The Naive American Goy

Historically, the Jews' most servile tool
in slavishly doing their dirty work

by Ben Klassen, P.M.

The last meaningful war the United States fought on behalf of the best interests of the White Race undoubtedly was the War with Mexico in 1846-48. The White Race can be forever grateful to our then illustrious President, namely James K. Polk, whose foresight, determination and loyalty to the White Man's cause increased our territory by more than half, and in carrying out our Manifest Destiny, extended the White Man's territory from the shores of the Atlantic to those of the Pacific.

We can categorically state that every major war the United States has fought since that time, beginning with the disastrous Civil War (or sometimes called the War between the States) has been geared to the destruction and to the detriment of the White Race, to the ruination of the national interest of the United States as such, and above all, to the major benefit in expanding the stranglehold of Jewish power in the United States, as well as on a worldwide basis. The Jews have skillfully manipulated the White Man's brain and actions, exploited the tremendous productivity and ingenuity of the servile White Race in order to further the sinister goals of the Jewish Conspiracy and at the same time to decimate, undermine and destroy the White Race itself.

Fantastic? It may seem so, but the reality of history speaks for itself. Let us review the history of the United States for the last 130 years, case by case, starting with the disastrous so-called Civil War.

IT SURE IS SOMETHING HOW
NAIVE THE AMERICAN GOY
ARE. TO HAVE LET US JEWS
MANIPULATE THEM THROUGHOUT
THE YEARS TO ATTAIN OUR GOALS.

WAKE UP !

Case No. One: American Civil War.

The much ballyhooed Civil War was not about slavery. In every idiotic war the Jews have euchred us into, they have fervently and blatantly proclaimed some phoney moral issue as to why the White Man should plunge in and kill each other wholesale, and the Civil War was a typical example. This brutal war was meticulously planned years in advance by the Rothschilds and the Jewish money clique. The propaganda technique was then skillfully applied to both the North and the South, neither of which previously gave a tinker's dam about the stinking niggers until they were plied with a massive dose of inflammatory propaganda.

The real issues were these:

(a) The Jewish money power in New York and Philadelphia was determined to break the rising political and financial power of the Southern plantation owners. We must remember that before 1861 Mississippi was the most prosperous state in the Union and Natchez was home to more millionaires than any other city in the United States. By the time the massive killing of White Men by other White Men ended in 1865, Mississippi, Georgia, North Carolina, South Carolina and other Southern states lay in ruins, much as did Dresden, Hamburg and the rest of Germany after WWII, and as does Baghdad today.

(b) A second benefit the Jews derived from this insane and cruel war was the destruction of the flower of White manhood in the North and especially in the South, thereby promoting the Jews' eternal goal -- that of drastically pulling down the quality of the White gene pool.

The casualty figures are staggering for this young nation with a limited population. The total Union casualties were 359,528 of which number 110,070 were killed in battle or died of wounds, 224,586 died of disease, and 24,872 of other causes. This does not include the hundreds of thousands that were maimed and crippled for the rest of their life.

The Confederate Army, which was only about one-third the size of the Union forces, suffered much heavier casualties percentage wise. Some towns found their young male population virtually wiped out. For example, the 14th Tennessee Battalion marched out of Clarksville with 960 soldiers in 1861. By the beginning of the Battle of Gettysburg in 1863, 360 were left. By sunset, only 60 stood. By battle's end, there were only three survivors.

Although there are no complete records available of the Confederate casualties, the numbers were brutal and massive, inflicting a

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Raymond Charles McMahon, 37, a White man from Atlanta, Georgia, has been attacked, robbed, kidnapped, beaten, tortured and killed by two savage nigger beasts, Lamont "Malik" Taylor and Wayne Andre "Was" Swinton, on October 12, 1990.

Mr. McMahon, who moved from Nebraska into his residence at 3013 Shallowford Park Manor in Roswell (suburb of Atlanta) in June, 1990, with his wife, Candy, and his four sons, was described by his Roswell neighbors as a polite, pleasant neighbor and a hard-working, dedicated family man.

On October 12, 1990, Friday evening, around 7 pm, he left his place of employment at VeriFone Inc. (9040 Roswell Road in River Ridge), walked to the company's four-level parking deck and was preparing to enter his 1990 Honda Accord, when the two savage niggers, armed with a sawed-off shotgun, pounced on him. First of all they robbed him, then pushed him into his car and drove to a secluded place on the banks of the Chattahoochee river. There the two savage nigger beasts tied the White man's hands, gagged him and proceeded to torture and beat him to death.

devastating blow to the White gene pool, from which the South has never recovered.

(c) It firmly re-established Jewish money power, centralized on the Eastern seaboard, and now extending unchallenged over all of the United States.

We must remember that the Jews were able to establish all these gains by brute force only because of the killing, bleeding and dying of the befuddled and misguided White soldiers in the field of battle.

Case No. Two: World War I. This was the first and greatest worldwide conflagration up to that time, in which all the major White nations of the world participated in killing, wholesale slaughter and mass devastation of their own kind of people. Now, some seventy or eighty years later, no scholarly historian has yet come forth and stated one single solitary reason that makes any sense as to why the White nations plunged into such an insane and self-destructive pursuit.

At the turn of the century, it was Germany, located in the heart of Europe and thirty years earlier united under Bismark, that was the up and coming White nation. It was the natural and most progressive leading nation in Europe. For this very reason, it was deemed as a threat to Jewish power, and the Kehilla decided it had to be destroyed, the same as they had decided the South had to be devastated some fifty years earlier.

Again, it was the American doughboys and American productivity that was thrown in the balance and turned the tide in the favor of Jewish money power. Despite the fact that more than 30% of the American population itself at that time was of German ancestry, America went to war and helped to smash Germany. It was not an "Allied" victory, nor a White victory, but purely a Jewish victory. Most of the European nations lay prostrate, their economies ruined, disease and famine stalking the land, and Jewish Communism taking over the largest country in the world.

In this case, we must again remember, it was the idiotic naivete of the American goy that turned the tide in favor of the Jews.

Case No. Three: World War II. Despite the Jewish devastation and bankruptcy of Germany, these energetic and resourceful people pulled themselves together and a great leader emerged. Despite runaway inflation, despite tyrannical and impossible "reparations" and war debts imposed by the victors (Jews), the German people survived their catastrophic defeat and by the 1930's, under the leadership of that great genius Adolf Hitler, emerged as the most prosperous and powerful nation in the world. Despite the spreading cancer of communism in other nations, despite worldwide depression (we must remember that even the United States at this time was wallowing in its worst depression of all time), yet the Germans got their act together and prospered. Not only prospered but they thoroughly cleaned house. They drove the communists out of Germany, they drove the Jewish money power out of their economy and they drove the Jews themselves out of the professions, out of their educational system and out of their government. It was a historic case of the White Race systematically taking control of their own destiny and getting the world's most pernicious parasite off their back. Furthermore, it was a classic model of what the other White nations viewed with envy and were eager to emulate.

It was indeed a major threat and the most dangerous crisis the Jews had faced in the last two thousand years of their history. The decision came down from the Kehilla: Adolf Hitler and Germany had to be destroyed!

Again, it was the American goy that came to the rescue of the Jews. Suddenly, depression or

THE NAIVE WAYS OF THE WHITE RACE

POWER THROUGHOUT THE WORLD

no depression, the tremendous industrial strength of the American nation was thrown into high gear to produce vast quantities of war materials -- a multitude of weapons for mass destruction. Whom did America (?) want to destroy? Why, the Germans, of course! As all the world now knows, and is reminded daily, it was the American military might that destroyed Germany in 1945 and blasted their cities into rubble.

What interest did the American people have in destroying Germany? None whatsoever. In fact, a third of the White Americans themselves were of German ancestry, as I have already pointed out.

The White goy did it all to save the neck of the Jewish parasite and to restore Jewish money power worldwide, including Germany. Now, as we near the end of the 20th century, we find that this same Jewish parasite has ominously turned its demonical powers towards the destruction of the White Race itself, the very patsy that saved its neck only two generations ago. Today the Jew is furiously hell bent to bringing in the Mexicans, the Koreans, the Philipinos, the Vietnamese, the Nicaraguans, the Chinese and all the scum and mud people of the world in order to overwhelm and outbreed the White people of this once pristine land.

