books of Creativity, we Creators do acknowledge and appreciate the important contributions to the advancement of White Thought made by Nietzsche, as well as Gobineau, Darwin and other geniuses of the White Race.

PURIFICATION OF THE EUROPEAN RACE

(from Nietzsche's "The Dawn")

If the process of purification is successful, all that energy formerly expended in the struggle of the dissonant qualities with one another will stand at the command of the total organism: which is why races that have become pure have always also become stronger and more beautiful. The classical Greeks offer us the model of a race and culture that has become pure: and hopefully we shall one day also achieve a pure European race and culture.

TOTAL CALAMITY

(from Nietzsche's "Human, All Too Human")

Christianity crushed and shattered the European man completely and buried him as though in mud: into a feeling of total calamity. Christianity is in the profoundest sense barbaric, Asiatic, ignoble.

DEPRAVITY OF MAN

(from Nietzsche's "Anti-Christ")

I call an animal, a species, an individual depraved when it loses its instincts, when it chooses, when it prefers what is harmful to it. Christianity is the depravity of man.

ONLY AS CREATORS!

(from Nietzsche's "Joyful Wisdom")

How foolish it would be to suppose that one only needs to point out the origin of this misty shroud of delusion (Christianity) in order to destroy the so-called "reality" built upon it. We can destroy only as creators!

**Creativity is the one and only
Winning Formula for White survival!**

The Five Fundamental Beliefs of Creativity

For Daily Affirmation by All Creators

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

1. WE BELIEVE that our Race is our Religion.
2. WE BELIEVE that the White Race is Nature's Finest.
3. WE BELIEVE that racial loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
4. WE BELIEVE that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
5. WE BELIEVE that the one and only, true and revolutionary White Racial Religion -- Creativity -- is the only salvation for the White Race.

Lessons of Nature for White Survival

1. We must recognize and separate our own biological species, our own precious White Race, from that of the mud races.

2. We must recognize our natural enemies, namely the mud races, of which the Jews are the most vicious, treacherous and deadly. DELENDA EST JUDAICA!

3. We must recognize that our most important mission in life is the survival, expansion and advancement of our own kind and that we must make the world safe, not for democracy, but for the future of our own progeny, for all time.

4. Instead of accepting and succumbing to sick and degenerative Jewish ideas such as Liberty, Equality and Fraternity; Christianity, Communism and Democracy; race mixing and the promotion and subsidization of the scum and the inferior mud races, we must have a complete revolution of those values we hold dear, values that are promulgated by the White Race, for the best interests of the White Race and the White Race exclusively.

5. To do this, we must have a clear, consistent, comprehensive creed and program of our own, based on those values that are in our own best interests. Such a creed and program must embrace such key values as Racial Loyalty, White Racial Teamwork, Racial Purity, the Leadership Principle, the practice of eugenics and the upgrading of our racial species, and many other vital concepts as set forth in our own NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE and other religious books of CREATIVITY.

6. We must realize that whether we like it or not, we, the White Race, are embroiled in a deadly racial war, a war not of our making, but contrived and orchestrated by the worldwide Jewish network. We are now in the precarious position of being exterminated, a crisis that is coming to a rapid climax. Unless the White Race soon becomes aware, aroused, organized and militant, we will soon be an extinct species.

7. We must also realize our own worth - that we are Nature's Finest, and also we must recognize our own strength and resources. Aroused, united and organized the White Race is the most powerful force on the face of the earth.

8. We must realize that we cannot save all of humanity, and that we have no obligation to do so. We must get our priorities straight and save our own precious White Race in accordance with the principle of TRIAGE. (See RL No. 67.)

9. We must now muster and mobilize those forces we possess and wage an all out war to destroy our enemies and save the White Race from extinction. We must mobilize and polarize around one powerful, comprehensive and militant creed to save ourselves and our future progeny. That creed and program is Creativity and Creativity exclusively.

10. We must realize that we are now in a dire and crucial crisis in the life span of our race, and we must dedicate ourselves to winning this crucial battle for White survival at all costs, no matter what the price or the sacrifices required. We are Nature's Finest, and in accordance with the Highest Law of Nature - survival of the species - we must and we will use any and all means to secure the survival of our species. The end (White survival) justifies the means (any and all means deemed effective and necessary). RAHOWA! TOTAL WHITE POWER!