Case No. Four: Israel and the Rape of Palestine in 1948. We have already chronicled the bastardized beginnings of the parasitic bandit state of Israel in 1948, when the overwhelming population of that area was still Arab and Palestinian. In Issue No. 36 of Racial Loyalty and the first chapter of RAHOWA! This Planet is All Ours, we tell the story of how Jewish money power and Jewish rapacity took over a major piece of Palestinian territory that had been Arab for more than 1300 years. Nevertheless, when the Jews proclaimed their bastard state in 1948, the United States, under President Harry Truman, virtually broke its neck to be the first to recognize this foul and ill-begotten state, and again it was the United States who led the way in the United Nations to give its blessing to this criminal atrocity.

Case No. Five: Korea. By the late 1940's and early 1950's when "America" acted as if it was alarmed about the worldwide spread of Communism, it made two major decisions. One was that it was going to act as the world's policeman, whether the other countries liked it or not, and secondly, they would supply foreign aid to some 120 countries of the world, whether they needed it or not.

Korea was the first postwar country in

which the United States decided it would flex its military muscles. What interest did we have in this backward mud country half a world away? None whatsoever. Our excuse was another blatant lie, namely "to stop Communist aggression". It was phoney as hell, since only a few years earlier in World War II the United States had saved not only the Jews, but also Jewish communism in its home base of Russia. In fact, it was American economic aid and military power that had surreptitiously promoted communism throughout the world before and after that calamitous war. Now we were committing our troops and resources to fight a phoney no-win war in Korea. Absolutely insane.

What did the Jews gain from this war? It set the pattern and greatly helped to weaken and drain the now dominant White superpower of the world -- the United States. It also killed, maimed and crippled tens of thousands of young White men in the prime of their manhood, and left us with the commitment of a highly costly army of occupation in that country over the last forty years.

Case No. 6: Vietnam. The build-up for the Vietnam war started slowly during the Kennedy regime in the early 1960's. After Kennedy was himself assassinated by the Jewish Mossad on November 22, 1963, and Jewish stooge Lyndon Johnson took over, the troop build-up accelerated rapidly. I personally remember listening to Johnson's State of the Union message in which he categorically stated, "We do not want to win, we just want to show that aggression does not pay." For moral reasons even more idiotic than previous Jew-instigated wars, the build-up continued until it reached a massive 500,000 American boys in the stinking jungles of Vietnam. Nobody knew why they were there, dying and bleeding, neither the soldiers in the field, nor the taxpayers at home who were footing the bill. Anti-war demonstrations abounded at home and abroad.

How much did this stupid war cost the American people? The long-term costs, including on-going pensions to the disabled veterans and also their dependents undoubtedly run into the hundreds of billions. We know that at least 67,000 American boys were killed, some 300,000 wounded and maimed, and tens of thousands more were left to slowly die of cancer induced by the use of Agent Orange to "defoliate" the jungle. It is my unswerving conclusion that the Jews knew exactly what in the hell they were doing and sprayed this carcinogenic chemical substance on our troops deliberately to wreak the insidious damage that in fact it did.

What secret reasons did the Jews have to stage this pointless and idiotic war? They were many, and they are long lasting. It further helped to cripple the U.S. economy and tremendously increase the debt of the American people to the Jew-owned "Federal" Reserve. Again, it killed thousands of White Americans in the flower of their manhood, as stated above, and wrecked the education and careers of a whole generation. It also divided the country and left a legacy of shame and guilt that will last for generations. However, the main purpose of the Vietnam war was to **divert the attention of White Americans from the Jew-orchestrated "civil rights" revolution** which firmly established the Jewish control of Washington and signified the beginning of the open and systematic destruction of White America through punitive taxation, forced busing, affirmative action, mud immigration and subsidization of the black demographic explosion.

Case No. Six: The Gulf War. We have already reviewed the hypocrisy, treason and deceit leading up to our insane entrance into the Gulf War and sending 550,000 of our troops to the hot desert sands of Saudi Arabia. We have done so in the last three issues of R.L.

Against the Evil Tide

An Autobiography of the Founder of the Church of the Creator

ED. NOTE: The soon-to-be-published autobiography "AGAINST THE EVIL TIDE" will, among other things, elucidate and document the fact that our Founder and Supreme Leader comes from a pure Dutch-German stock. He was born as Bernhardt Klassen on February 20, 1918, in a Dutch-German Mennonite colony in the Ukraine. He and his family were early victims of Jewish Communism, from which they fled in 1924. He was brought up and educated in Canada, where he earned a degree in Electrical Engineering and also a Bachelor of Arts. He has been a farmer, a school teacher, a hard rock nickel miner, an electrical engineer, an inventor, a realtor, and a Florida State Legislator. Having moved to the United States in 1945, he became a U.S. citizen in 1948.

While growing up in Canada, he voluntarily shortened his German name of Bernhardt to Ben about sixty years ago, as a matter of convenience (English language being a non-phonetic language, Canadians and Americans prefer shorter names because it is easier to spell them).

The autobiography of our Supreme Leader Pontifex Maximus Ben (Bernhardt) Klassen is a major contribution to the building of the Creativity Movement. It will give new insights into the background, development, life, thinking, creative and organizing activities of the greatest genius ever produced by the White Race, who founded the one and only White Racial Religion dedicated to the survival, expansion and advancement of the White Race, the first such religion in the entire 6000 year history of White Civilization.

by Ben Klassen, P.M.

Prologue

All my life, from the day I was born to the present, it seems that, stubbornly and against overwhelming odds, I have been bucking the current tide of history. In one way or another, consciously or subconsciously, my entire life has been dedicated towards fighting against those evil and powerful forces that now hold the world in their tyrannical grip. I have been waging war against these evil forces intermittently and spasmodically perhaps, in the beginning not even recognizing what those malignant destroyers were doing, or who the real evildoers were. But my struggle has been persistent and tenacious. Furthermore, as time went on, the picture became more clearly focused, the tyrannical destroyers more specifically identified, and the complex solution to the puzzle more nearly solved.

But my struggle was, and is, not only one of doing battle AGAINST the evil tide. There is also a very POSITIVE side to this picture, and that is what I am and have been fighting FOR. The answer to that is clearly delineated in the several books I have written and can be summed up in a few words -- namely, the SURVIVAL, EXPANSION AND ADVANCEMENT OF THE WHITE RACE. In our racial religion, CREATIVITY, I strongly believe, we have the Total Program, the Final Solution, the Ultimate Creed.

* * * * *

This is the true story of a Mennonite boy who was born in the midst of the Communist revolution in the Russian Ukraine. At nine months, while the Red and the White armies were waging civil war in his native village of Rudnerweide, he suffered a severe siege of typhoid fever and nearly died. Nevertheless, he survived the disease, he survived the anarchy and terror of revolution and the two years of famine that followed. When he was six, he and his family fled Russia to try to start life anew in the wide open wilds of the Mexico ranch country. Shortly thereafter they moved to the wheat farming country of Saskatchewan, Canada, where he grew to adulthood. In 1945 he moved to the United States, where after a long and checkered career, he finally found his life's purpose -- structuring and establishing a racial religion for the survival, expansion and advancement of his own racial kinsmen -- Nature's Finest.

I was that boy. After seven decades I can say that it has been a long and circuitous Odyssey, and I thank Fate that she has allotted me sufficient time to reflect on the ensuing course of events that permitted me to finally consummate the paramount mission of my life, and propel it into perpetuity.

* * * * *

By any yardstick, the White Race is the most creative, productive and intelligent creature Mother Nature has produced in the 2.3 billion years that it is claimed life has existed on this Planet Earth. Strangely, however, Nature's Finest in the last half century has become a highly endangered species, whose demise and extinction is at most only a few generations

away. This is almost a certainty unless this unique species drastically changes course, and does so promptly and most forcefully. **What the White Race has direly needed in the last 6,000 years of its civilization is a racial religion of its own -- a racial religion whose overriding fervor was, and constantly remained, the survival, expansion and advancement of its own kind.** This is not a novel idea. Nature has implanted this innate drive in every other creature alive, but strangely, in its long and tumultuous history, the White Race has never fully grasped this idea. While eagerly pursuing the advancement of science and high technology, at the same time it has stupidly and tragically utilized its vastly superior endowments to kill, decimate and destroy its own kind.

Now the White Race has a racial religion of its own, and we call it CREATIVITY. I have faith that it will provide the spark that will kindle the conflagration of a vast worldwide movement of religious fervor -- the first real constructive revolution in history to really accrue to the benefit of the human race. If enough of my fellow kinsmen will grasp that realization, the redemption and salvation of Nature's Finest will be assured. For this I have labored, and it is my fervent hope and prayer that it will come to pass in this next generation.

As the founder of a new religion, I feel an obligation not only to my White Racial Comrades but also to posterity -- and even to my enemies -- to permanently set down the events of my life, detailing my origins, my thoughts and my objectives. I believe that having come this far it might perhaps be incumbent for the future that I do so.

I say perhaps. There are two ways of looking at it -- two possibilities. If the White Race fails to rise up and accept the challenge and if the Jewish pestilence succeeds in their age-old frenzy of mongrelizing and/or exterminating the White Race from the face of this Planet Earth, then all my writings and my other efforts and sacrifices will be in vain. Creativity and its whole network of ideas will be flushed down the memory hole of history. In such case, it will matter little as to what I did or what I wrote. In fact, as far as I am concerned, nothing will really matter anymore, should the White Race be destroyed.

If, on the other hand, the White Race rises up in wrathful vengeance, mobilized its awesome power, and smashes the Jewish tyranny into oblivion, then I feel certain that Creativity will have played a major part in giving inspiration, goal and direction in freeing the White Race from the tentacles of Jewish tyranny. When that comes to pass then there will be a major demand for endless details regarding Creativity's early beginnings, as well as the life of the Founder, and many details will be such that only I would have knowledge of them and they would be a vital source of basic information. Fortunately, fate has spared me the time that I may write my memoirs without any undue pressure from either financial worries or from political duress. Unfortunately, too many of our racial warriors who have contributed significantly to the cause have been denied this opportunity, and the only source material (highly fabricated) about them comes from the lips and pens of our racial enemies -- traitors and Jews. As a result, our racial fighters have been slandered, calumniated and lied about before and after their death with little authoritative refutation from the White racial side. Adolf Hitler is a prime example of such distortions and calumnies, but there are any number of others.

Every person born is a composite of their cultural heritage and the genetic inheritance of their ancestors. Of all these factors, genes are of major importance, and this is something only our ancestors can hand down to us. The innate character of each individual is then further shaped and

BRICKBATS & BOUQUETS

The Swedish JOG intensifies anti-White persecution: Rev. Tommy Ryden sent to prison

Dear COTC:

On February 6, 1991, the Swedish court of appeal heard my case. I acted as my own attorney and carried THE WHITE MAN'S BIBLE with me into the courtroom. Due to the widespread pretrial publicity, a great number of spectators, friends and foes, filled the courthouse and extra chairs had to be brought in. Before the trial began, I had an opportunity to give interviews to several TV, radio and newspaper reporters.

At the trial, the JOG prosecutor accused me of being a dangerous agitator for "race hatred" and demanded that, in addition to the fine of \$1,000, I be sent to prison for four months. The prosecutor stated that the prison term was necessary in order to "teach a lesson" to other pro-White activists and stop the spread of "literature and ideas of the dangerous racist creed of Creativity" in Sweden.

When it was my turn to speak, I stated that Creativity is a legitimate, well founded, fully structured and actively functioning religion. In fact, as far as the White Race is concerned, Creativity is far more logical, comprehensive, meaningful and inspiring than any other religion, including Christianity. The religious creed of Creativity, which is based on the Eternal Laws of Nature as revealed through science, history, logic and common sense, is documented in the Eight Sacred Books of Creativity, including NATURE'S ETERNAL RELIGION and THE WHITE MAN'S BIBLE, and it has an increasing number of devoted followers in many countries of the White World. Creativity is not a religion of hate, but a religion of love: *love for our precious White Race, Nature's Finest, the Creator of all worthwhile culture and civilization.*

The court adjourned without a verdict. But on February 20th the court issued its written decision: REV. TOMMY RYDEN SENTENCED TO FOUR MONTHS IN PRISON FOR PROMOTING THE RACIST RELIGION OF CREATIVITY. The severity of the penalty is a scandal in itself. Even liberal reporters expressed their dismay that Swedish courts would send a man to prison just for distributing leaflets and newspapers.

I hope that my efforts here will inspire White Racial Loyalists -- Creators in Sweden and all the other countries of the White World to give even more for the movement.

French Nationalists support Creativity

Dear Mr. Claude Cornilleau:

Thank you very much for sending us your excellent journal TRIBUNE NATIONALISTE and for placing a good ad for our books and newspaper inside the journal.

In answer to a question raised in your recent letter, yes, I would be glad to give an interview to your journal TRIBUNE NATIONALISTE. Any publicity for our cause is good publicity.

Regarding my name, I voluntarily shortened my German name of Bernhardt to Ben about sixty years ago, as a matter of convenience (English language being a non-phonetic language, Americans prefer shorter names because it is easier to spell them).

Since I am now in the racial spotlight, the question has come up in some quarters whether there is some Jewish connotation in my name or background. Nothing, of course, could be further from the truth. My ancestors have been purely Mennonites for the last 400 years and are of Germanic extraction.

I have completed writing my autobiography, in which I go into considerable detail about my ancestry, my background, and in fact, my whole life history. I anticipate to publish that book (AGAINST THE EVIL TIDE) in a very near future.

We are very much interested in having our basic books translated into all of the major European languages, especially French and German. Some of these translations are already underway. We agree with your suggestion that the translation of our books into French should start with our first basic book--NATURE'S ETERNAL RELIGION.

We understand your concern and criticism regarding some of the ideas expressed in a letter "British Nationalist becomes White Racial Loyalist" which was published in the December issue of Racial Loyalty. You seem to believe that Racial Nationalism is a better formula than pan-White Racial Loyalism for success in Europe. It might be so, but the question is -- *what is your definition of "success"? Short-term or long-term? For your nation only or for the entire White Race?*

The problem is that Racial Nationalism tends to give prime allegiance to NATION, not RACE, thereby dividing White nations into antagonistic, warring factions and facilitating the Jewish strategy of "divide and conquer". World War II is a perfect example of the terrible tragedy of Whites killing Whites under the banners of National Loyalty. At the close of the 20th century one thing is absolutely certain, divided under the banners of National Loyalty we Whites are doomed to extinction, but united under the banner of Racial Loyalty we Whites can build a Whiter and Brighter World for future generations of Nature's Finest. This is what we White Racial Loyalists - Creators are fighting for, and we invite all White men and women to join with us in this sacred struggle for White racial survival, expansion and advancement.

For a Whiter and Brighter World! RAHOWA!
Ben (Bernhardt) Klassen, P.M.

The mutual goal of White survival

Dear Racial Loyalty:

Your latest issues have been received, and I appreciate the exchange of publications.

Although on different courses, and sailing distinctly different vessels, our mutual goals at the end of the voyage -- our Race and its survival -- are more important than differences separating any of us all.

White Power!

Pastor Bob Miles

Michigan

ED. NOTE: We appreciate the friendly note and the exchange of publications with Pastor Robert Miles. We agree that our ultimate goal (White survival) is the same, however, as in any journey, the type of vessel you choose to travel in towards your ultimate destination makes a crucial difference whether or not you will get there, and how soon. We believe that Creativity is the best vessel for the White Race to secure White survival and to build a Whiter and Brighter World. RAHOWA!

Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: *"Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"* Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (*Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!*)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

- a) upon inquiry, you will receive (once completed) our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);
- b) upon selecting the desired candidates, please write them an introductory letter in care of CUPID'S CORNER, c/o Racial Loyalty, P. O. Box 400, Otto, NC 28763;
- c) we will forward your introductory letter to the candidates you selected;
- d) then it is up to the selected candidates to respond to you directly and establish the connection.

WHITE MEN AND WOMEN, BE FRUITFUL AND MULTIPLY! DO YOUR PART IN HELPING TO POPULATE THE WORLD WITH YOUR OWN KIND! RAHOWA! THIS PLANET IS ALL OURS!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service -- CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mismatches. "Caveat emptor!" "Buyer beware!")

Rev. Stanko dieseled again!

The Jewish Occupational Government is breaking its own "mandatory parole guidelines" by arbitrarily, maliciously and tyrannically keeping Rev. Rudy Stanko in prison past the two-thirds of his term. Therefore, we ask all White Racial Loyalists -- Creators to renew and redouble the letter writing campaign to their senators and congressmen. Also, please write to our future leader, Rev. Rudy Stanko, and express your support of his struggle against the JOG tyranny:

Rev. Rudy Stanko
P.O. Box 7007
Marianna, FL 32446

Important Note:

Dear participants in the White Racial Match-Making Service and all readers of Racial Loyalty, please be patient!

Please don't demand immediate gratification. It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Again, please be patient: we need you and you need us! As you and we know, there is no alternative to the COTC as far as White survival is concerned. SO DON'T ASK WHAT THE COTC CAN DO FOR YOU, ASK WHAT YOU CAN DO FOR THE COTC!

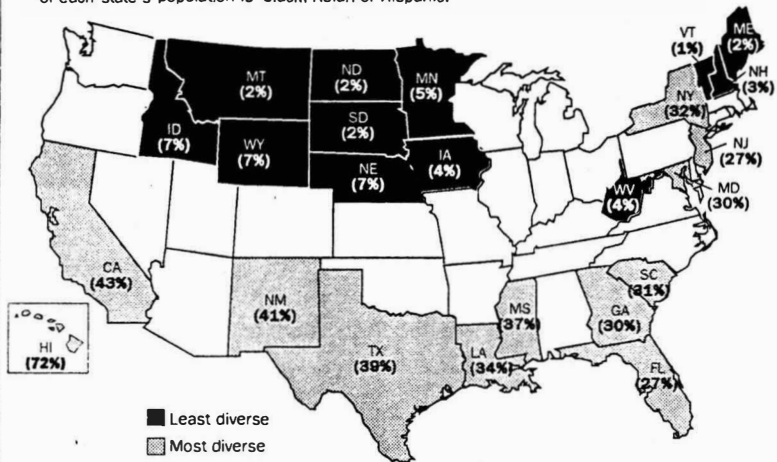

The Jew-instigated mud flood is upon us!

According to the U.S. Census Bureau, the White population of the U.S. grew more slowly in the 1980s than in any decade since the Great Depression, but the non-White population (niggers and muds) grew at an explosive rate -- foreshadowing major demographic, social, cultural and political changes that are leading to the ultimate goal of the Jewish Conspiracy -- destruction and mongrelization of White America.

White Man, join the COTC and fight for White survival!

The right to distribute our literature is guaranteed by the First Amendment of the U.S. Constitution.

White Man, come out of the closet! Whether you like it or not, you are involved in the racial war that the Jews, niggers and muds are waging against all Whites. We have no time to lose. As you know, the 4/9/90 issue of "Time" has stated officially and unequivocally: "By 2056, Whites will be a minority group in the U.S." "Time" ends its story with a smug Jewish comment: "...And it is irreversibly the America to come."

Dear White Racial Comrades, let's make damn sure that we do reverse this sinister, genocidal Jewish plan to mongrelize and destroy White America! Let's build a massive grassroots pro-White movement -- the Creativity Movement! **White Man, join the war for White survival!** Let us play White Chicken no more! Become an active defender of your inherent White Heritage and Gene Pool. You owe it to yourself, to your glorious White ancestors, and -- above all -- to your children and their future progeny. **RAHOWA!**

From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part VIII in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn).

Christian Bible advises genetic suicide **To be more holy, refrain from sex wholly**

As to sex, in Corinthians
It says this about it:
**"It is a very evil thing,
And we should do without it."**

* * * * *

The undeniable facts of history tell us that the suicidal religion of Christianity was concocted and promoted by a cabal of Jewish rabbis with the express purpose of undermining and destroying the magnificent White Roman Civilization. One of the main promoters and organizers of the Christian movement was Rabbi Saul of Tarsus (who is still being worshipped by the Christian yokels as "St. Paul"). He wrote a number of letters ("epistles") which became part and parcel of the New Testament. The epistles of "St." Paul are full of bad, suicidal advice for Greeks, Romans and all the other Whites, which is not surprising if we remember the fact that the entire Christian movement was started by the perfidious Jews in order to destroy the best of the White Race. One of the worst advices is contained in St. Paul's letters to Corinthians: **White men and women are explicitly encouraged to commit genetic suicide by abstaining from sex and procreation, all for the "greater glory" of the Jewish spook (God).** Let's quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic.

I Corinthians 7:

1. Now concerning the things whereof ye wrote to me: **It is good for a man not to touch a woman.**
 8. I say therefore to the unmarried and widows: It is good for them if they abide.
 9. But if they cannot contain, let them marry: for it is better to marry than to burn.
 29. But this I say, brethren, the time is short: **it remaineth, that both they that have wives be as though they had none.**
 32. **He that is unmarried careth for the things that belong to the Lord, how he may please the Lord.**
 33. But he that is married careth for the things that are of the world, how he may please his wife.
 34. There is difference also between a wife and a virgin. **The unmarried woman careth for the things of the Lord, that she may be holy both in body and in spirit;** but she that is married careth for the things of the world, how she may please her husband.
 35. And this I speak for your own profit, not that I may cast a snare upon you, but that ye may attend upon the Lord without distraction.
- In other words, the slimy Jew Rabbi Saul of Tarsus ("St. Paul") commands White people to commit genetic suicide as "a service" to the Jewish Lord.

I WAS CASTRATED "FOR THE
KINGDOM OF HEAVEN'S SAKE."

- THAT CRAZY BIBLE AGAIN -

If you think that "St." Paul was the only one peddling such anti-natural, suicidal advice in the bible, think again. In Matthew 19, the mythical Jewish bastard, Jesus Christ, himself (as presented by his Jewish scriptwriters) supposedly spoke approvingly about eunuchs who have chosen castration "for the kingdom of heaven's sake"... **You poor, brain-dead Judeo-Christian yokels, how stupid can you get?!**

* * * * *

The Judeo-Christian bible is nothing but an incoherent collection of primitive, barbaric, dirty Jewish fairytales designed for the benefit of the Jews and to the detriment of the Whites.

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own".

We White Racial Loyalists -- Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.

Christianity is mass insanity!

**To be a Christian is
to be a Jew-worshiper.**

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribbles which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the anti-natural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. **Delenda est Judaica!**

Nature-based Creativity

must replace Odinism, Identity and all other myth-based pseudo religions of the White Race

ED. NOTE: *If we want the White Race to survive and win, it is high time for us White people to stop playing childish no-win games with imaginary spooks and baseless myths. We White people must reject Odinism, Identity, along with Christianity and all the other myth-based pseudo religions, and join the one and only, true and revolutionary White Racial Religion -- Creativity -- which is based on the Eternal Laws of Nature as revealed through science, history, logic and common sense, and dedicated to the survival, expansion and advancement of Nature's Finest -- the White Race.*

The fact is that neither Odinism, nor Identity, nor any other White racial movement can compete with Creativity as far as the quality and effectiveness of the philosophy, creed and program are concerned. Creativity has it all, says it all, and does it much better than anyone else. Creativity is the one and only Winning Formula for White survival! White Man, join the Winning Team, now! RAHOWA!

by Ben Klassen, P.M.

What is Odinism? Is it a religion? Is it a racial movement, or is it a social club embroidered with ancient myths and folklore?

Odinism is a recent revival in America of a few small groups who have resurrected the ancient myths and folklore of the bellicose (but, unfortunately, fratricidal) Vikings who were the scourge and terror of Europe during the Dark Ages.

Before writing this article, I wrote to Mrs. Else Christensen of The Odinist Fellowship in Crystal River, Florida, and asked her to send me whatever books or literature they had available on Odinism. Mrs. Christensen, a fine elderly lady (about my age), kindly sent me three booklets, namely:

An Introduction to Odinism (12 pages);
Wisdom from the Edda (8 pages); and
Can We Still Say God? (40 pages).

Of these, the latter is really the only one of any depth in giving any philosophical insight about Odinism. It devotes practically all of its 40 pages in giving a scholarly analysis of what a pious and treacherous fraud is Jewish Christianity and how it has entrapped the White Man's mind in an alien philosophy that is repugnant to its own "Aryan Soul." We Creators have no argument with this either, and have more or less said so repeatedly and vehemently in our basic books *Nature's Eternal Religion*, *The White Man's Bible*, our supplementary books and also our tabloid, *Racial Loyalty*.

However, much like in the case of Atheism, whereas all three booklets make it clear what they are against, they say precious little about what they are for, except they want to replace an ancient alien religion (Christianity) with an ancient religion based on the folklore and mythology of the Norsemen and Vikings. They say that instead of looking to the Jewish Yahweh and Jesus Christ, we should now worship Aryan gods, specifically Odin and Freya and Balder. Also enmeshed in this pantheistic conglomerate are Aesir, Loki and Tyr, not to forget Yggdrasil, that great ash tree whose roots and branches supposedly hold together the universe. Also in the picture, engirdled by a huge serpent, is Midgard, which represents the earth, and regarded as midway between heaven and hell. The Werewolves also play an important part in this droll and confused mythology, which, strangely, the Odinists have selected as their representation of the true "Aryan soul."

There are three aspects of this peculiar choice that we want to take a closer look at, namely:

(a) Of all the thousands of myths and folklore with which the White Race is so richly endowed, why should anyone want to choose that of the Norse? After all, a primitive, infantile, spook-chasing religion of Odinism that failed to withstand the Jewish-Christian onslaught a thousand years ago cannot reasonably be expected to roll it back now, under conditions a thousand times more adverse.

(b) What, precisely, is the "Aryan soul", and what group represents it, and what meaning, if any, does the word "Aryan" have? Who or what represents the "Aryan soul?"

The word Aryan has been widely bandied about in the White Man's literature. Such people as Houston Stewart Chamberlain in *Foundations of the 19th Century* and Alfred Rosenberg in *Myths of the 20th Century* have used the word extensively. However, it was brought into

first rate prominence by Hitler and the Nazi Party during their hegemony in Germany, in fact, to such an extent that in the minds of the present White world the term "Aryan" is closely associated with Nazism.

We of the Church of the Creator shun the word, for several good reasons, but basically because the term is so vague and ill-defined that it is practically meaningless. Like the word "spirit" used so profusely by the Christians, it, too, is widely used, but nobody knows what it means, if anything.

I tried to look up the word in two encyclopedias I have and it wasn't even listed. Finally, I looked it up in an old *Encyclopedia Britannica* (1929) and found a short paragraph on it:

ARYANS: This word is used by some of the "Satem" speakers of Indo-European languages with the meaning of "noble" and is the name of one of the tribes of these people. As Sir George Grierson points out, "Indians and Iranians who are descended from an Indo-European stock have a perfect right to call themselves Aryans but we English have not."

The paragraph ends with this admonition: *There is not a better or more striking example in science than this (Aryans) of the danger of affixing labels without due scrutiny and intelligent discrimination.*

The Nazis, too, never really defined the word, but it had the implication of a Nordic type of people, with blue eyes and blonde hair, but even this they did not clarify. If that is what it was meant to imply, many of the most prominent Nazis and Fascists would not qualify. Hitler was not blonde, neither was Goebbels, nor Himmler, nor Mussolini. Expanding this to whole nationalities, most of the White Race would not qualify. It would exclude most of the Austrians, the Italians, the French, the Slavs and a hundred million others. So why make such a fetish of the word when its meaning is so obscure?

We Creators use the terms White Race, White Man, etc., as our standard definition of the people we espouse and for whom the religion of Creativity was conceived. We mean to accomplish for all the White nations of the world what Hitler did for the Germans. We want to unite them into one powerful massive steamroller with which to smash the Jewish monster. The word Aryan will not do. We discard it as not only being useless, but also as a detrimental roadblock in achieving this great and noble goal.

Now for the Odinists to say that the Viking myths represent the "Aryan soul" is a lot of nonsense. Just whose soul are they talking about? The Nordics? The Austrians? The French? The Polish? The Hungarians? If we were to carefully catalogue the innermost feelings, the "souls" of all the White Europeans, we would find there is no one common "soul." We would find that not only would the different people "feel" and "cling" to thousands of different myths, fables, legends and folklores, but even in one and the same country there would be a vast diversity. The most common denominator, if any, would be alien Jewish Christianity, and even this is splintered and fragmented into a thousand different bits and pieces.

So let us forget about trying to represent or find the "Aryan soul." In the first place, Aryan is next to meaningless, and secondly, if it is meant to imply the White Race, there is no common "soul" that represents it.

The best we can do is to construct a common religion that is in the best interests of all members of the White Race, one that all can intelligently embrace and then rally the White Race through long and arduous propaganda and enlightenment to accept it as their own.

This is what we are trying to do in promoting Creativity, the White Man's religion.

Before we leave this subject, let me make one further cogent comment. We have often been criticized that the term "White Race" is an unprecise, unscientific description. Granted, it is. But then the White Race as such consists of a polyglot, unprecise group, or groups of people, with only certain common attributes (other than the color of their skin.) The Austrians are different from the Nordic Germans, who are different from the French, from the Irish, from the Italians, etc. So there is no precise definition. Nevertheless, it is the best there is. Everybody knows what and where the Atlantic Ocean is, but its boundaries too, become vague where it merges into the North Sea, or the Caribbean, or the Pacific. So, too, with the White Race. Everybody knows what the White Race is (WHITE-SKINNED PEOPLE OF EUROPEAN ORIGIN), although its fringe boundaries are somewhat obscure, and of some of which we are not too proud.

(c) Instead of asking "Can we still say God?" a better question in this enlightened and scientific age might well be: Do we still need to play with imaginary spooks, White or otherwise? Do we still need spooks?

The Odinists evidently take the position that for some reason spooks are good for us. Why, they don't explain. Somehow to have a religion in which you, too, have a set of gods that you can bandy about, is a big asset, they say, even if you know they are phoney.

We Creators take a dim view of such nonsense. We don't need a belief of spooks, we don't need a belief in Santa Claus and as grownup intelligent adults we don't need a pacifier to suck on. It is this silly hangover from our primitive Stone Age ancestors that has so confused and distorted man's thinking over the millenniums and caused so much havoc and misery.

So let's have done with the spooky nonsense. Let's go about our business and solve our problems the way they have always been solved correctly -- by means of our intelligence, by means of reason and logic. In so doing, let us learn from the greatest teacher of all time -- by observing the laws and workings of Nature.

Speaking of Nature, there is one other point to which we take exception with the Odinists. They claim that by reverting back to the ancient Norse gods they are more closely aligned with Nature. Not so. Any gods, spooks or spirits are not Nature. They are an unnatural aberration of the mind. They are not in harmony with Nature, but supposedly operating supernaturally, i.e., outside the Laws of Nature.

So when someone tells us that what they call god or God is really the same as what we call Nature, we disagree. What they are spouting is an anomaly, a contradiction. We say: *Make up your mind. Do you believe in spooks or do you believe in the Laws of Nature?*

Conclusion

We believe the Odinists are a fine, intelligent group of people, and we want to remind them that the grim racial battle for the survival of our race is a desperate race for time, energy and resources. We cannot afford to indulge in childish games, nor dillydally in any half real, half make-believe fantasies on cloud nine. We cannot afford to do so any more than a fighting army can afford to indulge in LSD, go into battle half-stoned and expect to win battles against a deadly and determined enemy.

We appeal to you, we implore you, forget about the spooks (even if they are White) and join with the Church of the Creator in a planned, militant, fully structured creed and program that is based on reality, on logic, on common sense and the wisdom derived from the Eternal Laws of Nature. We need you and you need us. Together we can wage a meaningful racial war and win. RAHOWA! TOTAL WHITE VICTORY!

molded for better or for worse by the multitude of events that swirl about them during the tenure of their life. Some are crushed by events, others overcome events and remain masters of their own destiny. In any event, all are the sum total of their heritage, whether it be cultural, genetic, or any one of a number of other variables.

Milestone Zero

My Mennonite Heritage

Heritage is an important word to me. Although I personally never joined the Mennonite church (I will explain this later), nevertheless, I am extremely proud of my ancestors and my Mennonite heritage. Both have been generous, and I am thankful. All of us owe everything we are to our ancestors – our culture, our civilization, our very genes and life itself. But it does not end there with merely a thank you note. We have a grave responsibility, yes, a sacred obligation to carry that precious heritage on to future generations, and in so doing not only preserve and expand that which is best, but also to strive to upgrade those genetic qualities to ever higher levels as we bequeath our genes and heritage to each succeeding generation.

My ancestors for the last four hundred and fifty years have been Mennonites. Although the term Mennonite is a religious designation, actually the Mennonites are also a special group of ethnic people who are unique unto themselves. Now scattered all over the world, they nevertheless have maintained a certain cohesiveness that goes beyond their religious bond, beyond nationality and country of residence. Now, after four hundred and fifty years, they have a unique history and heritage that is peculiarly their own. I am proud to be part of it, and I want to relate some of the milestones of that ethnic history.

I was born on February 7, 1918, according to the inscription in the big old family Bible. I managed to retrieve this old book as a valuable archive from my older sister just very recently. The book is at least eighty or ninety years old, and I treasure it highly, not because of its contents, but because it is an heirloom that has inscribed in it some of the important mileposts of my family, including my birthdate. The February 7 date, however, represents the dates according to the Julian calendar then in use in Russia and is actually 13 days behind the Gregorian calendar that we now use. So my actual birthdate is February 20, 1918. The place was in the Klassen family home in the Mennonite village of Rudnerweide. This village was part of the Molotschna colony of the Dutch-German Mennonites, located along a river of the same name in the Russian province of Taurida. This thriving colony was located in the southern Ukraine just north of the Sea of Azov.

The Mennonite colony known as the Molotschna consisted of a homogeneous group of German speaking people, about 22,000 in number (by 1910), living in approximately 60 villages and hamlets, although a few could be considered of town or even city status. I will have more to say about the Molotschna colony later.

Actually, we spoke two languages, Low German (Plattdeutsch or Plautdietsch), and High German. We spoke a colloquial Plautdietsch in our ordinary, everyday conversation, a language that I now look upon as being rather colorful and uniquely expressive. However, in church and in school High German, the language traditionally used in Germany, was the standard fare. All books, correspondence, sermons delivered in church, hymns, etc., were in High German. No dictionary or grammar was ever compiled for the popularly used Plautdietsch. It was an arrangement we then took for granted, but looking back on it now after all these years I find this dual language arrangement as a rather strange and superfluous phenomenon, and wonder what purpose, if any, it served.

My ancestors (as Mennonites) originated in either Holland and/or the Danzig area of Prussia. Approximately 450 years ago in the year 1536 while the Protestant revolution was in full turmoil, a Catholic priest by the

name of Menno Simons branched off into a Protestant sect of his own. His followers were called Mennonites. With the turmoil and persecution that was then rampant, the Mennonites dispersed into many countries, such as Switzerland, France, Prussian, and several others. The Mennonites have been dispersing and emigrating ever since. In fact, I guess I am an emigrated emigrant myself, several times over.

When we study historical movements, whether they be religious, political, cultural or whatever, we find that seldom do such movements originate from out of a vacuum. On the contrary, we usually find that each movement has its roots in some similar previous movement. It then branches off from its parent movement not unlike a rebellious child from its former family.

And so it is with the Mennonite religion. Tracing back its origins, we find it is an offshoot of the Anabaptists, who in turn emerged out of the melee of the Protestant Reformation during the turbulent Sixteenth Century. Protestantism, as we all know, is a Christian religion that broke away from the Catholic church which had then been in existence for some fifteen centuries. Without the Catholic church there would undoubtedly have been no Christianity with its present plethora of thousands of sects and cults. (As a passing observation, I have found that the definition of a "cult" is a matter of biased opinion -- one man's religion is another man's cult -- and vice versa.) Pursuing origins and branches further back into history, we find that Catholicism and Christianity have their roots in still earlier Judaism, the Jews' intransigent religion. Three-quarters of the Christian bible, the Old Testament, is really a compilation of fabricated Jewish history and folklore. Going back even further, we find that the Jews pirated practically every concept in their religion, the idea of soul, eternal life, the hereafter, baptism, circumcision, and a dozen other ideas from the Ancient Egyptians. (See Page 200, "Building a Whiter and Brighter World".) We could explore further the origins of the religious ideas of the Egyptians, but I believe we have gone back far enough to make the point.

* * * * *

My particular Mennonite ancestors after several generations in Holland moved as a group into east Prussia, specifically to the Danzig area and founded several cohesive and successful settlements. They were real industrious agrarian farmers. But being productive farmers was not their only accomplishment. They also raised large families and multiplied, taking over more and more land as the number of families expanded. Although in a few generations these Dutch Mennonites became thoroughly Germanized, there was nevertheless one idiosyncrasy that was thoroughly uncharacteristic of the military-minded Prussians. Inherent in the Mennonite religion was the commitment to nonresistance, to passiveness, in short, to pacificism. They deemed it sinful to bear arms, and refused to enter into military service. After a period of time the traditionally military-minded Prussians and their government began to take note of both these factors -- the expansion of the Mennonite numbers, and their refusal to render military service. Friction began to develop.

Land along the Vistula river in Prussia had become scarce and the Mennonite families were large and expanding. In 1787 Frederick William II of Prussia issued an order of the cabinet which forbade the Mennonites to enlarge their land holdings. The "Mennonite Edict" of 1789 followed with further restrictions. Frederick William III further increased the restrictions by a supplementary declaration of 1801. It became apparent that all these restrictions were aimed more at the Mennonite principle of nonresistance than their increasing expansion. Mennonites who abandoned that principle were free to purchase all the land they wanted.

This presented a crucial problem to the Mennonites, not unfamiliar to the one their ancestors had faced in Holland a few generations previously, and one that their religious cohorts were to face again and again in many other countries. What to do? The solution, they decided, was to emigrate, a solution that has been forced upon them many a time again in their long turbulent history, and in many other parts of the world.

This particular group in Prussia chose to take advantage of an extremely propitious situation that presented itself in Russia. The time was in the 1780's.

Catherine II (the Great) of Russia was looking for some industrious farming people to settle some of the wide open spaces of the Ukraine that had recently been acquired through conquest in a war with Turkey. In order to consolidate her gains she wanted this area settled with good sturdy farmers as quickly as possible. The Mennonites had a reputation for being hard-working, industrious and exceptionally successful farmers.

After some scouting and negotiating a deal was struck. The Mennonites could have not only a large tract of contiguous land, but they would forever be exempt from military service. Furthermore, they would be relatively free to set up their own local government without too much interference from the Russian government.

In 1789 the first group of 228 Prussian Mennonite families moved into what was called the Chortitza settlement. It was located on the Dnieper River in the southern Ukraine between the cities of Ekaterinoslav and Alexandrovsk. (Since the Communist revolution both of these cities have been renamed to Dnepropetrovsk and Zaporozhe, respectively.) In 1797 a second train of 118 families followed, all of which soon expanded to about 400 families, and they became the basis of the Chortitza settlement. In 1819 the settlement consisted of 560 families with 2,888 souls, and in 1910 about 2,000 families with about 12,000 members. As I said, the Mennonites were not only good farmers, but they were also prolific in expanding their own kind. Their numbers increased at a significant rate of about 5% annually.

In spite of the reports of hardships experienced by the Chortitza settlers, it was, nevertheless, an outstanding success. This quickly encouraged a large second group to follow suit, and a new movement to the steppes of the Ukraine began in 1803. This group was to become the Molotschna Colony, the area settled by my ancestors, and where several generations later I was born in the village of Rudnerweide.

Media Prostitutes

Our definition of a media prostitute is a chabaz-goy reporter, be it in the TV, radio or newspaper category, who compromises his or her dignity, honor and racial loyalty for money by betraying the White Race on behalf of the Jewish overlords. Unfortunately, we have found that the media industry abounds with such race traitors.

Let us take a closer look at how they operate. Although I get calls from newspapers, TV and radio stations repeatedly, sometimes as many as two or three a week, I would like to focus on one major encounter we had recently, January 31st to be exact.

A few days earlier, I received a call from one Jeff Cole, from New York. He said he represented "Inside Edition", a half hour TV program that was not unlike "60 Minutes". He was all smiles in his conversation and said he would like to come down and do a show on our church, since he considered that we were in the forefront of the White "racist" movement, and our newspaper "Racial Loyalty" had stirred a considerable amount of ruckus in a number of places all over the country. I said I was flattered by the observation and I would think it over about giving an interview. After some consideration and after recalling Adolf's observation that for our type of movements any publicity is good publicity, I called him back and gave him the green light.

In no time at all he was down here with a camera crew of two, but not after first stopping in at Franklin, North Carolina, and getting thoroughly briefed by The Franklin Press reporters, and previously, by the ever ubiquitous hatchetmen of the Jewish ADL. Undoubtedly, it was the ADL who instigated the idea of smearing us on TV in the first place. But the local paper quickly jumped into the breach and did their bit for the Jewish cause, announcing (big deal!) "Inside Edition" from New York would be here to "investigate" our church for possession of deadly weapons. The Franklin Press on front page displayed a picture of our church, with an article headlined "Inside Edition queries 'church' leader on weapons connection".

The smear job was well planned (by the ADL, no doubt) and here is how it went. After the crew finished setting up the lights and the cameras, Jeff Cole interviewed me for 2 1/2 hours. It soon became apparent to me that this was strictly to be a job of smear, slander and vilification, with the ADL in the background orchestrating and directing the shots. Their M.O. ran something like this.

First of all, after getting all the background shots, Jeff Cole then did his utmost to tie the Church of the Creator in with a well-publicized case in Jacksonville, Florida, where three men had been raided and indicted for possession of weapons and explosives, evidently stolen from some army arsenal. Lo and behold, amongst a dozen or so other leaflets and publications was found a copy of Racial Loyalty. That did it! The Church of the Creator was obviously involved in stock-piling huge masses of lethal weapons! Jeff Cole kept hammering away at this most idiotic linkage, but I laid the facts out to him again and again: **We knew nothing about these people. They were not members of our church.** I told Jeff Cole that we had no intentions of using violence to promote our ideas. For the last 20 years our movement had been promoted by persuasion and propaganda. However, if attacked we would use any means to defend ourselves.

The Franklin Press also collaborated in desperately trying to tie us in with something we had nothing to do with. Our astute editor, Rev. Victor Wolf, and I went to see their top echelon in an attempt to straighten them out. We had a conference with publisher Ken Hudgins, their editor, Scott McRae, and the reporter, Mike Decker, who actually wrote the slanderous article. I put it to The Franklin Press editor: -- *Suppose there was a drug bust in some of the backwoods in the north of Macon County, and in the bust they found that a fish sandwich had been wrapped in a copy of The Franklin Press. Now, if in our newspaper we published a screaming article alleging that Scott McRae, the editor of The Franklin Press, was involved and was, in fact, a suspected drug peddler, would you call that objective reporting?*

We also handed him a previously written "Letter to the Editor" to that effect, which (to their credit) they published verbatim.

More than a month later, on March 11th, the Inside Edition tape was finally broadcast all over the country. Of the 2 1/2 hours of material gathered by their cameras, only 2 1/2 minutes of my statements were used. The rest of the 15 minute show was devoted to the three men indicted in Jacksonville, Florida, and their arms caches, to demonstrating how powerful even 4 ounces of dynamite could be, to recycling the Rev. Carl Messick incident, to show burning crosses of the Klan, to show Skinheads and Nazis, all leading up to violence. The Church of the Creator was one of them -- and by association must be involved in violence. They even had some lousy Jew, whom I had never met, seen or heard of, spout his spiel that "not for a moment, did he believe that Klasson was not prone to violence." They also made sure they deliberately misspelled my name.

About the Messick incident, they took license to lie blatantly. They stated briefly that a car pulled into our Church grounds and Rev. Carl Messick drilled it full of holes with a semiautomatic rifle. The facts, as our readers may recall, from this incident that happened five years ago were altogether different. (We told the entire story in detail in a special report mailed out in August, 1986.)

The sad state of affairs is that the anti-White media establishment has the conveyor belts to lie, slander and calumniate us, the White Race, and we do not. This is one facet of the war that is upon us that we must turn the tables on the lying Jewish media and their media prostitutes. **B.K., P.M.**

(We will continue our expose about Media Prostitutes and their dirty tricks in the next issue of Racial Loyalty.)

If the White Race is to survive and prosper, Democracy and Christianity must be replaced by the LEADERSHIP PRINCIPLE and by CREATIVITY.

BEN KLASSEN, THE founder of the Church of the Creator, points out damage — which he says was inflicted to his church building during random attacks — to "Inside Edition" reporter Jeff Cole and a two-man camera crew that taped Cole's in-

terview with Klassen Thursday. Cole came to Macon County to investigate any link Klassen and his church might have to three men, all with white supremacist ties, who were recently indicted following a weapons seizure. (Photo by Decker)

'Inside Edition' queries 'church' leader on weapons connection

By Mike Decker

A reporter from the television newsmagazine "Inside Edition" was in Macon County Thursday for an interview with Ben Klassen, the founder and "pontifex maximus" of the white supremacist Church of the Creator.

The New York City-based reporter, Jeff Cole, came here to investigate a possible connection between the Church of the Creator and three men who were indicted last week in Jacksonville,

Fla., in connection with the seizure of weapons and explosives in Florida, Tennessee and North Carolina. All three have alleged ties to white supremacist groups, and reports indicate that some of the Church of the Creator's literature was found with the weapons during the seizure.

Cole joined up with an Atlanta-based camera crew and visited Klassen at the church's headquarters off Old U.S. 23 near the North Carolina-Georgia state line about noon Thursday, and

while Klassen had no objection to a reporter from The Press taking photographs, he requested that the reporter leave prior to the taping of the interview.

While the interview "covered a broad spectrum," the weapons question was brought out, Cole said, adding that Klassen "denied knowing anything about them."

Noting that Church of the Creator literature was found along with the weapons, Cole said the mixture of weapons and white supremacist activity results in "a

— 'Inside Edition'

potentially dangerous situation." Cole noted that Klassen stressed during the interview that the church is non-violent, but said that in his opinion "guns are very much a part Klassen's society."

The 16-count indictment, returned by a federal grand jury sitting in Jacksonville last Thursday, named Michael Tubbs, 31, of Clarksville, Tenn., his brother, John Tubbs, 26, of Jacksonville, and Stephen Fussell, 26, also of Jacksonville.

One count of the indictment charges the three with conspiring to possess unregistered firearms, explosives, mines and grenades and with transporting explosives across state lines, the Associated Press reported. Many of the items seized were military weapons believed to have been stolen by Michael Tubbs, an Army Green Beret sergeant now stationed at Ft. Campbell, Ky. He was deployed to the Persian Gulf in September, but was returned to Fort Campbell after he was named as a suspect in the 1987 armed theft of two M-16 rifles from two soldiers at Fort Bragg.

"Prosecutions of this type are especially necessary to maintain order and to avoid potential harm to the public in light of the allegations relating to white supremacist organizations," according to U.S. Attorney Robert W. Genzman.

The indictment stated, "Voluminous literature on white supremacist organizations was found during the searches of the residence of Michael and John Tubbs."

The indictment relates to the seizure of some 53 pounds of C-4 military explosives and military dynamite on Nov. 16 in Jacksonville. Recovered along with the explosives were firing devices, blasting caps, fuses, detonator cord and machine guns, silencers, military mines and grenades.

Assistant U.S. Attorney Charles Truncale told the *Fayetteville Observer-Times* that the theft of the military weapons and explosives was part of a plot to stockpile arms for a white supremacist group preparing for racial war. Truncale also said the seizure was one of the largest in the history of the federal Bureau of Alcohol, Tobacco and Firearms.

At a hearing in Jacksonville last Friday, Truncale introduced in court a letter and a proposed charter for a white supremacist group called The Knights of the New Order. The charter reportedly calls for members to arm themselves and dedicate their "blood to this great nation and the white race that created it."

In addition to books such as "Nature's Eternal Religion" and "The White Man's Bible," Klassen also publishes a monthly newspaper called *Racial Loyalty* which is "Dedicated to the Survival, Expansion and Advancement of the White Race."

Portions of the newspaper set out the "priorities of the white race" and the five fundamental beliefs of creativity, the first of which is that "We believe our race is our religion." The newspaper also refers to the "real enemies" of the white race, listed as "Jews, niggers and the mud races."

Portions of Cole's interview with Klassen, and possibly scenes from an interview Cole was to have with county tax supervisor Richard Lightner, are tentatively set to air on Friday, Feb. 8. "Inside Edition" is seen locally on Channel 6, the NBC affiliate WYFF-TV out of Greenville, S.C., and airs each weeknight at 7:30 p.m. The Press will attempt to keep abreast of any changes in that scheduled air date.

Produced by King World Productions, the newsmagazine is based in New York City with bureaus in Washington, D.C., and Los Angeles and is entering its third year.

The syndicated program is carried by roughly 150 stations nationwide.

What are the goals of the Jewish Conspiracy? They basically are: (a) to confuse and brainpollute goyim through the exclusive control of all the means of communication and opinion formation; (b) to mongrellize and enslave all the peoples of the world, especially the White Race — the prime target of Jewish hatred and revulsion; (c) to garner unto themselves all the gold, silver, precious gems, money and properties of the world. In short, the Jews, in accordance to their odious Talmud, are striving to make every Jew a king, and every goyim a brainless brown zombie slave.

The Naive American Goy

(Continued from Page 2)

wallowing in depression, despite the more than 350 billion dollar deficit in the current budget year, Bushwhacker Bush was non-plussed and found ample money to stage this incredibly pointless war. What is it costing? Well, like the Vietnam war, it will run into the hundreds of billions, and its maintenance is admittedly a billion dollars a day.

Why are we there? Bush and his lackeys have come up with a number of spurious and shifting reasons, but like those of Vietnam, they are all phoney as hell. The real reason our military might has been placed on the desert sands of Saudi Arabia is to protect the world's Number One parasite -- the Jewish bandit state of Israel.

We see a repeat of the same brutality and destruction that characterized General Sherman's march through Georgia. The burning of Atlanta, the destructive march upward through South Carolina and North Carolina, burning cities and estates and laying waste to plantations and farms as they went along. We see a repetition of the brutality of bombing of cities like Hamburg, Dresden and hundreds of others into rubble and the killing of at least 50 million White people during World War II. It was, and is indeed, an ongoing process of the Jewish Purim -- kill, burn, destroy the goyim.

Conclusion

Is there nothing that will stop the Jewish juggernaut from rolling onwards and destroying our world and our precious race? Yes, there is and the only power on earth that can stop the further depredations of the Jewish tyrant is the White Race, and only the White Race. Informed, aroused and united the White Race can make short shrift of the insidious and deceitful Jewish monster.

The Jews have accomplished the enslavement and mastery of the world through their parasitic and deceitful religion -- Judaism. In order that we, the White Race, can build a more powerful counterforce to overcome this deadly virus we need to arouse and unite our own people by means of a powerful religion of our own. We need a revolution of values! We need to throw overboard the deceitful Jewish values that have been imposed upon us by Christianity (love your enemies, turn the other cheek, sell all thou hast and give it to the niggers) and put into its place the eternal wisdom of the Laws of Nature for our own survival, expansion and advancement. (We are soon coming out with another book -- A REVOLUTION OF VALUES THROUGH RELIGION.) In Creativity we have the whole framework, the winning formula. We have the Total Program, the Final Solution, the Ultimate Creed. We now need to promote the hell out of our program already in place and inform, arouse and organize our own resources for our own best interests.

White Man, be a servile, stupid goy no longer! Vow never again to be harnessed into the Jewish yoke! Become a militant Creator and help destroy the Jewish monster that is now feeding upon us. DELEND A EST JUDAICA!

The Five Fundamental Beliefs of Creativity

For Daily Affirmation by All Creators

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

1. **WE BELIEVE** that our Race is our Religion.
2. **WE BELIEVE** that the White Race is Nature's Finest.
3. **WE BELIEVE** that racial loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
4. **WE BELIEVE** that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
5. **WE BELIEVE** that the one and only, true and revolutionary White Racial Religion -- Creativity -- is the only salvation for the White Race.

White People Awake!
Save the White Race!

Nietzsche: A Prelude to Creativity

by Rev. Victor Wolf

While maintaining the undisputed supremacy of the Sacred Books of Creativity, we Creators do acknowledge and appreciate the important contributions to the advancement of White Thought made by Nietzsche, as well as Gobineau, Darwin and other geniuses of the White Race.

CREATORS ARE HARD

(from Nietzsche's "Thus Spoke Zarathustra")

This new law-tablet I put over to you, my brothers: **Become hard!** For creators are hard. And if your hardness will not flash and cut and cut to pieces: how can you create with me?

CREATOR HAS TO DESTROY

(from Nietzsche's "Thus Spoke Zarathustra")

A change in values -- that means a change in the creators of values. He who is a creator of values has first to be a destroyer.

FIGHTERS AND CREATORS

(from Nietzsche's "Thus Spoke Zarathustra")

Stay loyal to the earth, my brothers! Lead, as I do, the flown-away virtue back to earth -- yes, back to body and life: so that it may give the earth its meaning, a human meaning!

May your spirit and your virtue serve the meaning of the earth, my brothers, and may the value of all things be fixed anew by you. To that end you should be fighters! To that end you should be creators!

WAR AND WARRIORS

(from Nietzsche's "Thus Spoke Zarathustra")

My brothers in war! I love you from the very heart, I am and have always been of your kind.

I see many soldiers: if only I could see many warriors! You should attack your enemy, you should fight your war -- a war for your ideas.

To you I do not recommend work but struggle. To you I do not recommend peace but victory. Let your work be a struggle! Let your peace be a victory!

POWER: EFFORT AND COURAGE

(from Nietzsche's "Human, All Too Human")

To exercise power costs effort and demands courage. That is why so many fail to assert rights to which they are perfectly entitled: a right is a kind of power, but they are too lazy or too cowardly to exercise it. The "virtues" with which they cloak these faults are called "patience" and "forbearance".

WISDOM LOVES A WARRIOR

(from Nietzsche's "Thus Spoke Zarathustra")

Brave, confident, scornful, violent -- that is what wisdom wants us to be: for wisdom is a woman and loves only a warrior.

LIVE DANGEROUSLY!

(from Nietzsche's "Joyful Wisdom")

The secret for harvesting from existence the greatest fruitfulness and greatest enjoyment is -- live dangerously! Build your cities on the slopes of Vesuvius! Send your ships into uncharted seas! Live at war!

We believe in the Laws of Nature

as revealed through science,
history, logic and common sense

1. What is Nature? The broad answer is not too difficult. Simply, Nature is the whole cosmos, the total universe, including its millions of natural laws through space and time.

2. The universe is governed by the laws of Nature.

3. The laws of Nature are fixed, immutable and eternal, not subject to modification or interdiction by any god/spook.

4. The laws of Nature apply to living creatures just as firmly and relentlessly as they do to inanimate objects.

5. The human races, too, are creatures of Nature, and subject to the laws of Nature.

6. Nature is interested only in survival of the species, and not the individual. Genetic survival in the endless succession of the new generations of our race is the only form of eternity.

7. Only those species survive that can compete in the hostile face of all others, and either hold their own or increase.

8. Nature continually tries to upgrade the species by the law of the Survival of the Fittest. It ruthlessly culls out, generally before reproduction, all the misfits, the sickly and the weak.

9. Through its laws Nature shows that in the struggle for the survival the species must be completely "beyond good and evil": devoid of any compassion, knee-jerk morality, or sense of fair play, as far as any other species is concerned. The only yardstick is survival. The end (genetic survival) justifies the means, any and all means deemed effective and necessary.

10. Nature favors and promotes the inner segregation of each species and causes the sub-species to compete against each other.

11. Nature frowns upon mongrelization, cross-breeding or miscegenation. Nature has given not only each species, but each sub-species the instinctive drive to mate only with its own kind.

12. Nature has evolved for each particular species a particular pattern in its life cycle which that species must follow. This is called instinct, a very important and vital part of its makeup. Any deviation, deadening or dulling of its instincts, as a rule, results in the extinction of that particular species. The White Race should note this well.

13. Nature is completely impartial as to which species survives, each being on its own, in the hostile competition against all others.

14. Nature tells each species to be completely indifferent to the survival of any other species, and relentlessly strive to expand and multiply to the limit of its ability. Love and tenderness are reserved exclusively to its own kind.

15. The Leadership Principle is instinctively ingrained and utilized by many species of animals, birds and insects as well as the human races. It must be the foundation of all social organizations.

16. One species, for example a flock of gulls, will sometimes wage wholesale war against another species, such as a plague of locusts. A pack of wolves will attack a herd of musk oxen. However, fratricidal wars among the species against its own kind are unknown in Nature, except for some misguided human species, especially the fratricidal Whites.

17. Nowhere in the realm of Nature does a stronger, superior species hold back its own advancement and expansion in deference to weaker, inferior species. There is no compassion between one species and another, only life and death competition.

18. Species themselves are continuously changing and evolving over the millenniums of time. This can even be greatly speeded up by means of deliberate selection, as in the breeding of horses. Some species die out. New species evolve. None remain static, but all, including the human species, are forever changing. However, a change does not automatically mean that it is for the better: only strict application of the principles of Eugenics can insure that the changes are for the better and not for the worse.

19. Nature has given each creature a strong natural instinct whose basic drive is the perpetuation of its own kind. Ingrained in this instinct is a complete blueprint for its whole life pattern that will propagate its own kind, generation after generation. A species must follow its ingrained instinctive pattern or perish.

20. Nature clearly indicates that it is her plan that each species continuously improve and up-grade itself, or be ruthlessly phased out of existence. Eternal struggle is the price of survival.
